

Peter Fox MS, Chair, Health and Social Care Committee

16 March 2026

Dear Peter,

**Petition P-06-1538 Protect full stroke services at Bronglais Hospital; prevent downgrade to Treat and Transfer**

The Petitions Committee met on 2 March and considered the above petition, submitted by Bryony Davies.

The Committee discussed the petition again following debate, noting the views on the decision made by the Board, and the difficult choices required on where and how health services should be provided to deliver the best outcomes for patients. There was confidence that the issue would continue to be subject to scrutiny and challenge, but it was agreed that there was no further action available to the Committee and Members agreed to close the petition. The petitioners' additional comments would be highlighted with the Health Board, the Cabinet Secretary, and with you as Chair of the Health and Social Care Committee.

The full details of the Committee's consideration of the petition, including the correspondence and the actions agreed by the Committee can be found here: [P-06-1538 Protect full stroke services at Bronglais Hospital; prevent downgrade to Treat and Transfer](#)...

I would be grateful if you could send any response by e-mail to the clerking team at [petitions@senedd.wales](mailto:petitions@senedd.wales).

Yours sincerely

Carolyn Thomas MS
