Schemes and Prescribed
Requirements (Wales) Regulations
2013**

EXPLANATORY NOTE

(This note is not part of the Regulations)

Section 13A of the Local Government Finance Act 1992 (“the 1992 Act”) enables the Welsh Ministers to make regulations in connection with council tax reduction schemes. These Regulations require each billing authority in Wales to make a scheme specifying the reductions which are to apply to amounts of council tax payable by persons, or classes of person, considered to be in financial need. Paragraphs 2 to 7 of Schedule 1B to the 1992 Act enable the Welsh Ministers to prescribe by regulations, matters that must be included in a scheme together with additional requirements which must or must not be included in a scheme.

Part 1 of these Regulations contains introductory provisions and definitions of key words and phrases. Part 2 makes provision about scheme requirements in relation to billing authorities in Wales, including classes of person, reductions and scheme procedural requirements. Part 3 prescribes classes of person who must be included in an authority’s scheme. Part 4 prescribes classes of person who must not be included in an authority’s scheme.

Part 5 and Schedules 1 to 5 prescribe the matters that must be included in an authority’s scheme in relation to pensioners. Schedules 1 to 5 set out the rules relevant to determine the eligibility of pensioners for a reduction and the amount of reduction under a scheme,

and set out how income and capital of pensioners is to be treated in calculating eligibility for a reduction.

Part 5 and Schedules 6 to 10 prescribe the matters that must be included in an authority's scheme in relation to persons who are not pensioners. Schedules 6 to 10 set out the rules relevant to determine the eligibility of non-pensioners for a reduction and the amount of reduction under a scheme, and set out how income and capital of non-pensioners is to be treated in calculating eligibility for a reduction, including in cases where a non-pensioner or partner has an award of universal credit.

Schedule 11 provides for the application of the scheme to students.

Part 5 and Schedules 12 to 14 prescribe the matters that must be included in an authority's scheme in respect of all applicants.

For the financial year beginning on 1 April 2013 billing authorities in Wales were required to make and implement council tax reduction schemes. Part 6 of these Regulations sets out the transitional provisions that will apply to persons who are in receipt of, or who have made an application for, a reduction under existing reduction schemes, when the new schemes come into operation.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with these Regulations.

PART 2

Council tax reduction schemes

Schemes

11. An authority in Wales is a specified authority for the purposes of section 13A(4)(a) of the 1992 Act.

Duty to make schemes and exercise of functions by authorities

12.—(1) Each authority in Wales must make a scheme specifying the reductions which are to apply to the amounts of council tax payable by persons to whom the scheme applies in respect of dwellings situated in its area.

(2) The function of making a scheme required by these Regulations is not to be the responsibility of an executive of an authority under executive arrangements.

(3) Section 101 of the Local Government Act 1972⁽¹⁾ (arrangements for discharge of functions by local authorities) does not apply with respect to the discharge of the function mentioned in paragraph (1).

(4) In this regulation, references to “executive” (“*gweithrediaeth*”) and “executive arrangements” (“*trefniadau gweithredol*”) have the same meaning given by Part 2 of the Local Government Act 2000⁽²⁾ or an instrument made under that Part of that Act.

First financial year of schemes

13. Each authority in Wales must make a scheme no later than the 31 January 2014, and the first financial

(2) 2000 c.22.

year to which that scheme relates must be the year beginning 1 April 2014.

Scheme requirements in relation to classes of persons

14. A scheme must—

- (a) state the classes of persons who are to be entitled to a reduction;
- (b) include those classes of persons prescribed in regulations 22 to 25;
- (c) not include those classes of persons prescribed in regulations 28 to 31.

Scheme requirements in relation to reductions

15.—(1) A scheme must set out the reduction to which persons in each class are to be entitled.

(2) The classes of persons prescribed in regulations 22 and 23, are to be entitled under a scheme to the reductions prescribed in Part 3 of Schedule 1 (pensioners).

(3) The classes of persons prescribed in regulations 24 and 25, are to be entitled under a scheme to the reductions prescribed in Part 3 of Schedule 6 (persons who are not pensioners).

Scheme procedural requirements

16. A scheme must state—

- (a) the procedure by which a person may apply for a reduction under a scheme;
- (b) the procedure by which a person may appeal against a decision of an authority with respect to—
 - (i) a person's entitlement to a reduction under a scheme; or
 - (ii) the amount of any reduction to which the person is entitled.
- (c) the procedure by which a person may apply to an authority for a reduction under section 13A(1)(c) of the 1992 Act.

Preparation of a scheme

17.—(1) Before making a scheme an authority must—

- (a) publish a draft scheme in such manner as it thinks fit, and
- (b) consult any persons it considers are likely to have an interest in the operation of its scheme.

(2) Having made a scheme, the authority must publish that scheme in such manner as it thinks fit.

Revisions to and replacement of schemes

18.—(1) For each financial year, an authority must consider whether to revise its scheme or to replace it with another scheme.

(2) An authority must make any revision to its scheme, or any replacement scheme, no later than 31 January in the financial year preceding that for which the revision or replacement scheme is to have effect.

(3) If any revision to a scheme, or any replacement scheme, has the effect of reducing or removing a reduction to which any class of persons is entitled, the revision or replacement scheme must include such transitional provision relating to that reduction or removal as the authority thinks fit.

(4) Regulation 17 applies to an authority when revising a scheme as it applies to an authority when making a scheme.

(5) References in this Part to a scheme include a replacement scheme.

Notice requiring provision of information to the Welsh Ministers

19.—(1) The Welsh Ministers may serve a notice on an authority in Wales requiring it to supply to them such information as is specified in the notice and required by them for the purpose of exercising, or deciding whether to exercise, any function relating to schemes.

(2) The authority must supply the information required if it is in its possession or control, and must do so in such form and manner and at such time as specified in the notice.

(3) If an authority fails to comply with paragraph (2), the Welsh Ministers may exercise the function on the basis of such assumptions and estimates as they think fit.

(4) In exercising, or deciding whether to exercise, any function relating to schemes, the Welsh Ministers may also take into account any other available information, whatever its source and whether or not obtained under a provision contained in or made under these Regulations or any Act.

PART 2

Maximum council tax reduction for the purposes of calculating eligibility for a reduction under an authority's scheme and amount of reduction: pensioners

Maximum council tax reduction under an authority's scheme: pensioners

2.—(1) Subject to sub-paragraphs (2) to (4), the amount of a person's maximum council tax reduction in respect of a day is 100 per cent of the amount A/B where—

(a) A is the amount set by the authority as the council tax for the relevant financial year in respect of the dwelling in which the person is a resident and for which the person is liable, subject to any discount which may be appropriate to that dwelling under the 1992 Act; and

(b) B is the number of days in that financial year, less any deductions in respect of non-dependants which fall to be made under paragraph 3 (non-dependant deductions: pensioners).

(2) In calculating a person's maximum council tax reduction under an authority's scheme any reduction in the amount that person is liable to pay in respect of council tax, which is made in consequence of any enactment in, or made under, the 1992 Act (other than a reduction under an authority's scheme), is to be taken into account.

(3) Subject to sub-paragraph (4), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which the applicant is resident with one or more other persons, in determining the maximum council tax reduction in the applicant's case in accordance with sub-paragraph (1), the amount A is to be divided by the number of persons who are jointly and severally liable for that tax.

(4) In applying the provisions of sub-paragraph (2) in the case of a couple or, as the case may be, a polygamous marriage, regard must be had, for the purpose of that sub-paragraph, to the couple's or, as the case may be, all members of the polygamous marriage's joint weekly gross income.

- (b) other residents in that dwelling (the liable persons) have joint and several liability for council tax in respect of that dwelling and that day otherwise than by virtue of section 9

of the 1992 Act (liability of spouses and civil partners); and

- (c) the person to whom paragraph (a) refers is a non-dependant of two or more of the liable persons,

the deduction in respect of that non-dependant must be apportioned equally between those liable persons.

 - (ii) where a person has been a patient for two or more distinct periods separated by one or more intervals each not exceeding 28 days, that person is to be treated as having been a patient continuously for a period equal in duration to the total of those distinct periods.

- (a) who is on income support, state pension credit, an income-based jobseeker’s allowance or an income related employment and support allowance; or
 - (b) to whom Schedule 1 to the 1992 Act applies (persons disregarded for purposes of discount); but this paragraph does not apply to a non-dependant who is a student to whom paragraph 4 of that Schedule refers.

- (a) the applicant is a pensioner and is on a guarantee credit, or
- (b) the applicant is not a pensioner and is on income support, an income-based jobseeker's allowance or an income-related employment and support allowance,

8.—(1) In determining the income and capital of an applicant who is a pensioner and who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, an authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes an amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

(5) This sub-paragraph applies if—

- (a) the Secretary of State notifies the authority that the applicant's capital has been determined as being £16,000 or less or the authority determines the applicant's capital as being £16,000 or less;

for a period not exceeding 30 reduction weeks beginning with the reduction week immediately following the date from which the change is effective.

