

P-04-331 Filming and Recording of Council Meetings

Petition wording

We call upon the National Assembly for Wales to urge the Welsh Government to place a statutory requirement on all local authorities in Wales to record, broadcast or livestream all Council meetings which are open to the public, via their existing websites to ensure openness and transparency. This requirement should allow members of the public, as responsible observers, to record or film such meetings without the need for prior permission and to re-use the material freely to provide a direct and wider line of communication to the electorate.

Background

This petition was raised by Jacqui Thompson and collected 223 signatures.
