EDUCATION, WALES

**The Education (Student Support)
(Wales) Regulations 2013**

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for financial support for students who are ordinarily resident in Wales taking designated higher education courses in respect of academic years beginning on or after 1 September 2014. They consolidate, with some changes, the Education (Student Support) (Wales) Regulations 2012 (“the 2012 Regulations”).

These Regulations revoke the 2012 Regulations subject to the provisions of regulation 3 explained below. The 2012 Regulations will continue to apply to the provision of support to students in relation to the academic year which begins on or after 1 September 2013 but before 1 September 2014. Regulation 3 sets out the extent of the revocation. Changes of substance made in these Regulations are highlighted below.

To qualify for financial support a student must be an “eligible student”. Broadly, a person is an eligible full-time student if that person falls within one of the categories listed in Part 2 of Schedule 1 and also satisfies the eligibility provisions in Part 2 of the Regulations (separate eligibility provisions apply to students undertaking distance learning, part-time and postgraduate courses and Parts 11 to 13 of the Regulations refer).

The Regulations apply to students ordinarily resident in Wales wherever they study on a designated course in the United Kingdom. For the purposes of these Regulations a person who is ordinarily resident in Wales, England, Scotland, Northern Ireland, the Channel Islands or the Isle of Man as a result of having moved from one of those areas for the purpose of undertaking a designated course is considered ordinarily resident in the place from which that person moved (Schedule 1, paragraph 1(3)). An eligible student must also satisfy any requirements elsewhere

in the Regulations; in particular the specific requirements applicable to each type of financial support.

Support is only available under the Regulations in respect of “designated” courses within the meaning of regulations 5, 78, 95, 124 and Schedule 2.

The distinction between old system eligible students and new system eligible students (introduced by the Assembly Learning Grants and Loans (Higher Education) (Wales) Regulations 2006) in relation to financial support to students for full-time courses is retained (regulation 2(1)).

Old system eligible students are eligible students attending courses that started before 1 September 2006, gap year students starting courses before 1 September 2007 and certain other categories of student. The following grants and loans are available to old system eligible students subject to the conditions prescribed in the relevant regulations—

- Grant for fees (regulations 16 to 18);
- Fee contribution loan (regulation 22);
- Grant for disabled students’ living costs (regulation 29);
- Grants for dependants (regulations 30 to 35);
- Grant for travel (regulations 37 to 39);
- Higher education grant (regulation 40); and
- Loans for living costs (Part 6).

A new system eligible student is an eligible student who started their course on or after 1 September 2006 and is continuing on that course after 31 August 2014, or starts their present course on or after 1 September 2014, and is not an old system eligible student. The following grants and loans are available to new system eligible students subject to the conditions prescribed in the relevant regulations—

- Fee grant (regulation 19);
- New fee grant (regulation 20);
- Fee loan (regulations 23 and 24);
- New fee loan (regulation 25);
- New private institution fee loan (regulation 26);
- Accelerated graduate entry fee loan (regulation 27);

- Grant for disabled students' living costs (regulation 29);
- Grants for dependants (regulations 30 to 35);
- Grant for travel (regulations 37 to 39);
- Maintenance grant or special support grant (regulations 41 to 48);
- Loans for living costs (Part 6); and
- College fee loans (Schedule 4).

The Assembly Learning Grants and Loans (Higher Education) (Wales) Regulations 2009 introduced two new sub-categories of new system eligible student, namely a "2010 cohort student" and a "2010 gap year student". The Assembly Learning Grants and Loans (Higher Education) (Wales) Regulations 2011 introduced a further two new sub-categories of new system eligible student, namely a "2011 cohort student" and a "2011 gap year student". The Assembly Learning Grants and Loans (Higher Education) (Wales) (No.2) Regulations 2011 then introduced one further new category of new system eligible student, namely a 2012 cohort student. A 2012 cohort student is a new system eligible student who begins the present course on or after 1 September 2012 and the relevant provisions will continue to apply to students who begin the present course on or after 1 September 2014. The definition of 2012 cohort student in regulation 2(1) also provides that certain categories of students are not classed as 2012 cohort students. The term "new cohort student" (*"myfyriwr carfan newydd"*) in regulation 2(1) also collectively describes 2010 cohort students, 2011 cohort students and 2012 cohort students.

Part 2 of these Regulations concerns eligibility.

Part 3 of these Regulations makes provision for applications for support (regulation 9), time limits for applications (regulation 10) and regulation 11 and Schedule 3 specify the information that must be provided by applicants.

Part 4 of these Regulations provides for fee support, in the form of grants for fees and fee loans.

Regulation 20 provides for the payment of a new fee grant to 2012 cohort students. Regulation 23 provides for the payment of fee loans to new system eligible students who do not qualify for a fee grant. A new cohort student (other than a 2012 cohort student) falls within that category. Regulation 24 provides for the payment of fee loans to students who qualify for a fee grant under regulation 19. The payment of fee loans

under regulations 23 and 24 will only apply in relation to courses beginning before 1 September 2012.

The fee loans available in respect of courses beginning on or after 1 September 2012 are set out in regulations 25 to 27. Regulation 25 provides for the payment of a new fee loan to 2012 cohort students who undertake courses at publicly funded institutions. Regulation 26 provides for the payment of a new private institution fee loan to 2012 cohort students who undertake courses at private institutions. Finally, regulation 27 provides for the payment of an accelerated graduate entry fee loan to students who begin accelerated graduate entry courses on or after 1 September 2012.

These Regulations also provide for new levels of fee support for certain 2012 cohort students who are undertaking a study year abroad or a work placement as part of a designated course. This includes students who are undertaking a work placement or study year abroad as part of a sandwich course or an Erasmus year. The relevant support is set out in regulations 20, 25 and 26 and a related change is made to the definition of “Erasmus Year” in regulation 2(1).

Part 5 of these Regulations makes provision for grants for living costs which includes grants for travel for certain categories of eligible student.

It provides that the amount of maintenance grant or special support grant payable to a new system eligible student will differ according to whether the student is a new system eligible student who is not a new cohort student (regulations 42 and 46); a 2010 cohort student and a 2012 cohort student (regulations 43 and 47); or a 2011 cohort student (regulations 44 and 48).

Regulation 32 makes provision for the childcare grant which is payable in respect of childcare charges incurred in relation to children who are dependent on an eligible student, including children who are born after the beginning of the academic year. This regulation also now enables the Welsh Ministers to limit the amount of childcare grant payable where an eligible student does not submit details of the childcare provider.

Regulations 30 to 35 make provision for the grants for dependants. Regulation 34 provides that the residual income of any partner or adult dependant in the prior financial year and the net income of any child dependant in the prior financial year will be taken into account when calculating the amount of any grants for dependants. However, where a dependant’s income for the current financial year is likely to be 15 per cent less than their income in the prior financial year, the Welsh Ministers may assess the dependant’s income on the basis of the current financial year. Regulation 35

provides definitions of “dependant”, “residual income”, “net income”, “prior financial year” and “current financial year” for these purposes. Equivalent provision is made in respect of part-time grants for dependants in Part 12 of these Regulations.

Part 6 makes provision for loans for living costs. Such loans are payable to both old system eligible students and new system eligible students.

The amount of loan payable to a new system eligible student may differ according to whether the student is a new system eligible student who is not a new cohort student (regulation 52); a 2010 cohort student, a 2012 cohort student or a 2012 accelerated graduate entry student undertaking their first year of study (regulation 54); or a 2011 cohort student (regulation 55).

Part 7 sets out general provisions relating to loans made under the Regulations.

Part 8 and Schedule 4 make provision for “college fee loans”. These are loans in respect of the college fees payable by a qualifying student to a college or permanent private hall of the University of Oxford or to a college of the University of Cambridge in connection with attendance of a qualifying student on a qualifying course.

Part 9 and Schedule 5 continue to make provision for the means-testing of students taking designated full-time courses. A contribution from the student is calculated on the basis of household income. The contribution is to be applied to specified grants and loans until it is extinguished against the amount of the particular grants and loans for which the student qualifies.

Part 10 makes provision for payment of grants and loans.

Part 11 makes provision for support to students who are undertaking designated distance learning courses.

Part 12 and Schedule 6 make provision for support for part-time courses. Regulation 98 makes provision for a new part-time fee loan which is available to eligible part-time students who start designated part-time courses on or after 1 September 2014. The level of new part-time fee loan will vary according to whether the designated part-time course is provided by an institution in Wales or an institution in England, Scotland or Northern Ireland. The level of new part-time fee loan will also vary according to whether the designated part-time course is provided by a publicly funded institution or private institution in England, Scotland or Northern Ireland. The new part-time fee loan will be available to new eligible part-time students who study designated part-time courses at an intensity of study above 25 per cent.

Regulation 99 makes provision for a new part-time course grant, which is means tested, and available to eligible part-time students who start designated part-time courses on or after 1 September 2014. The new part-time course grant will be available to eligible part-time students who study designated part-time courses at an intensity of study above 50 per cent.

Part 13 makes provision for postgraduate students with disabilities.

Regulations 29, 32, 37, 41, 45, 83, 100 and 129 make provision (in part) for students who become eligible for certain types of support part way through an academic year. They provide that such students will now only qualify for the relevant support in respect of the academic quarters following the event which triggers their eligibility.

Part 14 makes amendments to the 2012 Regulations in relation to “compressed first year courses”. These are courses in which the first year of study is undertaken on a compressed basis. The definition of “academic year” is also amended for this purpose.

6.—(1) A student's status as an eligible student is retained in connection with a designated course until that status terminates in accordance with this regulation or regulation 4.

(2) The period for which an eligible student retains the status referred to in paragraph (1) is the "period of eligibility" ("*cyfnod cymhwysra*").

(3) Subject to the following paragraphs and regulation 4, the "period of eligibility" terminates at the end of the academic year in which the student completes the designated course.

(4) The period of eligibility terminates when the eligible student—

(7) Where the period of eligibility terminates before the end of the academic year in which the student completes the designated course, the Welsh Ministers may, at any time, renew the period of eligibility for such period as they determine.

