

P-04-436 : Government Expenditure and Revenue Wales

Petition wording:

We call on the National Assembly for Wales to urge the Welsh Government to put together a Government Expenditure and Revenue Wales report.

In Scotland they have the GERS report, it aims to enhance public understanding of fiscal issues through detailed analysis of official UK and **Scottish Government financial statistics. It's time that the Welsh Government** published a similar report so that we can truly see the fiscal position of Wales.
