CHAPTER 1
INTRODUCTORY

Overview

42 Overview of this Part

- (1) This section gives an overview of this Part.
- (2) Section 43 requires the development of land in Wales to be authorised by planning permission.
- (3) Chapters 2 to 8 are about granting planning permission. They provide for planning permission to be granted –
 - (a) by a development order made by the Welsh Ministers (see Chapter 2);
 - (b) by a local development order made by a planning authority (see Chapter 2);
 - (c) by a planning authority, or in certain circumstances by the Welsh Ministers, on an application for planning permission (see Chapters 3 to 7);
 - (d) by a government department when granting authorisations under certain enactments (see Chapter 8).
- (4) Other enactments under which planning permission may be granted, or treated as having been granted, include the following provisions of this Act –
 - paragraph 6 of Schedule 12 (grant of permission instead of confirming purchase notice);
 - section 133 (grant of permission on determination of appeal against enforcement notice);
 - section 142 (permission treated as having been granted where enforcement notice is complied with);
 - section 207 and paragraph 1(7) of Schedule 14 (grant of permission by discontinuance order);
 - section 229 (permission treated as having been granted where advertisement is displayed in accordance with control of advertisements regulations).
- (5) This Part also makes provision –
 - (a) about the effect, duration and implementation of planning permission (see Chapter 9);
 - (b) for making changes to planning permission (see Chapter 10);
 - (c) conferring rights to claim compensation and require the purchase of interests in land following certain planning decisions and changes to planning permission (see Chapter 11).

- (6) This Part includes provisions about planning permission for development relating to minerals and waste, in particular provisions about conditions subject to which permission may or must be granted, the review of conditions and compensation (see sections 67(6), 96, 103, 104 and 109 and Schedules 3, 5, 8, 9 and 11).

Requirement for planning permission

43 Planning permission required for development

- (1) Planning permission is required for the development of land in Wales.
- (2) But this is subject to—
- (a) section 20(1) of the Infrastructure (Wales) Act 2024 (asc 3) (which provides that planning permission is not required for development to the extent that infrastructure consent is required),
 - (b) section 33(1) of the Planning Act 2008 (c. 29) (which provides that planning permission is not required for development to the extent that development consent is required), and
 - (c) the following provisions of this section.
- (3) Where planning permission to develop land has been granted subject to limitations by a development order or a local development order, planning permission is not required for the use of the land which (apart from its use in accordance with the permission) is its normal use.
- (4) Where, on an application for planning permission to develop land, planning permission has been granted for a limited period, planning permission is not required for the resumption at the end of that period of the use of the land which was its normal use before the permission was granted.
- (5) Where an enforcement notice has been issued in respect of any development of land, planning permission is not required for the use of the land for a purpose for which it could lawfully have been used if that development had not been carried out.
- (6) In determining what is or was the normal use of land for the purposes of subsections (3) and (4), no account is to be taken of any use of the land that started in breach of planning control or in breach of a planning obligation, discontinuance order or prohibition order.
- (7) In this section references to use of land do not include use for carrying out operations on the land.

CHAPTER 2

PLANNING PERMISSION GRANTED BY ORDER

44 Power of the Welsh Ministers to grant permission by development order

- (1) The Welsh Ministers may by order (a “development order”) grant planning permission for—
- (a) specified development;

- (2) A development order may make provision in relation to—
 - (a) all land in Wales (subject to any specified exceptions);
 - (b) land in Wales of a specified description;
 - (c) specified land in Wales.
- (3) A development order may grant planning permission subject to specified conditions or limitations.
- (4) Where a development order grants planning permission for the erection of a building, a condition may (for example) require the approval of the planning authority to be obtained for the design or external appearance of the building.
- (5) Where a development order grants planning permission for development of a specified description, it may enable the Welsh Ministers or the planning authority to direct that the permission does not apply to—
 - (a) development in a particular area, or
 - (b) a particular development.
- (6) Subsection (7) applies where a development order grants planning permission for the use of land for any purpose (whether or not specified in the order) on a limited number of days in a specified period.
- (7) The order is to be treated as granting planning permission subject to the limitation that the land must not be used for any one purpose in reliance on the permission on more than that number of days in that period.
- (8) A development order may—
 - (a) make different provision for different purposes and for different areas;
 - (b) make incidental, supplementary, consequential, transitional or saving provision.
- (9) A development order must be made by Welsh statutory instrument and is subject to the Senedd annulment procedure.
- (10) For further provision about the planning permission that may be granted by a development order in connection with proposals for the development of an urban development area or a new town, see section 148 of the Local Government, Planning and Land Act 1980 (c. 65) and section 7 of the New Towns Act 1981 (c. 64).
- (11) In this section—

“the planning authority” (*“yr awdurdod cynllunio”*) means the planning authority in whose area the development is or would be carried out;

“specified” (*“penodedig”*) means specified in the development order.
- (12) Subsection (7) does not limit the meaning of references to limitations in this Act.

 - (b) land in a specified part of the authority's area;
 - (c) specified land in the authority's area.
- (3) A local development order may grant planning permission subject to specified conditions or limitations.
- (4) Where a local development order grants planning permission for development of a specified description, it may enable the planning authority to direct that the permission does not apply to—
 - (a) development in a particular area, or
 - (b) a particular development.
- (5) A local development order may make different provision for different purposes and for different areas.
- (6) Regulations may specify an area or description of development in respect of which a local development order must not be made.
- (7) A local development order has effect only so far as it is adopted by a resolution of the planning authority that prepared it.
- (8) Schedule 1 makes further provision about local development orders (including provision for their preparation, revision and revocation).
- (9) In subsections (1) to (4) "specified" means specified in the local development order.

46 Completion of development after withdrawal of permission granted by order

- (1) A development order or local development order may permit the completion of development if—
 - (a) the order grants planning permission for the development, and
 - (b) the planning permission is withdrawn after the development starts but before it is completed.
- (2) For the purposes of this section, the planning permission is withdrawn if—
 - (a) a direction given in the exercise of a power conferred by the order under section 44(5) or 45(4) takes effect in relation to the development;
 - (b) the order is amended or revised—
 - (i) so that it ceases to grant planning permission for the development, or

- (3) In complying with subsection (2), a public body must take account of any relevant guidance issued by the Welsh Ministers (including relevant guidance issued under section 14 of the Well-being Act).
- (4) In this section “public body” has the meaning given by section 6 of the Well-being Act.

CHAPTER 6

 - (g) requiring information to be given to the Welsh Ministers or any other person about how an application has been dealt with (which may include provision enabling the Welsh Ministers to direct a planning authority to give a person information).

- (3) Regulations may enable the Welsh Ministers to give a direction restricting the grant by a planning authority of applications for planning permission –
 - (a) for development specified in the direction or of a description specified in it, and
 - (b) indefinitely or for a period specified in the direction.

64 Requirement to respond to consultation

- (1) Where a planning authority consults a person who exercises functions for the purposes of any enactment and either or both of the following conditions are met, the person must give a substantive response to the consultation.
- (2) The first condition is that the consultation is required by regulations under section 63.
- (3) The second condition is that –
 - (a) the consultation relates to an application made to the planning authority for –
 - (i) approval of a reserved matter, or
 - (ii) any other consent, agreement or approval required by a condition subject to which planning permission has been granted on an application made to the authority under this Part, and
 - (b) regulations under section 63 required the planning authority to consult the person before determining the application for the planning permission.
- (4) The substantive response must be given before the end of –
 - (a) the period specified in regulations, or
 - (b) any other period agreed in writing between the person consulted and the planning authority.
- (5) Regulations may make provision –
 - (a) about the procedure to be followed for the purposes of this section;
 - (b) about the requirements of a substantive response;
 - (c) requiring a person to make a report to the Welsh Ministers about the person’s compliance with subsections (1) and (4) (including provision about the form and content of the report and when it must be made).

65 Notifying community councils of applications

- (1) Subsection (3) applies if a community council makes a request in writing to a planning authority asking to be notified of –
 - (a) all relevant planning applications, or
 - (b) relevant planning applications of a description specified in the request.
- (2) “Relevant planning application” means an application that –
 - (a) is an application for planning permission or for approval of a reserved matter, and
 - (b) relates to land in the area of the community council.

- (3) If a relevant planning application falling within the terms of the request is made to the planning authority, the authority must notify the community council of –
 - (a) the application, and
 - (b) any variation of the application accepted by the authority, unless it considers that the variation is trivial.
- (4) A planning authority must comply with the duty to notify a community council of an application by sending the council –
 - (a) a copy of the application, or
 - (b) notification in writing indicating the nature of the development that is the subject of the application and identifying the land to which it relates.
- (5) A planning authority must comply with the duty to notify a community council of a variation of an application by –
 - (a) sending the council a copy of the variation, or
 - (b) informing the council in writing of its general effect.
- (6) Regulations may provide that, where this section requires a planning authority to notify a community council of a relevant application, the authority must –
 - (a) give the council an opportunity to make representations about how the application should be determined;
 - (b) take account of representations made by the council;
 - (c) notify the council of how the application has been dealt with.

Determination of applications and conditions of planning permission

66 General considerations relevant to determination of applications

- (1) In determining an application for planning permission or for approval of a reserved matter, a planning authority must –
 - (a) have regard to the development plan for its area and any other relevant considerations, and
 - (b) make its decision in accordance with the development plan unless other relevant considerations indicate otherwise.
- (2) The fact that a person has entered into a planning obligation or proposes to do so may be a reason for granting an application for planning permission only if the obligation is –
 - (a) directly related to the development to which the application relates,
 - (b) necessary to make the development acceptable in planning terms, and
 - (c) fairly and reasonably related in scale and kind to the development.
- (3) See also –
 - (a) section 404 (duty to have special regard to desirability of preserving listed building, its setting and any features of special interest);
 - (b) section 160 of the Historic Environment Act (duty to have special regard to desirability of preserving or enhancing character or appearance of conservation area).

67 Grant or refusal of planning permission and imposition of conditions

- (1) On determining an application for planning permission, a planning authority may –
 - (a) grant permission subject to the conditions required by this Part and any other conditions the authority considers appropriate, or
 - (b) refuse permission.
- (2) The conditions that may be imposed include (for example) conditions –
 - (a) regulating the development or use of any land under the control of the applicant (whether or not it is land in respect of which the application was made), or
 - (b) requiring works to be carried out on any such land for the purposes of or in connection with the development authorised by the planning permission.
- (3) The conditions that may be imposed also include conditions requiring –
 - (a) the removal of buildings or works authorised by the planning permission, or the discontinuance of a use of land authorised by the permission, at the end of a specified period, and
 - (b) the carrying out of any works that are required for the restoration of land at the end of that period.
- (4) In this Act “planning permission granted for a limited period” means planning permission granted subject to a condition mentioned in subsection (3).
- (5) In subsection (3)(a) the reference to use of land does not include use for carrying out operations on the land other than mining operations.
- (6) Schedule 3 makes further provision about conditions that may be imposed on the grant of planning permission for development that consists of mining operations or includes the depositing of waste.
- (7) See also –
 - (a) Chapter 9 for provision requiring planning permission to be granted subject to conditions relating to the duration and implementation of the permission;
 - (b) section 233 for provision requiring a planning authority to impose appropriate conditions relating to the preservation or planting of trees.

68 Determining applications to develop without compliance with previous conditions

- (1) In determining an application for planning permission for the development of land without complying with conditions subject to which a previous planning permission was granted, a planning authority must consider only the question of the conditions subject to which planning permission should be granted.
- (2) If the authority decides that planning permission should be granted subject to different conditions from those subject to which the previous permission was granted, it must grant planning permission accordingly.
- (3) If the authority decides that planning permission should be granted subject to the same conditions as those subject to which the previous permission was granted, it must refuse the application.

- (4) This section does not apply if—
 - (a) the previous planning permission was granted subject to a condition specifying the period within which the development to which it related must start, and
 - (b) that period has ended without the development having started.
- (5) In subsection (4) references to development starting have the same meaning as in Chapter 9 (see section 99).

69 Decision notices

- (1) In this section “decision notice” means a notice of a decision whether to grant planning permission for development on an application under this Part.
- (2) Where the decision is to grant permission, the decision notice must specify plans or other documents in accordance with which the development must be carried out.
- (3) The planning permission is to be treated as having been granted subject to the condition that the development must be carried out in accordance with those plans or other documents.
- (4) Subsections (2) and (3) do not apply where planning permission is granted for development carried out before the grant of the permission.
- (5) Where, after planning permission is granted for development—
 - (a) a planning authority or the Welsh Ministers approve a reserved matter or give any other consent, agreement or approval required by a condition subject to which the permission was granted, or
 - (b) a planning authority imposes, removes or varies a condition of the permission under section 100 (power to make non-material change to planning permission),
 the planning authority must send a revised decision notice to the persons specified in regulations.
- (6) Regulations may specify information that the revised decision notice must contain relating to—
 - (a) the giving of the consent, agreement or approval, or
 - (b) the imposition, removal or variation of the condition.

Cases where planning authorities do not deal with applications made to them

70 Power to refuse to consider similar applications

- (1) A planning authority may refuse to consider an application for planning permission if the following conditions are met.
- (2) The first condition is that, in the 2 years ending with the day the authority receives the application, the Welsh Ministers have—
 - (a) refused a similar application for planning permission referred to them under section 72, or
 - (b) dismissed an appeal against the refusal of a similar application for planning permission or an appeal under section 73(3) relating to a similar application.

- (3) The second condition is that the planning authority considers that since the refusal or dismissal there has been no significant change in the development plan for its area, so far as relevant to the application, or in any other relevant considerations.
- (4) For the purposes of this section an application is similar to another application if (and only if) the planning authority considers that the development and land to which the applications relate are the same or substantially the same.

71 Power to refuse to consider application made after issue of enforcement notice

A planning authority may refuse to consider an application for planning permission if—

- (a) granting the application would involve granting planning permission for matters specified in an enforcement notice as constituting a breach of planning control, and
- (b) the enforcement notice was issued before the authority received the application.

72 Reference of application to the Welsh Ministers

- (1) This section applies to applications made to planning authorities for—
 - (a) planning permission,
 - (b) approval of a reserved matter, or
 - (c) any approval required under a development order or a local development order.
- (2) A planning authority must refer an application to the Welsh Ministers instead of dealing with the application itself if—
 - (a) the application is of a description specified in regulations, or
 - (b) the Welsh Ministers direct the authority to refer the application to them for determination.
- (3) A direction may relate to—
 - (a) a particular application, or
 - (b) applications of a description specified in the direction.
- (4) Regulations may—
 - (a) make provision requiring the Welsh Ministers to give an applicant, within a period specified in the regulations, notice that an application has been referred to them under this section (including provision about the form and content of a notice and how it must be given);
 - (b) provide that a requirement imposed under section 58 or 63 (notice of application and dealing with application) applies, with or without modifications, in relation to an application referred to the Welsh Ministers under this section.
- (5) Sections 64 and 66 to 69 and Schedule 3 apply, with any necessary modifications, in relation to an application referred to the Welsh Ministers under this section as they apply in relation to an application determined by a planning authority.
- (6) Chapter 2 of Part 14 makes further provision about the procedure for the consideration of an application referred to the Welsh Ministers under this section.

- (7) The decision of the Welsh Ministers on an application is final.

Appeals to the Welsh Ministers

73 Right to appeal against planning authority decision or failure to make decision

- (1) This section applies where an application has been made to a planning authority for –
- (a) planning permission,
 - (b) approval of a reserved matter, or
 - (c) any other consent, agreement or approval required by a condition or limitation subject to which planning permission has been granted.
- (2) The applicant may appeal to the Welsh Ministers if the planning authority –
- (a) refuses the application, or
 - (b) grants the application subject to conditions.
- (3) The applicant may also appeal to the Welsh Ministers if the planning authority has done none of the following by the end of the determination period –
- (a) given notice to the applicant of its decision on the application,
 - (b) given notice to the applicant that it has exercised its power under section 70 or 71 to refuse to consider the application, or
 - (c) given notice to the applicant that it has referred the application to the Welsh Ministers under section 72.
- (4) In subsection (3) “the determination period” means –
- (a) the period specified in regulations, or
 - (b) a longer period agreed in writing between the applicant and the planning authority.
- (5) An appeal under this section may not be made or continued against the refusal of an application for planning permission if –
- (a) granting the application would involve granting planning permission for matters specified in an enforcement notice as constituting a breach of planning control, and
 - (b) on the determination of an appeal against that notice under section 131, planning permission for those matters was not granted under section 133.
- (6) An appeal under this section may not be made or continued against a condition subject to which planning permission has been granted if –
- (a) an appeal against an enforcement notice has been brought under section 131 on the ground that the condition ought to be removed, and
 - (b) on the determination of that appeal, the condition was not removed under section 133.

74 Procedure for making appeal

- (1) An appeal under section 73 must be made by serving a notice of appeal on the Welsh Ministers.

- (2) Regulations may make provision about—
 - (a) the form of a notice of appeal;
 - (b) information that must be included with a notice of appeal;
 - (c) the way in which, and period within which, a notice of appeal must be served (which may include provision enabling the Welsh Ministers to extend the period).
- (3) The period specified by regulations under subsection (2)(c) must be at least 28 days beginning with the day after—
 - (a) in the case of an appeal under subsection (2) of section 73, the day the applicant receives notice of the decision;
 - (b) in the case of an appeal under subsection (3) of that section, the end of the determination period (which has the same meaning as in that subsection).

75 Restriction on varying application after service of notice of appeal

- (1) Once notice of an appeal under section 73 has been served, the application to which the appeal relates may not be varied except in circumstances specified in regulations.
- (2) Where an application is varied under this section, the Welsh Ministers may direct that further consultation must be carried out in relation to the application.

76 Decision on application after service of notice of appeal

- (1) This section applies if a person who has made an application to a planning authority for planning permission appeals to the Welsh Ministers under section 73(3) (failure to give notice of decision).
- (2) The Welsh Ministers must not determine the appeal before the end of the period specified in regulations that begins with the day the notice of appeal is served.
- (3) The planning authority may give notice of its decision on the application to which the appeal relates at any time before the end of that period.
- (4) If the authority gives notice in accordance with subsection (3) that its decision is to refuse the application—
 - (a) the appeal must be treated as an appeal under section 73(2) against the refusal, and
 - (b) the Welsh Ministers must give the appellant an opportunity to revise the grounds of the appeal.
- (5) If the planning authority gives notice in accordance with subsection (3) that its decision is to grant the application subject to conditions, the Welsh Ministers must give the appellant the opportunity—
 - (a) to proceed with the appeal as an appeal under section 73(2) against the conditions, and
 - (b) to revise the grounds of the appeal.

77 Determination of appeal

- (1) On an appeal under section 73 the Welsh Ministers may –
 - (a) allow or dismiss the appeal, or
 - (b) reverse or vary any part of the planning authority's decision on the application to which the appeal relates (whether or not the appeal relates to that part),and may deal with the application as if it had been made to them.
- (2) Where the appeal was made under section 73(3) (failure to give notice of decision) and the planning authority has not given notice under section 76(3), it is to be assumed for the purposes of subsection (1) that the authority decided to refuse the application.
- (3) On an appeal under section 73 the Welsh Ministers may decide whether a requirement imposed under section 56(4) in relation to the application complies with section 56(5), unless they have previously decided that question on an appeal under section 61.
- (4) Regulations may provide that a requirement imposed under section 58 or 63 applies, with or without modifications, in relation to an appeal under section 73.
- (5) Sections 66 to 68 and Schedule 3 apply, with any necessary modifications, in relation to an appeal under section 73 as they applied in relation to the application to which the appeal relates.
- (6) The decision of the Welsh Ministers on an appeal is final.
- (7) If at any time before or during the determination of an appeal the Welsh Ministers consider that the appellant is responsible for undue delay in the progress of the appeal –
 - (a) they may give the appellant notice that the appeal will be dismissed unless, within the period specified in the notice, the appellant takes steps specified in the notice for the expedition of the appeal, and
 - (b) if the appellant fails to take those steps within that period, they may dismiss the appeal.
- (8) Chapter 2 of Part 14 makes further provision about the procedure for the consideration of appeals under section 73 (including provision for them to be determined by inspectors).

CHAPTER 7**APPLICATIONS FOR PLANNING PERMISSION AND RELATED APPROVALS: SPECIAL CASES***Optional applications to the Welsh Ministers***78 Option to make application to the Welsh Ministers**

- (1) If the following conditions are met, an application for planning permission or for approval of a reserved matter may (if the applicant chooses) be made to the Welsh Ministers instead of to a planning authority.
- (2) The first condition is that the planning authority is designated by the Welsh Ministers for the purposes of this section.

- (3) The second condition is that –
 - (a) the development to which the application relates, in the case of an application for planning permission, or
 - (b) the development for which outline planning permission has been granted, in the case of an application for approval of a reserved matter,
 is development of a description specified in regulations.
- (4) The third condition, in the case of an application for planning permission for the development of land without complying with conditions subject to which a previous planning permission was granted, is that the application is of a description specified in regulations.

79 Designation of planning authority for the purposes of section 78

- (1) The power of the Welsh Ministers to designate a planning authority for the purposes of section 78 is exercisable by giving notice in writing to the authority.
- (2) The Welsh Ministers may revoke the designation of a planning authority by giving a further notice in writing to the authority.
- (3) In deciding whether to make or revoke a designation, the Welsh Ministers must apply only criteria in relation to which the following conditions are met.
- (4) The first condition is that the Welsh Ministers have consulted every planning authority about the criteria.
- (5) The second condition is that the criteria are set out in a document that the Welsh Ministers have laid before Senedd Cymru.
- (6) The third condition is that the 21-day period has ended without Senedd Cymru having resolved during that period not to approve the document.
- (7) The fourth condition is that the Welsh Ministers have published the document (whether before, during or after the 21-day period).
- (8) In this section “the 21-day period” means the 21 days beginning with the day the document is laid before Senedd Cymru under subsection (5), not counting any time when the Senedd is dissolved or is in recess for more than 4 days.
- (9) The Welsh Ministers must publish a copy of a notice given to a planning authority under this section.

80 Option to make application to the Welsh Ministers: connected applications

- (1) This section applies where an application for planning permission or for approval of a reserved matter (“the principal application”) is made to the Welsh Ministers under section 78.
- (2) A connected application that would otherwise have to be made to a planning authority may (if the applicant chooses) instead be made to the Welsh Ministers, but only if it is made on the same day as the principal application.
- (3) “Connected application” means an application under the Welsh planning Acts that –
 - (a) is of a description specified in regulations, and
 - (b) is considered by the person making it to be connected to the principal application.

- (4) Subsection (5) applies if an application is made to the Welsh Ministers on the basis that it is a connected application but the Welsh Ministers consider –
 - (a) that the application is not connected to the principal application, or
 - (b) that, although the application is connected to the principal application, the decision on the application should not be made by the Welsh Ministers.
- (5) The Welsh Ministers must refer the application to the planning authority to which it would otherwise have been made.
- (6) An application that has been referred to a planning authority under subsection (5) is to be –
 - (a) treated as having been made to that authority (instead of to the Welsh Ministers) on the day it was referred, and
 - (b) determined by the authority accordingly.
- (7) Regulations may make provision about the referral of applications under subsection (5) (including provision about what counts as the referral of an application for the purposes of subsection (6)).

81 Powers to impose requirements in relation to applications to the Welsh Ministers

- (1) The Welsh Ministers may direct a planning authority to do things in relation to an application made to the Welsh Ministers under section 78 or 80 that would otherwise have been made to the authority.
- (2) A direction may relate to –
 - (a) a particular application,
 - (b) applications of a description specified in the direction, or
 - (c) applications generally.
- (3) Regulations may provide that an enactment that applies to an application to a planning authority under the Welsh planning Acts –
 - (a) is to apply, with or without modifications, or
 - (b) is not to apply,to an application of that kind when it is made to the Welsh Ministers under section 78 or 80.

82 Procedure for dealing with planning applications made to the Welsh Ministers

- (1) Regulations may make provision about how the Welsh Ministers are to deal with –
 - (a) applications for planning permission or approval of a reserved matter that are made to them under section 78 or 80, or
 - (b) applications for any other consent, agreement or approval required by a condition or limitation subject to which planning permission was granted, that are made to them under section 80.

- (2) That provision may include provision about—
 - (a) publicity, notification or consultation to be carried out in relation to applications;
 - (b) the variation of applications;
 - (c) the notice to be given of how an application has been dealt with.
- (3) If an application for planning permission or for approval of a reserved matter—
 - (a) falls within the terms of a request that a community council has made to a planning authority under section 65(1) (notifying community councils of applications), and
 - (b) is made to the Welsh Ministers instead of the planning authority under section 78 or 80,
the Welsh Ministers (instead of the planning authority) must notify the community council of the application in accordance with section 65(4).
- (4) The planning authority must comply with any request made by the Welsh Ministers for the purposes of this section to give them information about requests received by the authority under section 65(1).

83 Pre-application services and determination of applications: functions of inspectors

- (1) Functions of the Welsh Ministers under regulations made under section 53 (pre-application services) are to be exercised by an inspector in relation to an application that a person proposes to make to the Welsh Ministers under section 78 or 80.
- (2) An application made to the Welsh Ministers under section 78 or 80 is to be determined by an inspector.
- (3) But the Welsh Ministers may direct—
 - (a) that functions in relation to an application proposed to be made under section 78 or 80 are to be exercised by them instead of by an inspector;
 - (b) that an application made under either of those sections is to be determined by them instead of by an inspector.
- (4) Where an inspector determines an application, the inspector's decision is to be treated as the decision of the Welsh Ministers.
- (5) The decision of the Welsh Ministers on an application is final.
- (6) Schedule 4 makes further provision about the exercise of functions by inspectors in connection with applications made or proposed to be made under section 78 or 80.
- (7) Chapter 2 of Part 14 makes further provision about the procedure for the consideration of applications made to the Welsh Ministers under sections 78 and 80.

The Crown

84 Applications by the Crown

- (1) Regulations may provide that any provision made by or under this Act is not to apply, or is to apply with modifications, to an application mentioned in subsection (2) that is made by or on behalf of the Crown.

- (2) The applications referred to in subsection (1) are applications for –
 - (a) planning permission, or
 - (b) approval of a reserved matter.

85 Applications relating to urgent Crown development

- (1) This section applies to –
 - (a) an application for planning permission for the development of Crown land that is made by the appropriate Crown authority;
 - (b) an application for planning permission for the development of any other land that is made by or on behalf of the Crown, the Duchy of Lancaster or the Duchy of Cornwall.
- (2) An application to which this section applies may be made to the Welsh Ministers under this section if the applicant certifies –
 - (a) that the development to which the application relates is of national importance, and
 - (b) that it is necessary that the development is carried out as a matter of urgency.
- (3) Before making the application, the applicant must publish in one or more newspapers circulating in the locality of the proposed development a notice –
 - (a) describing the proposed development, and
 - (b) stating that it proposes to make the application to the Welsh Ministers under this section.
- (4) Where an application is made to the Welsh Ministers under this section –
 - (a) the applicant must give the Welsh Ministers a statement of its grounds for making the application;
 - (b) the Welsh Ministers may require the applicant to give them any further information they consider necessary to enable them to determine the application.
- (5) As soon as practicable after receiving a document or other material by virtue of subsection (4), the Welsh Ministers must make a copy of the document or other material available for public inspection in the locality of the proposed development.
- (6) The Welsh Ministers must, in accordance with any requirements imposed by regulations, publish notice of the application and of the fact that documents and other material are available for inspection.
- (7) The Welsh Ministers must consult the following persons about the application –
 - (a) the planning authority in whose area the proposed development is to be carried out,
 - (b) any corporate joint committee in whose area the proposed development is to be carried out, and
 - (c) any other person that may be specified in regulations.
- (8) Regulations may provide that a requirement imposed under section 58 or 63 applies, with or without modifications, in relation to an application made to the Welsh Ministers under this section.

- (9) Chapter 2 of Part 14 makes further provision about the procedure for the consideration of applications made under this section.
- (10) Subsection (5) does not apply to the extent that a document or other material is subject to a direction under section 370 (restriction of access to evidence on national security grounds).
- (11) Sections 66 to 69 and Schedule 3 apply, with any necessary modifications, in relation to an application made under this section as they apply in relation to an application for planning permission made to a planning authority.
- (12) The decision of the Welsh Ministers on an application is final.

Combination of applications

86 Combination of applications for planning permission with other applications

- (1) Regulations may provide for the combination in a single application of –
 - (a) an application for planning permission for development, and
 - (b) any other application that an enactment specified in the regulations requires to be made to a planning authority or other local authority in respect of the same development.
- (2) The regulations may make provision about –
 - (a) the form and content of a combined application;
 - (b) how such an application must be made;
 - (c) the authority to which it must be made.
- (3) Before making regulations under this section the Welsh Ministers must consult the local authorities or associations of local authorities that they consider appropriate.
- (4) Regulations under this section may make different provision for areas where different enactments apply.
- (5) Where an application required by an enactment specified in regulations under this section is made in accordance with the regulations, it need not comply with any different provision made by or under that enactment about the form and content of an application or how it must be made.
- (6) Subsection (5) does not –
 - (a) prevent an application being made in accordance with the enactment in question, or
 - (b) limit any power of a local authority under that enactment to require further information about the matters to which the application relates.
- (7) A planning authority must not consider a combined application made to it by virtue of regulations under this section if any requirement imposed by the regulations has not been complied with.
- (8) In this section references to making an application (other than an application for planning permission) include giving a notice or submitting any other document.

