*Dear Christine*

**Communities, Equality and Local Government Committee Scrutiny Committee  
Inquiry into Human Trafficking 13 March 2014 - request for Further Information  
following 13 March meeting**

Thank you for inviting me to give evidence to the Communities, Equality and Local Government Scrutiny Committee on 13 March on Human Trafficking/Slavery.

I committed to provide Committee with further information on a number of issues. These are listed below with my responses:

- a note on the legal responsibility of a building/land owner where slavery/human trafficking activities may be taking place

Any person who knowingly allows their building or land to be used for the commission of slavery/human trafficking offences commits an offence. Depending on the person's involvement and complicity they may be charged with offences which include conspiracy and aiding and abetting the commission of such offences.