Calculation of net profit of self-employed earners

23.—(1) For the purposes of paragraph 18 (calculation of income on a weekly basis) the earnings of an applicant to be taken into account are—

- (a) in the case of a self-employed earner who is engaged in employment on that person's own account, the net profit derived from that employment;
- (b) in the case of a self-employed earner who is a pensioner whose employment is carried on in partnership, that person's share of the net profit derived from that employment, less—
 - (i) an amount in respect of income tax and of social security contributions payable under the SSCBA calculated in accordance with paragraph 24 (calculation of deduction of tax and contributions of self-employed earners); and
 - (ii) one-half of the amount calculated in accordance with sub-paragraph (11) in respect of any qualifying premium.

(2) For the purposes of sub-paragraph (1)(a) the net profit of the employment must, except where sub-paragraph (8) applies, be calculated by taking into account the earnings of the employment over the assessment period less—

- (a) subject to sub-paragraphs (4) to (7), any expenses wholly and exclusively incurred in that period for the purposes of that employment;
- (b) an amount in respect of—
 - (i) income tax; and
 - (ii) social security contributions payable under the SSCBA,

calculated in accordance with paragraph 24 (calculation of deduction of tax and contributions of self-employed earners); and

- (c) one-half of the amount calculated in accordance with sub-paragraph (10) in respect of any qualifying premium.

(3) For the purposes of sub-paragraph (1)(b) the net profit of the employment is to be calculated by taking into account the earnings of the employment over the assessment period less, subject to sub-paragraphs (4) to (7), any expenses wholly and exclusively incurred in that period for the purposes of the employment.

(4) Subject to sub-paragraph (5), no deduction is to be made under paragraph (2)(a) or (3), in respect of—

- (a) any capital expenditure;
- (b) the depreciation of any capital asset;
- (c) any sum employed or intended to be employed in the setting up or expansion of the employment;
- (d) any loss incurred before the beginning of the assessment period;
- (e) the repayment of capital on any loan taken out for the purposes of the employment; and
- (f) any expenses incurred in providing business entertainment.

(5) A deduction is to be made under sub-paragraph (2)(a) or (3) in respect of the repayment of capital on any loan used for—

- (a) the replacement in the course of business of equipment or machinery; or
- (b) the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair.

(6) The authority must refuse to make a deduction in respect of any expenses under sub-paragraph (2)(a) or (3) where it is not satisfied given the nature and the amount of the expense that it has been reasonably incurred.

(7) For the avoidance of doubt—

- (a) a deduction must not be made under sub-paragraph (2)(a) or (3) in respect of any sum unless it has been expended for the purposes of the business;
- (b) a deduction must be made thereunder in respect of—
 - (i) the excess of any value added tax paid over value added tax received in the assessment period;
 - (ii) any income expended in the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair;
- (iii) any payment of interest on a loan taken out for the purposes of the employment.

(8) Where an applicant is engaged in employment as a child minder the net profit of the employment is to be one-third of the earnings of that employment, less—

- (a) an amount in respect of—
 - (i) income tax; and
 - (ii) social security contributions payable under the SSCBA, calculated in accordance with paragraph 24 (calculation of deduction of tax and contributions for self-employed earners); and
- (b) one-half of the amount calculated in accordance with sub-paragraph (10) in respect of any qualifying premium.

(9) For the avoidance of doubt where an applicant is engaged in employment as a self-employed earner and the applicant is also engaged in one or more other employments as a self-employed or employed earner any loss incurred in any one of the applicant's employments must not be offset against the applicant's earnings in any other of the applicant's employments.

(10) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium must be determined—

- (a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;
- (b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.

(11) In this paragraph, “qualifying premium” (“*premiwm cymwys*”) means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of application.

Calculation of deduction of tax and contributions of self-employed earners

24.—(1) The amount to be deducted in respect of income tax under paragraph 23(1)(b)(i), (2)(b)(i) or (8)(a)(i) (calculation of net profit of self-employed earners) must be calculated—

- (a) on the basis of the amount of chargeable income, and
- (b) as if that income were assessable to income tax at the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under

section 35, 36 or 37 of the Income Tax Act 2007⁽¹⁾ as is appropriate to the applicant's circumstances.

(2) But, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of social security contributions under paragraph 23(1)(b)(i), (2)(b)(ii) or (8)(a)(ii) is the total of—

- (a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the SSCBA at the rate applicable to the assessment period except where the applicant's chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and
- (b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph "chargeable income" ("*incwm trethadwy*") means—

- (a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under paragraph 23(3)(a) or, as the case may be, paragraph 23(4);
- (b) in the case of employment as a child minder, one-third of the earnings of that employment.

CHAPTER 4

Capital

Calculation of Capital

25.—(1) The capital of an applicant⁽¹⁾ to be taken into account must be, subject to sub-paragraph (2), the whole of the applicant's capital calculated in accordance with this Part.

(2) There must be disregarded from the calculation of an applicant's capital under sub-paragraph (1), any capital, where applicable, specified in Schedule 5 (capital disregards), in relation to pensioners.

(3) In the case of an applicant who is a pensioner, the applicant's capital is to be treated as including any payment made to the applicant by way of arrears of—

- (a) child tax credit;
- (b) working tax credit;
- (c) state pension credit,

if the payment was made in respect of a period for the whole or part of which a reduction under an authority's scheme was allowed before those arrears were paid.

Calculation of capital in the United Kingdom

26. Capital which an applicant possesses in the United Kingdom is to be calculated at its current market or surrender value less—

- (a) where there would be expenses attributable to the sale, 10 per cent; and
- (b) the amount of any encumbrance secured on it.

Calculation of capital outside the United Kingdom

27. Capital which an applicant possesses in a country outside the United Kingdom is to be calculated—

- (a) in a case where there is no prohibition in that country against the transfer to the United Kingdom of an amount equal to its current market or surrender value in that country, at that value;
- (b) in a case where there is such a prohibition, at the price which it would realise if sold in the United Kingdom to a willing buyer,

less, where there would be expenses attributable to sale, 10 per cent and the amount of any encumbrances secured on it.

(1) The capital limit is £16,000, see paragraph 31.

Notional capital

28.—(1) An applicant is to be treated as possessing capital of which the applicant has deprived himself or herself for the purpose of securing entitlement to a reduction or increasing the amount of that reduction except to the extent that that capital is reduced in accordance with paragraph 29 (diminishing notional capital rule).

(2) An applicant who is a pensioner who disposes of capital for the purpose of—

- (a) reducing or paying a debt owed by the applicant; or
- (b) purchasing goods or services if the expenditure was reasonable in the circumstances of the applicant's case,

is to be regarded as not depriving himself or herself of it.

(3) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, the applicant may be treated as if the applicant were such sole owner or partner and in such a case —

- (a) the value of the applicant's holding in that company must, notwithstanding paragraph 25 (calculation of capital) be disregarded; and
- (b) the applicant must, subject to sub-paragraph (4), be treated as possessing an amount of capital equal to the value or, as the case may be, the applicant's share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which the applicant does possess.

(4) For so long as the applicant undertakes activities in the course of the business of the company, the amount which the applicant is treated as possessing under sub-paragraph (3) is to be disregarded.

(5) Where an applicant is treated as possessing capital under sub-paragraph (1), the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which the applicant does possess.

Diminishing notional capital rule: pensioners

29.—(1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 28(1) (notional capital), the amount which the applicant is treated as possessing—

- (a) in the case of a week that is subsequent to—

- (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
- (ii) a week which follows that relevant week and which satisfies those conditions,

is to be reduced by an amount determined under sub-paragraph (3);

- (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,

is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

- (a) the applicant is in receipt of a reduction in council tax under an authority's scheme; and
- (b) but for paragraph 28(1), the applicant would have received a greater reduction in council tax under an authority's scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital the applicant is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—

- (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

pension credit) Regulations 2006⁽¹⁾ (notional capital);

- (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which the applicant would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996⁽²⁾ (notional capital); and
- (e) where the applicant has also claimed an employment and support allowance, the amount of an income related employment and support allowance to which the applicant would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008⁽³⁾ (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under an authority's scheme in the relevant week but for paragraph 28(1).

(5) In such a case the amount of the reduction in the amount of capital the applicant is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

- (a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 28(1);
- (b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled;

- (i) in a case where no housing benefit is payable, the amount to which the applicant would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which the applicant would have been entitled;
 - (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled.
- (6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.
- (7) The amount determined under sub-paragraph (5) is to be re-determined under that sub-paragraph if the applicant makes a further application for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—
- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and
 - (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.
- (8) The conditions are that—
- (a) a further application is made 26 or more weeks after—
 - (i) the date on which the applicant made an application for a reduction in council tax

in respect of which the applicant was first treated as possessing the capital in question under paragraph 28(1);

(ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (7), the date on which the applicant last made an application for a reduction in council tax which resulted in the weekly amount being re-determined, or

(iii) the date on which the applicant last ceased to be entitled to a reduction in council tax under the authority's scheme,

whichever last occurred; and

(b) the applicant would have been entitled to a reduction in council tax under an authority's scheme but for paragraph 28(1).