- (a) no deduction equivalent to **PC** applies in the case of a teacher training student or a 2012 accelerated graduate entry student; and
- (b) in the case of an eligible student who did not successfully complete the latest previous course because of compelling personal reasons—

(15) In any case where the number of academic years for which a grant for fees, fee grant, new fee grant, fee contribution loan, fee loan or a grant for living costs is available in accordance with this regulation is less than the number of academic years that make up the period ordinarily required for the completion of the present course, the academic years in which the student is eligible for such a grant or loan for fees or a grant for living costs are the latest years of the present course.

(16) In this regulation—

- (a) **A** is the number of academic years from 31 August 2006 that make up the period ordinarily required for the completion of the present course or, in the case of a transferring student, the previous course;

(19) The Welsh Ministers may confer eligibility to a grant for fees, fee grant, new fee grant, fee contribution loan, fee loan or a grant for living costs otherwise than in accordance with paragraphs (8) to (16).

(20) For the purposes of this regulation and subject to the exceptions in paragraphs (22), (23) and (24) a “previous course” is any full-time higher education course or any part-time course for the initial training of teachers which the student began to attend or, in the case of a compressed degree course or a designated distance learning course, undertake before the present course and which meets one or both of the conditions in paragraph (21).

(6) For the purposes of calculating the basic amount of childcare grant—

- (a) a week runs from Monday to Sunday; and
- (b) where a week in respect of which prescribed childcare charges are incurred falls partly within and partly outside the academic year in respect of which childcare grant is payable under this regulation, the maximum weekly amount of grant is calculated by multiplying the relevant maximum weekly amount in paragraph (5) by the number of days of that week falling within the academic year and dividing the product by seven.

(7) Where an eligible student's application for a childcare grant does not identify a childcare provider, the Welsh Ministers may—

- (a) limit the amount of childcare grant paid to the student to 85 per cent of the prescribed childcare charges up to a maximum amount of £115 per week; and

(3) Where the Welsh Ministers are satisfied that the net income of the eligible student's dependent children in the financial year beginning immediately before the relevant year ("the current financial year") is likely to be not more than 85 per cent of the sterling value of their net income in the prior financial year the Welsh Ministers may, for the purpose of enabling the eligible student to attend the course without hardship, ascertain the dependent children's net income for the current financial year.

(4) In the event that paragraph (3) or this paragraph is applied in respect of the previous academic year of the present course and the Welsh Ministers are satisfied that the net income of the eligible student's dependent children in the financial year beginning immediately before the relevant year ("the current financial year") is likely to be not more than 85 per cent of the sterling value of their net income in the previous financial year the Welsh Ministers may, for the purposes of enabling the eligible student to attend the course without hardship, ascertain the dependent children's net income for the current financial year.

(5) In an academic year immediately following one in which the Welsh Ministers have ascertained the eligible student's dependent children's net income for the current financial year under paragraph (3), or where applicable under paragraph (4), the Welsh Ministers must ascertain the dependent children's net income in the preceding financial year.

(6) Subject to paragraphs (8), (9) and (16), where **B** is greater than or equal to **A**, the basic amount of each element of the grants for dependants for which the eligible student qualifies is payable.

(12) For the purposes of determining the respective values of **A** and **B** and whether adult dependants' grant or parents' learning allowance is payable, the Welsh Ministers must determine the following in relation to each relevant quarter by reference to the eligible student's circumstances in the relevant quarter—

- (a) how many dependants the eligible student is to be treated as having;
- (b) who those dependants are;
- (c) whether the student is to be treated as a lone parent.

(13) The amount of grants for dependants for the academic year is the aggregate of the amounts of adult dependants' grant and parents' learning allowance calculated in respect of each relevant quarter under paragraph (14) and the amount of any childcare grant for the academic year.

(14) The amount of adult dependants' grant and parents' learning allowance in respect of a relevant quarter is one third of what that grant or allowance would be for the academic year if the student's circumstances in the relevant quarter as determined under paragraph (12) applied for the duration of the academic year.

(15) In this regulation, a "relevant quarter" (*"chwarter perthnasol"*) means—

(10) No support under Part 5 is payable in respect of any payment period beginning after an eligible student's period of eligibility terminates.

(11) Where an eligible student's period of eligibility terminates on or after the relevant date, the Welsh Ministers must determine—

- (a) the amount of each grant for living costs for which that student qualifies that would be payable in respect of the relevant payment period if that student's period of eligibility had not terminated (the "full amount"); and
- (b) how much of the full amount is payable in respect of the period which runs from the first day of the relevant payment period up to and including the day on which the eligible student's period of eligibility terminated (the "partial amount").

(12) In this regulation, the "relevant date" ("*dyddiad perthnasol*") is the date on which the first term of the academic year in question actually begins.

(13) If the Welsh Ministers have made a payment of grant for living costs in respect of the relevant payment period before the point in that period at which the eligible student's period of eligibility terminated and that payment exceeds the partial amount of that grant—

- (a) they may treat the excess as an overpayment of that grant; or
- (b) if they consider that it is appropriate to do so they may extend that student's period of eligibility in respect of that grant until the end of the relevant payment period and determine that the full amount of the grant is payable in respect of that payment period.

(14) Subject to paragraph (15), if a payment of a grant for living costs in respect of the relevant payment period is due to be made or is made after the eligible student's period of eligibility has terminated, the amount of that grant payable is the partial amount unless the Welsh Ministers consider it appropriate to

extend the period of eligibility in respect of that grant until the end of the relevant payment period and to determine that the full amount of that grant is payable in respect of that payment period.

(15) Paragraph (14) does not apply to a payment of grant for disabled students' living costs in respect of specialist equipment.

(16) No support under Part 5 is payable in respect of a payment period during any part of which an eligible student is absent from the eligible student's course, unless in the opinion of the Welsh Ministers it would be appropriate in all the circumstances for support to be paid in respect of the period of absence.

(17) In deciding whether it would be appropriate for support to be payable under paragraph (16) the circumstances to which the Welsh Ministers must have regard include the reason for the student's absence, the length of the absence and the financial hardship which not paying the support would cause.

(18) An eligible student is not to be considered absent from the eligible student's course if the eligible student is unable to attend due to illness and the eligible student's absence has not exceeded 60 days.

(19) Where, after the Welsh Ministers have made any payment of support under Part 5 or Part 6, they make a determination of the amount of a grant for living costs for which the eligible student qualifies either for the first time or by way of revision of a provisional or other determination of that amount—

- (a) if the determination increases the amount of that grant for which the eligible student qualifies they must pay the additional amount and may do so in such instalments (if any) and at such times as they consider appropriate;
- (b) if the determination decreases the amount of that grant for which the eligible student qualifies they must subtract the amount of the decrease from the amount of that grant which remains to be paid;
- (c) if the amount of the decrease is greater than the amount of that grant remaining to be paid the latter amount is reduced to nil and the balance subtracted from any other grant for living costs for which the student qualifies in respect of the academic year;
- (d) any remaining overpayment is recoverable in accordance with regulation 74.

Provision of United Kingdom national insurance number

71.—(1) The Welsh Ministers may make it a condition of entitlement to payment of any loan that an

eligible student must provide them with the eligible student's United Kingdom national insurance number.

(2) Subject to paragraph (3), where the Welsh Ministers have imposed a condition under paragraph (1), they must not make any payment of the loan to the eligible student before they are satisfied that the eligible student has complied with that condition.

(3) Despite paragraph (2), the Welsh Ministers may make a payment of loan to an eligible student if they are satisfied that owing to exceptional circumstances it would be appropriate to make such a payment without the eligible student having complied with the condition imposed under paragraph (1).

Information requirements

72.—(1) The Welsh Ministers may at any time request from an applicant or an eligible student information that they consider is required to recover a loan.

(2) The Welsh Ministers may at any time request from an applicant or an eligible student sight of their valid national identity card, valid passport issued by the state of which they are a national or their birth certificate.

(3) Where the Welsh Ministers have requested information under this regulation, they may withhold any payment of a loan until the applicant or eligible student provides what has been requested or provides a satisfactory explanation for not complying with the request.

(4) The Welsh Ministers may at any time require an applicant or an eligible student to enter into an agreement to repay a loan by a particular method.

(5) Where the Welsh Ministers have requested an agreement as to the method of repayment under this regulation, the Welsh Ministers may withhold any payment of a loan until the applicant or eligible student provides what has been requested.

Payment of loans for living costs

73.—(1) The Welsh Ministers may pay support under Part 6 in instalments or in a single lump sum.

(2) Subject to paragraph (4), the Welsh Ministers may pay support under Part 6 at such times as they consider appropriate.

(3) An academic authority is required to send an attendance confirmation to the Welsh Ministers.

(4) The Welsh Ministers must not pay the first instalment, or where they have determined not to pay support under Part 6 by instalments, make any payment of support under Part 6 to the eligible student before they have received an attendance confirmation

from the relevant academic authority unless the exception referred to in paragraph (5) applies.

(5) For the purposes of paragraph (4) the exception applies if the Welsh Ministers have determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving an attendance confirmation.

(6) Where a final assessment cannot be made on the basis of the information provided by the eligible student, the Welsh Ministers may make a provisional assessment and payment of support under Part 6.

(7) Payments of support under Part 6 are to be made in such manner as the Welsh Ministers consider appropriate and they may make it a condition of entitlement to payment that the eligible student must provide them with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(8) Where the Welsh Ministers have made any payment of support under Part 5 or Part 6 and an eligible student who qualifies for a loan for living costs under Part 6 applies for such a loan or applies for an additional amount of loan for living costs in respect of an academic year, the Welsh Ministers may pay that loan or that additional amount of loan in such instalments (if any) and at such times as they consider appropriate as soon as is reasonably practicable after a satisfactory application has been received.

(9) Subject to paragraph (10), no support under Part 6 is payable in respect of any day of an academic year on which the eligible student is a prisoner, unless in the opinion of the Welsh Ministers it would be appropriate in all the circumstances for support to be paid in respect of that day.

(10) In deciding whether support is payable under paragraph (9) the circumstances to which the Welsh Ministers must have regard include the financial hardship which not paying the support would cause and whether not paying the support would affect the eligible student's ability to continue the course.

(11) No support under Part 6 is payable in respect of any payment period beginning after an eligible student's period of eligibility terminates.

(12) No support under Part 6 is payable in respect of a payment period during part of which an eligible student is absent from the eligible student's course, unless in the opinion of the Welsh Ministers it would be appropriate in all the circumstances for support to be paid in respect of the period of absence.

