

The Rt Hon. Elin Jones MS  
Chair, Business Committee

6 February 2026

Dear Elin

I am writing to inform you that the Health and Social Care Committee will not be reporting on the LCM for the Medical Training (Prioritisation) Bill.

As you know, this Memorandum was referred to us by the Business Committee on 3<sup>rd</sup> February with a reporting deadline of 10<sup>th</sup> February. In the time available, we have been able to give only the briefest consideration to the LCM.

Whilst we appreciate that the Bill is proceeding through the UK Parliament in an accelerated timeframe, the Memorandum itself makes clear that discussions have been ongoing between the devolved governments during the development of the Bill. It is disappointing, therefore, that the Senedd has been given such little notice of this consent request and that, as a consequence, this Committee has been unable to undertake a more detailed piece of work in relation to it, including engaging with relevant stakeholders.

I am bringing this to your attention so that you can consider it, alongside other similar points we have raised previously with the Business Committee, as part of your legacy work.

Yours sincerely

Peter Fox MS  
Chair, Health and Social Care Committee