(9) The amount as re-determined pursuant to sub-paragraph (7) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

“part-week” (“*rhan-wythnos*”)—

(a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under an authority's scheme is allowed;

(b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;

(c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—

(i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker's allowance is payable; and

(ii) any other period of less than a week for which it is payable;

“relevant week” (“*wythnos berthnasol*”) means the reduction week or part-week in which the capital in question of which the applicant has deprived himself or herself within the meaning of paragraph 28(1)—

(a) was first taken into account for the purpose of determining the applicant's entitlement to a reduction under an authority's scheme; or

(b) was taken into account on a subsequent occasion for the purpose of determining or re-determining the applicant's entitlement to a

reduction on that subsequent occasion and that determination or redetermination resulted in the applicant beginning to receive, or ceasing to receive, a reduction under an authority's scheme;

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” (“*wythnos ddilynol berthnasol*”) means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Capital jointly held: pensioners

30. Except where an applicant possesses capital which is disregarded under paragraph 28(3) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

Calculation of tariff income from capital: pensioners

31. The capital of an applicant who is a pensioner, calculated in accordance with this Schedule, is to be treated as if it were a weekly income of—

 - (i) commenced employment as an employed or self-employed earner;

- (d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last reduction week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to a reduction under an authority's scheme by virtue of falling within class A or B where—

- (a) the applicant ceased to be entitled to a reduction under the authority's scheme because the applicant vacated the dwelling in which the applicant was resident;
- (b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and
- (c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

Duration of extended reduction period (qualifying contributory benefits): pensioners

33.—(1) Where an applicant is entitled to an extended reduction (qualifying contributory benefits), the extended reduction period starts on the day immediately following the day in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

(2) The extended reduction period ends—

- (a) at the end of a period of four weeks; or

- (b) on the date on which the applicant who is receiving the extended reduction (qualifying contributory benefits) has no liability for council tax, if that occurs first.

Amount of extended reduction (qualifying contributory benefits): pensioners

34.—(1) For any week during the extended reduction period the amount of the extended reduction (qualifying contributory benefits) the applicant is entitled to is the greater of—

- (a) the amount of council tax reduction to which the applicant was entitled by virtue of falling within class A or B in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;
- (b) the amount of reduction under an authority's scheme to which the applicant would be entitled by virtue of falling within class A or B for any reduction week during the extended reduction period, if paragraph 32 (extended reductions (qualifying contributory benefits): pensioners) did not apply to the applicant; or
- (c) the amount of reduction under an authority's scheme to which the applicant's partner would be entitled by virtue of falling within class A or B, if paragraph 32 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction (qualifying contributory benefits) under this paragraph and the applicant's partner makes an application for a reduction under an authority's scheme, an authority must not award a reduction in pursuance of that application during the extended reduction period.

Extended reductions (qualifying contributory benefits) — movers: pensioners

35.—(1) This paragraph applies—

- (a) to a mover⁽¹⁾; and
- (b) from the Monday following the day of the move.

(2) The amount of the extended reduction (qualifying contributory benefit) awarded from the Monday from which this paragraph applies until the end of the extended reduction period is the amount of reduction

under the authority's ("the first authority") scheme which was awarded to the mover for the last reduction week before the mover, or the mover's partner, ceased to be entitled to a qualifying contributory benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from the first authority to—

- (a) the second authority; or
- (b) the mover directly.

Relationship between extended reduction (qualifying contributory benefits) and entitlement to a council tax reduction by virtue of falling within class A or B: pensioners

36.—(1) Where an applicant's reduction under an authority's scheme would have ended when the applicant ceased to be entitled to a qualifying contributory benefit in the circumstances listed in paragraph 32(1)(b), that reduction does not cease to have effect until the end of the extended reduction period.

(2) Part 6 (period of entitlement and changes of circumstances) will not apply to any extended reduction (qualifying contributory benefits) payable in accordance with paragraph 34(1)(a) or paragraph 35 (amount of extended reduction — movers: pensioners).

Continuing reductions where state pension credit claimed: pensioners

37.—(1) This paragraph applies where—

- (a) the applicant is entitled to a reduction under an authority's scheme;
- (b) sub-paragraph (2) is satisfied; and
- (c) either—
 - (i) the applicant has attained the qualifying age for state pension credit or, if the applicant's entitlement to income-based jobseeker's allowance or income-related employment and support allowance continued beyond that age, has attained the age of 65; or
 - (ii) the applicant's partner has actually claimed state pension credit.

(2) This sub-paragraph is only satisfied if the Secretary of State has certified to the authority that the applicant's partner has actually claimed state pension credit or that—

- (a) the applicant's award of—

- (i) income support has terminated because the applicant has attained the qualifying age for state pension credit; or
- (ii) income-based jobseeker's allowance or income-related employment and support allowance has terminated because the applicant has attained the qualifying age for state pension credit or the age of 65; and

(b) the applicant has claimed or is treated as having claimed or is required to make a claim for state pension credit.

(3) Subject to sub-paragraph (4), in a case to which this paragraph applies, a reduction under an authority's scheme is to continue to be awarded for the period of 4 weeks beginning on the day following the day the applicant's entitlement to income support or, as the case may be, income-based jobseeker's allowance, or income related employment and support allowance, ceased, if and for so long as the applicant otherwise satisfies the conditions for entitlement to a reduction under an authority's scheme.

(4) Where a reduction under an authority's scheme is awarded for the period of 4 weeks in accordance with sub-paragraph (3) above, and the last day of that period falls on a day other than the last day of a reduction week, then the reduction under the scheme is to continue to be awarded until the end of the reduction week in which the last day of that period falls.

(5) Throughout the period of 4 weeks specified in sub-paragraph (3) and any further period specified in sub-paragraph (4)—

- (a) the whole of the income and capital of the applicant is to be disregarded;
- (b) the applicant's maximum council tax reduction is to be that which was applicable in the applicant's case immediately before that period commenced.

(6) The maximum council tax reduction is to be calculated in accordance with paragraph 2(1) if, since the date it was last calculated—

- (a) the applicant's council tax liability has increased; or
- (b) a change in the deduction under paragraph 3 (non-dependant deductions) falls to be made.

 - (i) another billing authority in Wales;
 - (ii) a billing authority in England;
 - (iii) a local authority in Scotland, or
 - (iv) a local authority in Northern Ireland,

the billing authority must reduce any reduction to which the applicant is entitled under its scheme by the amount of that extended reduction.

(2) For the purposes of this paragraph “billing authority” (“*awdurdod bilio*”) means a billing authority as defined in section 1 of the 1992 Act.

PART 6

Period of entitlement and change of circumstances

Date on which entitlement begins

39. Any person by whom or in respect of whom an application for a reduction under an authority’s scheme is made and who is otherwise entitled to that reduction is to be so entitled from the date on which the application is treated as made in accordance with paragraph 2 of Schedule 13 (date on which application is made).

Date on which change of circumstances is to take effect

40.—(1) Except in cases where paragraph 22 (disregard of changes in tax, contributions, etc) applies and subject to the following provisions of this paragraph and paragraph 41 (change of circumstances where state pension credit in payment), a change of circumstances which affects entitlement to, or the amount of, a reduction under an authority’s scheme (“change of circumstances”), takes effect from the first day on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs will be the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be

subject under section 11 or 12 of that Act, it is to take effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances is to take effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of an authority's scheme.

(8) Without prejudice to sub-paragraph (7), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of an authority's scheme.

Change of circumstances where the state pension credit payment in payment

41.—(1) Sub-paragraphs (2) to (4) apply where—

- (a) the applicant is in receipt of state pension credit;
- (b) the amount of state pension credit awarded to the applicant is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and
- (c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction the applicant receives under an authority's scheme.

(2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—

- (a) an increase in the reduction the applicant receives under an authority's scheme, the change takes effect on the day on which the state pension credit becomes payable at the increased rate; or
- (b) a decrease in the reduction the applicant receives under an authority's scheme, the change takes effect on the day on which—

- (i) state pension credit becomes payable at the increased rate; or
- (ii) the authority receives notification from the Secretary of State of the increase in the amount of state pension credit,

whichever is the later.

(3) Where the change of circumstance (“the relevant change”) is that the applicant’s state pension credit has been reduced and in consequence the reduction the applicant receives under an authority’s scheme reduces—

- (a) in a case where the applicant’s state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect on the day on which state pension credit was reduced; or
- (b) in any other case the relevant change takes effect from the first day on which—
 - (i) the state pension credit is reduced; or
 - (ii) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit,

whichever is the later.

(4) Where the change of circumstance is that the applicant’s state pension credit is reduced and in consequence of the change, the amount of reduction the applicant receives under an authority’s scheme is increased, the change takes effect on the day on which state pension credit becomes payable at the reduced rate.

(5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or the applicant’s partner and this would result in a decrease in the amount of reduction the applicant receives under an authority’s scheme, the change takes effect on the day on which —

- (a) entitlement to state credit pension begins; or
- (b) the authority receives notification from the Secretary of State of the award of state pension credit,

whichever is the later.