(13) In deciding whether support is payable under paragraph (12) the circumstances to which the Welsh Ministers must have regard include the reasons for the eligible student's absence, the length of absence and

the financial hardship which not paying the eligible student would cause.

(14) An eligible student is not to be considered absent from the eligible student's course if the eligible student is unable to attend due to illness and the eligible student's absence has not exceeded 60 days.

(15) Where, after the Welsh Ministers have made any payment of loan for living costs for which an eligible student qualifies in respect of an academic year under Part 6, they make a determination that the amount of loan for living costs for which the eligible student qualifies is less than the amount previously determined either by way of a revision of a provisional assessment or otherwise—

- (a) they must subtract such amount as is necessary to ensure that the eligible student does not borrow an amount of loan for living costs which is greater than that for which the eligible student qualifies from any amount of loan for living costs which remains to be paid;
- (b) if the amount to be subtracted is greater than the amount of loan for living costs remaining to be paid, the latter is reduced to nil;
- (c) any remaining overpayment is recoverable in accordance with regulation 74.

Overpayments

74.—(1) Any overpayment of a grant for fees, fee grant, new fee grant, fee contribution loan or fee loan is recoverable by the Welsh Ministers from the academic authority.

(2) An eligible student must, if so required by the Welsh Ministers, repay any amount paid to the eligible student under Part 5 or 6 which for whatever reason exceeds the amount of support to which the student is entitled under Part 5 or 6.

(3) The Welsh Ministers must recover an overpayment of any grant for living costs unless they consider it is not appropriate to do so.

(4) A payment of any grant for living costs made before the relevant date is an overpayment if the eligible student withdraws from the course before the relevant date unless the Welsh Ministers decide otherwise.

(5) In the circumstances in paragraph (6) or (7), there is an overpayment of the grant for disabled students' living costs unless the Welsh Ministers decide otherwise.

(6) The circumstances referred to in paragraph (5) are—

- (a) the Welsh Ministers apply all or part of the grant for disabled students' living costs to the

purchase of specialist equipment on behalf of the eligible student;

- (b) the eligible student's period of eligibility terminates after the relevant date; and
- (c) the equipment has not been delivered to the student before the student's period of eligibility terminates.

(7) The circumstances referred to in paragraph (5) are—

- (a) the eligible student's period of eligibility terminates after the relevant date; and
- (b) a payment of the grant for disabled students' living costs in respect of specialist equipment is made to the student after the eligible student's period of eligibility terminated.

(8) Where there is an overpayment of the grant for disabled students' living costs, the Welsh Ministers may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if they consider it is appropriate to do so.

(9) Any overpayment of any grant under Part 5 may be recovered in whichever one or more of the following ways the Welsh Ministers consider appropriate in all the circumstances—

- (a) by subtracting the overpayment from any kind of grant payable to the eligible student from time to time pursuant to regulations made by the Welsh Ministers under section 22 of the 1998 Act;
- (b) by taking such other action for the recovery of an overpayment as is available to them.

(10) Any overpayment of a loan for living costs in respect of any academic year may be recovered if in the opinion of the Welsh Ministers—

- (a) the overpayment is a result of a failure of the student to provide promptly information which might affect whether the student qualifies for a loan or the amount of loan for which the student qualifies;
- (b) any information which the student has provided is inaccurate in a material particular; or
- (c) the student has failed to provide information which the Welsh Ministers consider to be material in the context of the recovery of the loan.

(11) Where an overpayment of a loan for living costs is recoverable in accordance with paragraph (10), it may be recovered in whichever one or more of the following ways the Welsh Ministers consider appropriate in all the circumstances—

(a) by subtracting the overpayment from the amount of any loan payable to the student from time to time pursuant to regulations made by the Welsh Ministers under section 22 of the 1998 Act;

(b) by taking such other action for the recovery of an overpayment as is available to them.

(12) Where there has been an overpayment of a loan for living costs which is not recoverable under paragraph (10), the Welsh Ministers may subtract the overpayment from the amount of any loan payable to the student from time to time pursuant to regulations made by the Welsh Ministers under section 22 of the 1998 Act.

(13) In this regulation “the relevant date” (“*y dyddiad perthnasol*”) is the date on which the first term of the academic year in question actually begins.

(2) The period for which an eligible distance learning student retains the status referred to in paragraph (1) is the “period of eligibility” (*“cyfnod cymhwystra”*).

(3) Subject to the following paragraphs and regulation 76, the period of eligibility terminates at the end of the academic year in which the eligible distance learning student completes the designated distance learning course.

(4) The period of eligibility terminates when the eligible distance learning student (“A” in this paragraph and in paragraph (5))—

Grant for disabled distance learning students’ living costs

83.—(1) An eligible distance learning student qualifies in accordance with this Part for a grant to assist with the additional expenditure which the Welsh Ministers are satisfied the eligible distance learning student is obliged to incur by reason of a disability to which the eligible distance learning student is subject in respect of the eligible distance learning student undertaking a designated distance learning course.

(2) An eligible distance learning student does not qualify for the grant under this regulation if the only paragraph in Part 2 of Schedule 1 into which the eligible distance learning student falls is paragraph 9.

(3) An eligible distance learning student does not qualify for the grant under this regulation in respect of any academic year that is a bursary year.

(5) An eligible distance learning student will no longer qualify for the grant under this regulation if the Welsh Ministers consider that the eligible distance learning student is undertaking the designated distance learning course outside the United Kingdom.

(6) Subject to the following paragraphs, the amount of grant under this regulation is the amount that the Welsh Ministers consider appropriate in accordance with the student's circumstances.

(7) The amount of the grant under this regulation must not exceed—

(10) Where regulation 77(3) applies, an eligible distance learning student may only qualify for a grant under this regulation for the purposes specified in paragraph (7)(a), (c) and (d) in respect of such quarters as begin after the relevant event in regulation 77(4) occurs.

Applications for support

84.—(1) A person must apply for support in connection with each academic year of a designated distance learning course by completing and submitting to the Welsh Ministers an application in such form as the Welsh Ministers may require.

(2) The application must be accompanied by—

- (b) such additional documentation as the Welsh Ministers may require.

(3) The Welsh Ministers may take such steps and make such inquiries as they consider necessary to determine whether the applicant is an eligible distance learning student, whether the applicant qualifies for support under this Part and the amount of support payable, if any.

(4) The Welsh Ministers must notify the applicant of whether the applicant qualifies for support under this Part and, if the applicant does qualify, the amount of support payable in respect of the academic year, if any.

(5) Subject to paragraph (6), the application must reach the Welsh Ministers within a period of six months beginning with the first day of the academic year of the designated distance learning course in respect of which it is submitted.

(6) Paragraph (5) does not apply where—

- (a) one of the events listed in paragraph (4) of regulation 77 occurs after the first day of the academic year in respect of which the applicant is applying for support under this Part, in which case the application must reach the Welsh Ministers within a period of six months beginning with the day on which the relevant event occurred;
- (b) the applicant is applying for the grant for disabled distance learning students' living costs, in which case the application must reach the Welsh Ministers as soon as is reasonably practicable; or
- (c) the Welsh Ministers consider that having regard to the circumstances of the particular case the time limit should be relaxed, in which case the application must reach the Welsh Ministers not later than such date as they specify.

Declarations provided by academic authorities

85.—(1) Subject to paragraph (2), the academic authority must, on the request of the applicant, complete a declaration in such form as may be

required by the Welsh Ministers to accompany the application for support under regulation 84.

(2) An academic authority is not required to complete a declaration if it is unable to give the confirmation required by sub-paragraph 3(a)(ii) or 3(b)(ii).

(3) In this Part, “declaration” (“*datganiad*”) means—

- (a) where the applicant is applying for support in connection with the designated distance learning course for the first time, a statement that—

Information

86. Schedule 3 applies in respect of the provision of information by an applicant or an eligible distance learning student.

Transfer of status

87.—(1) Where an eligible distance learning student transfers from a designated distance learning course to another designated distance learning course, the Welsh Ministers must transfer the student’s status as an

eligible distance learning student to that other course where—

- (a) they receive a request from the eligible distance learning student to do so;
- (b) they are satisfied that one or more of the grounds for transfer in paragraph (2) applies; and
- (c) the period of eligibility has not terminated.

(2) The grounds for transfer are—

- (a) the eligible distance learning student starts to undertake another designated distance learning course at the same institution;
- (b) the eligible distance learning student starts to undertake a designated distance learning course at another institution; or
- (c) after commencing a designated distance learning course for a first degree (other than an honours degree) the eligible distance learning student is, before the completion of that course, admitted to a designated distance learning course for an honours degree in the same subject at the same institution.

(3) Subject to paragraph (4), an eligible distance learning student who transfers under paragraph (1) is to receive in connection with the academic year of the course to which the eligible distance learning student transfers the remainder of the support under this Part for which the Welsh Ministers have determined the eligible distance learning student qualifies in respect of the academic year of the course from which the eligible distance learning student transfers.

(4) The Welsh Ministers may re-assess the amount of support payable after the transfer in accordance with this Part.

(5) An eligible student who transfers under paragraph (1) after the Welsh Ministers have determined the eligible distance learning student's support under this Part in connection with the academic year of the course from which the eligible distance learning student is transferring but before the eligible distance learning student completes that year, may not apply for another grant under regulation 80(1)(b) or regulation 83 in connection with the academic year of the course to which the eligible distance learning student transfers.

(6) Where a student transfers under paragraph (1), the maximum amount of support under regulation 80(1)(a) in respect of the academic years to and from which the eligible distance learning student transfers is the amount of support available in connection with the course with the highest actual fees as defined in regulation 80.

Conversion of status – eligible students transferring to designated distance learning courses

88.—(1) Where an eligible student ceases to undertake a designated course and transfers to a designated distance learning course at the same or at another institution, the Welsh Ministers must convert the student's status as an eligible student to that of an eligible distance learning student in connection with the course to which the eligible student is transferring where—

- (a) they receive a request from the eligible student to do so; and
- (b) the period of eligibility has not terminated.