CHAPTER 8

PLANNING PERMISSION FOR DEVELOPMENT WITH GOVERNMENT AUTHORISATION

87 **Authorisation for development by local authorities and statutory undertakers**

- (1) This section applies where the authorisation of a government department is required by virtue of an enactment for development that is to be carried out in Wales by a local authority or a statutory undertaker.
- (2) On granting the authorisation, the government department may give a direction granting planning permission for the development, subject to conditions specified in the direction.
- (3) For the purposes of this section a government department grants an authorisation for development if it –
 - (a) grants any consent, authority or approval for the development under an enactment;
 - (b) confirms a compulsory purchase order authorising the acquisition of land for the purpose of the development;
 - (c) consents to the appropriation of land for the purpose of the development or to the acquisition of land by agreement for that purpose;
 - (d) authorises –
 - (i) the borrowing of money for the purpose of the development, or
 - (ii) the application for that purpose of money that would not otherwise be applicable for that purpose;
 - (e) gives an undertaking to pay a grant in respect of the development.
- (4) In subsection (1) the reference to a statutory undertaker does not include an electricity licensee.
- (5) See also –
 - (a) section 5(1) of the Pipe-lines Act 1962 (c. 58), which provides that the Secretary of State may direct that planning permission is granted for development in accordance with a pipe-line construction authorisation under section 1 of that Act or a notice requiring the removal of works under section 4 of that Act;
 - (b) section 4(6) of the Gas Act 1965 (c. 36), which provides that certain development shown as approved in a storage authorisation order under that section, or carried out in accordance with such an order, is taken to be authorised by the Secretary of State for the purposes of this section.

88 Consent for electricity generating stations and electric lines

- (1) On granting or varying a consent under section 36 or 37 of the Electricity Act 1989 (c. 29) (consent for generating station or electric line), the Welsh Ministers or the Secretary of State may give a direction granting planning permission, subject to conditions specified in the direction, for—
 - (a) so much of the operations or change in use to which the consent relates as constitutes development of land in Wales;
 - (b) any development of land in Wales that is ancillary to the operations or change in use to which the consent relates.
- (2) On varying a consent under section 36 or 37 of the Electricity Act 1989, the Welsh Ministers or the Secretary of State may give one or more of the following directions (instead of, or as well as, a direction under subsection (1))—
 - (a) a direction varying an existing planning permission granted by a direction under subsection (1);
 - (b) a direction varying conditions subject to which such a planning permission was granted;
 - (c) a direction that a consent, agreement or approval given in respect of a condition subject to which such a planning permission was granted is to be treated as given in respect of a condition subject to which a new or varied planning permission is granted.
- (3) In subsection (1) the reference to ancillary development, in the case of a consent relating to the extension of a generating station, does not include development that is not directly related to the generation of electricity by that station.
- (4) In this section “electric line”, “extension” and “generating station” have the same meanings as in Part 1 of the Electricity Act 1989 (see sections 36(9) and 64(1) of that Act).

89 Orders under the Transport and Works Act 1992

- (1) This section applies where the Welsh Ministers or the Secretary of State make an order under section 1 or 3 of the Transport and Works Act 1992 (c. 42) (orders relating to construction or operation of railways, tramways, inland waterways etc.) that includes provision for development in Wales.
- (2) On making the order, the Welsh Ministers or the Secretary of State may give a direction granting planning permission for that development, subject to conditions specified in the direction.

90 Application of this Act to planning permission granted under this Chapter

- (1) The planning permission that may be granted by a direction under this Chapter is any planning permission that could be granted on an application under this Part.
- (2) Where planning permission is granted by a direction under this Chapter, this Act (except Chapters 3 and 4 of Part 14) applies in relation to the permission as if it had been granted by the Welsh Ministers on an application referred to them under section 72.

- (3) Accordingly –
 - (a) Schedule 3 applies, with any necessary modifications, in relation to a planning permission granted by a direction under this Chapter as it applies in relation to a planning permission granted by a planning authority;
 - (b) section 69 applies to a direction under this Chapter as if it were a decision notice.
- (4) See also Chapter 9 for provision requiring planning permission to be granted subject to conditions relating to the duration and implementation of the permission.

CHAPTER 9

EFFECT, DURATION AND IMPLEMENTATION OF PLANNING PERMISSION

Effect of planning permission

91 Benefit of planning permission

Planning permission to develop land has effect for the benefit of the land and of all persons for the time being interested in it; but this is subject to the terms of the permission.

92 Permission to erect a building: purposes for which building may be used

- (1) Planning permission for the erection of a building may specify the purposes for which the building may be used.
- (2) If no purposes are specified, the planning permission is to be read as including permission to use the building for the purpose for which it is designed.

Duration of planning permission

93 Condition about period within which development must start

- (1) Planning permission must be granted subject to the condition that the development to which it relates must start before the end of a period specified in the condition that begins with the day the permission is granted.
- (2) If planning permission is granted without the condition required by subsection (1), it is to be treated as having been granted subject to the condition that the development must start before the end of 5 years beginning with the day the permission was granted.
- (3) But if –
 - (a) the planning permission granted without the condition required by subsection (1) is planning permission for the development of land without complying with conditions subject to which a previous planning permission was granted, and
 - (b) the previous permission was subject to a condition specifying a period before the end of which development was required to start,

the planning permission is to be treated as having been granted subject to the condition that the development to which it relates must start before the end of that period.

- (4) This section does not apply to—
 - (a) planning permission granted by a development order or a local development order;
 - (b) outline planning permission (but see section 94);
 - (c) planning permission for development carried out before the grant of the permission;
 - (d) planning permission granted for a limited period;
 - (e) a minerals permission that is subject to a condition that minerals development must start before the end of a specified period after—
 - (i) the completion of other development consisting of mining operations already being carried out by the applicant for the permission, or
 - (ii) the cessation of depositing of mineral waste already being carried out by the applicant.
- (5) The fact that planning permission is subject to a condition by virtue of this section does not prevent the condition being the subject of an application under section 68 or an appeal under section 73.

94 Conditions of outline planning permission

- (1) Outline planning permission must be granted subject to the conditions that—
 - (a) an application for approval of each reserved matter must be made before the end of a period specified in the condition that begins with the day the permission is granted, and
 - (b) the development must start before—
 - (i) the end of a period specified in the condition that begins with the day the permission is granted, or
 - (ii) if later, the end of a period specified in the condition that begins with the day the reserved matters are finally approved (or, if they are finally approved on different days, with the last of those days).
- (2) A condition imposed under subsection (1)(a) may specify different periods for different parts of the development; and if it does so, the condition required by subsection (1)(b) must be framed by reference to those parts instead of the development as a whole.
- (3) If outline planning permission is granted without the condition required by subsection (1)(a), it is to be treated as having been granted subject to the condition that an application for approval of each reserved matter must be made before the end of 3 years beginning with the day the permission was granted.

- (4) But if –
- (a) the outline planning permission granted without the condition required by subsection (1)(a) is planning permission for the development of land without complying with conditions subject to which a previous planning permission was granted, and
 - (b) the previous permission was subject to a condition specifying a period before the end of which an application for approval of each reserved matter was required to be made,

the outline planning permission is to be treated as having been granted subject to the condition that an application for approval of each reserved matter must be made before the end of that period.

- (5) If outline planning permission is granted without the condition required by subsection (1)(b), it is to be treated as having been granted subject to the condition that the development must start before –
- (a) the end of 5 years beginning with the day the permission was granted, or
 - (b) if later, the end of 2 years beginning with the day the reserved matters are finally approved (or, if they are finally approved on different days, with the last of those days).

- (6) But if –
- (a) the outline planning permission granted without the condition required by subsection (1)(b) is planning permission for the development of land without complying with conditions subject to which a previous planning permission was granted, and
 - (b) the previous permission was subject to a condition specifying a period before the end of which development was required to start,

the outline planning permission is to be treated as having been granted subject to the condition that the development to which it relates must start before the end of that period.

- (7) The fact that outline planning permission is subject to a condition by virtue of this section does not prevent the condition being the subject of an application under section 68 or an appeal under section 73.
- (8) For the purposes of this section, a reserved matter is finally approved –
- (a) when an application for approval is granted, or
 - (b) in a case where an application for approval is made to a planning authority and the Welsh Ministers grant the approval on an appeal against the authority’s decision or an appeal under section 73(3) relating to the application, when the appeal is determined.

95 Breach of condition about period within which development must start etc.

- (1) Where planning permission is subject to a condition that the development to which it relates must start before the end of a specified period (whether by virtue of section 93 or 94 or otherwise), development that starts after the end of that period is not development authorised by the permission.

- (2) Where outline planning permission is subject to a condition that an application for approval of each reserved matter must be made before the end of a specified period, an application made after the end of that period is not an application made in accordance with the terms of the permission.

96 Duration of minerals permission

Schedule 5 provides for every minerals permission to be subject to a condition limiting the duration of the permission.

Implementation of planning permission

97 Notice of starting and carrying out development

- (1) In this section “relevant planning permission” means planning permission of a description specified in regulations.
- (2) Before a person starts any development to which a relevant planning permission relates, the person must give notice to the planning authority in whose area the development is to be carried out.
- (3) Regulations may specify the form and content of the notice.
- (4) At all times when a person is carrying out development to which a relevant planning permission relates, the person must display at or near the place where the development is being carried out a notice that it is being carried out in accordance with the relevant planning permission.
- (5) Regulations may specify –
 - (a) the form and content of the notice;
 - (b) how it must be displayed.
- (6) A notice of a decision to grant a relevant planning permission, or other instrument granting a relevant planning permission, must refer to the duties imposed by and under subsections (2) to (5).
- (7) A relevant planning permission is to be treated as having been granted subject to the condition that those duties must be complied with.

Termination of planning permission where development has not been completed

98 Power to make termination order

- (1) This section applies where –
 - (a) planning permission has been granted for the development of land otherwise than by a development order or a local development order,
 - (b) the permission is subject to a condition that the development must start before the end of a specified period,
 - (c) the development has started within that period, and
 - (d) the period has ended without the development having been completed.
- (2) The planning authority in whose area the land is situated may make a termination order if it considers that the development will not be completed within a reasonable period.

- (3) The Welsh Ministers may make a termination order if they consider that the development will not be completed within a reasonable period.
- (4) A termination order is an order that the planning permission will cease to have effect at the end of a further period specified in the order.
- (5) The period specified in the order must be at least 12 months beginning with the day after the day the order takes effect.
- (6) In Schedule 6—
 - (a) Part 1 makes provision about the procedure that must be followed before a termination order made by a planning authority takes effect;
 - (b) Part 2 makes provision about the procedure that must be followed before the Welsh Ministers make a termination order.
- (7) Where a termination order takes effect, the planning permission to which the order relates ceases to have effect at the end of the period specified in the order.
- (8) A termination order does not affect planning permission for development carried out before the end of the period specified in the order.
- (9) A termination order amending or revoking an earlier termination order may be made at any time before the end of the period specified in the earlier order.
- (10) Schedule 6 does not apply to a termination order made only for the purpose of revoking an earlier order, but on making such an order the planning authority or the Welsh Ministers must immediately serve notice of the revocation on every person who was served with notice under that Schedule in relation to the earlier order.

Interpretation

99 Time when development starts

- (1) For the purposes of this Chapter, development is to be taken to start—
 - (a) in the case of development consisting of mining operations, when the mining operations first start to be carried out;
 - (b) in any other case, when either of the following first occurs—
 - (i) a relevant operation forming part of the development starts to be carried out, or
 - (ii) a relevant change in use forming part of the development is made.
- (2) “Relevant operation” means—
 - (a) any work of construction in the course of erecting a building;
 - (b) any work of demolition of a building;
 - (c) digging a trench that is to contain foundations for a building;
 - (d) laying an underground main or pipe to the foundations of a building, or to a trench that is to contain foundations for a building;
 - (e) any operation in the course of laying out or constructing a road.

- (3) “Relevant change in use” means any material change in the use of land that constitutes development other than –
 - (a) development for which planning permission is granted by a general development order or a local development order and which is carried out to comply with a condition or limitation subject to which the permission is granted, and
 - (b) development of a description specified in regulations.
- (4) “General development order” means a development order made in relation to all land in Wales (subject to any exceptions specified in the order).

CHAPTER 10

CHANGES TO PLANNING PERMISSION

Non-material changes to planning permission

100 Power of planning authority to make non-material change to planning permission

- (1) This section applies where planning permission for the development of land in the area of a planning authority has been granted otherwise than by a development order or a local development order.
- (2) The planning authority may, on an application made by a person who has an interest in the land, make a change to the planning permission.
- (3) The authority may make the change to the permission only if it is satisfied that the change is not material.
- (4) In deciding whether the change is material, the authority must have regard to the effect of the change, together with any previous changes made under this section, on the planning permission as originally granted.
- (5) The power to change a planning permission under this section includes power –
 - (a) to impose new conditions;
 - (b) to vary or remove existing conditions.
- (6) Where a person has an interest in some, but not all, of the land to which a planning permission relates, an application under this section may be made by the person only in respect of as much of the permission as affects the land in which the person has an interest.
- (7) For the purposes of this section a person has an interest in land only if the person is –
 - (a) an owner of the freehold estate,
 - (b) a tenant under a lease granted or extended for a fixed term that has at least 2 years left to run,
 - (c) the mortgagee of an interest or estate in the land, or
 - (d) a party to an estate contract within the meaning given by section 2(4) of the Land Charges Act 1972 (c. 61).

101 Further provision about applications for non-material changes

- (1) Regulations may make provision about—
 - (a) the form and content of an application for a change to a planning permission under section 100;
 - (b) how an application must be made.
- (2) A planning authority must not consider an application made to it under section 100 if any requirement imposed under subsection (1) has not been complied with.
- (3) Regulations may make provision about how planning authorities are to deal with applications under section 100, including—
 - (a) provision imposing requirements for publicity and consultation in relation to applications;
 - (b) provision requiring that an authority must not determine an application before the end of a period specified in the regulations;
 - (c) provision about when steps specified in the regulations must be taken.
- (4) See also section 69(5)(b) and (6) (revised decision notice where planning authority imposes, removes or varies condition of planning permission under section 100).
- (5) Where a planning authority consults a person who exercises functions for the purposes of any enactment and the conditions in subsection (6) are met, the person must give a substantive response to the consultation.
- (6) The conditions are that—
 - (a) the consultation relates to an application for a change to a planning permission made to the authority under section 100,
 - (b) the permission was granted on an application made to the authority under this Part, and
 - (c) regulations under section 63 required the authority to consult the person before determining the application for the permission.
- (7) The substantive response must be given before the end of—
 - (a) a period specified in regulations, or
 - (b) any other period agreed in writing between the person consulted and the planning authority.
- (8) Regulations may make provision—
 - (a) about the requirements of a substantive response;
 - (b) requiring a person to make a report to the Welsh Ministers about the person's compliance with subsections (5) and (7) (including provision about the form and content of the report and when it must be made).

Modification and revocation of planning permission

102 Power to make order modifying or revoking planning permission

- (1) Where planning permission for the development of land in the area of a planning authority has been granted otherwise than by a development order or a local development order, the planning authority or the Welsh Ministers may by order modify or revoke the permission to any extent.
- (2) In deciding whether to make an order under this section, a planning authority or the Welsh Ministers must –
 - (a) have regard to the development plan for the area and any other relevant considerations, and
 - (b) make the decision in accordance with the development plan unless other relevant considerations indicate otherwise.
- (3) An order modifying or revoking planning permission for the carrying out of operations may be made at any time before the operations are completed, but does not affect permission for operations carried out before the order takes effect.
- (4) An order modifying or revoking planning permission for a material change in the use of land may be made at any time before the change takes place.
- (5) In Schedule 7 –
 - (a) Part 1 makes provision about the procedures that must be followed before an order made by a planning authority under this section takes effect (either with or without confirmation by the Welsh Ministers);
 - (b) Part 2 makes provision about the procedure that must be followed before the Welsh Ministers make an order under this section;
 - (c) Part 3 makes provision about conditions that may be imposed by an order under this section that modifies or revokes planning permission for development that consists of mining operations or includes the depositing of waste.

Reviews of planning permission for minerals development

103 Giving effect to minerals permissions relating to dormant sites

- (1) A minerals permission to which this section applies authorises minerals development only where the conditions to which the permission is subject are determined in accordance with Schedule 8.
- (2) This section applies to –
 - (a) a pre-1948 minerals permission that –
 - (i) was registered under paragraph 1 of Schedule 2 to the Planning and Compensation Act 1991 (c. 34), and
 - (ii) relates to land on which no minerals development was carried out to any substantial extent in the 2 years ending with the relevant day;

- (b) a post-1948 minerals permission that relates to a site shown as being a dormant site in a list prepared under paragraph 3 of Schedule 13 to the Environment Act 1995 (c. 25).
- (3) But this section does not apply to a minerals permission where the conditions to which it is subject have been determined under –
 - (a) Schedule 2 to the Planning and Compensation Act 1991, or
 - (b) Schedule 13 to the Environment Act 1995.
- (4) In subsection (2)(a) “the relevant day” means –
 - (a) where the pre-1948 minerals permission relates to Crown land, 7 June 2006;
 - (b) where the permission relates to any other land, 1 May 1991.
- (5) In subsection (2)(b) references to a post-1948 minerals permission relating to a site are to a post-1948 minerals permission relating to any of the land included in the site.
- (6) In this Act –
 - “post-1948 minerals permission” (“*caniatâd mwynau ôl-1948*”) means any minerals permission other than a pre-1948 minerals permission;
 - “pre-1948 minerals permission” (“*caniatâd mwynau cyn-1948*”) means a minerals permission that was deemed to be granted under Part 3 of the Town and Country Planning Act 1947 (c. 51) by virtue of section 77 of that Act (development authorised under interim development orders made during the period beginning with 22 July 1943 and ending with 30 June 1948).

104 Periodic review of minerals permissions

- (1) Schedule 9 provides for the periodic review of minerals permissions.
- (2) Regulations may make provision, in relation to planning permission for minerals development granted by a development order, that is similar to any provision made by Schedule 9.

CHAPTER 11

COMPENSATION AND PURCHASE OF INTERESTS IN LAND

Compensation for changes to planning permission

105 Compensation for refusal or conditional grant of planning permission previously granted by order

- (1) This section applies where –
 - (a) planning permission granted by a development order or a local development order has been withdrawn (whether by a direction under the order, or by the amendment, revision or revocation of the order), and
 - (b) on an application under this Part, planning permission for development that was permitted by the order is refused or is granted subject to different conditions from those that were imposed by the order.

- (2) Any person interested in the land to which the planning decision relates is entitled, on making a claim to the planning authority in whose area the land is situated, to be paid compensation by the authority for—
- (a) any expenditure incurred by the person in carrying out works that become abortive because of the planning decision;
 - (b) any other loss or damage suffered by the person that is directly attributable to the decision.
- (3) A claim for compensation under this section must be made in writing within 12 months beginning with the day the planning decision is made.
- (4) Where—
- (a) planning permission granted by a development order for development of a description specified in regulations has been withdrawn by a direction under the order, or
 - (b) planning permission granted by a local development order has been withdrawn by a direction under the order,

this section applies only if the application mentioned in subsection (1)(b) is made before the end of 12 months beginning with the day the direction took effect.

- (5) Where planning permission granted by a development order or a local development order has been withdrawn by the amendment, revision or revocation of the order, this section applies only if the application mentioned in subsection (1)(b) is made before the end of 12 months beginning with the day the amendment, revision or revocation took effect.
- (6) Where—
- (a) planning permission granted by a development order for development of a description specified in regulations has been withdrawn in the way specified in regulations, or
 - (b) planning permission granted by a local development order has been withdrawn by a direction under the order or by the revision or revocation of the order,

this section does not apply if the conditions in subsection (7) are met.

- (7) The conditions are that—
- (a) notice of the withdrawal of the permission has been published in the way specified in regulations,
 - (b) the notice was published not less than 12 months, and not more than the period specified in regulations, before the withdrawal took effect, and
 - (c) either—
 - (i) the development authorised by the order had not started before the notice was published, or
 - (ii) the order includes provision under section 46 permitting the development to be completed after the permission is withdrawn.

- (8) This section does not apply in relation to planning permission for the development of operational land of a statutory undertaker (for which see sections 319 and 321).
- (9) Regulations may provide that this section does not apply where planning permission granted by a development order or a local development order for the demolition of buildings, or of buildings of a description specified in the regulations, is withdrawn by a direction under the order.

106 Compensation where planning permission is modified or revoked

- (1) This section applies where planning permission for the development of land in the area of a planning authority is modified or revoked by an order under section 102.
- (2) Any person interested in the land is entitled, on making a claim to the planning authority, to be paid compensation by the authority for—
 - (a) any expenditure incurred by the person in carrying out works that become abortive because of the modification or revocation of the planning permission;
 - (b) any other loss or damage suffered by the person that is directly attributable to the modification or revocation.
- (3) A claim for compensation under this section must be made in writing within 12 months beginning with the day the modification or revocation takes effect.
- (4) This section does not apply in relation to planning permission for the development of operational land of a statutory undertaker (for which see sections 319 and 321).

107 Compensation for changes to planning permission: supplementary provision

- (1) This section applies for the determination of compensation under sections 105 and 106.
- (2) For the purposes of those sections, expenditure incurred in the preparation of plans for the purposes of any works, or on other similar matters preparatory to any works, is to be treated as expenditure incurred in carrying out the works.
- (3) Subject to that, no compensation is payable under those sections in respect of—
 - (a) works carried out before the grant of the planning permission that is withdrawn, modified or revoked, or
 - (b) other loss or damage (other than loss or damage consisting of depreciation of the value of an interest in land) arising out of anything done or omitted to be done before the permission was granted.

108 Apportionment and recovery of compensation for depreciation

Schedule 10 provides for the apportionment and recovery of compensation for depreciation of the value of an interest in land that becomes payable under section 105 or 106.

109 Compensation for changes to planning permission for minerals development

In Schedule 11 –

- (a) Part 1 limits compensation under sections 105 and 106 where the planning permission that is withdrawn, modified or revoked is planning permission for minerals development;
- (b) Part 2 provides for compensation to be payable where working rights are restricted on a review of the minerals permissions relating to a mining site under Schedule 9;
- (c) Part 3 makes provision about the interpretation of the Schedule.

Right to require purchase of interest in land

110 Service of purchase notice where planning permission is refused, revoked or made conditional

- (1) This section applies where –
 - (a) on an application under this Part, a decision is made to refuse planning permission for the development of any land or to grant permission subject to conditions, or
 - (b) an order under section 102 revokes planning permission for the development of any land or modifies it by imposing conditions.
- (2) If an owner of the land to which the decision or order relates claims that the conditions in subsection (3) are met, the owner may serve on the planning authority in whose area the land is situated a notice requiring the authority to purchase the owner's interest in the land (a "purchase notice").
- (3) The conditions are –
 - (a) that the land is unusable in its existing state (see paragraph 1 of Schedule 12),
 - (b) in a case where planning permission has been granted subject to conditions or modified by the imposition of conditions, that the land cannot be made usable by carrying out the development to which the permission relates in accordance with the conditions, and
 - (c) in any case, that the land cannot be made usable by carrying out any other development for which planning permission has been granted or for which the planning authority or the Welsh Ministers have undertaken to grant planning permission.
- (4) For the purposes of the references in subsections (1)(a) and (3)(b) to planning permission being granted subject to conditions, any condition to which planning permission is subject by virtue of section 93 or 94 (periods for starting development and applying for approval of reserved matters) or Schedule 5 (duration of minerals permission) must be ignored.
- (5) A person may not serve a purchase notice under this section in respect of land that is unusable only because of a discontinuance order (but see section 213).

- (6) Where a repairs notice has been served on an owner of a listed building under section 138 of the Historic Environment Act, the owner is not entitled to serve a purchase notice in the circumstances mentioned in subsection (1)(a) in respect of the building –
 - (a) before the end of 3 months beginning with the day the repairs notice is served, or
 - (b) if during that period the compulsory acquisition of the building is started under section 137 of the Historic Environment Act (compulsory acquisition of listed building for preservation), unless the compulsory acquisition is discontinued.
- (7) For the purposes of subsection (6) –
 - (a) a compulsory acquisition is started –
 - (i) by a planning authority when it serves the notice required by section 12 of the Acquisition of Land Act 1981 (c. 67);
 - (ii) by the Welsh Ministers when they serve the notice required by paragraph 3 of Schedule 1 to that Act;
 - (b) a compulsory acquisition is discontinued –
 - (i) in the case of an acquisition by a planning authority, when the compulsory purchase order is withdrawn or the Welsh Ministers decide not to confirm it or (having been confirmed conditionally) it expires by virtue of section 13BA(2)(b) of the Acquisition of Land Act 1981;
 - (ii) in the case of an acquisition by the Welsh Ministers, when they decide not to make the compulsory purchase order or the order (having been made conditionally) expires by virtue of paragraph 4AA(2) of Schedule 1 to that Act.
- (8) Schedule 12 makes further provision about purchase notices (including further provision about the circumstances in which purchase notices may be served, and provision about the action to be taken following service of a purchase notice).

CHAPTER 12

REGISTER

111 Register of local development orders, planning applications etc.

- (1) A planning authority must keep a register containing information specified in regulations relating to –
 - (a) local development orders made by the authority;
 - (b) applications for planning permission made to the authority or the Welsh Ministers in relation to land in the authority’s area;
 - (c) applications for approval of reserved matters made in relation to land in the authority’s area;
 - (d) applications for non-material changes to planning permission made to the authority under section 100;

- (e) applications made to the authority under Schedules 8 and 9 (applications to determine conditions of minerals permissions or postpone review dates);
 - (f) applications for certificates of lawfulness made to the authority under sections 156 and 157;
 - (g) decisions of the Welsh Ministers to exercise the powers conferred by section 133 (grant of planning permission or removal of conditions on determination of appeal against enforcement notice) in relation to land in the authority's area;
 - (h) certificates of lawfulness issued by the Welsh Ministers by virtue of section 134(2) (issue of certificate on determination of appeal against enforcement notice) in relation to land in the authority's area.
- (2) The information specified in relation to applications mentioned in subsection (1)(b) to (f) must include information about how they have been dealt with.
- (3) The regulations may –
- (a) require the register to be kept in two or more parts;
 - (b) require a specified part of the register to contain copies of applications and of other documents or materials submitted with them;
 - (c) provide for the entry relating to an application (and everything relating to it) to be removed from that part of the register when the application (including any appeal arising out of it) has been finally disposed of.
- (4) Provision made under subsection (3)(c) does not prevent the regulations requiring a different entry relating to the application to be included in another part of the register.
- (5) The register must be kept in the way specified in the regulations.
- (6) The register must be available for public inspection at all reasonable times.

PART 4

ENFORCEMENT

Introductory

112 Expressions used in connection with enforcement

- (1) In this Act references to a breach of planning control are to –
- (a) carrying out development of land in Wales without planning permission where permission is required (see section 43), or
 - (b) failing to comply with a condition subject to which planning permission has been granted for development of land in Wales.
- (2) In this Act references to taking enforcement action are to –
- (a) issuing an enforcement warning notice (see section 119),
 - (b) serving a breach of condition notice (see section 125), or
 - (c) issuing an enforcement notice (see sections 128 and 144).

- (3) In this Part—
 - (a) references to a condition of planning permission (except in section 131(4)) include a limitation;
 - (b) references to use of land do not include use for carrying out operations on the land, except that references to discontinuing a use of land in sections 128(6)(a)(ii) and 143(2) include discontinuing a use for carrying out mining operations.

113 Time limits for taking enforcement action

- (1) Where there has been a breach of planning control of a description set out in the first column of the Table, no enforcement action may be taken in respect of the breach after the end of the period specified in the corresponding entry in the second column.

TABLE 1

Description of breach of planning control	Period for taking enforcement action
Carrying out operations on land without planning permission	4 years beginning with the day the operations were substantially completed
Making a change in the use of a building to use as a dwelling or (if the building was previously used as one or more dwellings) to use as a different number of dwellings	4 years beginning with the day the breach took place
Any other breach of planning control	10 years beginning with the day the breach took place

- (2) Subsection (1) does not prevent—
 - (a) a breach of condition notice being served in respect of a breach of planning control at any time when an enforcement notice has effect in respect of the breach;
 - (b) enforcement action being taken in respect of a breach of planning control during the 4 years beginning with the day any other enforcement action (or purported enforcement action) was taken in respect of the breach.

Investigatory powers

114 Power of planning authority to serve enforcement investigation notice

- (1) This section applies where a planning authority considers that there may have been a breach of planning control in respect of any land in its area.
- (2) The authority may serve an enforcement investigation notice on any person who—
 - (a) is an owner or occupier of the land or has any other interest in it, or
 - (b) is carrying out operations on the land or using it for any purpose.
- (3) An enforcement investigation notice must—
 - (a) specify the matters that the planning authority considers may constitute a breach of planning control, and

- (b) require the person on whom it is served (“the recipient”) to give the authority information specified in the notice, so far as the recipient is able to do so.
- (4) The information that may be specified in the notice is information about—
 - (a) any operations being carried out on the land, any use of the land and any other activities being carried out on it, and
 - (b) any matter relating to the conditions subject to which planning permission has been granted in respect of the land.
- (5) The notice may, for example, require the recipient to do any of the following (so far as the recipient is able to do so)—
 - (a) to state whether or not the land is being used for a purpose specified in the notice, or whether operations or activities specified in the notice are being or have been carried out on the land;
 - (b) to state when any use of the land, or any operations or activities on it, started;
 - (c) to give the name and postal address of any person known to the recipient to use or have used the land for any purpose, or to be carrying out or have carried out any operations or activities on the land;
 - (d) to give information the recipient holds about planning permission for any use of the land or operations on it, or about any reason for planning permission not being required for the use or operations;
 - (e) to state the nature of the recipient’s interest (if any) in the land and the name and postal address of any other person known to the recipient to have an interest in it.
- (6) An enforcement investigation notice may specify a time and place at which the planning authority will consider—
 - (a) any offer the recipient wishes to make to—
 - (i) apply for planning permission,
 - (ii) refrain from carrying out operations or activities, or
 - (iii) carry out remedial works, and
 - (b) any representations the recipient wishes to make about the notice.
- (7) If it does so, the authority must give the recipient an opportunity to make an offer or representations in person at the time and place specified.
- (8) An enforcement investigation notice must inform the recipient—
 - (a) of the likely consequences of failing to respond to the notice and, in particular, that enforcement action may be taken, and
 - (b) of the effect of sections 124(6) and 152(7) (which exclude certain rights to compensation where loss or damage could have been avoided by complying with an enforcement investigation notice).