(6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—

- (a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and
- (b) a change of circumstances which is a relevant determination,

each of which results in a change in the amount of reduction the applicant receives under an authority's scheme, the change of circumstances referred to in paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).

(7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or the applicant's partner and this would result in an increase in the amount of a reduction the applicant receives under an authority's scheme, the change takes effect on the day on which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 37 (continuing reductions where state pension credit claimed), that change takes effect on the first day after the expiry of the 4 week period.

(9) In this paragraph—

“official error” (*“camgymeriad swyddogol”*) means an error made by—

(a) the authority or a person—

- (i) authorised to carry out any function of the authority relating to its scheme; or

(3) Only one deduction is to be made under this paragraph in respect of a couple or, as the case may be, members of a polygamous marriage (other than where there is an award of universal credit) and, where, but for this paragraph, the amount that would fall to be deducted in respect of one member of a couple or polygamous marriage is higher than the amount (if any) that would fall to be deducted in respect of the other, or any other, member, the higher amount is to be deducted.

(4) In applying the provisions of sub-paragraph (2) in the case of a couple or, as the case may be, a polygamous marriage, regard must be had, for the purpose of that sub-paragraph, to the couple's or, as the case may be, all members of the polygamous marriage's joint weekly gross income.

the deduction in respect of that non-dependant must be apportioned equally between those liable persons.

(6) No deduction is to be made in respect of any non-dependants occupying an applicant's dwelling if the applicant or the applicant's partner is—

- (a) blind or treated as blind by virtue of paragraph 10 of Schedule 7 (additional condition for the disability premium); or
- (b) is receiving in respect of the applicant—

- (i) attendance allowance or would be receiving that allowance but for—

- (aa) a suspension of benefit in accordance with regulations under section 113(2) of the SSCBA; or

- (bb) an abatement as a result of hospitalisation; or

- (ii) the care component of the disability living allowance, or would be receiving that component but for—

- (aa) a suspension of benefit in accordance with regulations under section 113(2) of the SSCBA; or

- (iv) an AFIP, or would be receiving that payment but for a suspension of it in accordance with any terms of the armed and reserve forces compensation scheme which allows for a suspension because a person is undergoing medical treatment in a hospital or similar institution.

(7) No deduction is to be made in respect of a non-dependant if—

- (a) although that non-dependant resides with the applicant, it appears to the authority that that non-dependant's normal home is elsewhere; or

- (b) the non-dependant is in receipt of a training allowance paid in connection with youth training established under section 2 of the Employment and Training Act 1973⁽¹⁾ or section 2 of the Enterprise and New Towns (Scotland) Act 1990⁽²⁾; or
 - (c) the non-dependant is a full-time student within the meaning of Schedule 11 (students); or
 - (d) the non-dependant is not residing with the applicant because the non-dependant has been a patient for a period in excess of 52 weeks, and for these purposes—
 - (i) “patient” (“*claf*”) has the meaning given in regulation 24(6) , and
 - (ii) where a person has been a patient for two or more distinct periods separated by one or more intervals each not exceeding 28 days, that person is to be treated as having been a patient continuously for a period equal in duration to the total of those distinct periods.
- (8) No deduction is to be made in respect of a non-dependant—
- (a) who is on income support, state pension credit, an income-based jobseeker’s allowance or an income related employment and support allowance; or
 - (b) to whom Schedule 1 to the 1992 Act applies (persons disregarded for purposes of discount); but this paragraph does not apply to a non-dependant who is a student to whom paragraph 4 of that Schedule refers.
- (9) In the application of sub-paragraph (2) there is to be disregarded from the non-dependant’s weekly gross income—

 - (c) any payment which, had the non-dependant’s income fallen to be calculated under

(1) 1973 c.50.
 (2) 1990 c.35.

(2) Where the person is within class C, that amount is the amount which is the maximum council tax reduction in respect of the day in the person's case.

(3) Where the person is within class D, that amount is the amount found by deducting amount B from amount A, where "amount A" and "amount B" have the meanings given in regulation 25.

PART 4

7.—(1) The income and capital of—

- (a) an applicant; and
- (b) any partner of that applicant,

is to be calculated in accordance with the provisions of this Part.

(2) The income and capital of any partner of the applicant is to be treated as income and capital of the applicant, and in this Part any reference to the applicant applies equally to any partner of that applicant.

(3) Where an applicant or the partner of an applicant is married polygamously to two or more members of the applicant's household—

- (a) the applicant must be treated as possessing capital and income belonging to each such member; and

(2) Except where the applicant is on income support, an income-based jobseeker's allowance or an income related employment and support allowance, the authority must treat the applicant as possessing income and capital belonging to that non-dependant and, in such a case, any capital and income which the applicant does possess is to be disregarded.

(3) Where an applicant is treated as possessing capital and income belonging to a non-dependant under sub-paragraph (2) the income and capital of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the "applicant" is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

CHAPTER 2

Income and capital where there is an award of universal credit

Calculation of income and capital: persons who are not pensioners who have an award of universal credit

- 9.—(1) In determining the income of an applicant—
- (a) who has, or
 - (b) who (jointly with a partner) has,

an award of universal credit the authority must, subject to the following provisions of this paragraph, use the calculation or estimate of the income of the applicant, or the applicant and the applicant's partner jointly (as the case may be), made by the Secretary of State for the purpose of determining the award of universal credit.

(2) The authority must adjust the amount of the income referred to in sub-paragraph (1) by multiplying the amount by 12 and dividing the product by 52.

(3) The authority must only adjust the amount of the income as adjusted in accordance with sub-paragraph (2) so far as is necessary to take into account—

- (a) the amount of the award of universal credit determined in accordance with sub-paragraph (4);
- (b) paragraph 8 (income and capital of non-dependant to be treated as applicant's), if the authority determines that the provision applies in the applicant's case;
- (c) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act (power of billing authority to reduce amount of council tax payable).

(4) The amount for the award of universal credit is to be taken into account for the purposes of sub-paragraph (3)(a) is to be determined by multiplying the amount of the award of universal credit by 12 and dividing the product by 52.

(5) Paragraph 8 (income and capital of non-dependant to be treated as applicant's) applies for the purposes of determining any adjustments which fall to be made to the figure for income under sub-paragraph (3).

(6) In determining the capital of an applicant—

- (a) who has, or
- (b) who (jointly with a partner) has,

an award of universal credit, the authority must use the calculation or estimate of the capital of the applicant, or the applicant and the applicant's partner jointly (as the case may be), made by the Secretary of State for the purpose of determining the award of universal credit.

CHAPTER 3

Income: persons who are not pensioners

Average weekly earnings of employed earners: persons who are not pensioners

10.—(1) Where the income of an applicant who is not a pensioner consists of earnings from employment as an employed earner the applicant's average weekly earnings must be estimated by reference to the applicant's earnings from that employment—

- (a) over a period immediately preceding the reduction week in which the application is made or treated as made and being a period of—

- (i) 5 weeks, if the applicant is paid weekly;
or
 - (ii) 2 months, if the applicant is paid monthly; or
- (b) whether or not paragraph (a)(i) or (ii) applies, where an applicant's earnings fluctuate, over such other period preceding the reduction week in which the application is made or treated as made as may, in any particular case, enable the applicant's average weekly earnings to be estimated more accurately.
- (2) Where the applicant has been in employment for less than the period specified in sub-paragraph (1)(a)(i) or (ii)—
- (a) if the applicant has received any earnings for the period that the applicant has been in that employment and those earnings are likely to represent the applicant's average weekly earnings from that employment the applicant's average weekly earnings must be estimated by reference to those earnings;
 - (b) in any other case, the authority must estimate the applicant's average weekly earnings⁽¹⁾.
- (3) Where the amount of an applicant's earnings changes the authority must estimate the applicant's average weekly earnings by reference to the applicant's likely earnings from the employment over such period as is appropriate in order that the applicant's average weekly earnings may be estimated accurately but the length of the period must not in any case exceed 52 weeks.
- (4) For the purposes of this paragraph the applicant's earnings are to be calculated in accordance with paragraphs 14 and 15 (earnings of employed earners).

Average weekly earnings of self-employed earners: persons who are not pensioners

11.—(1) Where the income of an applicant who is not a pensioner consists of earnings from employment as a self-employed earner that applicant's average weekly earnings must be estimated by reference to that applicant's earnings from that employment over such period as is appropriate in order that that applicant's average weekly earnings may be estimated accurately but the length of the period must not in any case exceed 52 weeks.

(2) For the purposes of this paragraph the applicant's earnings must be calculated in accordance with

(1) Powers in section 14A of the 1992 Act may be used to confer power to require employers to provide information for these purposes.

paragraphs 16, 24 and 25 (earnings and net profit of self-employed earners).

