TITLE: Supplementary Budget 2013-14

DATE: 25 June 2013

BY: Jane Hutt, Minister for Finance

Today, I published the Welsh Government's First Supplementary Budget for 2013-14.

The main purpose of this Supplementary Budget is to align the 2013-14 budget structures with the changes to the Ministerial portfolios and responsibilities announced by the Welsh Government in March, and to reflect the budgetary changes since the Final Budget 2013-14 published by the Welsh Government in November. It also sets out a number of allocations from our reserves, transfers between Welsh Government Departments, transfers with UK Government Departments and includes revised Annually Managed Expenditure forecasts.