- (9) The recipient of an enforcement investigation notice must comply with the requirements of the notice by giving information in writing to the planning authority.
- (10) The service of an enforcement investigation notice does not affect any other power exercisable in respect of a breach of planning control.

115 Offence of failing to comply with enforcement investigation notice

- (1) A person on whom an enforcement investigation notice has been served commits an offence if, at any time after the end of 21 days beginning with the day the notice was served, the person has not complied with a requirement of the notice.
- (2) A person may be charged with an offence under subsection (1) by reference to a day or a longer period, and may be convicted of more than one offence in relation to the same enforcement investigation notice by reference to different periods.
- (3) In proceedings against a person for an offence under subsection (1), it is a defence for the person to prove that the person had a reasonable excuse for failing to comply with the requirement.
- (4) A person guilty of an offence under subsection (1) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (5) A person commits an offence if, in purported compliance with a requirement of an enforcement investigation notice, the person –
 - (a) provides information that the person knows to be false or misleading in a material respect, or
 - (b) recklessly provides information that is false or misleading in a material respect.
- (6) A person guilty of an offence under subsection (5) is liable on summary conviction to a fine.

116 Powers to enter land for enforcement purposes

- (1) A person authorised in writing by a planning authority may enter any land to –
 - (a) assess whether there is or has been a breach of planning control on that land or any other land;
 - (b) determine whether the authority should exercise any of its powers under this Part;
 - (c) determine how any of those powers should be exercised;
 - (d) assess whether there has been compliance with a requirement imposed as a result of any of those powers being exercised.
- (2) A person authorised in writing by the Welsh Ministers may enter any land to determine whether an enforcement notice or stop notice should be issued.
- (3) The Welsh Ministers must not authorise a person to enter land without consulting the planning authority in whose area the land to which the enforcement notice or stop notice would relate is situated.
- (4) A power to enter land under this section may be exercised only –
 - (a) at a reasonable time, and

- (b) if there are reasonable grounds for entering the land for the purpose in question.
- (5) A person authorised to enter land under this section may not demand admission as of right to a building used as a dwelling unless at least 24 hours' notice of the intended entry has been given to every occupier of the building.
- (6) A person authorised to enter land under this section –
 - (a) must, if required to do so by or on behalf of any owner or occupier of the land, produce evidence of the person's authorisation and state the purpose of the entry before entering the land,
 - (b) may take on to the land any other persons that are necessary, and
 - (c) must, if leaving the land at a time when no owner or occupier is present, leave it as effectively secured against trespassers as the person found it.

117 Warrant to enter land

- (1) This section applies if a justice of the peace is satisfied on sworn information in writing –
 - (a) that there are reasonable grounds for entering land for a purpose mentioned in section 116, and
 - (b) that –
 - (i) admission to the land has been refused or a refusal is reasonably expected, or
 - (ii) the case is one of urgency.
- (2) The justice of the peace may issue a warrant conferring a power to enter the land on any person authorised in writing by a planning authority or (as the case may be) the Welsh Ministers.
- (3) For the purposes of subsection (1)(b)(i) admission to land is to be treated as having been refused if no reply is received to a request for admission within a reasonable period.
- (4) A warrant under this section confers a power to enter land –
 - (a) on one occasion only, and
 - (b) only at a reasonable time, unless the case is one of urgency.
- (5) A person authorised to enter land under this section –
 - (a) must, if required to do so by or on behalf of any owner or occupier of the land, produce evidence of the person's authorisation and state the purpose of the entry before entering the land,
 - (b) may take on to the land any other persons that are necessary, and
 - (c) must, if leaving the land at a time when no owner or occupier is present, leave it as effectively secured against trespassers as the person found it.
- (6) A warrant under this section ceases to have effect at the end of 1 month beginning with the day it is issued.

118 Supplementary provision about powers of entry

- (1) This section applies where a person has a power to enter land conferred by section 116 or by a warrant under section 117.
- (2) A person who intentionally obstructs a person exercising the power of entry commits an offence.
- (3) A person guilty of an offence under subsection (2) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (4) If damage is caused to land or other property in the exercise of the power of entry, a person suffering the damage may recover compensation from the planning authority that authorised the entry or (as the case may be) the Welsh Ministers.
- (5) A person commits an offence if the person discloses information which the person obtained in the exercise of the power of entry, and which relates to a manufacturing process or trade secret, for a purpose other than that for which the person was authorised to enter the land.
- (6) A person guilty of an offence under subsection (5) is liable –
 - (a) on summary conviction, to a fine;
 - (b) on conviction on indictment, to a fine or imprisonment for a term not exceeding 2 years, or both.

*Enforcement warning notices***119 Power of planning authority to issue enforcement warning notice**

- (1) A planning authority may issue an enforcement warning notice if it considers –
 - (a) that there has been a breach of planning control in respect of any land in its area, and
 - (b) that there is a reasonable prospect that planning permission would be granted if an application for permission were made in respect of the development concerned.
- (2) In considering whether there is a reasonable prospect that planning permission would be granted, a planning authority must –
 - (a) have regard to the development plan for its area and any other relevant considerations, and
 - (b) make its decision in accordance with the development plan unless other relevant considerations indicate otherwise.
- (3) An enforcement warning notice must –
 - (a) specify the matters that the authority considers to constitute the breach of planning control, and
 - (b) state that, unless an application for planning permission is made within a period specified in the notice, further enforcement action may be taken.
- (4) The authority must serve a copy of the notice on –
 - (a) every owner and occupier of the land to which it relates, and
 - (b) any other person who has an interest in the land, if the authority considers that the person's interest would be materially affected by taking further enforcement action.

- (5) A planning authority may not issue more than one enforcement warning notice in respect of the same breach of planning control.
- (6) The issue of an enforcement warning notice does not limit any other power exercisable in respect of a breach of planning control.

Temporary stop notices

120 Power of planning authority to issue temporary stop notice

- (1) A planning authority may issue a temporary stop notice if it considers –
 - (a) that there has been a breach of planning control in respect of any land in its area, and
 - (b) that the activity that constitutes the breach (or any part of that activity) ought to be stopped immediately.
- (2) A temporary stop notice must –
 - (a) specify the activity that the authority considers to constitute the breach of planning control,
 - (b) prohibit the carrying out of the activity that constitutes the breach (or of so much of the activity as is specified in the notice),
 - (c) set out the authority's reasons for issuing the notice, and
 - (d) state the effect of section 123 (offence of breaching temporary stop notice).
- (3) The planning authority must display a copy of the temporary stop notice on the land to which it relates; and the copy must specify the date on which it is first displayed.
- (4) But if it is not reasonably practicable to display a copy of the notice on the land, the authority may instead display a copy in a prominent place as near to the land as is reasonably practicable.
- (5) The authority may serve a copy of the notice on any person the authority considers –
 - (a) to be carrying out the activity that the notice prohibits or causing or permitting the activity to be carried out,
 - (b) to be an occupier of the land to which the notice relates, or
 - (c) to have an interest in the land.

121 Restrictions on power to issue temporary stop notice

- (1) A temporary stop notice may not prohibit –
 - (a) the use of a building as a dwelling, or
 - (b) the carrying out of an activity of a description, or in circumstances, specified in regulations.
- (2) A temporary stop notice may not prohibit the carrying out of an activity that has been carried out (whether or not continuously) for at least 4 years before the day a copy of the notice is first displayed in accordance with section 120.

- (3) For the purposes of subsection (2) any period during which the activity was authorised by planning permission must be ignored.
- (4) Subsection (2) does not prevent a temporary stop notice prohibiting –
 - (a) the carrying out of operations on land or of any activity incidental to them, or
 - (b) the depositing of waste on land.

122 Duration etc. of temporary stop notice

- (1) A temporary stop notice takes effect when a copy of it is first displayed in accordance with section 120.
- (2) A temporary stop notice ceases to have effect –
 - (a) at the end of 28 days beginning with the day the copy of it is first displayed in accordance with section 120, or
 - (b) if it specifies a shorter period beginning with that day, at the end of that period.
- (3) But if the planning authority withdraws the notice before the end of the period for which it would otherwise have effect, the notice ceases to have effect when it is withdrawn.
- (4) A planning authority may not issue a second or subsequent temporary stop notice in relation to the same activity unless the authority has, since issuing the previous notice, taken enforcement action in relation to the activity.
- (5) In subsection (4) the reference to taking enforcement action includes obtaining an injunction under section 153.

123 Offence of breaching temporary stop notice

- (1) A person commits an offence if, at any time when a temporary stop notice has effect, the person carries out an activity prohibited by the notice or causes or permits such an activity to be carried out.
- (2) A person may be charged with an offence under this section by reference to a day or a longer period, and may be convicted of more than one offence in relation to the same temporary stop notice by reference to different periods.
- (3) In proceedings against a person for an offence under this section, it is a defence for the person to prove that –
 - (a) a copy of the temporary stop notice was not served on the person, and
 - (b) the person did not know, and could not reasonably have been expected to know, of the existence of the notice.
- (4) A person guilty of an offence under this section is liable on summary conviction, or on conviction on indictment, to a fine.
- (5) In determining the amount of the fine, the court must in particular have regard to any financial benefit that has accrued or appears likely to accrue to the person in consequence of the offence.

124 Compensation for loss or damage caused by temporary stop notice

- (1) This section applies where –
 - (a) an activity specified in a temporary stop notice is, at the time the notice takes effect, authorised by planning permission granted before the day the notice takes effect,
 - (b) a certificate of lawfulness is issued under section 156 (whether by a planning authority on an application under that section or by the Welsh Ministers on an appeal under section 131 or 160) in respect of an activity specified in a temporary stop notice, or
 - (c) a planning authority withdraws a temporary stop notice after it has taken effect.
- (2) This section does not apply by virtue of subsection (1)(c) where –
 - (a) an activity specified in the temporary stop notice is authorised by planning permission granted on or after the day the notice takes effect, and
 - (b) the planning authority withdraws the notice after the grant of that permission.
- (3) Any person who has an interest in the land to which the notice relates at the time the notice takes effect is entitled, on making a claim to the planning authority, to be paid compensation by the authority for any loss or damage suffered by the person that is directly attributable to the effect of the notice.
- (4) The loss or damage for which compensation is payable includes any amount payable by the claimant in respect of a breach of contract caused by taking action necessary to comply with the notice.
- (5) No compensation is payable under this section in respect of the prohibition of an activity which, at any time when the temporary stop notice has effect, constitutes or contributes to a breach of planning control.
- (6) No compensation is payable under this section for loss or damage that the claimant could have avoided by –
 - (a) providing information that the claimant was required to provide by –
 - (i) an enforcement investigation notice,
 - (ii) an information notice served by the planning authority (see section 383), or
 - (iii) a notice served by the planning authority under section 16 of the Local Government (Miscellaneous Provisions) Act 1976 (c. 57), or
 - (b) co-operating with the planning authority in any other way when responding to such a notice.
- (7) A claim for compensation under this section must be made in writing within 12 months beginning –
 - (a) in a case falling within subsection (1)(a) or (b) but not within subsection (1)(c), with the day the temporary stop notice takes effect;

- (b) in a case falling within subsection (1)(c), with the day the notice is withdrawn.

Breach of condition notices

125 Power of planning authority to serve breach of condition notice

- (1) This section applies where –
 - (a) planning permission for the development of any land in Wales has been granted subject to conditions, and
 - (b) a condition of the permission is not complied with.
- (2) The planning authority in whose area the land is situated may serve a breach of condition notice on –
 - (a) any person who is carrying out or has carried out the development, or
 - (b) any other person who has control of the land.
- (3) For the purposes of subsection (2)(a), carrying out development includes causing or permitting another person to carry it out.
- (4) A breach of condition notice must –
 - (a) require the person on whom it is served to secure compliance with the conditions of the planning permission that are specified in the notice, and
 - (b) specify the steps the planning authority considers ought to be taken, or the activities the authority considers ought to be stopped, to secure compliance with those conditions.
- (5) The only conditions of the planning permission that may be specified in a notice served by virtue of subsection (2)(b) are conditions regulating the use of the land.
- (6) A breach of condition notice must specify the period within which compliance with the conditions specified in it must be secured.
- (7) The period must be at least 28 days beginning with the day the notice is served.
- (8) The planning authority may extend the period by serving a further notice on the person on whom the breach of condition notice was served.
- (9) Where a planning authority has served a breach of condition notice on a person, it may withdraw the notice by serving a further notice on the person.
- (10) The withdrawal of a breach of condition notice does not prevent the planning authority serving another breach of condition notice.

126 Offence of failing to comply with breach of condition notice

- (1) A person on whom a breach of condition notice has been served is guilty of an offence if, at any time after the end of the period allowed for compliance with the notice –
 - (a) any condition specified in the notice is not complied with, and
 - (b) any step specified in the notice has not been taken or any activity specified in the notice has not been stopped.

- (2) A person may be charged with an offence under this section by reference to a day or a longer period, and may be convicted of more than one offence in relation to the same breach of condition notice by reference to different periods.
- (3) In proceedings against a person for an offence under this section, it is a defence for the person to prove—
 - (a) that the person took all reasonable steps to secure compliance with the conditions specified in the notice, or
 - (b) where the notice was served on the person by virtue of section 125(2)(b), that the person no longer had control of the land at the time of the alleged offence.
- (4) A person guilty of an offence under this section is liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (5) In subsection (1) the reference to the period allowed for compliance with the breach of condition notice is to—
 - (a) the period specified in the notice under section 125(6), or
 - (b) that period as extended under section 125(8).

127 Effect of grant of planning permission or removal of condition on breach of condition notice

- (1) This section applies where a planning authority has served a breach of condition notice.
- (2) If planning permission is granted for development that was carried out before the grant of the permission, the notice ceases to have effect so far as it is inconsistent with the permission.
- (3) If a condition of planning permission that is specified in the notice is removed (whether or not it is replaced with another condition), the notice ceases to have effect so far as it requires any person to secure compliance with that condition.
- (4) The fact that a breach of condition notice wholly or partly ceases to have effect by virtue of this section does not affect the liability of any person for an offence in respect of a previous failure to secure compliance with a condition specified in the notice.

Enforcement notices

128 Power of planning authority to issue enforcement notice

- (1) A planning authority may issue an enforcement notice if it considers that there has been a breach of planning control in respect of any land in its area.
- (2) In considering whether to issue an enforcement notice, a planning authority must—
 - (a) have regard to the development plan for its area and any other relevant considerations, and
 - (b) make its decision in accordance with the development plan unless other relevant considerations indicate otherwise.
- (3) An enforcement notice must specify—
 - (a) the matters the authority considers to constitute the breach of planning control, and

- (b) the paragraph of section 112(1) within which the authority considers the breach to fall.
- (4) A notice complies with subsection (3)(a) if it enables each person on whom a copy of it is served to know what those matters are.
- (5) An enforcement notice must specify the steps the planning authority requires to be taken, or the activities it requires to be stopped, to achieve (wholly or partly) either or both of the purposes set out in subsection (6).
- (6) The purposes are –
 - (a) remedying the breach by doing one or more of the following –
 - (i) making development comply with the terms (including conditions) of any planning permission granted in respect of the land,
 - (ii) discontinuing a use of the land, or
 - (iii) restoring the land to its condition before the breach took place;
 - (b) remedying any injury to amenity caused by the breach.
- (7) An enforcement notice may, for example, require –
 - (a) buildings or works to be altered or removed,
 - (b) operations to be carried out, or
 - (c) the contour of a deposit of waste to be modified by altering any of the gradients of its sides.
- (8) An enforcement notice may require an activity to be stopped wholly or partly.
- (9) Where an enforcement notice is issued in respect of the demolition of a building, the notice may require the erection of a replacement building that is as similar as possible to the demolished building.
- (10) But the replacement building –
 - (a) must comply with any requirement imposed by an enactment that applies to the erection of buildings;
 - (b) may differ from the demolished building in any respect which, if the demolished building had been altered in that respect, would not have constituted a breach of planning control;
 - (c) must comply with any provision of regulations made for the purposes of this subsection (which may include provision modifying paragraphs (a) and (b)).

129 Service, taking effect etc. of enforcement notice

- (1) An enforcement notice must specify –
 - (a) the date on which it is to take effect, and
 - (b) the period within which the steps specified in the notice must be taken or the activities specified in it must be stopped.

- (2) The notice takes effect at the beginning of the day specified under subsection (1)(a); but where an appeal is made against the notice under section 131, this is subject to sections 131(7)(a) and 378(6).
- (3) An enforcement notice may specify different periods for taking different steps or stopping different activities.
- (4) Where a planning authority issues an enforcement notice, it must serve a copy of the notice on –
 - (a) every owner and occupier of the land to which the notice relates, and
 - (b) any other person who has an interest in the land, if the authority considers that the person's interest is materially affected by the notice.
- (5) Each copy of the notice must be served –
 - (a) before the end of 28 days after the day the notice is issued, and
 - (b) at least 28 days before the date specified in the notice as the date on which it is to take effect.
- (6) Regulations may –
 - (a) specify additional matters that must be specified in an enforcement notice;
 - (b) require a planning authority to include with every copy of an enforcement notice that it serves under this section an explanatory note giving information specified in the regulations about the right of appeal under section 131.

130 Variation and withdrawal of enforcement notice

- (1) Where a planning authority has issued an enforcement notice, it may –
 - (a) withdraw the notice;
 - (b) waive or relax any requirement of the notice, and in particular extend the period within which the notice requires any step to be taken or any activity to be stopped.
- (2) The authority may exercise the powers in subsection (1) whether or not the notice has taken effect.
- (3) The withdrawal of an enforcement notice does not prevent the planning authority issuing another enforcement notice.
- (4) Subsection (5) applies where the planning authority had served copies of the enforcement notice under section 129(4) before exercising the powers in subsection (1).
- (5) Immediately after exercising any of those powers, the authority must give notice that it has done so to –
 - (a) every person who was served with a copy of the enforcement notice, and
 - (b) any other person who would be served with a copy of the notice if it were reissued.

*Appeals against enforcement notices***131 Right to appeal against enforcement notice**

- (1) The following persons may appeal to the Welsh Ministers against an enforcement notice (whether or not a copy of the notice has been served on them) –
 - (a) any person who has an interest in the land to which the notice relates;
 - (b) any person who by virtue of a licence –
 - (i) occupies the land on the day the notice is issued, and
 - (ii) continues to occupy it when the appeal is made.
- (2) An appeal may be made on one or more of the following grounds –
 - (a) that, in relation to the matters specified in the enforcement notice as constituting a breach of planning control, planning permission ought to be granted or a condition of planning permission ought to be removed;
 - (b) that the matters specified in the notice as constituting a breach of planning control have not occurred;
 - (c) that those matters (if they have occurred) do not constitute a breach of planning control;
 - (d) that if those matters do constitute a breach of planning control, no enforcement action could be taken in respect of the breach on the day the notice was issued;
 - (e) that a copy of the notice was not served on a person as required by section 129;
 - (f) that the steps the notice requires to be taken for either of the purposes set out in section 128(6), or the activities it requires to be stopped for either of those purposes, exceed what is necessary for the purpose in question;
 - (g) that the period within which the notice requires any step to be taken or any activity to be stopped is unreasonably short.
- (3) An appeal against an enforcement notice may not be made on the ground that planning permission ought to be granted for a matter specified in the notice if –
 - (a) the enforcement notice was issued after a decision to refuse planning permission for development was upheld on an appeal under section 73, and
 - (b) granting planning permission for that development would have involved granting planning permission for the matter concerned.
- (4) An appeal may not be made on the ground that a condition of planning permission ought to be removed if the enforcement notice was issued after a decision to grant planning permission subject to the condition was upheld on an appeal under section 73.
- (5) In subsections (3) and (4) references to a decision that was upheld on an appeal include a decision in respect of which the Welsh Ministers dismissed an appeal under section 77(7) (undue delay by appellant).
- (6) An appeal under this section must be made by –
 - (a) serving a notice of appeal on the Welsh Ministers before the date specified in the enforcement notice as the date on which it is to take effect,

- (b) sending a notice of appeal to the Welsh Ministers in a properly addressed and pre-paid letter posted to them at a time when, in the ordinary course of post, it would be delivered to them before that date, or
 - (c) sending a notice of appeal to the Welsh Ministers using electronic communications at a time when, in the ordinary course of transmission, it would be delivered to them before that date.
- (7) Where an appeal is made—
- (a) the enforcement notice has no effect until the appeal is finally determined or withdrawn; but this is subject to any order under section 378(6);
 - (b) neither the appellant nor any other person is entitled, in any other proceedings started after the making of the appeal, to claim that the enforcement notice was not served on the appellant in accordance with section 129.
- (8) An appellant must submit to the Welsh Ministers a statement in writing containing information required by regulations.
- (9) The appellant must submit the statement either—
- (a) with the notice of appeal, or
 - (b) within the period specified in regulations.
- (10) Where an appeal is made on more than one ground, if the appellant fails to give information required under subsection (8) in relation to a ground within the period specified under subsection (9)(b), the Welsh Ministers may determine the appeal without considering that ground.

132 Determination of appeal: general

- (1) On an appeal against an enforcement notice the Welsh Ministers may—
- (a) correct any defect, error or misdescription in the notice, or
 - (b) vary the terms of the notice,
- if they are satisfied that the correction or variation will not cause injustice to the appellant or the planning authority.
- (2) Where the Welsh Ministers determine an appeal—
- (a) if they allow the appeal, they may quash the enforcement notice;
 - (b) they must give any directions necessary to give effect to their determination.
- (3) Where it would otherwise be a ground for determining to allow an appeal that a copy of the enforcement notice was not served on a person as required by section 129, the Welsh Ministers may ignore that fact if neither the appellant nor that person has been substantially prejudiced by the failure.
- (4) The Welsh Ministers may—
- (a) dismiss an appeal if the appellant fails to comply with section 131(9);

- (b) allow an appeal and quash the enforcement notice if the planning authority fails, within the period specified in regulations made under section 367, to comply with a requirement of the regulations to –
 - (i) submit a statement of the representations the authority proposes to make on the appeal that includes the matters specified in the regulations, or
 - (ii) send the Welsh Ministers a copy of the enforcement notice and a list of the persons on whom copies of it were served.
- (5) Chapter 2 of Part 14 makes further provision about the procedure for the consideration of appeals against enforcement notices (including provision for them to be determined by inspectors).

133 Grant of planning permission etc. on determination of appeal

- (1) On the determination of an appeal against an enforcement notice, the Welsh Ministers may –
 - (a) grant planning permission for the matters specified in the enforcement notice as constituting a breach of planning control;
 - (b) remove any condition subject to which planning permission was granted.
- (2) Subsection (1)(a) applies only if the grounds on which the appeal is made include the ground mentioned in section 131(2)(a).
- (3) In considering whether to grant planning permission under this section, the Welsh Ministers must –
 - (a) have regard to the development plan for the area in which the land to which the enforcement notice relates is situated and any other relevant considerations, and
 - (b) make their decision in accordance with the development plan unless other relevant considerations indicate otherwise.
- (4) The Welsh Ministers may grant planning permission under this section –
 - (a) for all the matters specified in the enforcement notice as constituting a breach of planning control or any one or more of those matters, and
 - (b) in relation to the whole of the land to which the notice relates or any part of that land.
- (5) The planning permission that may be granted under this section is any planning permission that could be granted on an application under Part 3.
- (6) If the Welsh Ministers remove a condition of planning permission under this section, they may replace it with any other condition, whether more or less onerous.
- (7) Schedule 3 (conditions relating to mining operations and depositing of waste) applies, with any necessary modifications, in relation to a planning permission granted by the Welsh Ministers under this section as it applies in relation to a planning permission granted by a planning authority.
- (8) See also Chapter 9 of Part 3 for provision requiring planning permission to be granted subject to conditions relating to the duration and implementation of the permission.
- (9) The decision of the Welsh Ministers in relation to a grant of planning permission or the removal of a condition of planning permission under this section is final.

134 Issue of certificate of lawfulness on determination of appeal

- (1) On the determination of an appeal against an enforcement notice, the Welsh Ministers may determine whether on the day the appeal was made –
 - (a) an existing use of the land to which the enforcement notice relates was lawful,
 - (b) operations that had been carried out on the land were lawful, or
 - (c) any other matter constituting a failure to comply with a condition of planning permission for the development of the land was lawful.
- (2) If the Welsh Ministers determine that any of those things were lawful on that day, they may issue a certificate of lawfulness under section 156.
- (3) Sections 156(4) and 159(1), (2), (4) and (5) (content and effect of certificate) apply to a certificate of lawfulness issued by virtue of this section, but as if –
 - (a) the reference in section 159(1)(c) to the planning authority were a reference to the Welsh Ministers;
 - (b) references to the application for the certificate were references to the appeal against the enforcement notice.
- (4) Section 163(2) to (4) (revocation of certificate) apply to a certificate of lawfulness issued by virtue of this section, but as if the reference in section 163(2) to an appeal under section 160 were a reference to an appeal under section 131.
- (5) A person commits an offence if the person does any of the following for the purpose of bringing about a particular decision under this section on an appeal against an enforcement notice (whether the appeal is made by that person or by any other person) –
 - (a) knowingly or recklessly makes a statement that is false or misleading in a material respect,
 - (b) with intent to deceive, uses a document that is false or misleading in a material respect, or
 - (c) with intent to deceive, withholds relevant information.
- (6) A person guilty of an offence under subsection (5) is liable on summary conviction, or on conviction on indictment, to a fine.
- (7) In relation to a determination under subsection (1), the decision of the Welsh Ministers is final.

Compliance with enforcement notices

135 Order to permit steps required by enforcement notice

- (1) An owner of land may apply by way of complaint to a magistrates' court for an order requiring another person who has an interest in the land to permit the owner to take steps required by an enforcement notice.
- (2) The court may make such an order if it is satisfied that the other person is preventing the owner from taking steps required by the enforcement notice.

136 Power to enter land and take steps required by enforcement notice

- (1) If the period within which an enforcement notice requires any step to be taken has ended and the step has not been taken, the planning authority that issued the notice may at any reasonable time enter the land to which the notice relates and take the step.
- (2) A person who intentionally obstructs a person exercising a power under subsection (1) commits an offence.
- (3) A person guilty of an offence under subsection (2) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.

137 Recovery of costs of compliance with enforcement notice

- (1) Where a planning authority exercises the powers under section 136(1) to enter land and take a step required by an enforcement notice, the authority may recover from a person who is then an owner of the land the costs it reasonably incurs in doing so.
- (2) If a planning authority seeks to recover costs under subsection (1) from an owner of land who—
 - (a) is entitled to receive the rack rent of the land merely as agent or trustee for another person (“the principal”), and
 - (b) does not have, and has not had at any time since the day payment of the costs was demanded, enough money on behalf of the principal to pay the costs in full,
 the liability of the agent or trustee is limited to the total amount of money that the agent or trustee has had on behalf of the principal since that day.
- (3) If subsection (2) prevents a planning authority recovering the whole of its costs from an agent or trustee, it may recover them from the principal, or partly from the principal and partly from the agent or trustee.
- (4) Where a copy of an enforcement notice has been served in respect of a breach of planning control—
 - (a) costs that an owner or occupier of the land incurs for the purpose of complying with the notice, and
 - (b) amounts that an owner of land pays under subsection (1) in respect of costs incurred by the planning authority in taking steps required by the notice,
 are to be treated as incurred or paid for the use and at the request of the person who committed the breach of planning control.
- (5) The costs recoverable by a planning authority under subsection (1) are, until recovered, a charge on the land to which the enforcement notice relates.
- (6) The charge takes effect as a local land charge at the beginning of the day after the day the authority completes the steps to which the costs relate.

- (7) Subsection (8) applies where –
 - (a) a planning authority removes materials from land in the course of taking steps required by an enforcement notice, and
 - (b) the owner of the materials does not, within 3 days after the day they are removed, claim the materials and take them away.
- (8) The planning authority –
 - (a) may sell the materials, and
 - (b) if it does so, must pay the proceeds to the person who owned the materials, after deducting any costs recoverable by it from the person.

138 Offences of failing to comply with enforcement notice

- (1) If, at any time after the end of the period within which an enforcement notice requires any step to be taken or any activity to be stopped, the step has not been taken or the activity is being carried out, a person who is at that time an owner of the land to which the notice relates is guilty of an offence.
- (2) In proceedings against a person for an offence under subsection (1), it is a defence for the person to prove that the person did everything the person could be expected to do to secure that the steps specified in the notice were taken or the activities specified in the notice were stopped.
- (3) Subsection (4) applies to a person, other than an owner, who has –
 - (a) control of the land to which an enforcement notice relates, or
 - (b) an interest in the land.
- (4) The person commits an offence if, at any time after the end of the period within which the notice requires any activity to be stopped, the person carries out the activity or causes or permits the activity to be carried out.
- (5) A person may be charged with an offence under this section by reference to a day or a longer period, and may be convicted of more than one offence in relation to the same enforcement notice by reference to different periods.
- (6) In proceedings against a person for an offence under this section, it is a defence for the person to prove that –
 - (a) a copy of the enforcement notice was not served on the person,
 - (b) the notice was not contained in the register kept under section 154, and
 - (c) the person did not know of the existence of the notice.
- (7) A person guilty of an offence under this section is liable on summary conviction, or on conviction on indictment, to a fine.
- (8) In determining the amount of the fine, the court must in particular have regard to any financial benefit that has accrued or appears likely to accrue to the person in consequence of the offence.