(2) The following applies to an eligible student who transfers under paragraph (1)—

- (a) where the Welsh Ministers have determined to pay an amount of grant for disabled students' living costs to that student under Part 5 in periodic instalments, no payment in respect of that amount of grant must be made in respect of any instalment period beginning after the date on which that student becomes an eligible distance learning student;
- (b) the maximum amount of grant for disabled distance learning students' living costs to which that student would, apart from this regulation, be entitled in connection with that student undertaking a designated distance learning course in respect of that academic year is reduced by one third where that student became an eligible distance learning student in the second quarter of the academic year and by two thirds where that student became an eligible distance learning student in a later quarter of that year;
- (c) where an amount of grant for disabled students' living costs for any purpose has been paid to the student under Part 5 in a single instalment, the maximum amount of grant for disabled distance learning students' living costs payable to that student for that purpose is reduced (or where sub-paragraph (b) applies, further reduced) by the amount of grant paid to that student for that purpose pursuant to Part 5, and where the resulting amount is nil or a negative amount that amount is nil; and
- (d) where immediately before that student became an eligible distance learning student that student was eligible to apply, but had not applied for a loan for living costs in respect of that year, or had not applied for the maximum amount or increased maximum to which that student was entitled, that student may apply

for such a loan or such additional amount as if that student had continued to be an eligible student and in the circumstances mentioned in paragraph (3) the maximum amount or increased maximum amount of such loan for the academic year is reduced in accordance with that paragraph.

(3) Where the request under paragraph (1) is made during the first quarter of the academic year in respect of which the loan for living costs is payable the maximum amount or increased maximum amount of loan (as the case may be) is reduced by two thirds and where the request is made during the second quarter of that year that amount is reduced by one third.

Conversion of status – eligible distance learning students transferring to designated courses

89.—(1) Where an eligible distance learning student ceases to undertake a designated distance learning course and transfers to a designated course at the same or at another institution, the Welsh Ministers must convert the student's status as an eligible distance learning student to that of an eligible student in connection with the course to which the eligible distance learning student is transferring where—

- (a) they receive a request from the eligible distance learning student to do so; and
- (b) the period of eligibility has not terminated.

(2) The following applies to an eligible distance learning student who transfers under paragraph (1)—

- (a) where the Welsh Ministers have determined to pay an amount of grant for disabled distance learning students' living costs to that student in periodic instalments no payment in respect of that amount of grant must be made in respect of any instalment period beginning after the date on which that student becomes an eligible student;
- (b) any support to which that student is entitled under this Part in respect of the academic year in which that student transfers is ignored in determining the amount of support to which that student may be entitled in respect of that year under Parts 4 to 6;
- (c) the maximum amount of any support under Part 5 or 6 to which that student would, apart from this regulation, be entitled in connection with a designated course in respect of the academic year is reduced by one third where that student became an eligible student during the second quarter of that academic year and by two thirds where that student became an eligible student in a later quarter of that year; and

- (d) where an amount of grant for disabled distance learning students' living costs for any purpose has been paid to that student in a single instalment, the maximum amount of grant for disabled students' living costs payable to that student under Part 5 for that purpose is reduced (or, where sub-paragraph (c) applies, further reduced) by the amount of grant for disabled distance learning students' living costs paid to that student for that purpose and where the resulting amount is nil or a negative amount that amount is nil.

Payment of grants for fees

90.—(1) Subject to paragraphs (2) and (3), the Welsh Ministers must pay the grant in respect of fees for which the eligible distance learning student qualifies once they have received from the relevant academic authority—

- (a) a request for payment; and
- (b) confirmation of the eligible distance learning student's attendance on the designated distance learning course.

(2) The Welsh Ministers may make payments under paragraph (1) at such times and in such instalments (if any) as they see fit.

(3) The Welsh Ministers may make provisional payments under paragraph (1) in such cases as they deem appropriate.

(4) In this regulation “confirmation of the eligible distance learning student's attendance on the designated distance learning course” (“*cadarnhad o bresenoldeb y myfyrwr dysgu o bell cymwys ar y cwrs dysgu o bell dynodedig*”) means confirmation from the relevant academic authority that the eligible distance learning student—

- (a) has enrolled on and started undertaking the designated distance learning course, where the confirmation relates to a payment of the entire grant in respect of fees or the first instalment of the grant in respect of fees; or
- (b) remains enrolled and continues to undertake the designated distance learning course at the date of the confirmation, where the confirmation relates to an instalment of the grant in respect of fees other than the first instalment.

(5) Where an eligible distance learning student ceases to undertake a designated distance learning course during the academic year and the academic authority has determined or agreed that the student will not return during that academic year, the academic authority must inform the Welsh Ministers as soon as

is practicable of the eligible distance learning student's departure from the designated distance learning course.

Payment of grants for books, travel and other expenditure and grants for disabled distance learning students' living costs

91.—(1) Payments of the grant for books, travel and other expenditure and the grant for disabled distance learning students' living costs may be made in such manner as the Welsh Ministers consider appropriate and they may make it a condition of entitlement to payment that the eligible distance learning student must provide them with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(2) Where the Welsh Ministers cannot make a final assessment on the basis of the information provided by the eligible distance learning student, they may make a provisional assessment and payment of the grant for books, travel and other expenditure and the grant for disabled distance learning students' living costs.

(3) The Welsh Ministers may pay the grant for books, travel and other expenditure and the grant for disabled distance learning students' living costs in instalments or in a single lump sum.

(4) Subject to paragraph (5), the Welsh Ministers may pay the grant for books, travel and other expenditure and the grant for disabled distance learning students' living costs at such times as they consider appropriate.

(5) The Welsh Ministers must not pay the first instalment or, where it has been determined not to pay support in instalments, make any payment of the grant for books, travel and other expenditure or the grant for disabled distance learning students' living costs before they have received a declaration under regulation 85 unless an exception referred to in paragraph (6) applies.

(6) For the purposes of paragraph (5) an exception applies if—

- (a) a grant for disabled distance learning students' living costs is payable in which case that particular grant may be paid before the Welsh Ministers have received a declaration;
- (b) the Welsh Ministers have determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving a declaration.

Overpayments

92.—(1) Any overpayment of a grant in respect of fees is recoverable by the Welsh Ministers from the academic authority.

(2) An eligible distance learning student must, if so required by the Welsh Ministers, repay any amount paid to the eligible distance learning student under this Part which for whatever reason exceeds the amount of grant to which the eligible distance learning student is entitled under this Part.

(3) The Welsh Ministers must recover an overpayment of grant for books, travel and other expenditure and grant for disabled distance learning students' living costs unless they consider that it is not appropriate to do so.

(4) The methods of recovery are—

- (a) subtracting the overpayment from any kind of grant payable to the eligible distance learning student from time to time pursuant to regulations made by the Welsh Ministers under section 22 of the 1998 Act;
- (b) taking such other action for the recovery of an overpayment as is available to the Welsh Ministers.

(5) A payment of the grant for disabled distance learning students' living costs made before the relevant date is an overpayment if the eligible distance learning student withdraws from the course before the relevant date unless the Welsh Ministers decide otherwise.

(6) In this regulation, the "relevant date" ("*dyddiad perthnasol*") is the date on which the first term of the academic year in question actually begins.

(7) In the circumstances set out in paragraph (8) or (9), there is an overpayment of the grant for disabled distance learning students' living costs unless the Welsh Ministers decide otherwise.

(8) The circumstances referred to in paragraph (7) are—

- (a) the Welsh Ministers apply all or part of the grant for disabled distance learning students' living costs to the purchase of specialist equipment on behalf of the eligible distance learning student;
- (b) the eligible distance learning student's period of eligibility terminates after the relevant date; and
- (c) the equipment has not been delivered to the eligible distance learning student before the period of eligibility terminates.

(9) The circumstances referred to in paragraph (7) are—

- (a) the eligible distance learning student's period of eligibility terminates after the relevant date; and
- (b) a payment of the grant for disabled part-time students' living costs in respect of specialist

equipment is made to the student after the period of eligibility terminated.

(10) Where there is an overpayment of the grant for disabled distance learning students' living costs, the Welsh Ministers may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if they consider it is appropriate to do so.

(4) In the event that paragraph (3) or this paragraph is applied in respect of the previous academic year of the present course and the Welsh Ministers are satisfied that the net income of the eligible part-time student's dependent children in the financial year beginning immediately before the relevant year ("the current financial year") is likely to be not more than 85 per cent of the sterling value of their net income in the previous financial year the Welsh Ministers may, for the purposes of enabling the eligible part-time student to attend the course without hardship, ascertain the dependent children's net income for the current financial year.

(5) In an academic year immediately following one in which the Welsh Ministers have ascertained the eligible part-time student's dependent children's net income for the current financial year under paragraph (3), or where applicable under paragraph (4), the

- (a) the eligible part-time student's partner—
 - (i) is an eligible part-time student; or

- (a) how many dependants the eligible part-time student is to be treated as having;
- (b) who those dependants are;
- (c) whether the eligible part-time student is to be treated as a lone parent.

(13) The amount of part-time grants for dependants for the academic year is the aggregate of the amounts of part-time adult dependants' grant and part-time parents' learning allowance calculated in respect of each relevant quarter under paragraph (14) and the amount of any part-time childcare grant for the academic year.

(14) The amount of part-time adult dependants' grant and part-time parents' learning allowance in respect of a relevant quarter is one third of what that grant or allowance would be for the academic year if the eligible part-time student's circumstances in the relevant quarter as determined under paragraph (12) applied for the duration of the academic year.

Payment of support to eligible part-time students

116.—(1) Payments of the grant for books, travel and other expenditure, the new part-time course grant and the grant for disabled part-time students' living costs may be made in such manner as the Welsh Ministers consider appropriate and they may make it a condition of entitlement to payment that the eligible part-time student must provide them with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(2) Where the Welsh Ministers cannot make a final assessment on the basis of the information provided by the student, they may make a provisional assessment and payment of the grant for books, travel and other expenditure, the new part-time course grant and the grant for disabled part-time students' living costs.

(3) The Welsh Ministers may pay the grant for books, travel and other expenditure, the new part-time course grant and the grant for disabled part-time students' living costs in instalments or in a single lump sum.

(4) Subject to paragraph (5), the Welsh Ministers may pay the grant for books, travel and other expenditure, the new part-time course grant and the grant for disabled part-time students' living costs at such times as they consider appropriate.

(5) The Welsh Ministers must not pay the first instalment or, where it has been determined not to pay support in instalments, make any payment of the grant for books, travel and other expenditure, the new part-time course grant or the grant for disabled part-time students' living costs before they have received the declaration under regulation 113(2) to (6) unless an exception referred to in paragraph (6) applies.

