Dear William,

**Petitions: P-03-273 Transportation of wind turbines in Mid Wales
P-04-324 Say No to TAN 8 – Windfarms and High Voltage**

Thank you for your letter regarding the above petitions. You will recall that the Environment and Sustainability Committee considered your letter at its meeting yesterday, and agreed that the specific petitions should be included in the terms of reference for its inquiry into energy policy and planning in Wales. The Committee will issue a consultation asking for written evidence over the summer and will hear oral evidence during the Autumn term.

I will write to you again once the Committee has concluded its inquiry.

Yours sincerely