139 Assurance that person is not at risk of prosecution for offence under section 138

- (1) This section applies where a planning authority has issued an enforcement notice.
- (2) At the same time as a copy of the enforcement notice is served on a person, or at any time after a copy is served on the person, the planning authority may serve a non-prosecution notice on the person.
- (3) The planning authority may also serve a non-prosecution notice on a person who was not served with a copy of the enforcement notice if –
 - (a) the person would be served with a copy of the enforcement notice if it were reissued, and
 - (b) the person requests the authority to serve a non-prosecution notice.
- (4) A non-prosecution notice is a notice giving the person on whom it is served the assurance that, in the circumstances as they appear to the planning authority, the person either –
 - (a) is not at risk of being prosecuted for an offence under section 138 in connection with the enforcement notice, or
 - (b) is not at risk of being prosecuted for such an offence in connection with matters relating to the enforcement notice that are specified in the non-prosecution notice.
- (5) If the non-prosecution notice gives the assurance in connection with matters specified under subsection (4)(b), it must explain the respects in which the person is at risk of being prosecuted for an offence under section 138 in connection with the enforcement notice.
- (6) A non-prosecution notice must state the effect of subsections (7) and (8).
- (7) At any time after a planning authority serves a non-prosecution notice on a person, it may serve a notice on the person withdrawing the assurance, either wholly or partly, from a time specified in the notice.
- (8) The time specified in the notice must give the person a reasonable opportunity to take any steps necessary to avoid a risk of prosecution that will cease to be covered by the assurance.
- (9) The notice does not withdraw the assurance so far as it relates to prosecution in respect of a failure to comply with the enforcement notice before the specified time.
- (10) An assurance given under this section is (so far as not withdrawn) binding on any person with the power to prosecute an offence under section 138.

*Further provisions about effect of enforcement notices***140 Grounds for appeal not to be raised in other proceedings**

- (1) The validity of an enforcement notice may not be questioned, on any of the grounds on which an appeal may be made under section 131, in any proceedings except an appeal under that section.
- (2) Subsection (1) does not apply to proceedings for an offence under section 138 against a person who –
 - (a) has held an interest in the land to which the enforcement notice relates since before the notice was issued,
 - (b) was not served with a copy of the notice, and

- (c) satisfies the court –
 - (i) that the person did not know, and could not reasonably have been expected to know, of the existence of the notice, and
 - (ii) that the person's interests have been substantially prejudiced by the failure to serve a copy of the notice.

141 Effect of grant of planning permission on enforcement notice

- (1) If –
 - (a) an enforcement notice has been issued, and
 - (b) planning permission is granted for development that was carried out before the grant of the permission,the notice ceases to have effect (or does not take effect) so far as it is inconsistent with the permission.
- (2) The fact that an enforcement notice has wholly or partly ceased to have effect by virtue of this section does not affect the liability of any person for an offence in respect of a previous failure to comply with the notice.

142 Deemed planning permission where enforcement notice is complied with

- (1) Subsection (2) applies where –
 - (a) an enforcement notice is issued in respect of a breach of planning control,
 - (b) the notice could require buildings or works to be removed or an activity to be stopped, but does not do so, and
 - (c) all the requirements of the notice are complied with.
- (2) Planning permission is to be treated as having been granted by virtue of section 49 for –
 - (a) the erection of the buildings or the construction or carrying out of the works, so far as the notice does not require them to be removed;
 - (b) the carrying out of the activity, so far as the notice does not require it to be stopped.
- (3) Subsection (4) applies where –
 - (a) an enforcement notice is issued in respect of the demolition of a building,
 - (b) the notice requires the erection of a replacement building, and
 - (c) all the requirements of the notice relating to the erection of the replacement building are complied with.
- (4) Planning permission is to be treated as having been granted by virtue of section 49 for the erection of the replacement building.

143 Continuing effect of enforcement notice in relation to later development

- (1) Compliance with the requirements of an enforcement notice does not cause the notice to cease to have effect.
- (2) Accordingly, an enforcement notice that requires a use of land to be discontinued prohibits the resumption of that use, so far as it constitutes a breach of planning control, after it has been discontinued in compliance with the notice.

- (3) Subsections (4) to (6) apply if—
 - (a) buildings or works that have been altered or removed in compliance with an enforcement notice are restored or reinstated, and
 - (b) the restoration or reinstatement constitutes, or forms part of, a breach of planning control.
- (4) The enforcement notice applies to the buildings or works as restored or reinstated (despite any of its terms not being suitable for them) in the same way as it applied to the buildings or works before they were altered or removed.
- (5) The planning authority may exercise its powers under section 136(1) as if the steps required by the enforcement notice for the alteration or removal of the buildings or works had not been taken.
- (6) At least 28 days before exercising those powers, the authority must give notice of its intention to do so to every owner and occupier of the land to which the enforcement notice relates.
- (7) Subsections (8) and (9) apply if—
 - (a) buildings or works that have been altered or removed in compliance with an enforcement notice are restored or reinstated, and
 - (b) the restoration or reinstatement constitutes a breach of planning control.
- (8) A person who carries out the restoration or reinstatement commits an offence and is liable on summary conviction to a fine.
- (9) No person is liable under section 138(1) in respect of a failure to take steps required by the enforcement notice for the alteration or removal of the buildings or works as restored or reinstated.

Enforcement by the Welsh Ministers

144 Power of the Welsh Ministers to issue enforcement notice

- (1) The Welsh Ministers may issue an enforcement notice if they consider that there has been a breach of planning control in respect of any land in Wales.
- (2) In considering whether to issue an enforcement notice, the Welsh Ministers must—
 - (a) have regard to the development plan for the area in which the land is situated and any other relevant considerations, and
 - (b) make their decision in accordance with the development plan unless other relevant considerations indicate otherwise.
- (3) Before issuing the notice, the Welsh Ministers must consult the planning authority in whose area the land is situated.
- (4) An enforcement notice issued by the Welsh Ministers has the same effect as one issued by the planning authority.

- (5) Sections 128(3) to 143 apply in relation to an enforcement notice issued by the Welsh Ministers as if—
- (a) except in sections 134(3)(a) and 139(2) to (7), references to the planning authority were references to the Welsh Ministers;
 - (b) in section 139(2) to (7), references to the planning authority were references to the Counsel General.

Stop notices

145 Power of planning authority to issue stop notice

- (1) A planning authority may issue a stop notice if the authority—
- (a) issues an enforcement notice requiring an activity to be stopped within a period specified in the notice, and
 - (b) considers that a relevant activity ought to be stopped before the end of that period.
- (2) “Relevant activity” means—
- (a) an activity the enforcement notice requires to be stopped;
 - (b) any activity carried out as part of that activity or associated with it.
- (3) A stop notice must—
- (a) refer to the enforcement notice,
 - (b) prohibit the carrying out of the relevant activity on the land to which the enforcement notice relates (or on any part of that land specified in the stop notice), and
 - (c) specify the date on which it is to take effect.

146 Restrictions on power to issue stop notice

- (1) A planning authority may not issue a stop notice after the enforcement notice to which it relates has taken effect.
- (2) A stop notice may not prohibit the use of a building as a dwelling.
- (3) A stop notice may not prohibit the carrying out of an activity that has been carried out (whether or not continuously) for at least 4 years before the day a copy of the notice is first served under section 147.
- (4) For the purposes of subsection (3) any period during which the activity was authorised by planning permission must be ignored.
- (5) Subsection (3) does not prevent a stop notice prohibiting—
- (a) the carrying out of operations on land or of any activity incidental to them, or
 - (b) the depositing of waste on land.

147 Service and display of stop notice

- (1) Where a planning authority issues a stop notice, it must serve a copy of the notice on any person mentioned in subsection (2) that it considers appropriate.
- (2) The persons are any person the authority considers—
 - (a) to have an interest in the land to which the stop notice relates, or
 - (b) to be carrying out any activity prohibited by the notice.
- (3) The authority may serve a copy of the stop notice at the same time as it serves a copy of the enforcement notice to which it relates or after doing so.
- (4) A copy of the enforcement notice must be included with each copy of the stop notice that is served.
- (5) Each copy of the stop notice must be served—
 - (a) no more than 28 days before the date specified in the stop notice as the date on which it is to take effect;
 - (b) at least 3 days before that date, unless the planning authority—
 - (i) considers that there are special reasons why the copy of the notice should be served later, and
 - (ii) serves a statement of those reasons with the copy.
- (6) Where a planning authority issues a stop notice, it may display a site notice on the land to which the stop notice relates.
- (7) If it is not reasonably practicable to display a site notice on the land, the authority may instead display a site notice in a prominent place as near to the land as is reasonably practicable.
- (8) A site notice must—
 - (a) state that a stop notice has been issued,
 - (b) specify the date on which the stop notice takes effect,
 - (c) indicate the requirements of the stop notice, and
 - (d) state the effect of section 151 (offence of breaching stop notice).

148 Withdrawal of stop notice

- (1) Where a planning authority has issued a stop notice, it may at any time withdraw the notice.
- (2) Immediately after an authority withdraws a stop notice—
 - (a) it must serve notice of the withdrawal on every person who has been served with a copy of the stop notice, and
 - (b) if it has displayed a site notice in respect of the stop notice under section 147(6) or (7), it must display a notice of the withdrawal in place of the site notice.
- (3) The withdrawal of a stop notice does not prevent the planning authority issuing another stop notice.

149 Duration and effect of stop notice

- (1) A stop notice takes effect at the beginning of the day specified in the notice under section 145(3)(c).
- (2) A stop notice has effect until the end of the period within which the enforcement notice to which it relates requires an activity to be stopped.
- (3) But the stop notice ceases to have effect before the end of that period if –
 - (a) the enforcement notice is withdrawn or quashed, or
 - (b) the stop notice is withdrawn.
- (4) If the enforcement notice is varied so that an activity ceases to be a relevant activity (within the meaning given by section 145(2)), the stop notice ceases to have effect so far as it prohibits that activity.
- (5) A stop notice is not invalid because a copy of the enforcement notice to which it relates was not served on a person as required by section 129, if it is shown that the planning authority did everything that was reasonably practicable to serve the enforcement notice as required by that section.

150 Power of the Welsh Ministers to issue stop notice

- (1) The Welsh Ministers may issue a stop notice if –
 - (a) an enforcement notice is issued (whether by the Welsh Ministers or a planning authority) requiring an activity to be stopped within a period specified in the notice, and
 - (b) they consider that a relevant activity (within the meaning given by section 145(2)) ought to be stopped before the end of that period.
- (2) Before issuing the stop notice, the Welsh Ministers must consult the planning authority in whose area the land to which it relates is situated.
- (3) A stop notice issued by the Welsh Ministers has the same effect as one issued by the planning authority.
- (4) Sections 145(2) to 149 apply in relation to a stop notice issued by the Welsh Ministers as if references to the planning authority were references to the Welsh Ministers.

151 Offence of breaching stop notice

- (1) A person commits an offence if –
 - (a) at any time when a stop notice has effect, the person carries out a relevant activity (within the meaning given by section 145(2)) that is prohibited by the notice or causes or permits such an activity to be carried out, and
 - (b) a planning authority or the Welsh Ministers have –
 - (i) served a copy of the stop notice on the person, or
 - (ii) displayed a site notice in respect of the stop notice under section 147(6) or (7).

- (2) A person may be charged with an offence under this section by reference to a day or a longer period, and may be convicted of more than one offence in relation to the same stop notice by reference to different periods.
- (3) In a case falling within subsection (1)(b)(ii), it is a defence for a person charged with an offence under this section to prove that—
 - (a) a copy of the stop notice was not served on the person, and
 - (b) the person did not know, and could not reasonably have been expected to know, of the existence of the notice.
- (4) A person guilty of an offence under this section is liable on summary conviction, or on conviction on indictment, to a fine.
- (5) In determining the amount of the fine, the court must in particular have regard to any financial benefit that has accrued or appears likely to accrue to the person in consequence of the offence.

152 Compensation for loss or damage caused by stop notice

- (1) This section applies where, after a copy of a stop notice has been served—
 - (a) the enforcement notice to which the stop notice relates is quashed,
 - (b) the enforcement notice is varied so that an activity prohibited by the stop notice ceases to be a relevant activity (within the meaning given by section 145(2)),
 - (c) the enforcement notice is withdrawn, or
 - (d) the stop notice is withdrawn.
- (2) In subsection (1)—
 - (a) paragraphs (a) and (b) do not apply if the enforcement notice is quashed or varied on a ground mentioned in section 131(2)(a) (appeal on ground that planning permission ought to be granted or a condition of planning permission ought to be removed);
 - (b) paragraph (c) does not apply if—
 - (i) development to which the enforcement notice relates is authorised by planning permission granted on or after the day the enforcement notice is served, and
 - (ii) the enforcement notice is withdrawn in consequence of the grant of that permission.
- (3) Any person who has an interest in or occupies the land to which the stop notice relates at the time a copy of the notice is first served is entitled to be paid compensation for any loss or damage suffered by the person that is directly attributable to—
 - (a) the prohibition contained in the notice, or
 - (b) in a case falling within subsection (1)(b), the prohibition by the notice of the activities that cease to be relevant activities.

- (4) The loss or damage for which compensation is payable includes any amount payable in respect of a breach of contract caused by taking action necessary to comply with the prohibition.
- (5) Compensation under this section is payable –
 - (a) in a case where a planning authority issued the enforcement notice to which the stop notice relates, by the planning authority;
 - (b) in a case where the Welsh Ministers issued the enforcement notice, by the Welsh Ministers.
- (6) No compensation is payable under this section in respect of the prohibition of an activity which, at any time when the stop notice has effect, constitutes or contributes to a breach of planning control.
- (7) No compensation is payable under this section for loss or damage that the claimant could have avoided by –
 - (a) providing information that the claimant was required to provide by –
 - (i) an enforcement investigation notice,
 - (ii) an information notice (see section 383), or
 - (iii) a notice under section 16 of the Local Government (Miscellaneous Provisions) Act 1976 (c. 57), or
 - (b) co-operating with the planning authority or the Welsh Ministers in any other way when responding to such a notice.
- (8) A claim for compensation under this section must be made in writing to the planning authority or the Welsh Ministers (as the case may be) within 12 months beginning –
 - (a) in a case falling within subsection (1)(a), (b) or (c), with the day the enforcement notice is quashed, varied or withdrawn;
 - (b) in a case falling within subsection (1)(d), with the day the stop notice is withdrawn.

Injunctions

153 Injunctions restraining breaches of planning control

- (1) A planning authority may apply to the High Court or the county court for an injunction restraining an actual or expected breach of planning control in respect of land in the authority's area.

- (3) The register must be kept in the way specified in the regulations.
- (4) The register must be available for public inspection at all reasonable times.

PART 5

CERTIFICATES OF LAWFULNESS

155 Expressions relating to lawfulness

- (1) For the purposes of this Act, uses of land and operations carried out on land are lawful if—
 - (a) no enforcement action may be taken in respect of them, and
 - (b) they do not constitute a failure to comply with any of the requirements of an enforcement notice that has effect.
- (2) For the purposes of subsection (1)(a) it does not matter whether enforcement action may not be taken—
 - (a) because the uses or operations do not involve development,
 - (b) because an application for planning permission is not required (for example, because permission has been granted by a development order or a local development order),
 - (c) because the period for taking enforcement action has ended, or
 - (d) for any other reason.
- (3) For the purposes of this Act, a matter constituting a failure to comply with a condition of planning permission is lawful if—
 - (a) the period for taking enforcement action in respect of the failure has ended, and
 - (b) the matter does not constitute a failure to comply with any of the requirements of a breach of condition notice or enforcement notice that has effect.

- (4) See Part 4 for provision about the period for taking enforcement action and the times when breach of condition notices and enforcement notices have effect.
- (5) In this Part—
 - (a) references to use of land do not include use for carrying out operations on the land;
 - (b) references to a condition of planning permission include a limitation;
 - (c) “certificate of lawfulness” means a certificate issued under section 156 or 157.

156 Certificate of lawfulness of existing use or development

- (1) Any person may apply to a planning authority for a certificate confirming that—
 - (a) an existing use of land in the area of the authority is lawful,
 - (b) operations that have been carried out on land in its area are lawful, or
 - (c) any other matter constituting a failure to comply with a condition of planning permission for the development of land in its area is lawful.
- (2) The authority must issue a certificate if it is provided with information that satisfies it of the lawfulness, on the day the application was made, of—
 - (a) the use, operations or other matter described in the application, or
 - (b) a use, operations or other matter of that description as modified by the authority or of a description substituted by it.
- (3) In any other case, the authority must refuse the application.
- (4) A certificate issued under this section is conclusive of the lawfulness of the use, operations or other matter to which it relates on the day the application was made.
- (5) For further provision about the effect of a certificate issued under this section in respect of a use, see—
 - (a) section 39(5) of the Mobile Homes (Wales) Act 2013 (anaw 6) (licensing of mobile home sites that are regulated sites);
 - (b) section 29(4B) of the Caravan Sites and Control of Development Act 1960 (c. 62) (licensing of other caravan sites).

157 Certificate of lawfulness of proposed use or development

- (1) Any person may apply to a planning authority for a certificate confirming that—
 - (a) a proposed use of land in the area of the authority would be lawful, or
 - (b) operations proposed to be carried out on land in its area would be lawful.
- (2) The authority must issue a certificate if it is provided with information that satisfies it that the use or operations described in the application would have been lawful if they had started on the same day as the application was made.
- (3) In any other case, the authority must refuse the application.

- (4) A certificate issued under this section is conclusive of the lawfulness of the use or operations to which it relates, unless there is a material change in any matter relevant to their lawfulness between the day the application for the certificate is made and the day the use or operations start.

158 Further provision about applications for certificates of lawfulness

- (1) An application for a certificate of lawfulness must –
 - (a) specify the land to which it relates, and
 - (b) describe the use, operations or other matter to which it relates.
- (2) Regulations may make provision about applications for certificates of lawfulness, including provision about –
 - (a) the form and content of an application;
 - (b) how an application must be made;
 - (c) documents or other materials that are to be included with an application.
- (3) A planning authority may require that an application to the authority for a certificate of lawfulness must include –
 - (a) any information that the authority considers necessary;
 - (b) any evidence in support of anything in or relating to the application that it considers necessary.
- (4) A planning authority must not consider an application made to it for a certificate of lawfulness if the application fails to comply with a requirement imposed by or under subsections (1) to (3).
- (5) Regulations may make provision about how a planning authority is to deal with an application for a certificate of lawfulness.
- (6) In particular, the regulations may require an authority –
 - (a) to give an applicant, within a period specified in the regulations, notice of how an application has been dealt with, and
 - (b) to give information to the Welsh Ministers or any other person about applications made to the authority (which may include information about how an application has been dealt with).
- (7) Regulations may provide that any provision made by or under this Act is not to apply, or is to apply with modifications, to an application for a certificate under section 157 that is made by or on behalf of the Crown.

159 Further provision about certificates of lawfulness

- (1) A certificate of lawfulness must –
 - (a) specify the land to which it relates,
 - (b) describe the use, operations or other matter to which it relates,

- (c) give the planning authority's reasons for determining the use, operations or other matter to be lawful, and
 - (d) state the date on which the application for the certificate was made.
- (2) A certificate in respect of a use within a class specified in regulations under section 6(6) must also identify the use by reference to that class.
- (3) A certificate of lawfulness may be issued –
- (a) for the whole of the land specified in the application or any part of that land, and
 - (b) where the application specifies two or more uses, operations or other matters, for all of them or any one or more of them.
- (4) A certificate of lawfulness has effect in relation to a matter constituting a failure to comply with a condition of planning permission only if the matter is described in the certificate.
- (5) Regulations may specify the form and content of a certificate of lawfulness.

160 Right to appeal against refusal of application or failure to make decision

- (1) A person who has applied to a planning authority for a certificate of lawfulness may appeal to the Welsh Ministers if the authority –
- (a) refuses the application in whole or in part, or
 - (b) does not give notice to the applicant of its decision on the application within the determination period.
- (2) In this section “the determination period” means –
- (a) the period specified in regulations, or
 - (b) a longer period agreed in writing between the applicant and the authority.
- (3) An appeal must be made by serving a notice of appeal on the Welsh Ministers.
- (4) Regulations may make provision about –
- (a) the form of a notice of appeal;
 - (b) information that must be included with a notice of appeal;
 - (c) the way in which, and period within which, a notice of appeal must be served (which may include provision enabling the Welsh Ministers to extend the period).
- (5) The period specified by regulations under subsection (4)(c) must be at least 28 days beginning with the day after –
- (a) in the case of an appeal under subsection (1)(a), the day the applicant receives notice of the decision, or
 - (b) in the case of an appeal under subsection (1)(b), the end of the determination period.
- (6) In subsection (1)(a) the reference to refusing an application in part includes modifying or substituting the description of a use, operations or other matter under section 156(2)(b).

161 Restriction on varying application after service of notice of appeal

- (1) Once notice of an appeal under section 160 has been served, the application to which the appeal relates may not be varied except in circumstances specified in regulations.
- (2) Where an application is varied under this section, the Welsh Ministers may direct that further consultation must be carried out in relation to the application.

162 Determination of appeal

- (1) On an appeal under section 160 the Welsh Ministers must allow the appeal if and to the extent that they are satisfied –
 - (a) in the case of an appeal under section 160(1)(a), that the refusal to which the appeal relates was not well-founded;
 - (b) in the case of an appeal under section 160(1)(b), that if the planning authority had refused the application to which the appeal relates the refusal would not have been well-founded.
- (2) In any other case, they must dismiss the appeal.
- (3) If the Welsh Ministers allow the appeal to any extent, they must –
 - (a) in a case where no certificate of lawfulness was issued on the application, issue a certificate under section 156 or 157;
 - (b) in a case where a certificate was issued on the application, vary the terms of the certificate.
- (4) Section 156(4) or 157(4) and section 159 apply to a certificate issued or varied by the Welsh Ministers on an appeal under section 160, but as if the reference in section 159(1)(c) to the planning authority were a reference to the Welsh Ministers.
- (5) The decision of the Welsh Ministers on an appeal is final.
- (6) Chapter 2 of Part 14 makes provision about the procedure for the consideration of appeals under section 160 (including provision for them to be determined by inspectors).

163 Revocation of certificate of lawfulness

- (1) A planning authority may revoke a certificate of lawfulness issued by the authority if, in connection with the application for the certificate –
 - (a) a statement was made, or a document was used, that was false in a material respect, or
 - (b) relevant information was withheld.
- (2) The Welsh Ministers may revoke a certificate of lawfulness issued or varied by them on an appeal under section 160 if, in connection with the appeal –
 - (a) a statement was made, or a document was used, that was false in a material respect, or
 - (b) relevant information was withheld.
- (3) Regulations may make provision about the procedure to be followed in connection with the revocation of a certificate of lawfulness.

- (4) The regulations may include provision about—
 - (a) the notice to be given of a proposed revocation;
 - (b) making and considering representations in relation to a proposed revocation;

PART 6

OBLIGATIONS RELATING TO DEVELOPMENT AND USE OF LAND

CHAPTER 1

PLANNING OBLIGATIONS

165 Planning obligations

- (1) Any person interested in land in Wales may, by agreement or otherwise, enter into a planning obligation in relation to the land.
- (2) A planning obligation is an obligation, enforceable in accordance with section 166, which—
 - (a) restricts the development or use of the land in a specified way,
 - (b) requires specified operations or activities to be carried out on the land,
 - (c) requires the land to be used in a specified way, or
 - (d) requires one or more payments to be made to the planning authority in whose area the land is situated.
- (3) The reference to development in subsection (2)(a) includes—
 - (a) in the case of an infrastructure consent obligation, anything that is development for the purposes of the Infrastructure (Wales) Act 2024 (asc 3) (see section 133 of that Act);
 - (b) in the case of a development consent obligation, anything that is development for the purposes of the Planning Act 2008 (c. 29) (see section 32 of that Act).

- (4) A planning obligation –
 - (a) may be unconditional or subject to conditions, and
 - (b) may impose a restriction or requirement mentioned in subsection (2)(a) to (c) either indefinitely or for one or more specified periods.
- (5) If a planning obligation requires one or more payments to be made, it may –
 - (a) require the payment of a specified amount or an amount determined in accordance with the instrument by which the obligation is entered into,
 - (b) require payment on one or more specified dates or periodically, and
 - (c) if it requires periodical payments to be made, require them to be made indefinitely or for a specified period.
- (6) A planning obligation may only be entered into by an instrument executed as a deed which –
 - (a) states that the obligation is a planning obligation for the purposes of this section,
 - (b) if the obligation is an infrastructure consent obligation or a development consent obligation, contains a statement to that effect,
 - (c) identifies the land to which the obligation relates,
 - (d) identifies every person entering into the obligation and states what each person's interest in the land is, and
 - (e) specifies the authority by which the obligation is enforceable ("the enforcing authority").
- (7) The authority specified as the enforcing authority must be the planning authority in whose area the land to which the obligation relates is situated.
- (8) But if the obligation relates to land in the area of a joint planning board, the enforcing authority may instead be the council of the county or county borough in which the land is situated.
- (9) If the enforcing authority is not a party to the instrument by which the planning obligation is entered into, the parties to the instrument must ensure that a copy of it is given to the enforcing authority.
- (10) In this section "specified" means specified in the instrument by which the planning obligation is entered into.

166 Enforcement of planning obligations

- (1) A planning obligation is enforceable by the enforcing authority –
 - (a) against any person entering into the obligation, and
 - (b) against any person deriving title from a person entering into the obligation.

- (2) But the instrument by which a planning obligation is entered into may provide that a person is not bound by the obligation at any time when the person no longer has an interest in the land to which the obligation relates.
- (3) A restriction or requirement imposed by a planning obligation is enforceable by injunction.
- (4) If there is a failure to comply with a requirement imposed by a planning obligation to carry out operations on the land to which the obligation relates, the enforcing authority may –
 - (a) enter the land and carry out the operations, and
 - (b) recover from any person against whom the obligation is enforceable the costs it reasonably incurs in doing so.
- (5) At least 21 days before an authority exercises its power under subsection (4)(a) it must give notice of its intention to do so to each person against whom the planning obligation is enforceable.
- (6) A person who intentionally obstructs a person exercising a power under subsection (4)(a) commits an offence.
- (7) A person guilty of an offence under subsection (6) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (8) A planning obligation is a local land charge, and for the purposes of the Local Land Charges Act 1975 (c. 76) the enforcing authority is the originating authority as respects the charge.
- (9) Regulations may provide for the charging on the land of –
 - (a) an amount required to be paid under a planning obligation, and
 - (b) costs recoverable by an authority under subsection (4)(b).
- (10) A charge imposed by regulations under subsection (9) has effect despite –
 - (a) any provision included in the instrument under subsection (2), and
 - (b) any modification or discharge of the planning obligation under section 167 or 168.
- (11) In subsection (1)(b) –
 - (a) the reference to a person deriving title from a person entering into the planning obligation includes any successor in title of a person entering into the obligation;
 - (b) the reference to deriving title from a person is a reference to deriving title from the person either directly or indirectly.

167 Modification and discharge of planning obligations

- (1) A planning obligation may only be modified or discharged –
 - (a) by agreement between the appropriate authority and every person against whom the obligation is enforceable, or
 - (b) in accordance with this section and section 168.
- (2) An agreement within subsection (1)(a) may only be entered into by an instrument executed as a deed.

- (3) Any person against whom a planning obligation is enforceable may, at any time after the end of the relevant period, apply to the appropriate authority for the obligation –
 - (a) to have effect subject to modifications specified in the application, or
 - (b) to be discharged.
- (4) In subsection (3) “the relevant period” means –
 - (a) the period specified in regulations, or
 - (b) if no period is specified, 5 years beginning with the day the obligation is entered into.
- (5) An application for the modification of a planning obligation may not specify a modification imposing a restriction or requirement on any other person against whom the obligation is enforceable.
- (6) Where an application is made for the modification or discharge of a planning obligation, the appropriate authority may determine –
 - (a) that the planning obligation is to continue to have effect without modification,
 - (b) if the obligation no longer serves a useful purpose, that it is to be discharged, or
 - (c) if the obligation continues to serve a useful purpose, but would serve that purpose equally well if it had effect subject to the modifications specified in the application, that it is to have effect subject to those modifications.
- (7) The appropriate authority must give notice of its determination to the applicant within the period specified in regulations.
- (8) Where the appropriate authority determines that the planning obligation is to have effect subject to modifications specified in the application, the obligation as modified is enforceable as if it had been entered into on the day notice of the determination was given to the applicant.
- (9) Regulations may make provision about applications for the modification or discharge of planning obligations, including provision about –
 - (a) the form and content of an application;
 - (b) the publication of a notice of an application;
 - (c) the procedure for considering representations made in relation to an application;
 - (d) the notice to be given to an applicant of a determination.
- (10) Section 84 of the Law of Property Act 1925 (c. 20) (power of Upper Tribunal to discharge or modify restriction on use of land) does not apply to a planning obligation.
- (11) In this section “the appropriate authority” means –
 - (a) the Welsh Ministers, in the case of an infrastructure consent obligation;
 - (b) the Secretary of State, in the case of a development consent obligation;
 - (c) the enforcing authority, in the case of any other planning obligation.
- (12) An enforcing authority must not consider an application made to it under subsection (3) if the application fails to comply with a requirement imposed by or under this section.

168 Appeals relating to applications to modify or discharge planning obligations

- (1) A person who has made an application to an enforcing authority under section 167(3) may appeal to the Welsh Ministers if the authority –
 - (a) determines that the planning obligation is to continue to have effect without modification, or
 - (b) does not give notice of its determination in accordance with section 167(7).
- (2) For the purposes of an appeal under subsection (1)(b), it is to be assumed that the enforcing authority has determined that the planning obligation is to continue to have effect without modification.
- (3) An appeal under this section must be made by serving a notice of appeal on the Welsh Ministers.
- (4) Regulations may make provision about –
 - (a) the form of a notice of appeal;
 - (b) information that must be included with a notice of appeal;
 - (c) the way in which, and period within which, a notice of appeal must be served (which may include provision enabling the Welsh Ministers to extend the period).
- (5) Subsections (6) to (8) of section 167 apply in relation to the determination of an appeal under this section by the Welsh Ministers as they apply in relation to the determination of an application under that section by the appropriate authority.
- (6) The decision of the Welsh Ministers on an appeal is final.
- (7) Chapter 2 of Part 14 makes provision about the procedure for the consideration of appeals under this section (including provision for them to be determined by inspectors).