(6) For the purposes of paragraph (5), an exception applies if—

- (a) a grant for disabled part-time students' living costs under regulation 100 is payable in which case that particular grant may be paid before the Welsh Ministers have received a declaration;
- (b) the Welsh Ministers have determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving a declaration.

117.—(1) Subject to the following paragraphs, the Welsh Ministers may pay part-time grants for

dependants in such instalments (if any) and at such times as they consider appropriate.

(2) An academic authority is required to send an attendance confirmation to the Welsh Ministers.

(3) The Welsh Ministers must not pay the first instalment or, where it has been determined not to pay a part-time grant for dependants by instalments, make any payment of such a grant to an eligible part-time student before they have received an attendance confirmation unless the exception in paragraph (4) applies.

(4) The exception referred to in paragraph (3) applies if the Welsh Ministers have determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving an attendance confirmation.

(5) Where a final assessment cannot be made on the basis of the information provided by the eligible part-time student, the Welsh Ministers may make a provisional assessment and payment of part-time grants for dependants.

(6) Payments of a part-time grant for dependants are to be made in such manner as the Welsh Ministers consider appropriate and they may make it a condition of entitlement to payment that the eligible part-time student must provide them with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(7) No support by way of part-time grants for dependants is payable in respect of any payment period beginning after an eligible part-time student's period of eligibility terminates.

(8) Where an eligible part-time student's period of eligibility terminates on or after the relevant date, the Welsh Ministers must determine—

- (a) the amount of each part-time grant for dependants for which that student qualifies that would be payable in respect of the relevant payment period if the eligible part-time student's period of eligibility had not terminated (the "full amount"); and
- (b) how much of the full amount is payable in respect of the period which runs from the first day of the relevant payment period up to and including the day on which the eligible part-time student's period of eligibility terminated (the "partial amount").

(9) In this regulation, the "relevant date" ("*y dyddiad perthnasol*") is the date on which the first term of the academic year in question actually begins.

(10) If the Welsh Ministers have made a payment of a part-time grant for dependants in respect of the relevant payment period before the point in that period

at which the eligible part-time student's period of eligibility terminated and that payment exceeds the partial amount of that grant—

- (a) they may treat the excess as an overpayment of that grant; or
- (b) if they consider that it is appropriate to do so they may extend that student's period of eligibility in respect of that part-time grant for dependants until the end of the relevant payment period and determine that the full amount of the grant is payable in respect of that payment period.

(11) If a payment of a part-time grant for dependants in respect of the relevant payment period is due to be made or is made after the eligible part-time student's period of eligibility has terminated, the amount of that part-time grant for dependants payable is the partial amount unless the Welsh Ministers consider it appropriate to extend the period of eligibility in respect of that grant until the end of the relevant payment period and to determine that the full amount of that grant is payable in respect of that relevant payment period.

(12) No support by way of part-time grants for dependants is payable in respect of a payment period during any part of which an eligible part-time student is absent from that student's course, unless in the opinion of the Welsh Ministers it would be appropriate in all the circumstances for support to be paid in respect of the period of absence.

(13) In deciding whether support is payable under paragraph (12) the circumstances to which the Welsh Ministers must have regard include the reason for the student's absence, the length of the absence and the financial hardship which not paying the support would cause.

(14) An eligible part-time student is not to be considered absent from the eligible part-time student's course if the eligible part-time student is unable to attend due to illness and the eligible part-time student's absence has not exceeded 60 days.

(15) Where, after the Welsh Ministers have made any payment of support by way of a part-time grant for dependants, they make a determination of the amount of such a grant for which the eligible part-time student qualifies either for the first time or by way of a revision of a provisional or other determination of that amount—

- (a) if the determination increases the amount of that grant for which the eligible part-time student qualifies they must pay the additional amount and may do so in such instalments (if any) and at such times as they consider appropriate;

- (b) if the determination decreases the amount of that grant for which the eligible part-time student qualifies they must subtract the amount of the decrease from the amount of that grant which remains to be paid;
- (c) if the amount of the decrease is greater than the amount of that grant remaining to be paid the latter amount is reduced to nil and the balance subtracted from any other element of part-time grants for dependants for which the eligible part-time student qualifies in respect of the academic year;
- (d) any remaining overpayment is recoverable in accordance with regulation 121.

 - (aa) is applying for one or more elements of the part-time grants for dependants (“part-time support” in this regulation) in connection with a designated part-time course for the first time;
 - (bb) has a disability; and
 - (cc) is undertaking the course but not attending (regardless of whether the reason for not attending relates to the student’s disability);
 - (ii) that the eligible part-time student has been present at the institution and begun to attend the course where—
 - (aa) the student is applying for part-time support in connection with a designated part-time course for the first time;
 - (bb) the student’s status as an eligible part-time student has not been transferred to the designated part-time course from another course at the same institution; and
 - (cc) sub-paragraph (i)(cc) does not apply;

(iii) that the eligible part-time student has enrolled for the academic year where the eligible part-time student is applying for part-time support in connection with a designated part-time course—

(aa) other than for the first time; or

(bb) for the first time after the student's status as an eligible part-time student has been transferred to that course from another course at the same institution;

(b) “payment period” (“*cyfnod talu*”) means a period in respect of which the Welsh Ministers pay the support under regulations 101 to 110 or would have paid such support if the eligible part-time student's period of eligibility had not terminated.

Payment of grants for fees in respect of designated part-time courses beginning before 1 September 2014

119.—(1) Subject to paragraphs (2) and (3), the Welsh Ministers must pay the grant in respect of fees for which the eligible part-time student qualifies in relation to an academic year of a designated part-time course beginning before 1 September 2014 to the appropriate academic authority after a written request for payment has been received which the Welsh Ministers consider to be a valid request.

(2) The Welsh Ministers may make payments under paragraph (1) at such times and in such instalments (if any) as they see fit.

(3) The Welsh Ministers may make provisional payments under paragraph (1) in such cases as they deem appropriate.

Payment of new part-time fee loan

120.—(1) The Welsh Ministers must pay the new part-time fee loan for which a new eligible part-time student qualifies in respect of an academic year of a designated part-time course to an academic authority to which the new eligible part-time student is liable to make payment.

(2) The Welsh Ministers may pay the new part-time fee loan in such instalments (if any) and at such times as they consider appropriate.

(3) The Welsh Ministers must not pay the new part-time fee loan or any instalment of that loan unless they have received from the relevant academic authority—

(a) a request for payment; and

(b) a declaration under regulation 113(2) to (6).

(4) The Welsh Ministers may make provisional payments under this regulation in such cases as they deem appropriate.

Overpayments

121.—(1) Any overpayment of a grant in respect of fees is recoverable by the Welsh Ministers from the academic authority.

(2) An eligible part-time student must, if so required by the Welsh Ministers, repay any amount paid to the eligible part-time student under this Part which for whatever reason exceeds the amount of grant to which the eligible part-time student is entitled under this Part.

(3) The Welsh Ministers must recover an overpayment of a grant for books, travel and other expenditure, a new part-time course grant, a grant for disabled part-time students' living costs and a part-time grant for dependants unless they consider that it is not appropriate to do so.

(4) The methods of recovery are—

- (a) subtracting the overpayment from any kind of grant payable to the eligible part-time student from time to time pursuant to regulations made by the Welsh Ministers under section 22 of the 1998 Act;
- (b) taking such other action for the recovery of an overpayment as is available to them.

(5) A payment of the grant for disabled part-time students' living costs or a part-time grant for dependants made before the relevant date is an overpayment if the eligible part-time student withdraws from the course before the relevant date unless the Welsh Ministers decide otherwise.

(6) In this regulation, the "relevant date" ("*dyddiad perthnasol*") is the date on which the first term of the academic year in question actually begins.

(7) In either of the circumstances in paragraph (8) or (9), there is an overpayment of the grant for disabled part-time students' living costs unless the Welsh Ministers decide otherwise.

(8) The circumstances referred to in paragraph (7) are—

- (a) the Welsh Ministers apply all or part of the grant for disabled part-time students' living costs to the purchase of specialist equipment on behalf of the eligible part-time student;
- (b) the student's period of eligibility terminates after the relevant date; and
- (c) the equipment has not been delivered to the student before the student's period of eligibility terminates.

(9) The circumstances referred to in paragraph (7) are—

- (a) the eligible part-time student's period of eligibility terminates after the relevant date; and
- (b) a payment of the grant for disabled part-time students' living costs in respect of specialist equipment is made to the student after the eligible part-time student's period of eligibility terminates.

(10) Where there is an overpayment of the grant for disabled part-time students' living costs, the Welsh Ministers may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if they consider it is appropriate to do so.

PART 13

SUPPORT FOR POSTGRADUATE STUDENTS WITH DISABILITIES

Eligible postgraduate students

122.—(1) An eligible postgraduate student qualifies, subject to and in accordance with this Part, for a grant to assist with the additional expenditure which the Welsh Ministers are satisfied the eligible postgraduate student is obliged to incur by reason of a disability to which the eligible postgraduate student is subject in respect of the eligible postgraduate student undertaking a designated postgraduate course.

(2) A person is an eligible postgraduate student in connection with a designated postgraduate course if that person satisfies the conditions in paragraph (3) and is not excluded by paragraph (4).

(3) The conditions referred to in paragraph (2) are—

- (a) the Welsh Ministers, in assessing a person's application for support under regulation 127, have determined in connection with the designated postgraduate course that the person falls within one of the categories set out in Part 2 of Schedule 1; and
- (b) the Welsh Ministers are satisfied that, by reason of a disability to which the person is subject, the person will be obliged to incur additional expenditure in respect of undertaking the course.

(4) Subject to paragraph (9), a person ("A" in this paragraph) is not an eligible postgraduate student if—

- (a) there has been bestowed on or paid to A in relation to A undertaking the course—
 - (i) a healthcare bursary;

- (ii) any allowance under the Nursing and Midwifery Student Allowances (Scotland) Regulations 2007;
 - (iii) any allowance, bursary or award of similar description made by a Research Council;
 - (iv) any allowance, bursary or award of similar description made by A's institution which includes any payment for the purpose of meeting additional expenditure incurred by A by reason of A's disability; or
 - (v) any allowance, bursary or award of similar description made under section 67(4)(a) of the Care Standards Act 2000⁽¹⁾ which includes payment for meeting additional expenditure incurred by A by reason of A's disability; or
- (b) A is in breach of an obligation to repay any loan;
 - (c) A has reached the age of 18 and has not ratified any agreement for a loan made with A when A was under the age of 18;
 - (d) A has, in the opinion of the Welsh Ministers, shown by A's conduct that A is unfitted to receive support under this Part.