**Average weekly income other than earnings:
persons who are not pensioners**

12.—(1) The income of an applicant who is not a pensioner which does not consist of earnings must, except where sub-paragraph (2) applies, be estimated over such period as is appropriate in order that that applicant's average weekly income may be estimated accurately but the length of the period must not in any case exceed 52 weeks; and nothing in this paragraph authorises an authority to disregard any such income other than that specified in Schedule 9 (sums disregarded in the calculation of income other than earnings).

(2) The period over which any benefit under the benefit Acts is to be taken into account is to be the period in respect of which that benefit is payable.

(3) For the purposes of this paragraph income other than earnings is to be calculated in accordance with paragraph 17 (calculation of income other than earnings).

**Calculation of weekly income of employed earners:
persons who are not pensioners**

13.—(1) For the purposes of paragraphs 10 (average weekly earnings of employed earners), 12 (average weekly income other than earnings) and 22 (calculation of average weekly income from tax credits), where the period in respect of which a payment is made—

- (a) does not exceed a week, the weekly amount is to be the amount of that payment;
- (b) exceeds a week, the weekly amount is to be determined—
 - (i) in a case where that period is a month, by multiplying the amount of the payment by 12 and dividing the product by 52;
 - (ii) in any other case, by dividing the amount of the payment by the number equal to the number of days in the period to which it relates and multiplying the quotient by 7.

(2) For the purposes of paragraph 11 (average weekly earnings of self-employed earners) the weekly amount of earnings of an applicant is to be determined by dividing the applicant's earnings over the assessment period by the number equal to the number of days in that period and multiplying the quotient by 7.

Earnings of employed earners: persons who are not pensioners

14.—(1) Subject to sub-paragraph (2), “earnings” (“*enillion*”), in the case of employment as an employed earner of a person who is not a pensioner, means any remuneration or profit derived from that employment and includes—

- (a) any bonus or commission;
- (b) any payment in lieu of remuneration except any periodic sum paid to an applicant on account of the termination of the applicant’s employment by reason of redundancy;
- (c) any payment in lieu of notice or any lump sum payment intended as compensation for the loss of employment but only in so far as it represents loss of income;
- (d) any holiday pay except any payable more than 4 weeks after termination or interruption of the employment;
- (e) any payment by way of a retainer;
- (f) any payment made by the applicant’s employer in respect of expenses not wholly, exclusively and necessarily incurred in the performance of the duties of the employment, including any payment made by the applicant’s employer in respect of—

under any enactment having effect in Northern Ireland;

- (k) any remuneration paid by or on behalf of an employer to the applicant who for the time being is on maternity leave, paternity leave or adoption leave or is absent from work because the applicant is ill;
- (l) the amount of any payment by way of a non-cash voucher which has been taken into account in the computation of a person's earnings in accordance with Part 5 of Schedule 3 to the Social Security (Contributions) Regulations 2001⁽¹⁾.

(2) Earnings does not include—

- (a) subject to sub-paragraph (3), any payment in kind;
- (b) any payment in respect of expenses wholly, exclusively and necessarily incurred in the performance of the duties of the employment;
- (c) any occupational pension;
- (d) any payment in respect of expenses arising out of the applicant's participation in a service user group.

(3) Sub-paragraph (2)(a) does not apply in respect of any non-cash voucher referred to in sub-paragraph (1)(l).

Calculation of net earnings of employed earners: persons who are not pensioners

15.—(1) For the purposes of paragraph 10 (average weekly earnings of employed earners: persons who are not pensioners), the earnings of an applicant derived or likely to be derived from employment as an employed earner to be taken into account must, subject to sub-paragraph (2), be the applicant's net earnings.

(2) There is to be disregarded from an applicant's net earnings, any sum, where applicable, specified in paragraphs 1 to 18 of Schedule 8 (sums disregarded in the calculation of earnings).

(3) For the purposes of sub-paragraph (1) net earnings must, except where sub-paragraph (6) applies, be calculated by taking into account the gross earnings of the applicant from that employment over the assessment period, less—

- (a) any amount deducted from those earnings by way of—
 - (i) income tax;
 - (ii) primary Class 1 contributions under the SSCBA;

(1) S.I. 2001/1004.

- (b) one-half of any sum paid by the applicant by way of a contribution towards an occupational pension scheme;
- (c) one-half of the amount calculated in accordance with sub-paragraph (5) in respect of any qualifying contribution payable by the applicant; and
- (d) where those earnings include a payment which is payable under any enactment having effect in Northern Ireland and which corresponds to statutory sick pay, statutory maternity pay, ordinary or additional statutory paternity pay or statutory adoption pay, any amount deducted from those earnings by way of any contributions which correspond to primary Class 1 contributions under the SSCBA.

(4) In this paragraph “qualifying contribution” (“*cyfraniad cymwys*”) means any sum which is payable periodically as a contribution towards a personal pension scheme.

(5) The amount in respect of any qualifying contribution is to be calculated by multiplying the daily amount of the qualifying contribution by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying contribution is to be determined—

- (a) where the qualifying contribution is payable monthly, by multiplying the amount of the qualifying contribution by 12 and dividing the product by 365;
- (b) in any other case, by dividing the amount of the qualifying contribution by the number equal to the number of days in the period to which the qualifying contribution relates.

(6) Where the earnings of an applicant are estimated under paragraph 10 (average weekly earnings of employed earners: persons who are not pensioners), the applicant’s net earnings are to be calculated by taking into account those earnings over the assessment period, less—

- (a) an amount in respect of income tax equivalent to an amount calculated by applying to those earnings the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under sections 35 to 37 of the Income Tax Act 2007⁽¹⁾ (personal allowances) as is

(1) 2007 c.3; the heading and subsection (1) of section 35 were amended by section 4 of the Finance Act 2012 (c.14) (“2012 Act”); subsections (2) and (4) inserted by section 4 of the Finance Act 2009 (c.10). In section 36, the heading and subsection (2) were amended by, subsection (1) substituted by, and subsection (2A) inserted by section 4 of the 2012

- (b) an amount equivalent to the amount of the primary Class 1 contributions that would be payable by the applicant under the SSCBA in respect of those earnings if such contributions were payable; and
- (c) one-half of any sum which would be payable by the applicant by way of a contribution towards an occupational or personal pension scheme, if the earnings so estimated were actual earnings.

Earnings of self-employed earners: persons who are not pensioners

16.—(1) Subject to sub-paragraph (2), “earnings” (“*enillion*”), in the case of employment as a self-employed earner of a person who is not a pensioner, means the gross income of the employment.

(2) “Earnings” does not include any payment to which paragraph 31 or 32 of Schedule 9 refers (payments in respect of a person accommodated with the applicant under arrangements made by a local authority or voluntary organisation and payments made to the applicant by a health authority, local authority or voluntary organisation in respect of persons temporarily in the applicant's care) nor does it include any sports award.

(3) This paragraph applies to—

- (a) royalties or other sums paid as a consideration for the use of, or the right to use, any copyright, design, patent or trade mark; or
- (b) any payment in respect of any—
 - (i) book registered under the Public Lending Right Scheme 1982; or
 - (ii) work made under any international public lending right scheme that is analogous to the Public Lending Right Scheme 1982,

Act; subsection (2) has also been amended by article 3 of S.I. 2012/3047, and section 4 of the Finance Act 2009. In section 37, the heading and subsection (2) were amended by, subsection (1) substituted by, and subsection (2A) inserted by section 4 of the 2012 Act; subsection (2) has also been amended by article 3 of S.I. 2012/3047, and section 4 of the Finance Act 2009.

(4) Where the applicant's earnings consist of any items to which sub-paragraph (3) applies, those earnings must be taken into account over a period equal to such number of weeks as is equal to the number obtained (and any fraction is to be treated as a corresponding fraction of a week) by dividing the earnings by—

- (a) the amount of reduction under an authority's scheme to which the applicant would have been entitled had the payment not been made, plus
- (b) an amount equal to the total of the sums which would fall to be disregarded from the payment under Schedule 8 (sums disregarded in the calculation of earnings) as appropriate in the applicant's case.

Calculation of income other than earnings: persons who are not pensioners

17.—(1) For the purposes of paragraph 12 (average weekly income other than earnings: persons who are not pensioners; persons who are not pensioners), the income of an applicant who is not a pensioner which does not consist of earnings to be taken into account must, subject to sub-paragraphs (2) to (6), be that applicant's gross income and any capital treated as income under paragraph 18 (capital treated as income; persons who are not pensioners).

(2) There is to be disregarded from the calculation of an applicant's gross income under sub-paragraph (1), any sum, where applicable, specified in Schedule 9.

(3) Where the payment of any benefit under the benefit Acts is subject to any deduction by way of recovery the amount to be taken into account under sub-paragraph (1) must be the gross amount payable.

(4) Where the applicant or, where the applicant is a member of a couple, the applicant's partner is receiving a contributory employment and support allowance and that benefit has been reduced under regulation 63 of the Employment and Support Allowance Regulations 2008, the amount of that benefit to be taken into account is the amount as if it had not been reduced.

