Dear Sir/Madam

Re: Children and Young People Committee: Inquiry into Childhood Obesity

I write on behalf of Mr Simon Dean, Chief Executive for Velindre NHS Trust in response to the invitation to offer comment on the above inquiry.

This has been distributed widely across Velindre Trust, and I am writing to confirm that we have no specific comments that the Trust wishes to submit to at this time. However, we would like to note that the Trust recognises the importance of public health messages on healthy living and is currently exploring opportunities within the context of the services that it offers, to provide advice on healthy lifestyles.

Please do not hesitate to contact me should you wish to discuss this response further.

Yours Sincerely

Cally Hamblyn
Legal Services & Governance Manager