(5) For the purposes of paragraphs (4)(b) and (4)(c), "loan" ("*benthyciad*") means a loan made under the student loans legislation.

(6) In a case where the agreement for a loan is subject to the law of Scotland, paragraph (4)(c) only applies if the agreement was made—

- (a) before the 25 September 1991; and
- (b) with the concurrence of the borrower's curator or at a time when the borrower had no curator.

(7) An eligible postgraduate student does not qualify for a grant under this Part if the only paragraph in Part 2 of Schedule 1 into which the eligible postgraduate student falls is paragraph 9.

(8) Save where the circumstances described in regulation 129(3)(c)(ii) apply such that an eligible postgraduate student undertakes part of that student's course overseas, an eligible postgraduate student does not qualify for a grant under this Part unless the eligible postgraduate student is undertaking the course in the United Kingdom.

(9) Subject to paragraphs (11) to (13) and despite paragraphs (3)(a) and (4), a person is an eligible postgraduate student for the purposes of this Part if the person satisfies the conditions in paragraph (3)(b) and paragraph (10)(a) or (b).

(1) 2000 c.14.

(10) The conditions referred to in paragraph (9) are—

(a) the—

- (ii) person was ordinarily resident in Wales on the first day of the first academic year of the present postgraduate course; and
- (iii) person's status as an eligible postgraduate student has not terminated;

(b) the—

- (ii) person's status as an eligible postgraduate student in connection with the course in sub-paragraph (b)(i) has been transferred from that course to the present course as a result of one or more transfers in accordance with regulations made by the Welsh Ministers under section 22 of the 1998 Act;
- (iii) person was ordinarily resident in Wales on the first day of the first academic year of the course referred to in sub-paragraph (b)(i); and
- (iv) person's status as an eligible postgraduate student has not terminated.

(11) Where—

- (a) the Welsh Ministers have determined that, by virtue of being a refugee or the spouse, civil partner, child or step-child of a refugee, a person ("A" in this paragraph) was an eligible postgraduate student in connection with an application for support for an earlier year of the present postgraduate course or an application in connection with another designated postgraduate course from which A's status as an eligible postgraduate student has been transferred to the present postgraduate course; and
- (b) as at the day before the academic year in respect of which A is applying for support starts, the refugee status of A or of A's spouse, civil partner, parent (as defined in Part 1 of Schedule 1) or step-parent has expired and no further leave to remain has been

granted and no appeal is pending (within the meaning of section 104 of the Nationality, Immigration and Asylum Act 2002),

A's status as an eligible postgraduate student terminates immediately before the first day of the academic year in respect of which A is applying for support.

(12) Where—

- (a) the Welsh Ministers have determined that, by virtue of being a refugee or the spouse, civil partner, child or step-child of a refugee, a person ("A" in this paragraph) was an eligible postgraduate student in connection with an application for support for an earlier year of the present postgraduate course or an application in connection with another designated postgraduate course from which A's status as an eligible postgraduate student has been transferred to the present postgraduate course; and
- (b) as at the day before the academic year in respect of which A is applying for support, the period for which the person with leave to enter or remain is allowed to stay in the United Kingdom has expired and no further leave to remain has been granted and no appeal is pending (within the meaning of section 104 of the Nationality, Immigration and Asylum Act 2002),

A's status as an eligible postgraduate student terminates immediately before the first day of the academic year in respect of which A is applying for support.

(13) Paragraphs (11) and (12) do not apply where the student began the course in connection with which the Welsh Ministers determined that the student was an eligible postgraduate student before 1 September 2007.

(14) An eligible postgraduate student does not, at any one time, qualify for support for—

- (a) more than one designated postgraduate course;
- (b) a designated postgraduate course and a designated distance learning course;
- (c) a designated postgraduate course and a designated course;
- (d) a designated postgraduate course and a designated part-time course.

- (b) a grant of the kind available under this Part is not available in respect of any academic year beginning before the academic year in which the relevant event occurred.

(2) The events are—

Designated postgraduate courses

124.—(1) A postgraduate course is designated for the purposes of section 22(1) of the 1998 Act and regulation 122 if—

- (a) it is a course entry for which a first degree (or equivalent qualification) or higher is normally required;
- (b) it is a course—
 - (i) of at least one academic year's duration; and
 - (ii) in the case of a part-time course which began before 1 September 2014, it is ordinarily possible to complete the course in not more than twice the period ordinarily

required to complete the full time equivalent; or

- (iii) in the case of a part-time course which begins on or after 1 September 2014, it is ordinarily possible to complete the course in not more than four times the period ordinarily required to complete the full time equivalent;
 - (c) it is wholly provided by a publicly funded educational institution in the United Kingdom or is provided by such an institution in conjunction with an institution outside the United Kingdom; and
 - (d) it is not a course for the initial training of teachers or a course taken as part of an employment based teacher training scheme.
- (2) For the purposes of paragraph (1)—
- (a) a course is provided by an institution if it provides the teaching and supervision which comprise the course, whether or not it has entered an agreement with the student to provide the course;
 - (b) a university and any constituent college or institution in the nature of a college of a university is regarded as publicly funded if either the university or the constituent college or institution is publicly funded; and

(4) For the purposes of section 22 of the 1998 Act and regulation 122, the Welsh Ministers may designate courses of higher education which are not designated under paragraph (1).

Period of eligibility

125.—(1) A student's status as an eligible postgraduate student is retained in connection with a designated postgraduate course until that status is terminated in accordance with this regulation or regulation 122.

(2) The period for which an eligible postgraduate student retains the status referred to in paragraph (1) is the "period of eligibility" ("*cyfnod cymhwysra*").

(3) Subject to the following paragraphs and regulation 122, the period of eligibility terminates at the end of the period ordinarily required for completion of the designated postgraduate course.

(4) The period of eligibility terminates when the eligible postgraduate student ("A" in this paragraph and paragraph (5))—

- (a) withdraws from A's designated postgraduate course in circumstances where the Welsh Ministers have not transferred or will not transfer A's status as an eligible postgraduate student to another course under regulation 126; or
- (b) abandons or is expelled from A's designated postgraduate course.

(5) The Welsh Ministers may terminate the period of eligibility where A has shown by A's conduct that A is unfitted to receive support under this Part.

(6) Where the eligible postgraduate student is undertaking a designated postgraduate course that is a part-time course, the period of eligibility terminates at the end of the academic year during or at the end of which it becomes impossible for the eligible postgraduate student to complete the course within the period specified in regulation 124(1)(b)(ii).

(7) If the Welsh Ministers are satisfied that an eligible postgraduate student has failed to comply with any requirement to provide information under this Part or has provided information which is inaccurate in a material particular, the Welsh Ministers may take such

of the following actions as they consider appropriate in the circumstances—

- (a) terminate the period of eligibility;
- (b) determine that the student no longer qualifies for a grant or any particular amount of grant under this Part;
- (c) treat any support paid to the student as an overpayment which may be recovered under regulation 131.

(8) Where the period of eligibility terminates on or before the expiry of the period ordinarily required for the completion of the designated postgraduate course, the Welsh Ministers may, at any time, renew the period of eligibility for such periods as they determine.

Transfer of status

126.—(1) Where an eligible postgraduate student transfers from a designated postgraduate course to another designated postgraduate course, the Welsh Ministers must transfer the student's status as an eligible postgraduate student to that other course where—

- (a) they receive a request from the eligible postgraduate student to do so;
- (b) they are satisfied that one or more of the grounds for transfer in paragraph (2) applies; and
- (c) the period of eligibility has not terminated.

(2) The grounds for transfer are—

- (a) on the recommendation of the academic authority the eligible postgraduate student starts to undertake another designated postgraduate course at the same institution; or
- (b) the eligible postgraduate student starts to undertake a designated postgraduate course at another institution.

(3) Subject to paragraph (4), an eligible postgraduate student who transfers under paragraph (1) is entitled to receive in connection with the academic year of the course to which the eligible postgraduate student transfers the remainder of the support under this Part for which the Welsh Ministers have determined the eligible postgraduate student qualifies in respect of the academic year of the course from which the eligible postgraduate student transfers.

(4) The Welsh Ministers may re-assess the support after the transfer in accordance with this Part.

(5) An eligible postgraduate student who transfers under paragraph (1) after the Welsh Ministers have determined the eligible postgraduate student's support under this Part in connection with the academic year of the course from which the eligible postgraduate

student is transferring but before the eligible postgraduate student completes that year may not apply for another grant under this Part in connection with the academic year of the course to which the eligible postgraduate student transfers.

Applications for support

127.—(1) A person must apply for a grant under this Part in connection with each academic year of a designated postgraduate course by completing and submitting to the Welsh Ministers an application in such form and accompanied by such documentation as the Welsh Ministers may require.

(2) The application must reach the Welsh Ministers as soon as is reasonably practicable.

(3) The Welsh Ministers may take such steps and make such inquiries as they consider necessary to determine whether the applicant is an eligible postgraduate student, whether the applicant qualifies for a grant and the amount of grant payable, if any.

- (4) The Welsh Ministers must notify the applicant—
- (a) whether the applicant qualifies for a grant;
 - (b) if the applicant does qualify, the amount payable in respect of the academic year, if any; and
 - (c) how that amount is allocated between the types of eligible expenditure.

Information

128. Schedule 3 applies in respect of the provision of information by an applicant and an eligible postgraduate student.

Amount of grant

129.—(1) Subject to paragraph (2), the grant payable to an eligible postgraduate student under this Part is such amount as the Welsh Ministers consider appropriate to assist with one or more types of eligible expenditure.

(2) The grant must not exceed £10,590 in respect of an academic year.

(3) For the purposes of this Part, the “types of eligible expenditure” are—

- (a) expenditure on a non-medical helper;
- (b) expenditure on major items of specialist equipment; and
- (c) additional expenditure incurred—
 - (i) within the United Kingdom for the purpose of attending the institution;

- (ii) within or outside the United Kingdom for the purpose of attending, as part of the course, any period of study at an overseas institution or for the purposes of attending the Institute.