169 Legal challenges relating to applications made to the Welsh Ministers or Secretary of State

- (1) This section applies where an application has been made to the Welsh Ministers or the Secretary of State under section 167(3).
- (2) A court may entertain proceedings for questioning a determination by the Welsh Ministers or the Secretary of State that the planning obligation is to continue to have effect without modification only if –
 - (a) the proceedings are brought by a claim for judicial review, and
 - (b) the claim form is filed before the end of 6 weeks beginning with the day after the day notice of the determination is given under section 167(7).
- (3) A court may entertain proceedings for questioning a failure by the Welsh Ministers or the Secretary of State to give notice in accordance with section 167(7) only if –
 - (a) the proceedings are brought by a claim for judicial review, and
 - (b) the claim form is filed before the end of 6 weeks beginning with the day after the day the period specified under section 167(7) ends.

170 Interpretation of this Chapter

In this Chapter –

“development consent obligation” (*“rhwymedigaeth cydsyniad datblygiad”*) means a planning obligation entered into in connection with an application (or a proposed application) for an order granting development consent;

“enforcing authority” (*“awdurdod gorfodi”*) has the meaning given by section 165(6)(e);

“infrastructure consent obligation” (*“rhwymedigaeth cydsyniad seilwaith”*) means a planning obligation entered into in connection with an application (or a proposed application) for an infrastructure consent order.

CHAPTER 2**COMMUNITY INFRASTRUCTURE LEVY***The levy***171 CIL regulations**

- (1) Regulations may provide for the imposition of a charge to be known as the community infrastructure levy (“CIL”).
- (2) In making the regulations, the Welsh Ministers must aim to ensure that the overall purpose of CIL is to ensure that costs incurred in supporting development of an area in Wales can be funded wholly or partly by owners of land or developers in a way that does not make the development economically unviable.
- (3) In this Act, regulations under this section are referred to as “CIL regulations”.
- (4) Sections 172 to 204 and Schedule 13 make further provision about what must be contained in CIL regulations and what may, in particular, be contained in them.

172 Charging for development

- (1) CIL regulations must provide that a charging authority may charge CIL in respect of chargeable development in its area.
- (2) In this Chapter “chargeable development” means –
 - (a) anything done for the purpose of creating a new building,
 - (b) anything done to or in respect of an existing building, or
 - (c) any change in the use of an existing building or part of a building.
- (3) CIL regulations may provide for –
 - (a) works or changes in use of a kind specified in the regulations not to be treated as chargeable development;
 - (b) the creation of, or anything done to or in respect of, a structure of a kind specified in the regulations to be treated as chargeable development.
- (4) A planning authority is the charging authority for its area.

- (5) CIL regulations may provide for a county council or county borough council to be the charging authority for any part of its area for which a National Park Authority or a joint planning board is the planning authority.

173 Use of CIL: funding infrastructure

- (1) A charging authority that receives CIL must apply it, or cause it to be applied, to supporting development by funding the provision, improvement, replacement, operation or maintenance of infrastructure; but this is subject to sections 195 to 199.
- (2) In this Chapter “infrastructure” includes –
 - (a) roads and other transport facilities;
 - (b) flood defences;
 - (c) schools and other educational facilities;
 - (d) medical facilities;
 - (e) sporting and recreational facilities;
 - (f) open spaces.
- (3) CIL regulations may amend subsection (2) to –
 - (a) add, modify or remove an entry in the list of matters included within the meaning of “infrastructure”;
 - (b) list matters excluded from the meaning of “infrastructure”.

Liability for CIL

174 Terms relating to liability

- (1) CIL regulations must include provision for determining when a chargeable development is treated as starting for the purposes of this Chapter.
- (2) The regulations may, in particular, provide for a chargeable development to be treated as starting when some activity or event specified in the regulations is undertaken or occurs, where the activity or event –
 - (a) is not a chargeable development, but
 - (b) has a connection specified in the regulations with a chargeable development.
- (3) CIL regulations must define CIL planning permission for the purposes of this Chapter (and it may include planning permission under Part 3 and any other kind of permission or consent, whether general or specific).

175 Assuming liability

- (1) A person may assume liability for CIL in respect of a proposed chargeable development in respect of which liability would arise by virtue of this Chapter.
- (2) If a person assumes liability before the chargeable development starts, the person becomes liable when the development starts in reliance on CIL planning permission.
- (3) A person who assumes liability must do so in accordance with provision of CIL regulations about the procedure for assuming liability.

176 Default liability for CIL

- (1) CIL regulations must make provision for an owner of land or a developer to be liable for CIL where –
 - (a) a chargeable development starts in reliance on CIL planning permission, and
 - (b) no one has assumed liability in accordance with provision made as mentioned in section 175(3).
- (2) CIL regulations may specify other circumstances (such as the insolvency of a person who has assumed liability or the withdrawal of an assumption of liability) in which an owner of land or a developer is to be liable for CIL where a chargeable development starts in reliance on CIL planning permission.
- (3) In this section –
 - (a) “owner”, in relation to land, means –
 - (i) an owner of the freehold estate, or
 - (ii) a tenant under a lease, the term of which ends more than 7 years after the day CIL planning permission first permits the chargeable development;
 - (b) “developer” means a person who is wholly or partly responsible for carrying out a chargeable development.
- (4) But CIL regulations may provide that a person is, or is not, to be treated as an owner of land or a developer in circumstances specified in the regulations.

177 Time when liability arises

- (1) The amount of any liability for CIL is to be calculated by reference to the charging schedule that has effect at the time when CIL planning permission first permits the chargeable development as a result of which CIL becomes payable (but see also section 178(2)).
- (2) CIL regulations must include provision for determining the time when CIL planning permission is treated as first permitting chargeable development.
- (3) The regulations may, in particular, make provision –
 - (a) about outline planning permission, and
 - (b) for permission to be treated as having been given at a particular time in the case of a general permission or consent.

178 Liability in other cases

- (1) CIL regulations may provide for liability for CIL to arise in respect of a chargeable development where –
 - (a) an exemption from liability or reduction in liability applied, and
 - (b) the description or purpose of the development changes.
- (2) CIL regulations may make provision for liability for CIL to arise where a chargeable development that requires CIL planning permission starts without it.

179 Further provision about liability for CIL

- (1) CIL regulations may make provision about –
 - (a) joint liability for CIL (with or without several liability);
 - (b) liability of partnerships for CIL;
 - (c) assumption of partial liability for CIL;
 - (d) apportionment of liability for CIL;
 - (e) withdrawal of assumption of liability for CIL;
 - (f) cancellation of assumption of liability for CIL by a charging authority;
 - (g) transfer of liability for CIL (whether before or after a chargeable development starts and whether or not liability has been assumed).
- (2) Where CIL regulations make provision under subsection (1)(c), (e) or (f), they must also include provision under section 176 (default liability of owner or developer).
- (3) Where CIL regulations make provision under subsection (1)(d), they may also include provision for referring disputes about apportionment of liability for determination by a person specified in the regulations.

*Exemptions and reductions***180 Exemptions and reductions: general**

- (1) CIL regulations may provide for –
 - (a) exemptions from liability for CIL;
 - (b) reductions in liability for CIL.
- (2) In particular, the regulations may include provision that requires –
 - (a) conditions to be met in order for an exemption or reduction to apply, or not to apply;
 - (b) a charging authority to make arrangements for exemptions and reductions in circumstances specified in the regulations.

181 Charities: exemption from liability

- (1) CIL regulations must provide for a relevant charity that would otherwise be liable for CIL in respect of a chargeable development to be exempt from liability if the building or structure in respect of which liability would otherwise arise is to be wholly or mainly used for a charitable purpose of the charity.
- (2) In subsection (1) –
 - “charitable purpose” (“*diben elusennol*”) has the meaning given by section 2 of the Charities Act 2011 (c. 25);
 - “relevant charity” (“*elusen berthnasol*”) means an institution that –
 - (a) is registered in the register of charities kept by the Charity Commission under section 29 of the Charities Act 2011, or
 - (b) is a charity within the meaning given by section 1(1) of the Charities Act 2011 but is not required to be registered in that register.
- (3) The regulations may provide that an exemption does not apply if the conditions specified in the regulations are met.

182 Exemptions and reductions: procedure

- (1) CIL regulations may make provision about the procedure to be followed in connection with an exemption from liability for CIL or a reduction in liability for CIL.
- (2) In particular, the regulations may include provision –
 - (a) about the procedure for determining whether any conditions for exemptions or reductions are met;
 - (b) requiring notification of exemptions and reductions to persons specified in the regulations;
 - (c) requiring the keeping of records of exemptions and reductions.

*Amount of CIL***183 Charging schedule**

- (1) A charging authority proposing to charge CIL must publish a document (a “charging schedule”) setting rates or other criteria by reference to which the amount of CIL chargeable in respect of a chargeable development in its area is to be determined.
- (2) Schedule 13 makes provision about the preparation, approval, publication etc. of a charging schedule.

184 Estimate of amount

- (3) The number of trees planted must be –
 - (a) the same as the number of trees removed, uprooted or destroyed, or
 - (b) where that number is not known, the best estimate that can reasonably be made of the number of trees removed, uprooted or destroyed.
- (4) The replacement trees must be planted –
 - (a) at or near the places where the original trees were situated, or
 - (b) in another place designated by the planning authority in whose area the land is situated that is –
 - (i) on or near the land on which the original trees were situated, or
 - (ii) on other land agreed between the planning authority and the owner of that other land.
- (5) The requirement in subsection (2) does not apply where, on an application by an owner of the land, the planning authority in whose area the land is situated dispenses with the requirement.
- (6) The relevant woodland preservation order has effect in relation to any trees planted in accordance with this section as it had effect in relation to the original trees.
- (7) References in this section to an owner of the land are references to a person who is from time to time an owner of the land.
- (8) The requirement imposed by subsection (2) may only be enforced by a tree replacement notice under section 252.

CHAPTER 2
TREES IN CONSERVATION AREAS

247 Preservation of trees in conservation areas

- (1) A person must not carry out any of the following activities, or cause or permit any of the activities to be carried out, in relation to a tree to which this section applies –
 - (a) cutting down the tree;
 - (b) topping the tree;
 - (c) lopping the tree;
 - (d) uprooting the tree;
 - (e) intentionally or recklessly damaging the tree;
 - (f) intentionally or recklessly destroying the tree.
- (2) This section applies to a tree in a conservation area in respect of which no tree preservation order or woodland preservation order is in force.
- (3) Subsection (1) does not prohibit an activity –
 - (a) so far as the activity is authorised by an infrastructure consent order or an order granting development consent, or
 - (b) if conditions 1 to 4 are met.
- (4) Condition 1 is that notice of an intention to carry out the activity has been served on the planning authority in whose area the tree is situated.
- (5) Condition 2 is that the notice includes enough information to enable the tree to be identified.
- (6) Condition 3 is that the activity is carried out with the consent of the planning authority or after the end of 6 weeks beginning with the day the notice is served.
- (7) Condition 4 is that the activity is carried out before the end of 2 years beginning with the day the notice is served.
- (8) Regulations may specify cases where subsection (1) does not apply.
- (9) They may, in particular, provide that it does not apply to –
 - (a) specified activities or descriptions of activities;
 - (b) activities carried out in specified circumstances;
 - (c) activities carried out subject to specified conditions;
 - (d) trees in specified conservation areas;
 - (e) trees of a specified size or species;
 - (f) trees belonging to specified persons or descriptions of persons.
- (10) In this Chapter “conservation area” means an area designated under section 158 of the Historic Environment Act.

248 Replacement of trees in conservation areas

- (1) This section applies where a tree to which section 247(1) applies –
 - (a) is removed, uprooted or destroyed –
 - (i) in breach of section 247(1), or
 - (ii) in other circumstances specified in regulations, or
 - (b) dies in circumstances specified in regulations.
- (2) The owner or owners of the land on which the tree was situated must ensure that a replacement tree of an appropriate size and species is planted as soon as reasonably practicable.
- (3) The replacement tree must be planted at or near the place where the original tree was situated.
- (4) The requirement in subsection (2) does not apply where, on an application by an owner of the land, the planning authority in whose area the land is situated dispenses with the requirement.
- (5) References in this section to an owner of the land are references to a person who is from time to time an owner of the land.
- (6) The requirement imposed by subsection (2) may only be enforced by a tree replacement notice under section 252.

249 Register of notices of intention to carry out works

- (1) A planning authority must keep a register containing such information relating to notices it receives under section 247(4) (notice of intention to carry out activity in relation to a tree in a conservation area) as is specified in regulations.
- (2) The register must be kept in the way specified in regulations.
- (3) The register must be available for public inspection free of charge at all reasonable times.

CHAPTER 3**ENFORCEMENT***Enforcement of prohibition on works***250 Offences of breaching tree preservation provisions**

- (1) A person commits an offence if, in breach of tree preservation regulations or section 247(1), the person –
 - (a) cuts down or uproots a tree,
 - (b) intentionally or recklessly destroys a tree,
 - (c) intentionally or recklessly tops, lops or damages a tree in a way that is likely to destroy it, or
 - (d) causes or permits the carrying out of any of the activities in paragraphs (a) to (c).

- (2) A person guilty of an offence under subsection (1) is liable on summary conviction, or on conviction on indictment, to a fine.
- (3) In determining the amount of the fine to be imposed on a person convicted of an offence under subsection (1), the court must in particular have regard to any financial benefit that has accrued or appears likely to accrue to the person in consequence of the offence.
- (4) A person commits an offence if the person breaches tree preservation regulations or section 247(1) otherwise than as mentioned in subsection (1).
- (5) A person guilty of an offence under subsection (4) is liable on summary conviction to a fine not exceeding level 4 on the standard scale.

251 Injunction restraining breach of tree preservation provisions

- (1) A planning authority may apply to the High Court or the county court for an injunction restraining an actual or expected offence under section 250 in respect of land in the authority's area.
- (2) An authority may make an application whether or not it has exercised or is proposing to exercise any of its other powers under this Part.
- (3) The court may grant an injunction on any terms it considers appropriate for the purpose of restraining the offence.
- (4) Rules of court may provide for an injunction to be issued against a person whose identity is unknown.

Enforcement of requirement to replace trees

252 Power of planning authority to issue tree replacement notice

- (1) A planning authority may issue a tree replacement notice if it considers that a requirement to plant replacement trees on land in its area has not been complied with.
- (2) A tree replacement notice must –
 - (a) require a tree or trees of the size and species specified in the notice to be planted,
 - (b) specify the date on which it is to take effect, and
 - (c) specify the period within which the tree or trees must be planted.
- (3) A tree replacement notice may not be issued after the end of 4 years beginning with the date of the alleged failure to comply.
- (4) Where a planning authority issues a tree replacement notice, it must serve a copy of the notice on every owner of the land in relation to which the requirement to plant replacement trees applies.
- (5) Each copy of the notice must be served –
 - (a) before the end of 28 days after the day the notice is issued, and
 - (b) at least 28 days before the date specified in the notice as the date on which it is to take effect.

- (6) Regulations may require a planning authority to include with every copy of a tree replacement notice that it serves under this section an explanatory note giving information specified in the regulations about the right of appeal under section 254.
- (7) In this section a reference to a requirement to plant replacement trees is a reference to a requirement to ensure that a replacement tree or replacement trees are planted, imposed by –
 - (a) any conditions of a consent given under tree preservation regulations,
 - (b) section 245 or 246 (trees to which tree preservation orders or woodland preservation orders apply), or
 - (c) section 248 (trees in conservation areas).

253 Variation of tree replacement notice

- (1) Where a planning authority has issued a tree replacement notice, it may waive or relax any requirement of the notice.
- (2) The authority may exercise the power in subsection (1) whether or not the notice has taken effect.
- (3) Subsection (4) applies where the planning authority had served copies of the notice under section 252(4) before exercising the power in subsection (1).
- (4) Immediately after exercising the power in subsection (1), the authority must give notice that it has done so to every person who was served with a copy of the tree replacement notice.

254 Right to appeal against tree replacement notice

- (1) A person on whom a copy of a tree replacement notice is served may appeal to the Welsh Ministers against the notice.
- (2) An appeal may be made on one or more of the following grounds –
 - (a) that the requirement to plant replacement trees is not applicable or has been complied with;
 - (b) in a case where the requirement to plant replacement trees was imposed by section 245, 246 or 248, that in all the circumstances of the case the requirement should be dispensed with in relation to any tree or trees;
 - (c) that the requirements of the notice are unreasonable in respect of –
 - (i) the period within which the tree or trees must be planted, or
 - (ii) the size or species of tree or trees that must be planted;
 - (d) that the planting of a tree or trees in accordance with the notice is not required in the interests of amenity or would be contrary to the practice of good forestry;
 - (e) that the place in which the tree or trees must be planted is unsuitable for that purpose.
- (3) An appeal under this section must be made by –
 - (a) serving a notice of appeal on the Welsh Ministers before the date specified in the tree replacement notice as the date on which it is to take effect,

- (b) sending a notice of appeal to the Welsh Ministers in a properly addressed and pre-paid letter posted to them at a time when, in the ordinary course of post, it would be delivered to them before that date, or
 - (c) sending a notice of appeal to the Welsh Ministers using electronic communications at a time when, in the ordinary course of transmission, it would be delivered to them before that date.
- (4) The notice of appeal must –
- (a) indicate the grounds of the appeal, and
 - (b) state the facts on which the appeal is based.
- (5) Regulations may specify further information that must be submitted with the notice of appeal.
- (6) Where an appeal is made –
- (a) the tree replacement notice has no effect until the appeal is finally determined or withdrawn (see also section 379(4) where proceedings are brought under that section in relation to the notice);
 - (b) neither the appellant nor any other person is entitled, in any other proceedings started after the making of the appeal, to claim that a copy of the tree replacement notice was not served on the appellant in accordance with section 252.
- (7) In this section references to a requirement to plant replacement trees have the meaning given by section 252(7).

255 Determination of appeal

- (1) On an appeal under section 254, the Welsh Ministers may –
- (a) correct any defect, error or misdescription in the tree replacement notice to which the appeal relates, or
 - (b) vary any of its requirements,
- if they are satisfied that the correction or variation will not cause injustice to the appellant or the planning authority.
- (2) Where the Welsh Ministers determine an appeal –
- (a) if they allow the appeal, they may quash the tree replacement notice;
 - (b) they must give any directions necessary to give effect to their determination.
- (3) Chapter 2 of Part 14 makes provision about the procedure for the consideration of appeals against tree replacement notices (including provision for them to be determined by inspectors).

256 Order to permit trees to be planted

- (1) An owner of land may apply by way of complaint to a magistrates' court for an order requiring another person who has an interest in the land to permit a tree replacement notice to be complied with.

- (2) The court may make such an order if it is satisfied that the other person is preventing the owner from complying with the notice.

257 Power to enter land and plant trees

- (1) If the period within which a tree replacement notice requires a tree or trees to be planted, or a longer period allowed by the planning authority that issued the notice, has ended and any of the trees have not been planted, the planning authority may at any reasonable time enter the land to which the notice relates and plant the trees.
- (2) A person who intentionally obstructs a person exercising a power under subsection (1) commits an offence.
- (3) A person guilty of an offence under subsection (2) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.

258 Recovery of costs of planting trees

- (1) Where a planning authority exercises the powers under section 257(1) to enter land and plant trees, the authority may recover from a person who is then an owner of the land the costs it reasonably incurs in doing so.
- (2) If a planning authority claims to recover costs under subsection (1) from an owner of land who –
 - (a) is entitled to receive the rack rent of the land merely as agent or trustee for another person (the “principal”), and
 - (b) does not have, and has not had at any time since the day payment of the costs was demanded, enough money on behalf of the principal to pay the costs in full,
 the liability of the agent or trustee is limited to the total amount of money that the agent or trustee has had on behalf of the principal since that day.
- (3) If subsection (2) prevents a planning authority recovering the whole of its costs from an agent or trustee, it may recover them from the principal, or partly from the principal and partly from the agent or trustee.
- (4) Where a copy of a tree replacement notice has been served –
 - (a) costs that an owner of the land incurs for the purpose of complying with the notice, and
 - (b) amounts that an owner of the land pays under subsection (1) in respect of costs incurred by the planning authority in planting trees,
 are to be treated as incurred or paid for the use and at the request of any person, other than an owner of the land, responsible for the removal, uprooting or destruction of the original tree or trees.
- (5) The costs recoverable by a planning authority under subsection (1) are, until recovered, a charge on the land to which the tree replacement notice relates.

- (6) The charge takes effect as a local land charge at the beginning of the day after the day the authority completes the planting of trees that is required by the notice.
- (7) Subsection (8) applies where—
 - (a) a planning authority removes materials from land in the course of planting trees required to be planted by a tree replacement notice, and
 - (b) the owner of the materials does not, within 3 days after the day they are removed, claim the materials and take them away.
- (8) The planning authority—
 - (a) may sell the materials, and
 - (b) if it does so, must pay the proceeds to the person who owned the materials, after deducting any costs recoverable by it from the person.

- (5) A power to enter land under this section may be exercised only—

- unless 24 hours' notice of the intended entry has been given to every occupier of the building or land.
- (7) A person authorised to enter land under this section—
- (a) must, if required to do so by or on behalf of any owner or occupier of the land, produce evidence of the person's authorisation and state the purpose of the entry before entering the land,

- (a) that there are reasonable grounds for entering land for a purpose mentioned in section 259(1)(a) to (c) or (2)(a), and
 - (b) that—
 - (i) admission to the land has been refused or a refusal is reasonably expected, or
 - (ii) the case is one of urgency.
- (2) The justice of the peace may issue a warrant conferring a power to enter the land on any person authorised in writing by a planning authority or (as the case may be) the Welsh Ministers.
- (3) For the purposes of subsection (1)(b)(i) admission to land is to be treated as having been refused if no reply is received to a request for admission within a reasonable period.
- (4) A warrant under this section authorises entry to land—
- (a) on one occasion only, and
 - (b) only at a reasonable time, unless the case is one of urgency.
- (5) A person authorised to enter land under this section—

- (2) A person who intentionally obstructs a person exercising the power of entry commits an offence.
- (3) A person guilty of an offence under subsection (2) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (4) If damage is caused to land or other property in the exercise of the power of entry, a person suffering the damage may recover compensation from the planning authority that authorised the entry or (as the case may be) the Welsh Ministers.

PART 10

ACQUISITION AND APPROPRIATION OF LAND FOR PLANNING PURPOSES ETC.

Powers of relevant local authority to acquire land for planning purposes

262 Acquisition of land by agreement for planning purposes

- (1) A relevant local authority may acquire any land by agreement if the first or second condition is met.
- (2) The first condition is that the authority considers—
 - (a) that the acquisition will facilitate development or improvement on, or in relation to, the land, and
 - (b) that the development or improvement is likely to contribute to improving the economic, social, environmental or cultural well-being of the authority's area.
- (3) The second condition is that the land is required for a purpose that it is necessary to achieve in the interests of the proper planning of the authority's area.
- (4) Where a relevant local authority has the power to acquire land under subsection (1) (the "primary land"), the land that it may acquire by agreement includes—
 - (a) any land adjoining the primary land that is required for carrying out works to facilitate the development or use of the primary land;
 - (b) if the primary land forms part of a common, open space or allotment, any land that is required for giving in exchange for the primary land.
- (5) It does not matter who the relevant local authority proposes should carry out any activity, or achieve any purpose, mentioned in subsection (2), (3) or (4)(a) (and, in particular, it need not propose to carry out the activity or achieve the purpose itself).

- (6) Where a relevant local authority has the power to acquire land under subsection (1), the land that it may acquire by agreement includes land that is required for giving in exchange for land appropriated under section 264 (appropriation of land forming part of common or allotment).
- (7) Part 1 of the Compulsory Purchase Act 1965 (c. 56), except sections 4 to 8, 10 and 31, applies (so far as relevant) to the acquisition of land by agreement under this section.
- (8) In this Part “relevant local authority” means –
 - (a) a county council or county borough council in Wales;
 - (b) a National Park authority in Wales;
 - (c) a joint planning board.

263 Compulsory acquisition of land for planning purposes

- (1) A relevant local authority may acquire land in its area compulsorily if –
 - (a) it has the power to acquire the land by agreement under section 262, and
 - (b) the Welsh Ministers authorise it to acquire the land compulsorily.
- (2) The Welsh Ministers must not authorise the acquisition of land under this section unless they are satisfied that there is a compelling case in the public interest for the land to be acquired compulsorily.
- (3) The Welsh Ministers must not authorise the acquisition of an interest in Crown land under this section unless –
 - (a) the interest is held otherwise than by or on behalf of the Crown, and
 - (b) the appropriate Crown authority consents to the acquisition.
- (4) Where a joint planning board may be authorised to acquire land under this section, section 13 of the Local Government (Miscellaneous Provisions) Act 1976 (c. 57) (which provides that a local authority may be authorised to acquire new rights over the land) applies to the board as if it were a local authority to which that section applies.
- (5) For the application of that section to a National Park authority, see paragraph 1(2) of Schedule 8 to the Environment Act 1995 (c. 25).
- (6) Where the Welsh Ministers have the power to authorise a relevant local authority to acquire land under this section, they may instead authorise another local authority to acquire the land.
- (7) Before doing so, the Welsh Ministers must consult each relevant local authority in whose area the land is situated.
- (8) The Acquisition of Land Act 1981 (c. 67) applies to the acquisition of land under this section.
- (9) Where a compulsory purchase order authorising the acquisition of land under this section is submitted to the Welsh Ministers in accordance with Part 2 of that Act, they may disregard an objection to the order if they consider that it amounts in substance to an objection to a policy in the development plan specifically relating to the development or use of that or any other land.

*Power of local authority to appropriate land forming part of common or allotment***264 Appropriation of land forming part of common or allotment for another purpose**

- (1) This section applies where a local authority holds land that is or forms part of a common or allotment (including where the particular land is specifically regulated by an enactment).
- (2) The authority may, if authorised by an order made by the authority and confirmed by the Welsh Ministers, appropriate the land for any purpose for which the authority may be authorised to acquire land under any enactment.
- (3) Section 19 of the Acquisition of Land Act 1981 (c. 67) (special provision about compulsory purchase orders relating to land forming part of a common, open space or allotment) applies to an order under this section as it applies to a compulsory purchase order under that Act.
- (4) Where land appropriated under this section was acquired under an enactment incorporating the Lands Clauses Acts, any works carried out on the land after the appropriation are to be treated, for the purposes of section 68 of the Lands Clauses Consolidation Act 1845 (c. 18) and section 10 of the Compulsory Purchase Act 1965 (c. 56), as having been authorised by the enactment under which the land was acquired.
- (5) On an appropriation of land by a local authority under this section –
 - (a) in a case falling within subsection (6), the authority must make any adjustment in its accounts that the Welsh Ministers direct;
 - (b) in a case not falling within that subsection, the authority must make any adjustment in its accounts required by section 24(1) of the 1959 Act.
- (6) An appropriation of land falls within this subsection if –
 - (a) the local authority appropriating the land is not an authority to whom Part 2 of the 1959 Act applies,
 - (b) immediately before the appropriation, the land was held for the purposes of a grant-aided function, or
 - (c) the land is appropriated for the purposes of a grant-aided function.
- (7) In this section –

“the 1959 Act” (“*Deddf 1959*”) means the Town and Country Planning Act 1959 (c. 53);

“authority to whom Part 2 of the 1959 Act applies” (“*awdurdod y mae Rhan 2 o Ddeddf 1959 yn gymwys iddo*”) has the meaning given by section 22(4) of the 1959 Act;

“grant-aided function” (“*swyddogaeth a gynorthwyir gan grant*”) has the meaning given by section 57(1) of the 1959 Act;

“the Lands Clauses Acts” (“*y Deddfau Cymalau Tiroedd*”) means the Lands Clauses Consolidation Act 1845, the Lands Clauses Consolidation Acts Amendment Act 1860 (c. 106), and any Acts amending those Acts.

Appropriation, disposal and development of land held by local authority for planning purposes

265 Land to which sections 266 to 268 apply

- (1) Sections 266 to 268 apply to land that a local authority –
 - (a) has acquired or appropriated for planning purposes, and
 - (b) holds for the purposes for which it was acquired or appropriated.
- (2) Sections 122 and 123 of the Local Government Act (appropriation and disposal of land by county councils, county borough councils and National Park authorities) do not apply to land mentioned in subsection (1).

266 Appropriation of land held for planning purposes

- (1) A local authority may appropriate land to which this section applies for any purpose for which the authority is or may be authorised in any capacity to acquire land by or under any enactment not contained in this Part or in Chapter 5 of Part 3 of the Historic Environment Act (acquisition of buildings of special architectural or historic interest).
- (2) But a local authority may not appropriate land under this section without the consent of the Welsh Ministers if –
 - (a) the land is or forms part of a common, or previously was or formed part of a common, and
 - (b) the authority holds or manages the land in accordance with a local Act.
- (3) The Welsh Ministers may give consent –
 - (a) in relation to a particular appropriation or appropriations of a particular description;
 - (b) either unconditionally or subject to conditions.
- (4) Before appropriating land that is or forms part of an open space under this section, a local authority must –
 - (a) publish a notice of its intention to do so for at least 2 consecutive weeks in a newspaper circulating in its area, and
 - (b) consider any objections to the proposed appropriation that are made to it.
- (5) Subsections (4) to (6) of section 264 apply in relation to an appropriation of land under this section as they apply in relation to an appropriation under that section.