(5) Where an award of any working tax credit or child tax credit under the Tax Credits Act 2002⁽¹⁾ is subject to a deduction by way of recovery of an overpayment of working tax credit or child tax credit which arose in a previous tax year the amount to be taken into account under sub-paragraph (1) is to be the

(1) 2002 c.21.

amount of working tax credit or child tax credit awarded less the amount of that deduction.

- (a) a relevant payment has been made to a person in an academic year; and
- (b) that person abandons, or is dismissed from, that person's course of study before the payment to that person of the final instalment of the relevant payment.

(7) Where a relevant payment is made quarterly, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (6) applies, is to be calculated by applying the formula—

$$(A - (B \times C)) / D$$

where—

A = the total amount of the relevant payment which that person would have received had that person remained a student until the last day of the academic term in which that person abandoned, or was dismissed from, the course, less any deduction under paragraph 9(5) of Schedule 11 (costs of travel, books and equipment);

B = the number of reduction weeks from the reduction week immediately following that which includes the first day of that academic year to the reduction week which includes the day on which the person abandoned, or was dismissed from, the course;

C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account as income under paragraph 9(2) of Schedule 11 (treatment of student loans) had the person not abandoned or been dismissed from, the course and, in the case of a person who was not entitled to a reduction under an authority's scheme immediately before that person abandoned or was dismissed from the course, had that person, at that time, been entitled to housing benefit;

D = the number of reduction weeks in the assessment period.

(8) Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of sub-paragraph (1) in respect of a person to whom sub-paragraph (6) applies, is to be calculated by applying the formula in sub-paragraph (7) but as if—

A= the total amount of relevant payments which that person received, or would have received, from

the first day of the academic year to the day the person abandoned the course, or was dismissed from it, less any deduction under paragraph 9(5) of Schedule 11.

(9) In this paragraph—

“academic year” (“*blwyddyn academaidd*”) and “student loan” (“*benthyciad myfyriwr*”) have the same meanings as in Schedule 11 (students);

“assessment period” (“*cyfnod asesu*”) means—

- (a) in a case where a relevant payment is made quarterly, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, the course and ending with the reduction week which includes the last day of the last quarter for which an instalment of the relevant payment was payable to that person;
- (b) in a case where the relevant payment is made by two or more instalments in a quarter, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, the course and ending with the reduction week which includes—
 - (i) the day immediately before the day on which the next instalment of the relevant payment would have been due had the payments continued; or
 - (ii) the last day of the last quarter for which an instalment of the relevant payment was payable to that person,

whichever of those dates is earlier;

“quarter” (“*chwarter*”) in relation to an assessment period means a period in that year beginning on—

- (a) 1 January and ending on 31 March;
- (b) 1 April and ending on 30 June;
- (c) 1 July and ending on 31 August; or

“relevant payment” (“*taliad perthnasol*”) means either a student loan or an amount intended for the maintenance of dependants referred to in paragraph 4(7) of Schedule 11 or both.

(10) For the avoidance of doubt there must be included as income to be taken into account under subparagraph (1)—

- (a) any payment to which paragraph 14(2) (payments not earnings) applies; or

- (b) in the case of an applicant who is receiving support under section 95 or 98 of the Immigration and Asylum Act 1999⁽¹⁾ including support provided by virtue of regulations made under Schedule 9 to that Act, the amount of such support provided in respect of essential living needs of the applicant and the applicant's dependants (if any) as is specified in regulations made under paragraph 3 of Schedule 8 to the Immigration and Asylum Act 1999.

Capital treated as income: persons who are not pensioners

18.—(1) Any capital payable by instalments which are outstanding at the date on which the application is made or treated as made, or, at the date of any subsequent revision or supersession, must, if the aggregate of the instalments outstanding and the amount of the applicant's capital otherwise calculated in accordance with paragraphs 26 to 33 of this Schedule exceeds £16,000, be treated as income.

(2) Any payment received under an annuity is to be treated as income.

(3) Any earnings to the extent that they are not a payment of income is to be treated as income.

(4) Any Career Development Loan paid pursuant to section 2 of the Employment and Training Act 1973 is to be treated as income.

(5) Where an agreement or court order provides that payments must be made to the applicant in consequence of any personal injury to the applicant and that such payments are to be made, wholly or partly, by way of periodic payments, any such periodic payments received by the applicant (but not a payment which is treated as capital by virtue of this Part), is to be treated as income.

Notional income: persons who are not pensioners

19.—(1) An applicant who is not a pensioner is to be treated as possessing income of which that applicant has deprived himself or herself for the purpose of securing entitlement to a reduction or increasing the amount of the reduction.

- (2) The conditions of this paragraph are that—

 - (ii) any income expended in the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair;
 - (iii) any payment of interest on a loan taken out for the purposes of the employment.

(9) Where an applicant is engaged in employment as a child minder the net profit of the employment is to be one-third of the earnings of that employment, less—

- (a) an amount in respect of—

- (i) income tax; and
- (ii) social security contributions payable under the SSCBA,

calculated in accordance with paragraph 25 (calculation of deduction of tax and contributions for self-employed earners); and

- (b) one-half of the amount calculated in accordance with sub-paragraph (11) in respect of any qualifying premium.

(10) For the avoidance of doubt where an applicant is engaged in employment as a self-employed earner and the applicant is also engaged in one or more other employments as a self-employed or employed earner any loss incurred in any one of the applicant's employments must not be offset against the applicant's earnings in any other of the applicant's employments.

(11) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium must be determined—

- (a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;
- (b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.

(12) In this paragraph, “qualifying premium” (*“premiwm cymwys”*) means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of application.

Calculation of deduction of tax and contributions of self-employed earners

25.—(1) The amount to be deducted in respect of income tax under paragraph 24(1)(b)(i), (3)(b)(i) or (9)(a)(i) (calculation of net profit of self-employed earners) must be calculated—

- (a) on the basis of the amount of chargeable income, and
- (b) as if that income were assessable to income tax at the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under section 35 to 37 of the Income Tax Act

2007(1) (personal allowances) as is appropriate to the applicant's circumstances.

(2) But, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of social security contributions under paragraph 24(1)(b)(i), (3)(b)(ii) or (9)(a)(ii) is the total of—

- (a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the SSCBA at the rate applicable to the assessment period except where the applicant's chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and
- (b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph "chargeable income" ("*incwm trethadwy*") means—

- (a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under sub-paragraph (3)(a) or, as the case may be, (5) of paragraph 24;
- (b) in the case of employment as a child minder, one-third of the earnings of that employment.

(3) The capital of a child or young person who is a member of the family of an applicant who is not a pensioner must not be treated as capital of the applicant.

Income treated as capital: persons who are not pensioners

27.—(1) This paragraph applies in relation to persons who are not pensioners.

- (a) where there would be expenses attributable to the sale, 10 per cent; and
- (b) the amount of any encumbrance secured on it.

Calculation of capital outside the United Kingdom: persons who are not pensioners

29. Capital which an applicant possesses in a country outside the United Kingdom is to be calculated—

less, where there would be expenses attributable to sale, 10 per cent and the amount of any encumbrances secured on it.

Notional capital: persons who are not pensioners

30.—(1) An applicant is to be treated as possessing capital of which the applicant has deprived himself or herself for the purpose of securing entitlement to a reduction or increasing the amount of that reduction except to the extent that that capital is reduced in accordance with paragraph 31 (diminishing notional capital rule).

- (2) Except in the case of—

(3) Any payment of capital, other than a payment of capital specified in sub-paragraph (4), made—

- (a) to a third party in respect of a single applicant or a member of the family (but not a member of the third party's family) must, where that payment is a payment of an occupational pension, a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund, be treated as possessed by that single applicant or, as the case may be, by that member;
- (b) to a third party in respect of a single applicant or a member of the family (but not a member of the third party's family) must, where it is not a payment referred to in paragraph (a), be treated as possessed by that single applicant or by that member to the extent that it is used for the food, ordinary clothing or footwear, household fuel or rent of that single applicant or, as the case may be, of any member of that family or is used for any council tax or water charges for which that applicant or member is liable;
- (c) to a single applicant or a member of the family in respect of a third party (but not in respect of another member of the family) must be treated as possessed by that single applicant or, as the case may be, that member of the family to the extent that it is kept or used by the single applicant or used by or on behalf of any member of the family.

(4) Sub-paragraph (3) does not apply in respect of a payment of capital made—

- (a) under or by any of the Trusts, the Fund, the Eileen Trust, MFET Limited, the Independent Living Fund (2006), the Skipton Fund, the Caxton Foundation, or the London Bombings Relief Charitable Fund;
- (b) pursuant to section 2 of the Employment and Training Act 1973 in respect of a person's participation—
 - (i) in an employment programme specified in regulation 75(1)(a) of the Jobseeker's Allowance Regulations 1996;
 - (ii) in a training scheme specified in regulation 75(1)(b) of those Regulations; or
 - (iii) in a qualifying course within the meaning specified in regulation 17A(7) of those Regulations;
- (c) in respect of a person's participation in the Work for Your Benefit Pilot Scheme;
- (d) in respect of a person's participation in the Mandatory Work Activity Scheme;
- (e) in respect of an applicant's participation in the Employment, Skills and Enterprise Scheme;
- (f) under an occupational pension scheme, in respect of a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund where—
 - (i) a bankruptcy order has been made in respect of the person in respect of whom the payment has been made or, in Scotland, the estate of that person is subject to sequestration or a judicial factor has been appointed on that person's estate under section 41 of the Solicitors (Scotland) Act 1980;
 - (ii) the payment is made to the trustee in bankruptcy or any other person acting on behalf of the creditors; and
 - (iii) the person referred to in sub-paragraph (i) and any member of that person's family does not possess, or is not treated as possessing, any other income apart from that payment.