(4) Subject to paragraphs (5) and (6), a grant under this Part is payable to an eligible postgraduate student in respect of the four quarters of the academic year.

(5) Where a grant under this Part is used for expenditure on major items of specialist equipment (within the meaning of paragraph (3)(b)) it may be payable in respect of the whole academic year.

(6) Where one of the events listed in regulation 123(2) occurs in the course of an academic year, an eligible postgraduate student may only qualify for a grant under this Part for the purposes specified in paragraph (3)(a) and (c) in respect of such quarters as begin after the relevant event occurs.

Payment of grant

130.—(1) The Welsh Ministers may pay a grant for which an eligible postgraduate student qualifies under this Part in such instalments (if any) and at such times as they consider appropriate and in the exercise of their functions under this Part they may make provisional payments pending the final calculation of the amount of grant for which the student qualifies.

(2) Payments may be made in such manner as the Welsh Ministers consider appropriate and they may make it a condition of entitlement to payment that the eligible postgraduate student must provide them with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

Overpayments

131.—(1) An eligible postgraduate student must, if so required by the Welsh Ministers, repay any amount paid to the eligible postgraduate student under this Part which for whatever reason exceeds the amount of grant to which the eligible postgraduate student is entitled under this Part.

(2) The Welsh Ministers must recover an overpayment of grant under this Part unless they consider it is not appropriate to do so.

(3) The methods of recovery are—

- (a) subtracting the overpayment from any kind of grant payable to the eligible postgraduate student from time to time pursuant to regulations made by the Welsh Ministers under section 22 of the 1998 Act;
- (b) taking such other action for the recovery of an overpayment as is available to them.

(4) A payment of grant under this Part made before the relevant date is an overpayment if the eligible postgraduate student withdraws from the course before the relevant date unless the Welsh Ministers decide otherwise.

(5) In this regulation, the “relevant date” (“*dyddiad perthnasol*”) is the date on which the first term of the academic year in question actually begins.

(6) In either of the circumstances in paragraphs (7) and (8), there is an overpayment of grant under this Part unless the Welsh Ministers decide otherwise.

(7) The circumstances referred to in paragraph (6) are—

- (a) the Welsh Ministers apply all or part of the grant under this Part to the purchase of specialist equipment on behalf of the eligible postgraduate student;
- (b) the student’s period of eligibility terminates after the relevant date; and
- (c) the equipment has not been delivered to the student before the student’s period of eligibility terminates.

(8) The circumstances referred to in paragraph (6) are—

- (a) the eligible postgraduate student’s period of eligibility terminates; and
- (b) a payment of grant under this Part in respect of specialist equipment is made to the student after the student’s period of eligibility terminated.

(9) Where there is an overpayment of the grant under this Part, the Welsh Ministers may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if they consider it is appropriate to do so.

(2) An eligible student who qualifies as an independent eligible student under paragraph 2(1)(j) in respect of an academic year of a designated course retains that status for the duration of the period of eligibility.

Household income

3.—(1) The amount of an eligible student's contribution depends on the household income.

(2) The household income is—

- (a) in the case of an eligible student who is not an independent eligible student, the residual income of the eligible student aggregated with the residual income of the eligible student's parents (subject to paragraph 5(10)) and—
 - (i) in the case of a new eligible student who began the specified designated course before 1 September 2005, the residual income of the partner (other than a partner within the meaning of paragraph 1(i)(iv)) of the new eligible student's parent (provided that the Welsh Ministers have selected that parent under paragraph 5(10)); or
 - (ii) in the case of a new eligible student who began the specified designated course on or after 1 September 2005, the residual income of the partner of the new eligible student's parent (provided that the Welsh Ministers have selected that parent under paragraph 5(10));
- (b) in the case of an independent eligible student who has a partner, the residual income of the independent eligible student aggregated with the residual income of the independent eligible student's partner (subject to subparagraph (4)); or
- (c) in the case of an independent eligible student who does not have a partner, the residual income of the independent eligible student.

(3) In determining the household income under subparagraph (2), the sum of £1,130 is deducted—

(1) Funding provided by the Research Councils in respect of full time post graduate study.

- (a) for each child wholly or mainly financially dependent on the eligible student or the eligible student's partner; or
- (b) for each child other than the eligible student wholly or mainly financially dependent on the eligible student's parent or the eligible student's parent's partner whose residual income is being taken into account.

(4) For the purpose of calculating the contribution payable in respect of a parent student, the residual income of the parent student's partner must not be aggregated under paragraph (b) of sub-paragraph (2) in the case of a parent student whose child or whose partner's child holds an award in respect of which the household income is calculated with reference to the residual income of the parent student or of the parent student's partner or of both.

Calculation of eligible student's residual income

4.—(1) For the purpose of determining the residual income of an eligible student, there is deducted from the eligible student's taxable income (unless already deducted in determining taxable income) the aggregate of any amounts falling within any of the following paragraphs—

- (a) any remuneration for work done during any academic year of the eligible student's course, provided that such remuneration does not include any sums paid in respect of any period for which the eligible student has leave of absence or is relieved of the eligible student's normal duties for the purpose of attending that course;
- (b) the gross amount of any premium or other sum paid by the eligible student in relation to a pension (not being a pension payable under a policy of life insurance) in respect of which relief is given under section 188 of the Finance Act 2004⁽¹⁾, or where the eligible student's income is computed for the purposes of the income tax legislation of another Member State, the gross amount of any such premium or sum in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts.

(2) Where the only paragraph in Part 2 of Schedule 1 into which an eligible student falls is paragraph 9 and the eligible student's income arises from sources or under legislation different from sources or legislation normally relevant to a person referred to in paragraph

(1) 2004 c.12; section 188 was amended by the Finance Act 2007 (c.11), sections 68, 69 and 114 and Schedules 18, 19 and 27.

9 of Part 2 of Schedule 1, the eligible student's income is not disregarded in accordance with sub-paragraph (1) but is instead disregarded to the extent necessary to ensure that the eligible student is treated no less favourably than a person who is referred to in any paragraph of Part 2 of Schedule 1 would be treated if in similar circumstances and in receipt of similar income.

(3) Where the eligible student receives income in a currency other than sterling, the value of that income for the purpose of this paragraph is—

- (a) if the eligible student purchases sterling with the income, the amount of sterling the eligible student so receives;
- (b) otherwise, the value of the sterling which the income would purchase using the rate for the month in which it is received published by the Office for National Statistics⁽¹⁾.

Calculation of parent's residual income

5.—(1) For the purposes of determining the taxable income of an eligible student's parent ("A" in this paragraph), any deductions which fall to be made or exemptions which are permitted—

- (a) by way of personal reliefs provided for in Chapter 1 of Part VII of the Income and Corporation Taxes Act 1988⁽²⁾ or, where the income is computed for the purposes of the income tax legislation of another Member State, any comparable personal reliefs;
- (b) pursuant to any enactment or rule of law under which payments which would otherwise under United Kingdom law form part of a person's income are not treated as such; or
- (c) under sub-paragraph (2),

must not be made or permitted.

(2) For the purposes of determining the residual income of A, there is deducted from the taxable income determined under sub-paragraph (1) the aggregate of any amounts falling within any of the following paragraphs—

- (a) the gross amount of any premium or sum relating to a pension (not being a premium payable under a policy of life assurance) in respect of which relief is given under section 188 of the Finance Act 2004, or where the income is computed for the purposes of the income tax legislation of another Member

(2) 1988 c. 1 to which there are amendments not relevant to these Regulations.

State, the gross amount of any such premium in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts;

(b) in any case where income is computed for the purposes of the Income Tax Acts by virtue of sub-paragraph (7) any sums equivalent to the deduction mentioned in paragraph (a) of this sub-paragraph, provided that any sums so deducted do not exceed the deductions which would be made if the whole of A's income were in fact income for the purposes of the Income Tax Acts;

(c) where A is a parent student or A holds a statutory award, £1,130.

(3) Subject to sub-paragraph (4) where the Welsh Ministers are satisfied that the residual income of A in the financial year beginning immediately before the relevant year ("the current financial year" in this paragraph) is likely to be not more than 85 per cent of the sterling value of A's residual income in the prior financial year they must, for the purpose of enabling the eligible student to attend the course without hardship, ascertain A's residual income for the current financial year.

(4) In the event that sub-paragraph (3) or this sub-paragraph is applied in respect of the previous academic year of the present course and the Welsh Ministers are satisfied that the residual income of A in the current financial year is likely to be not more than 85 per cent of the sterling value of A's residual income in the preceding financial year the Welsh Ministers must, for the purpose of enabling the eligible student to attend the course without hardship, assess A's residual income for the current financial year.

(5) In an academic year immediately following one in which the Welsh Ministers have ascertained the residual income of A under sub-paragraph (3) or where applicable under sub-paragraph (4) and the Welsh Ministers are satisfied that the residual income of A in the current financial year is likely to be not more than 85 per cent of the sterling value of A's residual income in the preceding financial year, the Welsh Ministers must ascertain A's residual income for the preceding financial year.

(6) Where A satisfies the Welsh Ministers that A's income is wholly or mainly derived from the profits of a business or profession carried on by A, then any reference in this Schedule to a prior financial year means the earliest period of twelve months which ends after the start of the prior financial year and in respect of which accounts are kept relating to that business or profession.

(7) Where A is in receipt of any income which does not form part of A's income for the purposes of the

Income Tax Acts or the income tax legislation of another Member State by reason only that—

- (a) A is not resident or domiciled in the United Kingdom, or where A's income is computed as for the purposes of the income tax legislation of another Member State, not so resident or domiciled in that Member State;
- (b) the income does not arise in the United Kingdom, or where A's income is computed as for the purposes of the income tax legislation of another Member State, does not arise in that Member State; or
- (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any legislation,

A's taxable income for the purposes of this Schedule is computed as though the income under this subparagraph were part of A's income for the purposes of the Income Tax Acts or the income tax legislation of another Member State, as the case may be.

(8) Where A's income is computed as for the purposes of the income tax legislation of another Member State, it is computed under the provisions of this Schedule in the currency of that Member State and A's income for the purposes of this Schedule is the sterling value of that income determined in accordance with the rate for the month in which the last day of the financial year in question falls, as published by the Office for National Statistics.