267 Disposal of land held for planning purposes

- (1) A local authority may dispose of land to which this section applies to any person, in any way and subject to any conditions that it considers appropriate in order to secure –
 - (a) the best use of that or any other land, and of –
 - (i) any buildings that have been, or are to be, erected, or
 - (ii) any works that have been, or are to be, constructed or carried out, on that land or any other land (whether by the authority or by any other person), or
 - (b) the erection of any buildings, or the construction or carrying out of any works, whether on that land or any other land, that the authority considers are needed for the proper planning of its area.
- (2) But if the first or second condition is met, a local authority may not dispose of land under this section without the consent of the Welsh Ministers.
- (3) The first condition is that –
 - (a) the land is or forms part of a common, or previously was or formed part of a common, and
 - (b) the authority holds or manages the land in accordance with a local Act.
- (4) The second condition is that –
 - (a) the disposal is to be for less than the best consideration that can reasonably be obtained, and
 - (b) the disposal is not –
 - (i) the grant of a lease for a term of 7 years or less, or
 - (ii) the assignment of a lease granted for a term that has 7 years or less left to run at the date of the assignment.
- (5) Before disposing of land that is or forms part of an open space under this section, a local authority must –
 - (a) publish a notice of its intention to do so for at least 2 consecutive weeks in a newspaper circulating in its area, and
 - (b) consider any objections to the proposed disposal that are made to it.
- (6) Where land has been acquired or appropriated by a local authority for a purpose mentioned in section 262(2) or (4), the authority and the Welsh Ministers (in relation to the giving of consent) must, so far as practicable, exercise their functions under this section so as to secure an opportunity for relevant occupiers of the land to obtain suitable accommodation on it.
- (7) In subsection (6) –
 - (a) “relevant occupier” means a person who –
 - (i) was living or carrying on business or other activities on the land,
 - (ii) wishes to obtain accommodation on the land, and

- (iii) is willing to comply with any requirements of the authority relating to the development and use of the land;
- (b) “suitable accommodation”, in relation to a person who is a relevant occupier, means accommodation that –
 - (i) is suitable to the person’s reasonable requirements, and
 - (ii) is provided on terms settled having regard to the price at which any of the land was acquired from the person.

268 Development and use of land held for planning purposes

- (1) A local authority may –
 - (a) erect buildings and construct or carry out works on land to which this section applies;
 - (b) repair, maintain and insure any buildings or works on land to which this section applies and generally deal with the land in a proper course of management.
- (2) This section does not –
 - (a) give a local authority the power to erect a building, or to construct or carry out any works, if a power to do so is, or could be, conferred on the local authority or any other person by or under any enactment other than one mentioned in subsection (3);
 - (b) authorise any act or omission on the part of a local authority that is actionable by any person.
- (3) The enactments are –
 - (a) this Part;

- (4) The Upper Tribunal must reject an objection on Ground 2, 3 or 4 unless it is shown to its satisfaction that the objection is well-founded.
- (5) The Upper Tribunal must reject an objection on Ground 3 unless it is also satisfied that the specified part of the hereditament or affected area –
 - (a) in the case of a house, building or factory, can be taken without material detriment to the house, building or factory, or
 - (b) in the case of a park or garden belonging to a house, can be taken without seriously affecting the amenity or convenience of the house.
- (6) The Upper Tribunal must uphold an objection on any other ground specified in the counter-notice unless it is shown to its satisfaction that the objection is not well-founded.
- (7) If the Upper Tribunal rejects the objection, it must uphold the blight notice.

- (8) If the Upper Tribunal upholds the objection but only on Ground 3, it must uphold the blight notice—
 - (a) in relation to the specified part of the hereditament or affected area, but
 - (b) not in relation to any other part of the hereditament or affected area.
- (9) Where subsection (7) or (8) applies, the Upper Tribunal must give directions specifying the day on which a notice to treat (as mentioned in sections 331(2)(b) and 332(4)(b)) is to be treated as having been served.
- (10) In subsections (5) and (8) “specified part” means the part of the hereditament or the part of the affected area specified in the counter-notice as the part that the appropriate authority proposes to acquire.

330 Effect of objection where no reference is made to Upper Tribunal

- (1) Subsection (2) applies where—
 - (a) a counter-notice objecting to a blight notice has been served and not withdrawn, and
 - (b) the time for referring the objection to the Upper Tribunal ends without its having been referred.
- (2) The claimant is to be treated as having withdrawn the blight notice.

Blight notices where no objection or where upheld by the Upper Tribunal

331 Effect of blight notice

- (1) Subsection (2) applies where a blight notice has been served and—
 - (a) no counter-notice objecting to that notice has been served under section 325, or
 - (b) a counter-notice has been served but the objection has been withdrawn or has been rejected by the Upper Tribunal.
- (2) The appropriate authority is to be treated—
 - (a) as being authorised to acquire compulsorily under the appropriate enactment—

 - (b) as having served a notice to treat in respect of that interest on the day mentioned in subsection (3).
- (3) The day is—
 - (a) the day specified in directions given by the Upper Tribunal under section 329(9), or
 - (b) where section 329(9) does not apply, the last day of the 2-month period.
- (4) The 2-month period is 2 months beginning with the day the blight notice was served.

332 Blight notice in respect of part of hereditament or unit

- (1) Subsection (4) applies where –
 - (a) the appropriate authority has served a counter-notice objecting to a blight notice on Ground 3, and
 - (b) the first or second condition is met.
- (2) The first condition is that the claimant does not refer the objection to the Upper Tribunal but, before the end of the time for referring it, serves notice on the appropriate authority –
 - (a) accepting its proposal to acquire an interest in the part of the hereditament or affected area specified in the counter-notice, and
 - (b) withdrawing the blight notice in relation to the rest of that hereditament or area.
- (3) The second condition is that the Upper Tribunal upholds the blight notice under section 329(8) in relation to the part of the hereditament or affected area specified in the counter-notice.
- (4) The appropriate authority is to be treated –
 - (a) as being authorised to acquire compulsorily under the appropriate enactment the claimant's interest in the part of the hereditament or affected area specified in the counter-notice (but not in any other part of the hereditament or area), and
 - (b) as having served a notice to treat in respect of that interest on the day mentioned in subsection (5).
- (5) The day is –
 - (a) the day notice is served under subsection (2), or
 - (b) where subsection (3) applies, the day specified in directions given by the Upper Tribunal under section 329(9).

*Effect of Grounds 2, 3 and 4 on compulsory acquisition powers***333 Effect on powers of compulsory acquisition where no intention to acquire**

- (1) Subsection (2) applies where an objection on Ground 2 or 4 is made in a counter-notice and –
 - (a) the objection is upheld by the Upper Tribunal, or
 - (b) the time for referring the objection to the Upper Tribunal ends without its having been referred.
- (2) A compulsory acquisition power ceases to have effect in relation to the claimant's interest in that part of the relevant land to which the counter-notice relates.

(3) In this section –

“compulsory acquisition power” (*“pŵer caffael gorfodol”*) means a power conferred by the appropriate enactment –

- (a) to acquire compulsorily an interest in relevant land or rights over relevant land, or
- (b) to take temporary possession of relevant land compulsorily;

“relevant land” (*“tir perthnasol”*) means land that consists of or includes the whole or part of the hereditament or agricultural unit to which the counter-notice relates.

334 Effect on powers of compulsory acquisition where intention to acquire part

(1) Subsection (2) applies where an objection on Ground 3 is made in a counter-notice and –

- (a) the objection is upheld by the Upper Tribunal, or
- (b) the time for referring the objection to the Upper Tribunal ends without its having been referred.

(2) A compulsory acquisition power ceases to have effect in relation to the claimant’s interest in the unspecified part.

(3) In this section –

“compulsory acquisition power” (*“pŵer caffael gorfodol”*) means a power conferred by the appropriate enactment to acquire compulsorily an interest in relevant land or rights over relevant land;

“relevant land” (*“tir perthnasol”*) means land that consists of or includes an unspecified part;

“unspecified part” (*“rhan amhenodedig”*) means the whole of the hereditament or affected area to which the counter-notice relates except the part specified in the counter-notice as the part in which the appropriate authority proposes to acquire an interest.

Blight notice requiring purchase of unaffected area of agricultural unit

335 Requirement to purchase parts of agricultural units unaffected by blight

(1) This section applies where –

- (a) a claimant serves a blight notice in respect of an interest in the whole or part of an agricultural unit, and
- (b) on the day the blight notice is served, that whole or part contains land that is not blighted land (“the unaffected area”) as well as blighted land.

(2) The claimant may include in the blight notice –

- (a) a claim that the unaffected area is not reasonably capable of being farmed as a separate agricultural unit, either by itself or in conjunction with other relevant land, and

- (b) a requirement that the appropriate authority purchases the claimant's interest in the whole of the unit, or in the whole of the part of the unit to which the notice relates.
- (3) In subsection (2) and section 336(3), "other relevant land" means—
 - (a) if the blight notice is served in respect of an interest in part of the agricultural unit, the rest of that unit;
 - (b) land—
 - (i) that consists of or forms part of any other agricultural unit occupied by the claimant on the day the blight notice is served, and
 - (ii) in which the claimant is on that day entitled to an owner's interest (as defined in paragraph 34(1) of Schedule 19).

(But see section 337(3) for the definition of "other relevant land" where there is an objection on Ground 3.)

336 Additional ground of objection to blight notice including requirement to purchase unaffected area

- (1) This section applies where a claimant serves a blight notice that includes the claim and requirement mentioned in section 335(2).
- (2) An objection in a counter-notice to the blight notice may be made on Ground 8.
- (3) Ground 8 is that the unaffected area is reasonably capable of being farmed as a separate agricultural unit, either by itself or in conjunction with other relevant land.
- (4) An objection must not be made in a counter-notice to the blight notice on Ground 3 unless it is also made on Ground 8.
- (5) In this section and sections 337 to 340, 347 and 349, references to Ground 8 are to the ground mentioned in subsection (3).

337 Upper Tribunal: objection to blight notice including requirement to purchase unaffected area

- (1) If the Upper Tribunal upholds an objection to a blight notice only on Ground 8, it must uphold the blight notice in relation to the affected area but not in relation to the unaffected area.
- (2) Subsections (3) to (6) apply where the grounds for an objection to a blight notice include Ground 8 and Ground 3.
- (3) In determining whether or not to uphold the objection, the Upper Tribunal must treat that part of the affected area that is not specified in the counter-notice as included in "other relevant land" as defined in section 335(3).
- (4) The Upper Tribunal must not uphold the objection on Ground 3 unless it also upholds it on Ground 8.

- (5) If the Upper Tribunal upholds the objection both on Ground 8 and on Ground 3 (but not on any other grounds), it must uphold the blight notice in relation to the part of the affected area specified in the counter-notice as being the part in which the appropriate authority proposes to acquire an interest, but not in relation to any other part of the affected area or in relation to the unaffected area.
- (6) Where subsection (1) or (5) applies, the Upper Tribunal must give directions specifying the day on which a notice to treat (as mentioned in sections 339(3)(b) and 340(3)(b)) is to be treated as having been served.

338 Effect of blight notice including requirement to purchase unaffected area

- (1) This section applies where a claimant serves a blight notice that includes the claim and requirement mentioned in section 335(2).
- (2) Section 331(2) has effect as if references to the claimant’s interest in the affected area were to the claimant’s interest in the agricultural unit.
- (3) Section 332 does not apply in relation to the blight notice.

339 Effect of blight notice where claim in respect of unaffected area withdrawn or rejected

- (1) Subsection (3) applies where the appropriate authority has served a counter-notice objecting to a blight notice only on Ground 8, and the claimant –
 - (a) does not refer the objection to the Upper Tribunal, but
 - (b) before the end of the time for referring it, serves notice on the appropriate authority withdrawing the blight notice in relation to the unaffected area.
- (2) Subsection (3) also applies where the Upper Tribunal upholds a blight notice under section 337(1) in relation to the affected area but not in relation to the unaffected area.
- (3) The appropriate authority is to be treated –
 - (a) as being authorised to acquire compulsorily under the appropriate enactment the claimant’s interest in the affected area (but not in the unaffected area), and
 - (b) as having served a notice to treat in respect of it on the day mentioned in subsection (4).
- (4) The day is –
 - (a) the day notice is served under subsection (1)(b), or
 - (b) where subsection (2) applies, the day specified in directions given by the Upper Tribunal under section 337(6).

340 Effect of blight notice where claim in respect of unaffected area and part of affected area withdrawn or rejected

- (1) Subsection (3) applies where the appropriate authority has served a counter-notice objecting to a blight notice on Ground 8 and on Ground 3 (but not on any other grounds), and the claimant –
 - (a) does not refer the objection to the Upper Tribunal, but
 - (b) before the end of the time for referring it, serves notice on the appropriate authority –
 - (i) accepting its proposal to acquire an interest in the part of the affected area specified in the counter-notice, and
 - (ii) withdrawing the blight notice in relation to the rest of that area and the unaffected area.
- (2) Subsection (3) also applies where the Upper Tribunal upholds the blight notice under section 337(5) in respect of that part of the affected area specified in the counter-notice, but not in relation to any other part of the affected area or in relation to the unaffected area.
- (3) The appropriate authority is to be treated –
 - (a) as being authorised to acquire compulsorily under the appropriate enactment the claimant's interest in the part of the affected area specified in the counter-notice (but not in any other part of that area or in the unaffected area), and
 - (b) as having served a notice to treat in respect of it on the day mentioned in subsection (4).
- (4) The day is –
 - (a) the day notice is served under subsection (1)(b), or
 - (b) where subsection (2) applies, the day specified in directions given by the Upper Tribunal under section 337(6).

*Withdrawal of blight notice***341 Withdrawal of blight notice**

- (1) A claimant may not withdraw a blight notice after the end of 6 weeks beginning with the day the Upper Tribunal determines the compensation payable for a compulsory acquisition in pursuance of the blight notice.
- (2) Nor may a claimant withdraw a blight notice after the appropriate authority has exercised a right to enter and take possession of land in pursuance of a notice to treat that the authority is treated as having served in consequence of the blight notice.
- (3) Where a claimant withdraws a blight notice and the appropriate authority is treated as having served a notice to treat in consequence of the blight notice, the authority –
 - (a) is to be treated as having withdrawn the notice to treat, but

- (b) is not liable to pay compensation in respect of its withdrawal.

Compensation: special cases

342 Compensation: cases where prospect of planning permission to be ignored

- (1) This section applies where –
 - (a) an interest in land is acquired in pursuance of a blight notice,

- (2) The compensation payable for the acquisition is to be assessed –
 - (a) in accordance with the direction in the compulsory purchase order, and
 - (b) as if the notice to treat mentioned in section 331 or 332 had been served in pursuance of the order.

343 Compensation: listed buildings in need of repair

 - (a) an interest in land is acquired in pursuance of a blight notice,
 - (b) a compulsory purchase order is in force authorising the acquisition of the interest under section 137 of the Historic Environment Act (compulsorily acquisition of listed building for preservation), and
 - (c) the order includes a direction for minimum compensation under section 140 of the Historic Environment Act (buildings deliberately allowed to fall into disrepair).
- (2) The compensation payable for the acquisition is to be assessed –
 - (a) in accordance with the direction in the compulsory purchase order, and
 - (b) as if the notice to treat mentioned in section 331 or 332 had been served in pursuance of the order.

344 Compensation: blight notice including claim in respect of unaffected area

- (1) This section applies where, by virtue of sections 335 to 340, an interest is acquired in land consisting of –
 - (a) the unaffected area of an agricultural unit, or
 - (b) where the appropriate authority has served a counter-notice objecting to the blight notice on Ground 3, so much of the affected area of the unit as is not specified in the counter-notice.

- (2) The compensation payable for the acquisition is to be assessed—
 - (a) on the assumption that planning permission would not be granted for any development of the land, and
 - (b) ignoring any planning permission that has been granted for development of the land, so far as the development to which it relates has not been carried out.

Personal representatives

345 Powers of personal representatives in respect of blight notice served before death

In relation to any time after the death of a person who has served a blight notice, sections 325(1), 328(2), 329(1), 332(2), 339(1), 340(1) and 341 apply as if the references in them to the claimant were to the claimant's personal representatives.

346 Power of personal representative to serve blight notice

- (1) Where a person claims that the conditions in subsection (3) are met, the person may serve a blight notice under this section on an appropriate authority.
- (2) Regulations must specify the form of the blight notice.

 - (a) the whole or part of a hereditament or agricultural unit consists of blighted land,
 - (b) the person is the personal representative of a person ("the deceased") who immediately before death was entitled to an interest in that hereditament or unit,
 - (c) the interest would have been a qualifying interest if a notice under section 324 had been served in respect of it immediately before the death,
 - (d) one of the following applies—
 - (i) the person has made reasonable endeavours to sell that interest and, because the hereditament, unit or part consisted or was likely to consist of blighted land, has been unable to sell the qualifying interest except at a reduced price,
 - (ii) the land falls within paragraph 18, 19, 21, 23, 25 or 27 of Schedule 19 and the powers of compulsory acquisition remain exercisable, or

 - (e) one or more individuals (and not any body corporate) are beneficially entitled to that interest.
- (4) In subsection (3)(d)(i) "reduced price" means a price that is substantially lower than that for which the interest might reasonably have been expected to sell if no part of the hereditament or unit consisted, or were likely to consist, of blighted land.
- (5) The blight notice must be served in respect of what was the whole of the deceased's interest in the hereditament or unit (whether that interest was in the whole or part of the hereditament or unit).

347 Grounds of objection to blight notice served by personal representative

- (1) The grounds on which objection may be made in a counter-notice under section 325 to a blight notice served under section 346 are –
 - (a) Ground 1;
 - (b) Ground 2;
 - (c) Ground 3;
 - (d) Ground 4 (in the case of land falling within paragraph 1, 2 or 12 but not also within paragraph 13, 14 or 15 of Schedule 19);
 - (e) that the claimant is not the personal representative of the deceased;
 - (f) that, immediately before death, the deceased was not entitled to an interest in any part of the hereditament or agricultural unit to which the notice relates;
 - (g) that (for reasons specified in the counter-notice) the deceased's interest would not have been a qualifying interest if a notice under section 324 had been served in respect of it immediately before the death;
 - (h) that none of the conditions specified in section 346(3)(d) is met;
 - (i) that the condition specified in section 346(3)(e) is not met;
 - (j) Ground 8.

 - (c) one of the following applies –
 - (i) the person has made reasonable endeavours to sell that interest and, because the hereditament, unit or part consisted or was likely to consist of blighted land, has been unable to sell the qualifying interest except at a reduced price,
 - (ii) the land falls within paragraph 18, 19, 21, 23, 25 or 27 of Schedule 19 and the powers of compulsory acquisition remain exercisable, or
 - (iii) the land falls within paragraph 24 or 26 of Schedule 19, and

- (d) the interest could have been the subject of a blight notice served under section 324 by the mortgagor on—
 - (i) the day notice is served under this section, or
 - (ii) any day in the preceding 6 months.
- (4) In subsection (3)(c)(i) “reduced price” means a price that is substantially lower than that for which the interest might reasonably have been expected to sell if no part of the hereditament or unit consisted, or were likely to consist, of blighted land.
- (5) The blight notice must be served in respect of the whole of the mortgagee’s interest in the hereditament or unit (whether that interest is in the whole or part of the hereditament or unit).

349 Grounds of objection to blight notice served by mortgagee

- (1) The grounds on which objection may be made in a counter-notice under section 325 to a blight notice served under section 348 are—

 - (i) the time for referring the objection to the Upper Tribunal under section 329(1) ends without the claimant having referred it, or
 - (ii) the objection is upheld by the Upper Tribunal in relation to the hereditament, unit or part.

Partnerships

351 Partnerships: special provision

- (1) For the purposes of this Part, occupation of a hereditament or agricultural unit for the purposes of carrying on a business in partnership is to be treated as occupation by the partnership, and not as occupation by any one or more of the partners individually.
- (2) The definitions of “owner-occupier” in paragraphs 31 and 33 of Schedule 19 apply in relation to the partnership accordingly.
- (3) A partnership is to be treated as the same partnership despite a change in membership after it has served a blight notice.

CHAPTER 4

CORRECTION OF DECISIONS OF THE WELSH MINISTERS

380 **Meaning of “decision document” and “correctable error”**

- (1) This section applies for the purposes of this Chapter.
- (2) “Decision document” means a document that records –
 - (a) a decision to which section 375 applies (see subsection (2) of that section),
 - (b) a decision in proceedings on an appeal under section 131, 215 or 254 (appeal against enforcement notice, maintenance of land notice or tree replacement notice), or

(c) any other decision made under or by virtue of this Act that is of a description specified in regulations.

(3) “Correctable error” means an error that—

(a) is contained in any part of the decision document that records the decision, but

(b) is not part of any reasons given for the decision,

and “error” includes omission.

381 Power to correct correctable errors in decision documents

(1) This section applies where a decision document is issued that contains a correctable error.

(2) If, before the end of the review period, the Welsh Ministers—

(a) receive a request in writing to correct the error from any person, or

(b) send a statement in writing to the applicant that explains the error and states that they are considering correcting it,

the Welsh Ministers must decide whether or not to correct the error.

(3) But the Welsh Ministers may not make a correction unless they have informed the planning authority that they have received the request mentioned in subsection (2)(a) or sent the statement mentioned in subsection (2)(b).

(4) The review period is—

(a) where the decision document records a decision to which section 375 applies, the period within which an application for permission to apply for statutory review under section 376 may be made to the High Court;

(b) where the decision document records a decision on an appeal under section 131 to which section 375 does not apply, the period within which an application for permission to bring proceedings under section 378 may be made to the High Court, not including any time by which the High Court may extend that period;

(c) where the decision document records a decision on an appeal under section 215 or 254, the period within which an application for permission to bring proceedings under section 379 may be made to the High Court, not including any time by which the High Court may extend that period,

and it does not matter whether any such application is actually made.

(5) As soon as practicable after the Welsh Ministers correct the error or decide not to correct it, they must issue a correction notice.

(6) A correction notice is a notice that—

(a) specifies the correction of the error, or

(b) gives notice of a decision not to correct it.

(7) The Welsh Ministers must serve the correction notice on—

(a) the applicant;

- (b) if the applicant is not the owner of the land to which the original decision relates, every owner of the land;
 - (c) the planning authority;
 - (d) if the correction was requested by any other person, that person;
 - (e) any other person who is specified, or of a description specified, in regulations.
- (8) Where the decision document was issued by an inspector, the functions of the Welsh Ministers under this section may also be exercised by that inspector or any other inspector.
- (9) In this section –
- “the applicant” (*“y ceisydd”*) means the person who made the application or appeal, or served the purchase notice, to which the original decision relates;
 - “owner” (*“perchennog”*), in relation to land, means –
 - (a) an owner of the freehold estate, or
 - (b) a tenant under a lease granted or extended for a fixed term that has at least 7 years left to run;
 - “the planning authority” (*“yr awdurdod cynllunio”*) means the planning authority in whose area the land to which the original decision relates is situated.

382 Effect and validity of correction notice

- (1) If a correction is made under section 381 –
 - (a) the original decision is to be treated as not having been made;
 - (b) the decision is to be treated for all purposes as having been made on the day the correction notice is issued.
- (2) If a correction is not made –
 - (a) the original decision continues to have effect;
 - (b) section 381 and this section do not affect anything done in pursuance of or in relation to the decision.
- (3) Where a correction notice is issued in relation to a decision to which section 375 applies, section 376 applies to the correction notice as if it were a decision to which section 375 applies.
- (4) Where a correction notice is issued in relation to a decision to which section 378 or 379 applies, the section in question applies to the correction notice as if it were a decision to which that section applies.
- (5) Where regulations under section 380(2)(c) specify a description of decision, they must make provision that corresponds to section 376, 378 or 379 for questioning the validity of a correction notice issued in relation to a decision of that description.
- (6) The validity of a correction notice may not be questioned in any legal proceedings except to the extent provided by virtue of this section.

- (4) Where the Welsh Ministers propose to make an order revoking a local development order, they must serve notice of the proposed order on the planning authority.
- (5) The notice must specify the period within which the planning authority may make a request in writing to the Welsh Ministers for an opportunity to appear before and be heard by an inspector.
- (6) If the planning authority makes such a request within that period, the Welsh Ministers must give the authority such an opportunity before making the order.

SCHEDULE 2
(introduced by section 62(6))

APPEALS UNDER SECTION 61: DETERMINATION BY INSPECTORS

Powers and duties of inspector

- 1 An inspector has the same powers and duties in relation to an appeal under section 61 as the Welsh Ministers have under –
- (a) section 62(1),
 - (b) regulations under section 367 (procedural requirements), and
 - (c) sections 372 and 373 (costs).

Replacement of inspector

- 2 At any time before an inspector determines an appeal under section 61, the Welsh Ministers may –
- (a) revoke the inspector’s appointment, and
 - (b) appoint another inspector to determine the appeal.

Direction that appeal is to be determined by the Welsh Ministers

- 3 (1) This paragraph applies where the Welsh Ministers give a direction under section 62(4) that an appeal is to be determined by them instead of by an inspector.
- (2) The Welsh Ministers must serve a copy of the direction on –
- (a) the inspector (if any) appointed to determine the appeal,
 - (b) the appellant, and
 - (c) the planning authority that gave the notice to which the appeal relates.
- (3) In determining the appeal, the Welsh Ministers may take account of any report made to them by an inspector previously appointed to determine it.

Revocation of direction

- 4 (1) The Welsh Ministers may by a further direction revoke a direction under section 62(4) at any time before the determination of the appeal.
- (2) The Welsh Ministers must serve a copy of a further direction under this paragraph on –
- (a) the inspector (if any) previously appointed to determine the appeal,
 - (b) the appellant, and
 - (c) the planning authority.
- (3) Where the Welsh Ministers give a further direction under this paragraph –
- (a) they must appoint an inspector (“the new inspector”) to determine the appeal;

- (b) anything done by or on behalf of the Welsh Ministers in connection with the appeal that might have been done by an inspector is, unless the new inspector directs otherwise, to be treated as having been done by the new inspector;
- (c) subject to that, section 62 and this Schedule apply to the appeal as if no direction had been given under section 62(4).

Supplementary

- 5 The validity of an inspector's decision on an appeal may not be questioned by the appellant or the planning authority in any legal proceedings on the ground that the appeal ought to have been determined by the Welsh Ministers instead of an inspector, unless the appellant or the planning authority challenges the inspector's power to determine the appeal before the decision on the appeal is given.

SCHEDULE 3
(introduced by section 67(6))

CONDITIONS RELATING TO MINING OPERATIONS AND DEPOSITING OF WASTE

Power to grant permission subject to aftercare conditions

- 1 (1) If planning permission for development that consists of mining operations or includes the depositing of waste is granted subject to one or more restoration conditions that are to have effect after the operations have been completed or the depositing has ceased, it may also be granted subject to one or more aftercare conditions.
- (2) In this Act—
 - (a) “restoration condition” means a condition requiring that the land affected by the mining operations or depositing of waste must be restored by the use of subsoil, topsoil or soil-making material;
 - (b) “aftercare condition” means a condition requiring the taking of steps that are necessary to bring land to the required standard (set out in paragraph 2) for one or more uses specified in the condition.
- (3) A use of land specified in an aftercare condition must be a use for agriculture, for growing timber or for amenity.
- (4) An aftercare condition may either—
 - (a) specify the steps that must be taken to bring the land to the required standard, or
 - (b) require steps to be taken in accordance with a scheme (an “aftercare scheme”) approved by the planning authority.
- (5) A planning authority may approve an aftercare scheme with or without modifications.
- (6) The steps that may be specified in an aftercare condition or an aftercare scheme may consist of planting, cultivating, fertilising, watering, draining or otherwise treating land.
- (7) The condition or scheme may specify the period during which a step must be taken; but it may not require a step to be taken after the end of the aftercare period.
- (8) The “aftercare period” means 5 years beginning with the day after the day the works required by the restoration condition are completed; and for any part of the land to which the restoration condition relates, the period begins with the day after the day the works required in relation to that part are completed.
- (9) Regulations may specify a different period, beginning with the day after the day the requirements of the restoration condition are complied with, for the purposes of sub-paragraph (8) (including by amending that sub-paragraph).

Meaning of “required standard” for use specified in aftercare condition

- 2 (1) Sub-paragraph (2) applies where all of the following conditions are met—
 - (a) an aftercare condition specifies a use of land for agriculture,

- (b) when the planning permission was granted, the land either –
 - (i) was in use for agriculture, or
 - (ii) had previously been used for agriculture and had not been used for any other purpose authorised by planning permission since ceasing to be used for agriculture, and
 - (c) the Welsh Ministers have notified the planning authority of the physical characteristics of the land when it was last used for agriculture.
- (2) The land is brought to the required standard when its physical characteristics are restored, so far as practicable, to what they were when the land was last used for agriculture.
 - (3) In any other case where an aftercare condition specifies a use of land for agriculture, the land is brought to the required standard when it is reasonably fit for that use.
 - (4) Where an aftercare condition specifies a use of land for growing timber, the land is brought to the required standard when it is reasonably fit for that use.
 - (5) Where an aftercare condition specifies a use of land for amenity, the land is brought to the required standard when it is suitable for sustaining trees, shrubs or other plants.

Consultation on aftercare condition that specifies use for agriculture or for growing timber

- 3 (1) Before imposing an aftercare condition that specifies a use of land for agriculture or for growing timber, a planning authority must consult the appropriate authority about whether it is appropriate to specify that use.
- (2) If after that consultation the planning authority is satisfied that the aftercare condition should specify a use for agriculture or for growing timber, it must consult the appropriate authority about whether the steps that must be taken should be specified in the aftercare condition or in an aftercare scheme.
- (3) Where an aftercare condition specifies a use for agriculture or for growing timber, the planning authority must –
 - (a) if the steps that must be taken are to be specified in the condition, consult the appropriate authority about the steps that should be specified;
 - (b) if the steps are to be specified in an aftercare scheme, consult the appropriate authority before approving a scheme that is submitted to it.
- (4) The planning authority must also consult the appropriate authority from time to time about whether the steps specified in the condition or the scheme are being taken.
- (5) In this paragraph “the appropriate authority” means –
 - (a) the Welsh Ministers, in relation to a use for agriculture;
 - (b) Natural Resources Wales, in relation to a use for growing timber.