(5) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, the applicant may be treated as if the applicant were such sole owner or partner and in such a case—

- (a) the value of the applicant's holding in that company must, notwithstanding paragraph 26 (calculation of capital) be disregarded; and

- (b) the applicant must, subject to sub-paragraph (6), be treated as possessing an amount of capital equal to the value or, as the case may be, the applicant's share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which the applicant does possess.

(6) For so long as the applicant undertakes activities in the course of the business of the company, the amount which the applicant is treated as possessing under sub-paragraph (5) is to be disregarded.

(7) Where an applicant is treated as possessing capital under any of sub-paragraphs (1), (2) or (3) the foregoing provisions of this Chapter apply for the purposes of calculating its amount as if it were actual capital which the applicant does possess.

Diminishing notional capital rule: persons who are not pensioners

31.—(1) Where an applicant who is not a pensioner is treated as possessing capital under paragraph 30(1) (notional capital), the amount which the applicant is treated as possessing—

- (a) in the case of a week that is subsequent to—
 - (i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or
 - (ii) a week which follows that relevant week and which satisfies those conditions,

is to be reduced by an amount determined under sub-paragraph (3);

- (b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
 - (i) that week is a week subsequent to the relevant week; and
 - (ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,

is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

- (a) the applicant is in receipt of a reduction in council tax under an authority's scheme; and
- (b) but for paragraph 30(1) the applicant would have received a greater reduction in council tax under an authority's scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital the

applicant is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—

- (a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
- (b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which the applicant would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations 2006⁽¹⁾ (notional capital);
- (c) where the applicant has also claimed income support, the amount of income support to which the applicant would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);
- (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which the applicant would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996⁽²⁾ (notional capital); and
- (e) where the applicant has also claimed an employment and support allowance, the amount of an income related employment and support allowance to which the applicant would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008⁽³⁾ (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 30(1).

(5) In such a case the amount of the reduction in the amount of capital the applicant is treated as possessing must be equal to the aggregate of—

(1) S.I. 2006/213.
(2) S.I. 1996/207.
(3) S.I. 2008/794.

- (a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 30(1);
 - (b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
 - (i) in a case where no housing benefit is payable, the amount to which the applicant would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which the applicant would have been entitled;
 - (c) if the applicant would, but for regulation 51(1) of the Income Support (General) Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled;
 - (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which the applicant would have been entitled.
- (6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
 - (b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further application for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—

- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
- (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

- (a) a further application is made 26 or more weeks after—
 - (i) the date on which the applicant made an application for a reduction in council tax in respect of which the applicant was first treated as possessing the capital in question under paragraph 30(1);
 - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (7), the date on which the applicant last made an application for a reduction in council tax which resulted in the weekly amount being re-determined, or
 - (iii) the date on which the applicant last ceased to be entitled to a reduction in council tax,

whichever last occurred; and

- (b) the applicant would have been entitled to a reduction in council tax under an authority’s scheme but for paragraph 30(1).

(9) The amount as re-determined pursuant to sub-paragraph (7) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

“part-week” (*“rhan-wythnos”*)—

- (a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under an authority’s scheme is allowed;
- (b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;
- (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—

- (i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker's allowance is payable; and
- (ii) any other period of less than a week for which it is payable;

“relevant week” (“*wythnos berthnasol*”) means the reduction week or part-week in which the capital in question of which the applicant has deprived himself or herself within the meaning of paragraph 30(1)—

- (a) was first taken into account for the purpose of determining the applicant's entitlement to a reduction; or
- (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining the applicant's entitlement to a reduction on that subsequent occasion and that determination or redetermination resulted in the applicant beginning to receive, or ceasing to receive, a reduction,

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” (“*wythnos ddilynol berthnasol*”) means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

Capital jointly held: persons who are not pensioners

32. Except where an applicant possesses capital which is disregarded under paragraph 30(5) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

Calculation of tariff income: persons who are not pensioners

33. The capital of an applicant who is not a pensioner, calculated in accordance with this Schedule, is to be treated as if it were a weekly income of—

- (a) £1 for each complete £250 in excess of £6,000 but not exceeding £16,000;
- (b) £1 for any excess which is not a complete £250.

PART 5

Extended reductions: persons who are not pensioners

Extended reductions: persons who are not pensioners

34.—(1) An applicant who is entitled to a reduction under an authority's scheme (by virtue of falling within class C or D) is to be entitled to an extended reduction where—

- (a) the applicant or the applicant's partner was entitled to a qualifying income-related benefit;
- (b) entitlement to a qualifying income-related benefit ceased because the applicant or the applicant's partner—
 - (i) commenced employment as an employed or self-employed earner;
 - (ii) increased their earnings from such employment; or
 - (iii) increased the number of hours worked in such employment,

and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more; and

- (c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying income-related benefit, jobseeker's allowance or a combination of those benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying income-related benefit ceased.

(2) For the purpose of sub-paragraph (1)(c), an applicant or an applicant's partner is to be treated as having been entitled to and in receipt of a qualifying income-related benefit or jobseeker's allowance during any period of less than five weeks in respect of which the applicant or the applicant's partner was not entitled to any of those benefits because the applicant or the applicant's partner was engaged in remunerative work

as a consequence of their participation in an employment zone programme.

(3) For the purpose of this paragraph, where an applicant or an applicant's partner is entitled to and in receipt of joint-claim jobseeker's allowance they are to be treated as being entitled to and in receipt of jobseeker's allowance.

(4) An applicant must be treated as entitled to a reduction under an authority's scheme by virtue of falling within class C or D where—

- (a) the applicant ceased to be entitled to a reduction under an authority's scheme because the applicant vacated the dwelling in which the applicant was resident;
- (b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying income-related benefit ceased, or in the preceding week; and
- (c) entitlement to the qualifying income-related benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

(5) This paragraph does not apply where, on the day before an applicant's entitlement to income support ceased, regulation 6(5) of the Income Support (General) Regulations 1987 (remunerative work: housing costs) applied to that applicant.

Duration of extended reduction: persons who are not pensioners

35.—(1) Where an applicant is entitled to an extended reduction, the extended reduction period starts on the day immediately following the day on which the applicant, or the applicant's partner, ceased to be entitled to a qualifying income-related benefit.

- (2) The extended reduction period ends—
- (a) at the end of a period of four weeks; or
 - (b) on the date on which the applicant to whom the extended reduction is payable has no liability for council tax, if that occurs first.

Amount of extended reduction: persons who are not pensioners

36.—(1) For any week during the extended reduction period the amount of the extended reduction to which an applicant is entitled is to be the greater of the amount of the reduction under an authority's scheme to which—

- (a) the applicant was entitled by virtue of falling within class C or D in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying income-related benefit;

- (b) the applicant would be entitled by virtue of falling within class C or D for any reduction week during the extended reduction period, if paragraph 34 (extended reductions: persons who are not pensioners) did not apply to the applicant; or
- (c) the applicant's partner would be entitled by virtue of falling within class C or D, if paragraph 34 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction under this paragraph and the applicant's partner makes an application for a reduction under an authority's scheme, no amount of reduction under an authority's scheme is to be awarded by the authority during the extended reduction period.

Extended reductions-movers: persons who are not pensioners

37.—(1) This paragraph applies—

- (a) to a mover; and
- (b) from the Monday following the day of the move.

(2) The amount of the extended reduction awarded from the Monday from which this paragraph applies until the end of the extended reduction period is to be the amount of reduction under the authority's ("the first authority") scheme to which the mover would have been entitled had the mover, or the mover's partner, not ceased to be entitled to a qualifying income-related benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from the first authority to—

- (a) the second authority; or
- (b) the mover directly.

Relationship between extended reduction and entitlement to reduction by virtue of falling within class C or D

38.—(1) Where an applicant's reduction under an authority's scheme would have ended when the applicant ceased to be entitled to a qualifying income-related benefit in the circumstances listed in paragraph 34(1)(b), that entitlement does not cease until the end of the extended reduction period.

(2) Paragraphs 45 and 46 (period of entitlement and change of circumstances) do not apply to any extended reduction payable in accordance with paragraph

36(1)(a) or 37(2) (amount of extended reduction-movers: persons who are not pensioners).

