

P-03-310 Policies to Help Protect Pupils Needs and Rights

Petition wording

We the undersigned, call on the National Assembly for Wales to urge the Welsh Government to have a policy that only allows the closure of 6th forms, if there is consent and support in the community. There should be improvements to the consultation process to make them sturdy, strong and easier for the public to access and participate in. The consultation period should give the public enough time to get the information and act accordingly.