Certificate of compliance with aftercare condition

- 4 If, on the application of any person with an interest in land in relation to which an aftercare condition has been imposed, the planning authority is satisfied that the condition has been complied with, it must issue a certificate to that effect.

Recovery of costs of compliance

- 5 (1) This paragraph applies where –
- (a) a person (“A”) has complied with an aftercare condition subject to which planning permission has been granted, but
 - (b) A has not personally carried out mining operations or deposited waste on the land to which the permission relates.
- (2) A is entitled to recover from the last person who did carry out mining operations or deposit waste (“B”) any costs reasonably incurred by A in complying with the aftercare condition; but this is subject to any provision to the contrary contained in a contract that is enforceable against A by B.

SCHEDULE 4
(introduced by section 83(6))

APPLICATIONS TO THE WELSH MINISTERS: EXERCISE OF FUNCTIONS BY
 INSPECTORS

PART 1

PROVISION OF PRE-APPLICATION SERVICES BY INSPECTOR

Replacement of inspector

- 1 Where an inspector has been appointed to exercise functions under regulations made under section 53 (pre-application services) in relation to a proposed application under section 78 or 80, the Welsh Ministers may at any time –
- (a) revoke the inspector’s appointment, and
 - (b) appoint another inspector to exercise the functions.

Service of direction that functions are to be exercised by the Welsh Ministers

- 2 (1) This paragraph applies where the Welsh Ministers give a direction under section 83(3)(a) that functions are to be exercised in respect of a proposed application by them instead of by an inspector.
- (2) A copy of the direction must be served on –
- (a) the inspector (if any) appointed in relation to the proposed application,
 - (b) the person who proposes to make the application, and
 - (c) the planning authority to which the application would otherwise be made.

Revocation of direction

- 3 (1) The Welsh Ministers may by a further direction revoke a direction under section 83(3)(a).
- (2) The Welsh Ministers must serve a copy of a further direction under this paragraph on the persons on whom paragraph 2(2) required the direction under section 83(3)(a) to be served.
- (3) Where the Welsh Ministers give a further direction under this paragraph, they must appoint an inspector to exercise functions under regulations made under section 53 in relation to the proposed application.

PART 2

DETERMINATION OF APPLICATION BY INSPECTOR

Powers and duties of inspector

- 4 (1) An inspector appointed to determine an application made under section 78 or 80 has, so far as the context permits, the same powers and duties that the Welsh Ministers have by virtue of regulations under section 81(3).
- (2) Sub-paragraph (3) applies where an enactment (other than section 83 or this Schedule) –
- (a) refers (or is to be read as referring) to the Welsh Ministers in a context relating to or capable of relating to an application made under section 78 or 80, or
 - (b) refers (or is to be read as referring) to anything (other than the making of an application) done or authorised or required to be done by, to or before the Welsh Ministers in connection with any such application.
- (3) So far as the context permits, the enactment is to be read, in relation to an application determined or to be determined by an inspector, as if the reference to the Welsh Ministers were or included a reference to an inspector.

Local inquiry, hearing or written representations

- 5 (1) This paragraph applies where an application made under section 78 or 80 is to be determined by an inspector.
- (2) The inspector may hold a local inquiry or a hearing in connection with the application if a determination under section 366 provides for the application to be considered in that way.
- (3) The costs of the local inquiry or hearing are to be met by the Welsh Ministers; but this is subject to section 372.
- (4) The Welsh Ministers or the inspector may appoint an assessor to advise the inspector on any matters that arise –
- (a) at a local inquiry or hearing held by the inspector in connection with the application or in consequence of such an inquiry or hearing, or
 - (b) in written representations made to the inspector in connection with the application or in consequence of such representations.

Replacement of inspector

- 6 At any time before an inspector has determined an application made under section 78 or 80, the Welsh Ministers may –
- (a) revoke the inspector's appointment, and
 - (b) appoint another inspector to determine the application.

Direction that application is to be determined by the Welsh Ministers

- 7 (1) This paragraph applies where the Welsh Ministers give a direction under section 83(3)(b) that an application is to be determined by them instead of by an inspector.
- (2) A copy of the direction must be served on –
- (a) the inspector (if any) appointed to determine the application,
 - (b) the applicant, and
 - (c) the planning authority to which the application would otherwise have been made.
- (3) In determining the application, the Welsh Ministers may take account of any report made to them by an inspector previously appointed to determine it.
- (4) Subject to that, for the purpose of the determination of the application by the Welsh Ministers, the application is to be treated as if no inspector had ever been appointed to determine it.

Revocation of direction

- 8 (1) The Welsh Ministers may by a further direction revoke a direction under section 83(3)(b) at any time before the determination of the application.
- (2) The Welsh Ministers must serve a copy of a further direction under this paragraph on the persons on whom paragraph 7(2) required the direction under section 83(3)(b) to be served.
- (3) Where the Welsh Ministers give a further direction under this paragraph –
- (a) they must appoint an inspector (“the new inspector”) to determine the application;
 - (b) anything done by or on behalf of the Welsh Ministers in connection with the application that might have been done by an inspector is, unless the new inspector directs otherwise, to be treated as having been done by the new inspector;
 - (c) subject to that, section 83 and this Schedule apply to the application as if no direction had been given under section 83(3)(b).

Supplementary

- 9 It is not a ground of application to the High Court for statutory review under section 376 that an application made under section 78 or 80 ought to have been determined by the Welsh Ministers instead of an inspector, unless the applicant challenges the inspector’s power to determine the application before the decision on the application is given.

SCHEDULE 5
(introduced by section 96)

CONDITION LIMITING DURATION OF MINERALS PERMISSION

Permission granted on or after 22 February 1982

- 1 (1) Sub-paragraphs (2) and (3) apply to every minerals permission granted on or after 22 February 1982 (the day section 7 of the Town and Country Planning (Minerals) Act 1981 (c. 36) came into force).
- (2) The permission must be granted subject to the condition that the mining operations or depositing of mineral waste to which the permission relates must stop before the end of a period specified in the condition that begins with the day the permission is granted.
- (3) If the permission is granted without the condition required by sub-paragraph (2), it is to be treated as having been granted subject to the condition that the mining operations or depositing of mineral waste must stop before the end of 60 years beginning with the day the permission is granted.
- (4) Regulations may specify a different period, beginning with the day the permission is granted, for the purposes of sub-paragraph (3) (including by amending that sub-paragraph).

Permission granted before 22 February 1982

- 2 It is a condition of every minerals permission granted before 22 February 1982 that the mining operations or depositing of mineral waste to which the permission relates must stop on or before 21 February 2042 (the end of 60 years beginning with 22 February 1982).

General

- 3 (1) A condition to which a minerals permission is subject by virtue of this Schedule is not to be regarded as a condition mentioned in section 67(3) (planning permission granted for a limited period).
- (2) The fact that a minerals permission is subject to a condition by virtue of this Schedule does not prevent the condition being the subject of an application under section 68 or an appeal under section 73.

SCHEDULE 6
(introduced by section 98(6))

 - (a) a particular application, or
 - (b) applications of a description specified in the direction.
- (3) A planning authority must refer an application to which a direction applies to the Welsh Ministers.

 and may deal with the application as if it had been made to them in the first instance.
 - (5) If at any time before or during the determination of the appeal the Welsh Ministers consider that the appellant is responsible for undue delay in the progress of the appeal –
 - (a) they may give the appellant notice that the appeal will be dismissed unless, within the period specified in the notice, the appellant takes steps specified in the notice for the expedition of the appeal, and

- (4) Sub-paragraph (5) applies if, before the application has been determined, the planning authority receives a connected application under paragraph 1 from another person.
- (5) For the purposes of the determination of the applications and any appeal against their determination, this Schedule has effect –

 - (b) as if references to the applicant were references to each of the applicants.
- (6) For the purposes of this paragraph –
- (a) applications in respect of pre-1948 minerals permissions are connected where they relate to the same permission;

SCHEDULE 9
(introduced by section 104)

PERIODIC REVIEW OF MINERALS PERMISSIONS

Duty to carry out periodic reviews of minerals permissions

- 1 (1) A planning authority must cause periodic reviews to be carried out in accordance with this Schedule of the minerals permissions relating to each mining site in its area.
- (2) In this Schedule –
 - (a) “mining site” means the land to which a minerals permission relates; but if the planning authority considers that the land to which two or more minerals permissions relate should be treated as a single site for the purposes of this Schedule, it means all of the land to which those permissions relate;
 - (b) references to a minerals permission relating to a mining site are to a minerals permission relating to any of the land included in the site.
- (3) In deciding whether the land to which two or more minerals permissions relate should be treated as a single site, a planning authority must have regard to any relevant guidance issued by the Welsh Ministers.

First review date

- 2 (1) This paragraph determines the review date for the first periodic review of the minerals permissions relating to a mining site (subject to the power to postpone the review date under paragraph 6).
- (2) The review date for a mining site of a description specified in the first column of the Table is the date 15 years after the day specified in the corresponding entry in the second column.

TABLE 3

Description of mining site	Day to use for calculating first review date
The minerals permissions relating to the site include a pre-1948 minerals permission.	The day the conditions of the pre-1948 minerals permission were finally determined on an application under paragraph 2 of Schedule 2 to the Planning and Compensation Act 1991 (c. 34) or paragraph 1(1)(a) of Schedule 8 to this Act (or if there is more than one pre-1948 minerals permission and their conditions were finally determined on different days, the last of those days).
The site is shown in a list prepared under paragraph 3 of Schedule 13 to the Environment Act 1995 (c. 25).	The day the conditions of the post-1948 minerals permissions relating to the site were finally determined on an application under paragraph 9 of Schedule 13 to the Environment Act 1995 or paragraph 1(1)(b) of Schedule 8 to this Act.
There are no pre-1948 minerals permissions relating to the site and the site is not shown in a list prepared under paragraph 3 of Schedule 13 to the Environment Act 1995.	The day the most recent minerals permission relating to the site was granted (but see sub-paragraphs (3) to (5)).
An order has been made under section 102 in respect of a minerals permission relating to the site.	The day the order took effect (or if there is more than one order and they took effect on different days, the last of those days).
A discontinuance order has been made in respect of a use of the site, or any part of it, for carrying out mining operations or depositing waste.	The day the order took effect (or if there is more than one order and they took effect on different days, the last of those days).

(3) Sub-paragraph (4) applies where—

- (a) there are no pre-1948 minerals permissions relating to a mining site, and the site is not shown in a list prepared under paragraph 3 of Schedule 13 to the Environment Act 1995,
- (b) the most recent minerals permission relating to the site relates to only part of the site, or the most recent minerals permissions (whether or not granted on the same day) between them relate to only part of the site, and
- (c) the planning authority considers that the review date for the site should be calculated by reference to the day the last of the other minerals permissions relating to the site was granted.

(4) The most recent minerals permission or permissions relating to the mining site are to be treated for the purposes of this paragraph as having been granted at the same time as the last of the other minerals permissions relating to the site.

- (5) In deciding whether it is of the opinion mentioned in sub-paragraph (3)(c), a planning authority must have regard to any relevant guidance issued by the Welsh Ministers.
- (6) If the Table specifies more than one day for the same mining site, the review date for the site is to be calculated by reference to the latest of those days.
- (7) Regulations may, in relation to a mining site to which a pre-1948 minerals permission relates or which is shown in a list prepared under paragraph 3 of Schedule 13 to the Environment Act 1995 –
 - (a) specify a review date that is different from the date that would otherwise be determined in accordance with this paragraph, or
 - (b) if no review date would otherwise be determined in accordance with this paragraph, specify a review date.
- (8) In the Table “finally determined” has the meaning given –
 - (a) in relation to conditions determined on an application under paragraph 2 of Schedule 2 to the Planning and Compensation Act 1991, by paragraph 10(2) of that Schedule;
 - (b) in relation to conditions determined on an application under paragraph 9 of Schedule 13 to the Environment Act 1995, by paragraph 1(7) of that Schedule;
 - (c) in relation to conditions determined on an application under paragraph 1(1)(a) or (b) of Schedule 8 to this Act, by paragraph 5(2) of that Schedule.

Later review dates

- 3 (1) This paragraph determines the review date for the second and subsequent periodic reviews of the minerals permissions relating to a mining site (subject to the power to postpone the review date under paragraph 6).
- (2) The review date is the date 15 years after the day the most recent application under paragraph 7 in respect of the site was finally determined (see paragraph 12).

- (7) Where regulations are made under sub-paragraph (6), section 399 does not apply.

Application to postpone review date

- 6 (1) An interested person who considers that the conditions of the minerals permissions relating to the mining site are satisfactory may apply to the planning authority to postpone the review date.

SCHEDULE 10
(introduced by section 108)

APPORTIONMENT AND RECOVERY OF COMPENSATION FOR DEPRECIATION

Introduction and key terms

- 1 (1) This Schedule applies where compensation becomes payable by a planning authority under section 105 or 106 that includes compensation for depreciation of more than £20.
- (2) In this Schedule –
- (a) “compensation for depreciation” means compensation for loss or damage consisting of depreciation of the value of an interest in land;

 - (b) if it apportions the compensation, must give details of the apportionment to the claimant and to any other person with an interest in land that the authority considers is substantially affected by the apportionment.
- (2) In carrying out an apportionment, the authority must divide the land into parts and distribute the compensation for depreciation between those parts according to how it considers different parts of the land are differently affected by the planning decision or order in consequence of which the compensation is payable.
- (3) If any of the following persons dispute an apportionment of compensation, they may refer the apportionment to the Upper Tribunal –

 the Tribunal must not vary the apportionment in a way that is inconsistent with the previous apportionment so far as it relates to those matters.
- (7) Sub-paragraphs (1) and (2) apply to an apportionment by the Upper Tribunal, but as if references to the planning authority by which compensation is payable were references to the Tribunal.

Notice of compensation

- 3 (1) The planning authority by which compensation is payable must give notice to the Welsh Ministers that compensation has become payable which includes compensation for depreciation.
- (2) Where the Welsh Ministers are given notice under sub-paragraph (1) they must cause notice of that fact (a “compensation notice”) to be served –

 - (a) the planning decision or order in consequence of which the compensation is payable and the land to which the claim for compensation relates, and
 - (b) the amount of the compensation for depreciation and any apportionment of it under paragraph 2.

Development not to be carried out until compensation paid or secured

- 4 (1) A person must not carry out development to which this paragraph applies on land in respect of which a compensation notice has been registered until any amount that is recoverable in respect of the compensation specified in the notice by virtue of paragraph 5 has been paid or secured to the satisfaction of the Welsh Ministers in accordance with paragraph 6.

- (4) Where the compensation specified in the compensation notice became payable in consequence of –
- (a) a grant of planning permission subject to conditions, or
 - (b) an order under section 102 modifying planning permission,
- this paragraph does not apply to development in accordance with those conditions or in accordance with the modified permission.

Amount recoverable by the Welsh Ministers in respect of compensation

- 5 (1) The amount recoverable in respect of the compensation specified in a registered compensation notice is –
- (a) if the land on which development is to be carried out includes all of the land to which the notice relates (whether alone or with other land), the amount of compensation specified in the notice;
 - (b) if the land on which development is to be carried out includes only part of the land to which the notice relates (whether alone or with land to which the notice does not relate), the amount of the compensation specified in the notice that is attributable to that part,
- but this is subject to the following provisions of this paragraph.
- (2) The Welsh Ministers may defer recovery of all or part of the amount that would otherwise be recoverable in connection with a particular development of land if they consider, having regard to the probable value of any proper development of that land, that no proper development of it is likely to be carried out unless they exercise their powers under this sub-paragraph.
- (3) If the Welsh Ministers defer recovery of only part of the amount that would otherwise be recoverable in respect of any land, they must cause the registered compensation notice in question to be amended so that the amount of compensation stated in it, so far as attributable to that land, is the amount they have deferred.
- (4) Where an amount has become recoverable in respect of compensation in connection with the development of land, no amount is recoverable in respect of the compensation attributable to that land in connection with any later development of it.
- (5) Sub-paragraph (4) does not apply to an amount to the extent that recovery of the amount was deferred in connection with the earlier development.

- (6) If an amount has become recoverable from an acquiring authority under paragraph 7 (recovery on compulsory acquisition or sale) in respect of any compensation, no amount is recoverable in respect of that compensation by virtue of this paragraph.
- (7) For the purposes of this Schedule, the amount of the compensation specified in a compensation notice that is attributable to a part of the land to which the notice relates is to be calculated –
 - (a) if the notice includes an apportionment of the compensation between different parts of the land under paragraph 2, on the basis that –
 - (i) the compensation is distributed between those parts in accordance with the apportionment, and
 - (ii) the compensation attributed to each part is distributed evenly by area over that part;
 - (b) if the notice does not include an apportionment, on the basis that the compensation is distributed evenly by area over the land to which the notice relates.

Payment etc. of amount recoverable

- 6 (1) An amount recoverable by virtue of paragraph 5 in connection with the development of land is payable to the Welsh Ministers –
 - (a) as a single capital payment,
 - (b) as a series of instalments of capital and interest combined, or
 - (c) as a series of other annual or periodical payments, of the amounts, and payable at the times, that the Welsh Ministers direct.
- (2) Before giving a direction under sub-paragraph (1)(c), the Welsh Ministers must take into account any representations made by the person by whom the development is to be carried out.
- (3) If the amount payable under sub-paragraph (1) is not paid as a single capital payment, it must be secured by the person by whom the development is to be carried out in the way (whether by mortgage, covenant or otherwise) that the Welsh Ministers direct.
- (4) If a person starts development to which paragraph 4 applies in breach of that paragraph, the Welsh Ministers may serve a notice on the person –
 - (a) specifying the amount they consider to be recoverable under paragraph 5 in respect of the compensation in question, and
 - (b) requiring the person to pay that amount to the Welsh Ministers within a period specified in the notice.
- (5) The period specified in the notice must be at least 3 months beginning with the day after the day the notice is served.

Recovery of compensation from acquiring authority on compulsory acquisition or sale

- 7 (1) This paragraph applies where –
- (a) an interest in land is compulsorily acquired or is sold to an authority possessing compulsory purchase powers,
 - (b) a compensation notice is registered in respect of any of the land, whether before or after the completion of the acquisition or sale, and
 - (c) the compensation specified in the notice is payable in consequence of a planning decision or order that was made before the service of the notice to treat, or the making of the contract, in pursuance of which the acquisition or sale is effected.
- (2) The Welsh Ministers are entitled to recover from the acquiring authority an amount equal to the amount of the compensation specified in the compensation notice that is attributable to the land acquired or sold.
- (See paragraph 5(7) for provision about calculating the amount of compensation that is attributable to a part of the land to which a compensation notice relates.)
- (3) If, immediately after the completion of the acquisition or sale, a person other than the acquiring authority continues to have an interest in the land acquired or sold, the amount that is recoverable under this paragraph does not become payable until either the interest ceases to exist or the acquiring authority becomes entitled to the interest.
- (4) No amount is recoverable under this paragraph in connection with the acquisition or sale if the Welsh Ministers are satisfied that the interest in question is being acquired for the purposes of the use of the land as an open space.
- (5) A power under any enactment to pay a grant in respect of expenditure incurred by the acquiring authority in connection with the acquisition or sale includes the power to pay a grant in respect of any amount recoverable from the authority under this paragraph.
- (6) In sub-paragraph (1)(a) “authority possessing compulsory purchase powers” means –
- (a) a person who could be or has been authorised to acquire the interest in question compulsorily for the purpose for which the interest is sold, or
 - (b) a community council or parish council on whose behalf a county council, county borough council or district council could be or has been authorised to acquire the interest for that purpose (see section 125 of the Local Government Act).
- (7) In sub-paragraph (1)(c) –
- (a) the reference to the service of a notice to treat is to be read, in a case where such a notice is treated as having been served by virtue of an enactment, as a reference to the day the notice is treated as having been served;
 - (b) the reference to the making of a contract is to be read, in a case where an interest is conveyed or assigned without a preliminary contract, as a reference to the execution of the conveyance or assignment.

- (8) See also section 12 of the Land Compensation Act 1961 (c. 33) for provision about the assessment of compensation for the compulsory acquisition of an interest in land where a compensation notice relating to the land is registered under this Schedule.

Reimbursement of amount recovered to planning authority

- 8 (1) The Welsh Ministers must pay any amount they recover under paragraph 6 or 7 to the planning authority that paid the compensation to which the amount relates.
- (2) The Welsh Ministers must deduct from the amount they pay to the planning authority the amount of any contribution they have made under section 395 towards the payment of that compensation.
- (3) If the amount recovered by the Welsh Ministers –
- (a) is an instalment of the total amount recoverable by them, or
 - (b) is recovered in connection with development of only part of the land in respect of which the compensation was payable,
- any amount deducted under sub-paragraph (2) must be the amount that the Welsh Ministers determine is the appropriate proportion of the amount of the grant.

SCHEDULE 11
(introduced by section 109)

COMPENSATION FOR CHANGES TO PLANNING PERMISSION FOR MINERALS
DEVELOPMENT

PART 1

COMPENSATION WHERE PLANNING PERMISSION IS WITHDRAWN, MODIFIED OR REVOKED

Compensation in respect of buildings, plant or machinery

- 1 (1) This paragraph applies where planning permission for minerals development is withdrawn, modified or revoked.
- (2) No compensation is payable under section 105 or 106 in respect of any buildings, plant or machinery unless it is shown that the claimant—
- (a) is unable to put the buildings, plant or machinery to a reasonably beneficial use, or
 - (b) is unable to put them to a reasonably beneficial use except at the loss claimed.
- (3) Where a disputed claim for compensation under section 105 or 106 includes a claim for expenditure, loss or damage in respect of buildings, plant or machinery, the Upper Tribunal may give directions for that part of the claim to be dealt with separately from the rest of the claim on a later date that is specified in the directions or is to be fixed by the Tribunal on an application by either party.
- (4) In sub-paragraph (1) the reference to minerals development does not include carrying out mining operations on land where—
- (a) the land is held or occupied with other land that is used for agriculture, and
 - (b) the minerals that are won and worked are reasonably required for that use (for example, for the fertilisation of the other land, or for the maintenance, improvement or alteration of buildings or works on the other land that are occupied or used for agriculture).

Compensation where minerals permission is modified by order

- 2 (1) Where an order under section 102 modifies a minerals permission, compensation is payable under section 106 only if one or more of the following conditions are met.
- (2) The first condition is that the order—
- (a) imposes a restriction on working rights in respect of the land to which it relates, or
 - (b) modifies or replaces a restriction on working rights, other than one imposed by a restoration condition or aftercare condition.
- (3) The second condition is that the minerals permission was granted less than 5 years before the day the order was made.

- (4) The third condition is that, in relation to the land to which the order relates, any of the following happened in the 5 years before the day the order was made –
- (a) another order was made under section 102 modifying a minerals permission;
 - (b) an application under paragraph 1 of Schedule 8 was finally determined (within the meaning given by paragraph 5(2) of that Schedule);
 - (c) an application under paragraph 7 of Schedule 9 was finally determined (within the meaning given by paragraph 12(2) of that Schedule);
 - (d) a discontinuance order was made relating to a use of the land for carrying out mining operations or depositing mineral waste;
 - (e) a prohibition order was made.

PART 2

COMPENSATION FOLLOWING PERIODIC REVIEW OF MINERALS PERMISSIONS

Compensation where working rights are restricted by new conditions of minerals permissions

- 3 (1) This paragraph applies where –
- (a) an application under paragraph 7 of Schedule 9 in respect of a mining site is finally determined (within the meaning given by paragraph 12(2) of that Schedule),
 - (b) the new conditions of the minerals permissions relating to the site differ in any respect from the conditions proposed in the application, and
 - (c) the effect of the new conditions of the permissions, as compared with the existing conditions, is to impose a restriction on working rights in respect of the site.
- (2) Any person interested in land included in the site is entitled, on making a claim to the planning authority in whose area the land is situated, to be paid compensation by the authority for –
- (a) any expenditure incurred by the person in carrying out works that become abortive because of a restriction on working rights imposed by the new conditions;
 - (b) any other loss or damage suffered by the person that is directly attributable to such a restriction.
- (3) A claim for compensation under this paragraph must be made in writing within 12 months beginning with the day the application under paragraph 7 of Schedule 9 is finally determined.
- (4) For the purposes of this paragraph, expenditure incurred in the preparation of plans for the purposes of any works, or on other similar matters preparatory to any works, is to be treated as expenditure incurred in carrying out the works.
- (5) Subject to that, no compensation is payable under this paragraph in respect of –
- (a) works carried out before the grant of the earliest of the minerals permissions to which the application related, or

- (b) other loss or damage (other than loss or damage consisting of depreciation of the value of an interest in land) arising out of anything done or omitted to be done before the earliest of those permissions was granted.
- (6) Schedule 10 applies to compensation payable under this paragraph as if it were compensation payable under section 106 in consequence of an order under section 102 modifying planning permission.
- (7) In this paragraph –
 - (a) “mining site” has the meaning given by paragraph 1(2) of Schedule 9;
 - (b) the “new conditions” of the minerals permissions relating to a mining site are the conditions determined under that Schedule to which the permissions are to be subject;
 - (c) the “existing conditions” of the minerals permissions are the conditions to which they were subject immediately before the final determination of the application under paragraph 7 of that Schedule,and references to the conditions of a minerals permission do not include a restoration condition or an aftercare condition.

PART 3

INTERPRETATION

Meaning of references to restrictions on working rights

- 4 For the purposes of paragraphs 2 and 3, a restriction is imposed on working rights in respect of land if any of the following is restricted or reduced –
- (a) the size of the area that may be used for mining operations or for depositing mineral waste;
 - (b) the maximum depth of any mining operations or maximum height of any deposit of mineral waste;
 - (c) the rate at which a particular mineral may be extracted or a particular mineral waste may be deposited;
 - (d) the period at the end of which any mining operations or depositing of mineral waste must cease;
 - (e) the total quantity of minerals that may be extracted from the land or of mineral waste that may be deposited on it.

SCHEDULE 12
(introduced by sections 110 and 213)

PURCHASE NOTICES

PART 1

INTRODUCTORY

Circumstances in which land is usable or unusable

- 1 (1) This paragraph applies for the purposes of sections 110 and 213 and this Schedule.
- (2) References to whether land is usable are references to whether it is capable of reasonably beneficial use.
- (3) In determining whether land is usable in its existing state, a prospective use of the land must be ignored if it would involve carrying out development for which planning permission has not been granted and for which neither a planning authority nor the Welsh Ministers have undertaken to grant permission.
- (4) Land is not unusable in its existing state if –
- (a) the existing state of the land was caused by a breach of planning control,
 - (b) an enforcement notice has been issued, or could be issued, requiring steps to be taken to remedy the breach or any injury to amenity caused by it, and
 - (c) the land would be usable if those steps were taken.

Interpretation

- 2 In this Schedule –

“purchase notice” (*“hysbysiad prynu”*) means a notice served under section 110 or 213;

“relevant acquisition provisions” (*“darpariaethau caffael perthnasol”*) means –

- (a) in relation to a local authority, section 263 (compulsory acquisition of land for planning purposes);
- (b) in relation to a statutory undertaker, any enactment under which it has power, or may be authorised, to acquire land compulsorily for the purposes of its undertaking;

“statutory undertaker” (*“ymgymerwr statudol”*) includes an electronic communications code operator and a former public telecommunications operator.

PART 2

SERVICE OF PURCHASE NOTICE

Service of purchase notice in respect of Crown land

- 3 (1) The owner of a private interest in Crown land may not serve a purchase notice in respect of that interest unless –
- (a) the owner has offered to dispose of the interest to the appropriate Crown authority for a price that is equal to (and if not agreed, is to be determined in the same way as) the compensation that would be payable for the interest if it were acquired in pursuance of a purchase notice, and
 - (b) the appropriate Crown authority has refused the offer.
- (2) Only the appropriate Crown authority may serve a purchase notice in respect of a Crown interest or Duchy interest in land that –
- (a) forms part of the Crown Estate,
 - (b) belongs to His Majesty in right of His private estates,
 - (c) belongs to His Majesty in right of the Duchy of Lancaster, or
 - (d) belongs to the Duchy of Cornwall.
- (3) A purchase notice may not be served in respect of a Crown interest or Duchy interest in any other land.

Further provision about service of purchase notice

- 4 (1) A purchase notice must relate to all of the land to which the planning decision or order in consequence of which it is served relates, and not to any other land.
- (2) A purchase notice must be served within 12 months beginning with –
- (a) in the case of a notice relating to a decision to refuse planning permission or grant it subject to conditions, the day the decision is made;
 - (b) in the case of a notice relating to an order under section 102 modifying or revoking planning permission, the day the order takes effect;
 - (c) in the case of a notice relating to a discontinuance order, the day the order takes effect.
- (3) In a case where the Welsh Ministers determine an appeal against a decision of a planning authority to refuse planning permission or to grant it subject to conditions, the reference in sub-paragraph (2)(a) to the day the decision is made is to be read as a reference to the day the Welsh Ministers determine the appeal.
- (4) The Welsh Ministers may at any time extend the period for serving a purchase notice in a particular case, if they are satisfied that there are good reasons for doing so.
- (5) Regulations may make provision about how a purchase notice must be served.

- (6) A person who has served a purchase notice may not amend the notice; but that does not prevent the person serving a further purchase notice relating to the same decision or order.
- (7) If the person serves a further purchase notice relating to the same decision or order, the earlier notice is to be treated as withdrawn unless the later notice states that the person does not intend to withdraw it.