Extended reductions (qualifying contributory benefits): persons who are not pensioners

39.—(1) An applicant who is entitled to a reduction under an authority's scheme (by virtue of falling within class C or D) will be entitled to an extended reduction (qualifying contributory benefits) where—

- (a) the applicant or the applicant's partner was entitled to a qualifying contributory benefit;
- (b) entitlement to a qualifying contributory benefit ceased because the applicant or the applicant's partner—
 - (i) commenced employment as an employed or self-employed earner;
 - (ii) increased their earnings from such employment; or
 - (iii) increased the number of hours worked in such employment,

and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more;

- (c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying contributory benefit or a combination of qualifying contributory benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying contributory benefit ceased; and
- (d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last reduction week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to a reduction under an authority's scheme by virtue of falling within class C or D where—

- (a) the applicant ceased to be entitled to a reduction under an authority's scheme because the applicant vacated the dwelling in which the applicant was resident;
- (b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and
- (c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

Duration of extended reduction period (qualifying contributory benefits): persons who are not pensioners

40.—(1) Where an applicant is entitled to an extended reduction (qualifying contributory benefits), the extended reduction period starts on the day immediately following the day on which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

(2) The extended reduction period ends—

- (a) at the end of a period of four weeks; or
- (b) on the date on which the applicant entitled to the extended reduction (qualifying contributory benefits) has no liability for council tax, if that occurs first.

Amount of extended reduction (qualifying contributory benefits): persons who are not pensioners

41.—(1) For any week during the extended reduction period the amount of the extended reduction (qualifying contributory benefits) payable to an applicant is to be the greater of the amount of reduction under an authority's scheme—

- (a) to which the applicant was entitled by virtue of falling within class C or D in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;
- (b) to which the applicant would be entitled by virtue of falling within class C or D for any reduction week during the extended reduction period, if paragraph 39 (extended reductions (qualifying contributory benefits): persons who are not pensioners) did not apply to the applicant; or
- (c) to which the applicant's partner would be entitled by virtue of falling within class C or D, if paragraph 39 did not apply to the applicant.

(8) Without prejudice to sub-paragraph (7), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of an authority's scheme.

(2) There must be excluded from a student's grant income any payment—

- (b) in respect of the student's disability;

- (h) intended for the child care costs of a child dependant;
- (i) of higher education bursary for care leavers made under Part 3 of the Children Act 1989.

(3) Where a student does not have a student loan and is not treated as possessing such a loan, there must be excluded from the student's grant income—

- (a) the sum of £303 per academic year in respect of travel costs; and
- (b) the sum of £390 per academic year towards the costs of books and equipment,

whether or not any such costs are incurred.

(4) There must also be excluded from a student's grant income the grant for dependants known as the parents' learning allowance paid pursuant to regulations made under article 3 of the Education (Student Support) (Northern Ireland) Order 1998 or section 22 of the Teaching and Higher Education Act 1998.

(5) Subject to sub-paragraphs (6) and (7), a student's grant income must be apportioned—

- (a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;
- (b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.

(6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968⁽¹⁾ (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part weeks) in the year, 53 weeks.

(7) In a case where a student is in receipt of a student loan or where the student could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph 8(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.

(8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

Calculation of covenant income where a contribution is assessed

5.—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of the student's covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.

(2) The weekly amount of the student's covenant income must be determined—

- (a) by dividing the amount of income which falls to be taken into account under sub-paragraph (1) by 52 or 53, whichever is reasonable in the circumstances; and

(3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph 4(2)(g) (calculation of grant income) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the

(1) 1968 c.46.

Education (Mandatory Awards) Regulations 2003

- (a) any sums intended for any expenditure specified in paragraph 4(2)(a) to (e) (calculation of grant income) necessary as a result of the student's attendance on the course must be disregarded;
- (b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, must be apportioned equally between the weeks of the period of study;
- (c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 4(2)(f) and (3) (calculation of grant income) had the student been in receipt of the standard maintenance grant; and
- (d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.

(2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of the student's covenanted income must be calculated in accordance with paragraphs (a) to (d) of sub-paragraph (1), except that—

- (a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 4(2)(a) to (e); and
- (b) the amount to be disregarded under sub-paragraph (1)(c) must be abated by an amount equal to the amount of any sums disregarded under paragraph 4(2)(f) and (g) and (3).

7. No part of a student's covenant income or grant income is to be disregarded under paragraph 19 of Schedule 9 (disregard of certain charitable and voluntary, etc., payments).

Other amounts to be disregarded

8.—(1) For the purposes of ascertaining income other than grant income, covenant income and loans

treated as income in accordance with paragraph 9 (treatment of student loans), any amounts intended for any expenditure specified in paragraph 4(2) (calculation of grant income), necessary as a result of the student's attendance on the course are to be disregarded.

(2) But sub-paragraph (1) applies only if, and to the extent that, the necessary expenditure exceeds or is likely to exceed the amount of the sums disregarded under paragraph 4(2) or (3), 5(3), 6(1)(a) or (c) or 9(5) (calculation of grant income, covenant income and treatment of student loans) on like expenditure.

(2) In calculating the weekly amount of the loan to be taken into account as income—

is to have the same meaning as for the purposes of the Education (Student Support) Regulations 2005;

- (c) in respect of the final academic year of a course (not being a course of a single year's duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—

- (a) between the making of an application and a decision being made on it, or
- (b) after the decision is made (where the decision is that the applicant is entitled to a reduction under an authority's scheme) including at any time while the applicant is in receipt of such a reduction.

(2) The applicant (or any person acting on the applicant's behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect the applicant's entitlement to, or the amount of, a reduction under the authority's scheme (a "relevant change of circumstances") by giving notice to the authority—

- (a) in writing; or
- (b) by telephone—

- (i) where the authority has published a telephone number for that purpose or for the purposes of Part 1 of Schedule 12 unless the authority determines that in any particular case or class of case notification may not be given by telephone; or
- (ii) in any case or class of case where the authority determines that notice may be given by telephone; or

- (c) by any other means which the authority agrees to accept in any particular case,

within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is the later.

(3) The duty imposed on a person by sub-paragraph (1) does not extend to notifying—

- (a) changes in the amount of council tax payable to the authority;
- (b) changes in the age of the applicant or that of any member of the applicant's family;
- (c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under the authority's scheme to which the applicant is entitled, other than the cessation of that entitlement to the benefit.

(4) For the purposes of sub-paragraph (3)(c) "relevant benefit" (*"budd-dal perthnasol"*) means income support, an income-based jobseeker's allowance or an income-related employment and support allowance or universal credit.

(5) Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of the applicant's family arising from the fact that a person who was a member of the applicant's family is now no longer such a person because that person has ceased to be a child or young person.

(6) A person who has been granted a reduction under an authority's scheme who is also on state pension credit must report—

- (a) changes affecting the residence or income of any non-dependant normally residing with the applicant or with whom the applicant normally resides;
- (b) any absence from the dwelling which exceeds or is likely to exceed 13 weeks.

(7) A person whose state pension credit comprises only a savings credit must also report—

- (a) changes affecting a child living with that person which may result in a change in the amount of reduction under the authority's scheme allowed in that person's case, but not changes in the age of the child;
- (b) any change in the amount of that person's capital to be taken into account which does or may take the amount of that person's capital to more than £16,000;
- (c) any change in the income or capital of—
 - (i) a non-dependant whose income and capital are treated as belonging to the applicant in accordance with paragraph 6 of Schedule 1 or paragraph 8 of Schedule 6 (circumstances in which income of a nondependent is to be treated as applicant's); or
 - (ii) a person to whom paragraph 8(2)(e) of Schedule 1 (partner treated as member of the household under paragraph 8) refers,

and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

(8) A person who is entitled to a reduction under an authority's scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (6) and (7).

(6) The written statement referred to in sub-paragraph (5) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

(7) For the purposes of this paragraph a person is to be treated as a person affected by a decision of an authority under its scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph (8).

(8) This sub-paragraph applies to—

- (b) in the case of a person who is liable to pay council tax in respect of a dwelling and is unable for the time being to act—

The award or payment of a reduction under a scheme

10.—(1) Subject to sub-paragraph (2), where a person is entitled to a reduction under an authority's scheme in respect of that person's liability for council tax as it has effect in respect of a financial year, the authority must discharge that person's entitlement by reducing, so far as possible, the amount of that person's liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers.

(2) Where—

- (a) a person is entitled to a reduction under an authority's scheme in respect of that person's liability for the authority's council tax as it has effect in respect of a financial year;
- (b) the person entitled to the reduction is joint and severally liable for the council tax; and
- (c) the authority determines that discharging that person's entitlement by reducing the amount of that person's liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers would be inappropriate,

it may make a payment to that person of the amount of reduction to which that person is entitled, rounded where necessary to the nearest penny.

(3) Subject to sub-paragraph (4) any payment made under sub-paragraphs (1) or (2) must be made to the person who is entitled to the reduction.

(4) Where a person other than the person who is entitled to the reduction under an authority's scheme made the application for the reduction and that first person is a person acting pursuant to an appointment under paragraph 1(3) (persons appointed to act for a person unable to act) or is treated as having been so appointed by virtue of paragraph 1(4), the amount of the reduction may be paid to that person.
