

P-06-1479 Stop the detention of learning disabled and autistic children, young people and adults in hospitals - Correspondence from the Petitioner to the Committee, 20 February 2026

Stolen Lives are unsure what it all actually means in practice. There is no detail about the three year integrated learning disability service transformation plan. There is no action plan with timelines.

There is widespread lack of progress in improving the lives of people with learning disabilities in Wales. Hospitalisation is just one area. It constitutes social murder. We should be all disgusted. Where is the urgency?