PART 3

ACTION FOLLOWING SERVICE OF PURCHASE NOTICE AND EFFECT OF NOTICE

Response to purchase notice by planning authority

- 5
- (1) Where a person has served a purchase notice on a planning authority, the authority must serve an acceptance notice or rejection notice on the person.
 - (2) An acceptance notice is a notice stating either –
 - (a) that the planning authority is willing to comply with the purchase notice, or
 - (b) that another local authority or statutory undertaker specified in the acceptance notice has agreed to comply with the purchase notice.
 - (3) A rejection notice is a notice stating –
 - (a) that for reasons specified in the notice, the planning authority is not willing to comply with the purchase notice and has not found any other local authority or statutory undertaker willing to comply with it, and
 - (b) that the planning authority has sent copies of the purchase notice and rejection notice to the Welsh Ministers.
 - (4) An acceptance notice or rejection notice must be served before the end of 3 months beginning with the day the purchase notice was served.
 - (5) Where the planning authority serves an acceptance notice on a person, that authority or (in the case of a notice falling within sub-paragraph (2)(b)) the other local authority or statutory undertaker specified in the notice is to be treated –
 - (a) as being authorised under the relevant acquisition provisions to acquire the person’s interest compulsorily, and
 - (b) as having served a notice to treat in respect of that interest on the day the acceptance notice is served.
 - (6) Before serving a rejection notice on a person, the planning authority must send the Welsh Ministers –
 - (a) a copy of the purchase notice, and
 - (b) a copy of the rejection notice.

Action to be taken by the Welsh Ministers on rejection of purchase notice by planning authority

- 6
- (1) This paragraph applies where a copy of a purchase notice is sent to the Welsh Ministers under paragraph 5(6).

- (2) If the Welsh Ministers are satisfied that the conditions in section 110(3) or 213(3) (as appropriate) are met in relation to the land to which the purchase notice relates, they must confirm the notice; but this is subject to the following provisions of this paragraph and to paragraph 7.
- (3) Instead of confirming the purchase notice, the Welsh Ministers may –
 - (a) in the case of a notice served in consequence of a refusal of planning permission for any development, grant planning permission for the development;
 - (b) in the case of a notice served in consequence of a grant of planning permission for any development subject to conditions, vary or remove those conditions so far as they consider necessary to enable the land to which the notice relates to be made usable by carrying out the development;
 - (c) in the case of a notice served in consequence of an order under section 102 revoking planning permission, revoke the order;
 - (d) in the case of a notice served in consequence of an order under that section modifying planning permission for any development by imposing conditions, vary or remove those conditions so far as they consider necessary to enable the land to which the notice relates to be made usable by carrying out the development;
 - (e) in the case of a notice served in consequence of a discontinuance order, revoke the order or amend the order so far as they consider necessary to prevent it making the land unusable.
- (4) Sub-paragraph (5) applies if the Welsh Ministers consider that the land to which the purchase notice relates, or any part of it, could be made usable within a reasonable time by carrying out any other development for which planning permission ought to be granted.
- (5) Instead of confirming the notice in relation to the land or that part of it, the Welsh Ministers may direct that, if an application is made for planning permission for that development, it must be granted.
- (6) In considering whether to exercise any of the powers conferred by sub-paragraphs (3) and (5), the Welsh Ministers must –
 - (a) have regard to the development plan for the area in which the land to which the purchase notice relates is situated and any other relevant considerations, and
 - (b) make their decision in accordance with the development plan unless other relevant considerations indicate otherwise.
- (7) The planning permission that may be granted under sub-paragraph (3) is any planning permission that could be granted on an application under Part 3 of this Act.
- (8) Schedule 3 (conditions relating to mining operations and depositing of waste) applies, with any necessary modifications, in relation to a planning permission granted by the Welsh Ministers under that sub-paragraph as it applies in relation to a planning permission granted by a planning authority.

- (9) See also Chapter 9 of Part 3 of this Act for provision requiring planning permission to be granted subject to conditions relating to the duration and implementation of the permission.
- (10) In confirming a purchase notice the Welsh Ministers may, if they consider it appropriate having regard to the probable ultimate use of the land to which the notice relates, modify the notice in relation to all or any part of the land by substituting another local authority or statutory undertaker for the planning authority on which the notice was served.
- (11) If the Welsh Ministers are not satisfied that the conditions in section 110(3) or section 213(3) (as appropriate) are met in relation to the land to which a purchase notice relates, they must refuse to confirm the notice.

No duty to confirm purchase notice relating to planning decision if land has restricted use

7 (1) This paragraph applies where –

- (a) a purchase notice is served under section 110 in consequence of a decision to refuse planning permission or to grant permission subject to conditions, and
- (b) all or any part of the land to which the notice relates is land that has a restricted use by virtue of a previous planning permission that continues to have effect.

(2) For the purposes of this paragraph, land has a restricted use by virtue of a previous planning permission if it is part of a larger area to which the previous planning permission relates and either –

- (a) the permission is subject to a condition requiring that part to remain undeveloped or to be preserved or laid out in a particular way as amenity land in relation to the remainder, or
- (b) the permission was granted on an application that contemplated (expressly or by necessary implication) that the part should not be included in the development for which permission was sought, or should be preserved or laid out as mentioned in paragraph (a).

(3) The Welsh Ministers may refuse to confirm the purchase notice if they consider that the land that has a restricted use should, in accordance with the previous planning permission, remain undeveloped or be preserved or laid out as amenity land in relation to the remainder of the larger area to which the permission relates.

Procedure before the Welsh Ministers take action in relation to purchase notice

8 (1) Before taking any action in relation to a purchase notice under paragraph 6 or 7, the Welsh Ministers must serve notice of their proposed action –

- (a) on the person who served the purchase notice,
- (b) on the planning authority on which the purchase notice was served, and

- (c) if they propose to substitute any other local authority or statutory undertaker for the planning authority, on the other local authority or statutory undertaker.
- (2) A notice under sub-paragraph (1) must specify the period within which any of the persons on whom it is served may make a request in writing to the Welsh Ministers for an opportunity to appear before and be heard by an inspector.
- (3) If any of the persons on whom the notice was served makes a request within that period, the Welsh Ministers must give each of the persons on whom it was served such an opportunity before they take any action in relation to the purchase notice under paragraph 6 or 7.
- (4) The period specified under sub-paragraph (2) must be at least 28 days beginning with the day after the day the notice under sub-paragraph (1) is served.
- (5) If, after any persons have appeared before and been heard by an inspector, the Welsh Ministers consider it appropriate to take action under paragraph 6 or 7 otherwise than in accordance with the notice served under sub-paragraph (1), they may do so.

Effect of confirmation of purchase notice or failure to take action

- 9 (1) Where the Welsh Ministers confirm a purchase notice, the authority mentioned in sub-paragraph (2) is to be treated –
- (a) as being authorised under the relevant acquisition provisions to acquire compulsorily the interest of the person who served the notice, and
 - (b) as having served a notice to treat in respect of that interest on the date that the Welsh Ministers direct.
- (2) The authority referred to in sub-paragraph (1) is –
- (a) the planning authority on which the purchase notice was served, or
 - (b) if the Welsh Ministers modified the purchase notice under paragraph 6(10) by substituting another local authority or statutory undertaker for the planning authority, the other local authority or statutory undertaker.
- (3) If a purchase notice is sent to the Welsh Ministers under paragraph 5(6) and they do not take any action in relation to it under paragraph 6 or 7 by the end of the relevant period –
- (a) the purchase notice is to be treated as having been confirmed by them at the end of the relevant period, and
 - (b) the planning authority on which the purchase notice was served is to be treated –
 - (i) as being authorised under section 263 (compulsory acquisition of land for planning purposes) to acquire compulsorily the interest of the person who served the notice, and
 - (ii) as having served a notice to treat in respect of that interest at the end of the relevant period.

- (4) In sub-paragraph (3) “the relevant period” means whichever of the following ends earlier –
- (a) 9 months beginning with the day the purchase notice was served on the planning authority;
 - (b) 6 months beginning with the day a copy of the notice was sent to the Welsh Ministers under paragraph 5(6).
- (5) But the relevant period does not include any time when the Welsh Ministers have before them both –
- (a) a copy of the purchase notice sent to them under paragraph 5(6), and
 - (b) a notice of appeal under any of the following provisions relating to any of the land to which the purchase notice relates –
 - (i) section 73 (appeal against refusal etc. of planning application), 131 (appeal against enforcement notice) or 160 (appeal against refusal etc. of application for certificate of lawfulness),
 - (ii) section 100 (appeal against refusal etc. of application relating to listed building consent or conservation area consent) or 127 (appeal against enforcement notice) of the Historic Environment Act, or
 - (iii) section 21 of the Hazardous Substances Act (appeal against refusal etc. of application relating to hazardous substances consent) or regulations that make provision under section 25(1B)(b) of that Act (appeal against hazardous substances contravention notice).

Legal challenge to action taken by the Welsh Ministers in relation to purchase notice

- 10 (1) If a decision of the Welsh Ministers to take any action under paragraph 6 or 7 in relation to a purchase notice is quashed in proceedings under section 376, the purchase notice is to be treated as cancelled, but the person who served it may serve a further purchase notice.
- (2) For the purpose of determining whether the further purchase notice has been served within the period specified in paragraph 4(2), the planning decision to which the notice relates is to be treated as having been made, or the order to which it relates is to be treated as having taken effect, on the day the Welsh Ministers’ decision was quashed.

No withdrawal of notice to treat deemed to have been served under this Part

- 11 (1) A notice to treat that is treated as having been served by virtue of paragraph 5(5) or paragraph 9(1) or (3)(b) may not be withdrawn under section 31 of the Land Compensation Act 1961 (c. 33).
- (2) But if the purchase notice is withdrawn or is treated as cancelled, any notice to treat that is treated as having been served in consequence of it is to be treated as having been withdrawn.

Deduction of compensation for changes to planning permission

- 12 Where compensation is payable under section 105 or 106 for expenditure incurred in carrying out works on land, any compensation that becomes payable for the acquisition of an interest in the land in pursuance of a purchase notice must be reduced by the amount of the compensation relating to the works.

PART 4

SEVERANCE OF AGRICULTURAL LAND: RIGHT TO REQUIRE PURCHASE OF REMAINDER

Service of counter-notice requiring purchase of remainder of agricultural unit

- 13 (1) This paragraph applies where –
- (a) a purchase notice has been served by a person who has a qualifying interest in agricultural land (“the claimant”),
 - (b) an acquiring authority is treated as having served a notice to treat in respect of that interest by virtue of paragraph 5(5) or paragraph 9(1) or (3)(b), and
 - (c) the claimant has a qualifying interest in other agricultural land (“the unaffected area”) that forms part of the same agricultural unit as the land to which the notice to treat relates.
- (2) The claimant may serve a counter-notice on the acquiring authority –
- (a) claiming that the unaffected area is not reasonably capable of being farmed as a separate agricultural unit, either by itself or in conjunction with other relevant land, and
 - (b) requiring the acquiring authority to purchase the claimant’s interest in all of the unaffected area.
- (3) The claimant must also serve a copy of the counter-notice on any other person who has an interest in the unaffected area (but failure to do so does not affect the validity of the notice).
- (4) The counter-notice and any copies of it must be served within 2 months beginning with the day the notice to treat is treated as having been served.
- (5) In this paragraph –
- “agricultural land” (“*tir amaethyddol*”) means land which, immediately before the making of the planning decision or order in consequence of which the purchase notice was served, was agricultural land within the meaning given by section 109(1) of the Agriculture Act 1947 (c. 48);
- “other relevant land” (“*tir perthnasol arall*”) means –
- (a) land that forms part of the same agricultural unit as the agricultural land to which the notice to treat relates, and in which the claimant does not have a qualifying interest, or
 - (b) land that consists of or forms part of any other agricultural unit occupied by the claimant on the day the notice to treat is treated as having been served, and in which the claimant has a qualifying interest on that day;

“qualifying interest” (“*buddiant cymhwysol*”) means a greater interest in land than as a tenant for a year or from year to year (whether or not the person with the interest is in occupation of the land).

- (6) Where a notice to treat has been served or is treated by this Schedule or Part 3 of the Compulsory Purchase (Vesting Declarations) Act 1981 (c. 66) as having been served in respect of any land, that land does not form part of the unaffected area or constitute other relevant land unless and until the notice to treat is withdrawn (or treated as having been withdrawn).
- (7) This paragraph does not limit the rights conferred by section 8(2) and (3) of the Compulsory Purchase Act 1965 (c. 56) (provisions as to divided land).

Effect of counter-notice

- 14 (1) Sub-paragraph (2) applies if –
- (a) a counter-notice is served on an acquiring authority, and
 - (b) the authority does not, by the end of the period of 2 months beginning with the day the notice was served, notify the claimant in writing that it accepts the notice.
- (2) The claimant or the authority may, within 2 months after the end of that period, refer the counter-notice to the Upper Tribunal.
- (3) On a reference of a counter-notice, the Upper Tribunal must –
- (a) determine whether the land to which the notice relates is reasonably capable of being farmed as a separate agricultural unit, either by itself or in conjunction with other relevant land (within the meaning given by paragraph 13(5)), and
 - (b) confirm or reject the notice.
- (4) If the counter-notice is accepted or confirmed, the acquiring authority is to be treated –
- (a) as being authorised under the relevant acquisition provisions to acquire compulsorily the interest to which the notice relates, and
 - (b) as having served a notice to treat in respect of that interest on the day the authority is treated as having served a notice to treat in respect of the other land in the agricultural unit in question by virtue of paragraph 5(5) or paragraph 9(1) or (3)(b).
- (5) If a dispute about the compensation payable for the acquisition of the interest to which the counter-notice relates is referred to and determined by the Upper Tribunal, the claimant may not withdraw the notice after the end of 6 weeks beginning with the day the Tribunal determines the compensation.

- (6) Compensation payable under this paragraph must be reduced by the value to the claimant of any timber, apparatus or other materials removed for the purpose of complying with the order in question.

Deduction from compensation under paragraph 3

- 4 (1) A planning authority must deduct the amount determined in accordance with this paragraph from any compensation that it pays under paragraph 3 in consequence of a prohibition order or protection order.
- (2) If the planning authority is satisfied at the time when it assesses the compensation that the claimant is the only person entitled to claim compensation in consequence of the order, it must deduct the amount specified in regulations.
- (3) If the planning authority is not satisfied that the claimant is the only person entitled to claim compensation, it must deduct that amount multiplied by the appropriate fraction.
- (4) The appropriate fraction is –

$$\frac{CI}{AV}$$

where –

CI is the authority’s assessment of the value of the claimant’s interest in the land to which the order relates;

AV is the authority’s assessment of the aggregate value of all of the interests in the land if they were held by a single person.

 - (b) are of a specified description, and
 - (c) relate to land in a specified area,

 - (c) at any other places the authority considers appropriate.
- (5) With each copy of the notice that is displayed under sub-paragraph (4)(a) at the ends of so much of a way as is affected by the order, there must be displayed a plan showing the general effect of the order so far as it relates to that way.

- (a) no representations or objections are made in relation to an order in accordance with the notice published under paragraph 10, or
 - (b) representations or objections are made but they are all withdrawn.
- (2) The authority that made the order may confirm the order itself instead of submitting it to the Welsh Ministers.
- (3) The authority must confirm the order without any modifications.

Consideration of objections

- 13 (1) This paragraph applies if –
- (a) any representation or objection is made in relation to an order in accordance with the notice published under paragraph 10, and
 - (b) the representation or objection is not withdrawn.
- (2) If the representation or objection was made by a local authority, the Welsh Ministers must cause a local inquiry to be held before confirming the order.
- (3) If the representation or objection was made by any other person, the Welsh Ministers must, before confirming the order, either –
- (a) cause a local inquiry to be held, or
 - (b) give an opportunity to be heard by an inspector to any person by whom a representation or objection has been made in accordance with the notice published under paragraph 10 and not withdrawn.
- (4) Before confirming the order, the Welsh Ministers must consider the report of the person appointed under sub-paragraph (2) or (3) to hold the inquiry or to hear representations or objections.
- (5) The Welsh Ministers may confirm the order with or without modifications.
- (6) But they may not modify an order so that it affects land that was not affected by the order as submitted to them unless they have complied with the following provisions of this paragraph.
- (7) The Welsh Ministers must give such notice as they consider appropriate of their proposal to modify the order.
- (8) The notice must specify the period within which, and the way in which, representations or objections may be made in relation to the proposed modification.
- (9) The period specified in the notice must be at least 28 days beginning with the day after the day the notice is first published.
- (10) If any representation or objection is made in relation to the proposed modification in accordance with the notice and is not withdrawn, the Welsh Ministers must either –
- (a) cause a local inquiry to be held, or
 - (b) give an opportunity to be heard by an inspector to any person by whom a representation or objection has been made in accordance with the notice and not withdrawn.
- (11) Before confirming the order with the proposed modification, the Welsh Ministers must consider the report of the person appointed to hold the inquiry or hear representations or objections.
- (12) In sub-paragraph (2) “local authority” includes –

 - (b) a National Park authority for a National Park in England.

Decisions to be made by inspectors

- 14 (1) A decision under paragraph 13 is to be made by an inspector instead of by the Welsh Ministers unless –
- (a) the case is of a description specified in regulations, or
 - (b) the Welsh Ministers direct that the decision is to be made by them instead of by an inspector.
- (2) A decision made by an inspector is to be treated as the decision of the Welsh Ministers.
- (3) A direction under sub-paragraph (1)(b) must state the reasons for which it is given and must be served on –
- (a) the inspector (if any) appointed to make the decision,
 - (b) the authority that made the order, and
 - (c) any person by whom a representation or objection has been made in accordance with the notice published under paragraph 10 and not withdrawn.
- (4) At any time before an inspector has made a decision, the Welsh Ministers may –
- (a) revoke the inspector’s appointment, and
 - (b) appoint another inspector (a “new inspector”) to make the decision.
- (5) Where by virtue of sub-paragraph (1)(b) or (4) a decision is to be made by the Welsh Ministers or a new inspector instead of by the inspector who was first appointed to make it, anything done by or in relation to the first inspector is to be treated as having been done by or in relation to the Welsh Ministers or the new inspector (as the case may be).

Special provision about orders under section 293 affecting statutory undertakers

- 15 (1) An order under section 293 is subject to special Senedd procedure if –
- (a) a statutory undertaker objects to the order in accordance with the notice published under paragraph 10, or objects to a modification in accordance with a notice published under paragraph 13, and the objection is not withdrawn, and
 - (b) the undertaker makes the objection on the ground that the order provides (or as modified would provide) for the creation of a public right of way over land covered by works used for the purposes of its undertaking or over the curtilage of such land.
- (2) The Welsh Ministers may not confirm an order under section 293 that extinguishes a right of way over land on which there is any apparatus belonging to or used by a statutory undertaker for the purposes of its undertaking, unless the undertaker has consented to the confirmation of the order.
- (3) Consent must not be unreasonably withheld.
- (4) Consent may be given subject to the condition that the order must include provisions that the undertaker reasonably requires for its protection.

- (5) If a question arises under this paragraph about whether the withholding of consent is unreasonable, or whether any requirement of a statutory undertaker is reasonable, the question is to be determined by the appropriate Minister.

Notice of confirmation of order

- 16 (1) As soon as possible after an order is confirmed, the authority that made the order must comply with the following provisions of this paragraph.
- (2) The authority must publish notice that the order has been confirmed in at least one newspaper circulating in the relevant area.
- (3) The notice must –
- (a) state the general effect of the order;
 - (b) name a place in the relevant area where –
 - (i) a copy of the confirmed order is available for public inspection free of charge at all reasonable times, and
 - (ii) copies of the order may be obtained for a reasonable charge at all reasonable times.
- (4) The authority must serve a copy of the notice on every person who –
- (a) was entitled to be served with a copy of a notice under paragraph 11, and
 - (b) has sent the authority a request to be served, specifying an address for service.
- (5) The authority must include a copy of the confirmed order with each copy of the notice that sub-paragraph (4) requires it to serve on –
- (a) a person on whom it was required to serve a copy of a notice by virtue of paragraph 11(2)(a), (b) or (c), and
 - (b) in the case of an order that has been confirmed with modifications, a person on whom it was required to serve a copy of a notice by virtue of paragraph 11(2)(d) or (e).
- (6) The authority must cause copies of the notice that the order has been confirmed to be displayed in the ways described in paragraph 11(4).

Notice of decision not to confirm order

- 17 As soon as possible after a decision is made not to confirm an order, the authority that made the order must serve notice of the decision on every person on whom paragraph 11 required it to serve a notice.

Notice that order has come into force

- 18 (1) This paragraph applies where an order comes into force otherwise than –
- (a) on the day it is confirmed, or
 - (b) at the end of a period specified in the order that begins with that day.

- (2) As soon as possible after the order comes into force, the authority that made the order must publish notice that it has come into force in at least one newspaper circulating in the relevant area.

Power to make further provision about procedure

- 19 Regulations may make further provision about the procedure to be followed in connection with the making, submission and confirmation of orders under sections 293 and 300.

Interpretation

- 20 In this Part “the relevant area” has the meaning given by paragraph 10(4).

- (5) In this paragraph “the Ministers” means the government department that served the removal notice and the appropriate Minister.

PART 2

PROCEDURE FOR MAKING ORDERS TO EXTEND OR MODIFY STATUTORY UNDERTAKERS’
FUNCTIONS

Requirement to publicise a representation made under section 317(1)

- 3 (1) As soon as possible after making a representation mentioned in section 317(1), a statutory undertaker, a local authority or a government department –
- (a) must publish notice of the representation, and
 - (b) if directed to do so by the Welsh Ministers and the appropriate Minister, must serve a copy of the notice on each person specified, or of a description specified, in the direction.
- (2) A notice under this paragraph must –
- (a) be published in such a form and way as may be specified in a direction given by the Welsh Ministers and the appropriate Minister,
 - (b) give such information about the matters to which the representation relates as may be specified in such a direction,
 - (c) state that an objection to the making of an order on the representation may be made to the Welsh Ministers and the appropriate Minister, and
 - (d) specify the way in which, and the period within which, an objection may be made.

Requirements for objection to making of order

- 4 An objection to the making of an order under section 317 must –
- (a) be made in the way, and within the period, specified in the notice under paragraph 3, and
 - (b) include a statement of the grounds of the objection (either in the objection or in a document included with it).

Effect of objection being made to making of order

- 5 (1) This paragraph applies where an objection to the making of an order under section 317 has been made in accordance with paragraph 4 and not withdrawn.
- (2) In considering whether to make an order, the Welsh Ministers and the appropriate Minister –
- (a) must consider the grounds of the objection set out in the statement that was included in the objection or in a document included with it (“the original statement”), and
 - (b) may require the objector to submit within a specified period a further statement relating to any of the matters to which the objection relates (a “further statement”).

- (3) But sub-paragraph (2) does not apply if—
 - (a) the Welsh Ministers and the appropriate Minister decide, without having regard to the objection, not to make the order, or
 - (b) the Welsh Ministers and the appropriate Minister decide to make a modification that the objector agrees meets the objection.
- (4) In so far as the Welsh Ministers and the appropriate Minister are satisfied, after considering the grounds of the objection set out in the original statement and in any further statement, that the objection relates to a matter that can be dealt with in the assessment of compensation, they may disregard the objection.
- (5) If—
 - (a) the Welsh Ministers and the appropriate Minister are satisfied, after considering the grounds of the objection set out in the original statement and in any further statement, that they are sufficiently informed about the matters to which the objection relates, or
 - (b) an objector fails to submit a further statement within a specified period as required by the Welsh Ministers and the appropriate Minister,

the Welsh Ministers and the appropriate Minister may decide whether to make the order without carrying out further investigation into the matters to which the objection relates.
- (6) If neither sub-paragraph (4) nor (5) applies, before deciding whether to make the order, the Welsh Ministers and the appropriate Minister must give the objector an opportunity to appear before and be heard by a person appointed by them.
- (7) If the objector takes that opportunity, the Welsh Ministers and the appropriate Minister must give each of the following persons the opportunity to be heard on the same occasion—
 - (a) the authority that made the representation mentioned in section 317(1), and
 - (b) any other person they consider appropriate.
- (8) Despite the previous provisions of this paragraph, if the Welsh Ministers and the appropriate Minister consider that the matters to which the objection relates require investigation at a local inquiry before they decide whether to make an order, they must cause a local inquiry to be held.
- (9) Where the Welsh Ministers and the appropriate Minister decide to cause a local inquiry to be held, they are not required to comply with any of the requirements of sub-paragraphs (2), (6) and (7) that have not been complied with at the time of that decision.

Procedure for approving order

6 An order under section 317—

- (a) where made by the Welsh Ministers and a Minister of the Crown, is subject to special Senedd procedure and special parliamentary procedure, and

- (b) where made by the Welsh Ministers alone (see section 308(2)(b)), is subject to special Senedd procedure.

 - (b) give such information about the matters to which the representation relates as may be specified in such a direction,
 - (c) state that an objection to the making of an order on the representation may be made to the appropriate Minister, and
 - (d) specify the way in which, and the period within which, an objection may be made.

Requirements for objection to making of order

- 8 An objection to the making of an order under section 318 must—
- (a) be made in the way, and within the period, specified in the notice under paragraph 7, and
 - (b) include a statement of the grounds of the objection (either in the objection or in a document included with it).

Effect of objection being made to making of order

- 9 (1) This paragraph applies where an objection to the making of an order under section 318 has been made in accordance with paragraph 8 and not withdrawn.
- (2) In considering whether to make an order, the appropriate Minister—
- (a) must consider the grounds of the objection set out in the statement that was included in the objection or in a document included with it (“the original statement”), and

- (b) may require the objector to submit within a specified period a further statement relating to any of the matters to which the objection relates (a “further statement”).
- (3) But sub-paragraph (2) does not apply if—
 - (a) the appropriate Minister decides, without having regard to the objection, not to make the order, or
 - (b) the appropriate Minister decides to make a modification that the objector agrees meets the objection.
- (4) In so far as the appropriate Minister is satisfied, after considering the grounds of the objection set out in the original statement and in any further statement, that the objection relates to a matter that can be dealt with in the assessment of compensation, the Minister may disregard the objection.
- (5) If—
 - (a) the appropriate Minister is satisfied, after considering the grounds of the objection set out in the original statement and in any further statement, that the appropriate Minister is sufficiently informed about the matters to which the objection relates, or
 - (b) an objector fails to submit a further statement within a specified period as required by the appropriate Minister,

- 2 (1) An inspector may hold a local inquiry or a hearing in connection with an appeal if a determination under section 366 provides for the appeal to be considered in that way.
- (2) The costs of the local inquiry or hearing are to be met by the Welsh Ministers; but this is subject to section 372.
- (3) The Welsh Ministers or an inspector may appoint an assessor to advise the inspector on any matters that arise –
 - (a) at a local inquiry or hearing held by the inspector in connection with an appeal or in consequence of such an inquiry or hearing, or
 - (b) in written representations made to the inspector in connection with an appeal or in consequence of such representations.

Replacement of inspector

- 3 (1) At any time before an inspector has determined an appeal, the Welsh Ministers may –
 - (a) revoke the inspector’s appointment, and
 - (b) appoint another inspector to determine the appeal.
- (2) Where a new appointment is made, the consideration of the appeal, and any local inquiry or hearing in connection with it, must start afresh.

- (3) Sub-paragraph (2) does not require any person to be given an opportunity to—
 - (a) make fresh representations, or
 - (b) modify or withdraw representations the person has already made.

Direction that appeal is to be determined by the Welsh Ministers

- 4 (1) This paragraph applies where the Welsh Ministers give a direction under section 365(3)(b) that an appeal which would otherwise be determined by an inspector is instead to be determined by them.
- (2) The direction must state the reasons for which it is given and must be served on—
 - (a) the inspector (if any) appointed to determine the appeal,
 - (b) the appellant,
 - (c) the planning authority in whose area the land to which the appeal relates is situated, and
 - (d) in the case of an appeal under section 73, any person who has made representations relating to the subject matter of the appeal which regulations under section 63 require the authority to take into account.
- (3) The Welsh Ministers must give the persons mentioned in sub-paragraph (2)(b) to (d) an opportunity to make further representations if the reasons for the direction raise matters about which any of those persons have not made representations.
- (4) Except as provided by sub-paragraph (3), the Welsh Ministers need not give any person an opportunity to—
 - (a) make fresh representations, or
 - (b) modify or withdraw any representations the person has already made.
- (5) In determining the appeal the Welsh Ministers may take into account any report made to them by an inspector previously appointed to determine it.
- (6) Subject to this paragraph, the provisions of this Act that are relevant to the appeal apply to it as if this Schedule had never applied.

Revocation of direction

- 5 (1) The Welsh Ministers may by a further direction revoke a direction under section 365(3)(b) at any time before the determination of the appeal.
- (2) The further direction must state the reasons for which it is given and must be served on the persons on whom paragraph 4(2) required the direction under section 365(3)(b) to be served.
- (3) Where a further direction is given under this paragraph, section 365 and this Schedule apply as if no direction had been given under section 365(3)(b) (and accordingly the Welsh Ministers must appoint an inspector under that section to determine the appeal).

- (4) But anything done by or on behalf of the Welsh Ministers in connection with the appeal which might have been done by the inspector (including any arrangements made for the holding of a local inquiry or hearing) is, unless the inspector directs otherwise, to be treated as having been done by the inspector.

Supplementary

- 6 (1) It is not a ground of application to the High Court for statutory review under section 376, or of appeal to the High Court under section 378 or 379, that an appeal ought to have been determined by the Welsh Ministers instead of an inspector, unless the appellant or the planning authority challenges the inspector's power to determine the appeal before the decision on the appeal is given.
- (2) An inspector's functions of determining an appeal and doing anything in connection with it are to be treated for the purposes of the Public Services Ombudsman (Wales) Act 2019 (anaw 3) as functions of the Welsh Government.