(9) Where one of the eligible student's parents dies either before or during the relevant year and that parent's income has been or would be taken into account for the purpose of determining the household income, the household income is—

- (a) where the parent dies before the relevant year, determined by reference to the income of the surviving parent; or
- (b) where the parent dies during the relevant year, the aggregate of—
 - (i) the appropriate proportion of the household income determined by reference to the income of both parents, being the proportion in respect of that part of the relevant year during which both parents were alive; and
 - (ii) the appropriate proportion of the household income determined by reference to the income of the surviving parent, being the proportion in respect of that part of the relevant year remaining after the death of the other parent.

(10) Where the Welsh Ministers determine that the parents are separated for the duration of the relevant

year, the household income is determined by reference to the income of whichever parent the Welsh Ministers consider the more appropriate under the circumstances.

(11) Where the Welsh Ministers determine that the parents have separated in the course of the relevant year, the household income is determined by reference to the aggregate of—

- (a) the appropriate proportion of the household income determined in accordance with sub-paragraph (10), being the proportion in respect of that part of the relevant year during which the parents are separated; and
- (b) the appropriate proportion of the household income determined otherwise in respect of the remainder of the relevant year.

Calculation of eligible student's partner's residual income

6.—(1) Subject to sub-paragraphs (2), (3) and (4) of this paragraph, an eligible student's partner's income is determined in accordance with paragraph 5 (other than sub-paragraphs (9), (10) and (11) of paragraph 5), references to the parent being construed as references to the eligible student's partner.

(2) Where the Welsh Ministers determine that the eligible student and the eligible student's partner are separated for the duration of the relevant year, the partner's income is not taken into account in determining the household income.

(3) Where the Welsh Ministers determine that the eligible student and the eligible student's partner have separated in the course of the relevant year, the partner's income is determined by reference to the partner's income under sub-paragraph (1) divided by fifty-two and multiplied by the number of complete weeks in the relevant year for which the Welsh Ministers determine that the eligible student and the eligible student's partner are not separated.

(4) Where an eligible student has more than one partner in any one academic year, the provisions of this paragraph apply in relation to each.

Calculation of parent's partner's residual income

7. The income of a new eligible student's parent's partner whose income is part of the household income by virtue of paragraph 3(2)(a) is determined in accordance with paragraph 6, references to the eligible student's partner being construed as references to the new eligible student's parent's partner, and references to the eligible student being construed as references to the new eligible student's parent.

Calculation of contribution – old system eligible students

8.—(1) The contribution payable in relation to an old system eligible student who is not an independent eligible student or an old system eligible student who is an independent eligible student with a partner is—

(3) The amount of the contribution payable under sub-paragraph (1) or (2) must in no case exceed £7,992.

(4) The contribution may be adjusted in accordance with paragraph 10.

(5) Where sub-paragraph (6) applies, the aggregate contributions must not exceed £7,992.

(6) This sub-paragraph applies where—

- (b) the household income consists of the residual income of an independent eligible student and the independent eligible student's partner where both hold a statutory award.

9.—(1) Where the eligible student is a new system eligible student who is not a new cohort student, the contribution payable is—

Household income

2.—(1) The amount of an eligible part-time student’s contribution depends on the household income.

(2) The household income is—

- (a) in the case of an eligible part-time student who has a partner, the residual income of the eligible part-time student aggregated with the residual income of the eligible part-time

student's partner (subject to sub-paragraph (4)); or

(b) in the case of an eligible part-time student who does not have a partner, the residual income of the eligible part-time student.

(3) In determining the household income under sub-paragraph (2), the sum of £1,130 is deducted for each child wholly or mainly financially dependent on the eligible part-time student or that student's partner.

(4) For the purpose of calculating the contribution payable in respect of a parent student, the residual income of the parent student's partner must not be aggregated under paragraph (a) of sub-paragraph (2) in the case of a parent student whose child or whose partner's child who is an eligible student holds an award in respect of which the household income is calculated with reference to the residual income of the parent student or of the parent student's partner or of both.

Calculation of eligible part-time student's residual income

3.—(1) For the purpose of determining the residual income of an eligible part-time student, there is deducted from the eligible part-time student's taxable income (unless already deducted in determining taxable income) the gross amount of any premium or other sum paid by the eligible part-time student in relation to a pension (not being a pension payable under a policy of life insurance) in respect of which relief is given under section 188 of the Finance Act 2004⁽¹⁾, or where the eligible part-time student's income is computed for the purposes of the income tax legislation of another Member State, the gross amount of any such premium or sum in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts.

(2) Where the only paragraph in Part 2 of Schedule 1 into which an eligible part-time student falls is paragraph 9 and the eligible part-time student's income arises from sources or under legislation different from sources or legislation normally relevant to a person referred to in paragraph 9 of Part 2 of Schedule 1, the eligible part-time student's income is not disregarded in accordance with sub-paragraph (1) but is instead disregarded to the extent necessary to ensure that the eligible part-time student is treated no less favourably than a person who is referred to in any paragraph of Part 2 of Schedule 1 would be treated if in similar circumstances and in receipt of similar income.

(1) 2004 c.12; section 188 was amended by the Finance Act 2007 (c.11), sections 68, 69 and 114 and Schedules 18, 19 and 27.

(3) Where the eligible part-time student receives income in a currency other than sterling, the value of that income for the purpose of this paragraph is—

- (a) if the eligible part-time student purchases sterling with the income, the amount of sterling the eligible part-time student so receives;
- (b) otherwise, the value of the sterling which the income would purchase using the rate for the month in which it is received published by the Office for National Statistics⁽¹⁾.

Calculation of eligible part-time student's partner's residual income

4.—(1) For the purposes of determining the taxable income of an eligible part-time student's partner ("A" in this paragraph), any deductions which fall to be made or exemptions which are permitted—

- (a) by way of personal reliefs provided for in Chapter 1 of Part VII of the Income and Corporation Taxes Act 1988 or, where the income is computed for the purposes of the income tax legislation of another Member State, any comparable personal reliefs;
- (b) pursuant to any enactment or rule of law under which payments which would otherwise under United Kingdom law form part of a person's income are not treated as such; or
- (c) under sub-paragraph (2),

must not be made or permitted.

(2) For the purposes of determining the residual income of A, there is deducted from the taxable income determined under sub-paragraph (1) the aggregate of any amounts falling within any of the following paragraphs—

- (a) the gross amount of any premium or sum relating to a pension (not being a premium payable under a policy of life assurance) in respect of which relief is given under section 188 of the Finance Act 2004, or where the income is computed for the purposes of the income tax legislation of another Member State, the gross amount of any such premium in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts;
- (b) in any case where income is computed for the purposes of the Income Tax Acts by virtue of sub-paragraph (6) any sums equivalent to the

(1) "Financial Statistics" (ISSN 0015-203X).

deduction mentioned in paragraph (a) of this sub-paragraph, provided that any sums so deducted do not exceed the deductions which would be made if the whole of A's income were in fact income for the purposes of the Income Tax Acts.

(3) Where the Welsh Ministers are satisfied that the residual income of A in the financial year beginning immediately before the relevant year ("the current financial year") is likely to be not more than 85 per cent of the sterling value of A's residual income in the preceding financial year they must, for the purpose of enabling the eligible part-time student to attend the course without hardship, ascertain A's residual income for the current financial year.

(4) Where the Welsh Ministers are satisfied that the residual income of A in any financial year is, as a result of any event, likely to be and to continue after that year to be not more than 85 per cent of the sterling value of A's residual income in the previous financial year they must, for the purpose of enabling the eligible part-time student to attend the course without hardship, ascertain the household income for the academic year of the eligible part-time student's course in which that event occurred by taking as the residual income of A the average of A's residual income for each of the financial years in which that academic year falls.

(5) Where A satisfies the Welsh Ministers that A's income is wholly or mainly derived from the profits of a business or profession carried on by A, then any reference in this Schedule to a preceding financial year means the earliest period of twelve months which ends after the start of the preceding financial year and in respect of which accounts are kept relating to that business or profession.

(6) Where A is in receipt of any income which does not form part of A's income for the purposes of the Income Tax Acts or the income tax legislation of another Member State by reason only that—

- (a) A is not resident, ordinarily resident or domiciled in the United Kingdom, or where A's income is computed as for the purposes of the income tax legislation of another Member State, not so resident, ordinarily resident or domiciled in that Member State;
- (b) the income does not arise in the United Kingdom, or where A's income is computed as for the purposes of the income tax legislation of another Member State, does not arise in that Member State; or
- (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any legislation,

A's taxable income for the purposes of this Schedule is computed as though the income under this sub-paragraph were part of A's income for the purposes of the Income Tax Acts or the income tax legislation of another Member State, as the case may be.

(7) Where A's income is computed as for the purposes of the income tax legislation of another Member State, it is computed under the provisions of this Schedule in the currency of that Member State and A's income for the purposes of this Schedule is the sterling value of that income determined in accordance with the rate for the month in which the last day of the financial year in question falls, as published by the Office for National Statistics.

(8) Where the Welsh Ministers determine that the eligible part-time student and the eligible part-time student's partner are separated for the duration of the relevant year, the partner's income is not taken into account in determining the household income.

(9) Where the Welsh Ministers determine that the eligible part-time student and the eligible part-time student's partner have separated in the course of the relevant year, the partner's income is determined by reference to the partner's income under sub-paragraph (1) divided by fifty-two and multiplied by the number of complete weeks in the relevant year for which the Welsh Ministers determine that the eligible part-time student and the eligible part-time student's partner are not separated.

(10) Where an eligible part-time student has more than one partner in any one academic year, the provisions of this paragraph apply in relation to each.

Calculation of contribution

5.—(1) The contribution payable in relation to an eligible part-time student is—

- (a) in any case where the household income exceeds £39,793, £1 for every £9.27 by which the household income exceeds £39,793; and
- (b) in any case where the household income is £39,793 or less, nil.

(2) The contribution must not in any case exceed £6,208.

(3) The contribution may be adjusted in accordance with paragraph 6.

(4) Where sub-paragraph (5) applies, the aggregate contributions must not exceed £6,208.

(5) This sub-paragraph applies where the household income consists of the residual income of an eligible part-time student and the eligible part-time student's partner where both hold a statutory award.

Split contributions
