

P-04-436 : Government Expenditure and Revenue Wales

Petition wording:

We call on the National Assembly for Wales to urge the Welsh Government to put together a Government Expenditure and Revenue Wales report.

In Scotland they have the GERS report, it aims to enhance public understanding of fiscal issues through detailed analysis of official UK and Scottish Government financial statistics. It's time that the Welsh Government published a similar report so that we can truly see the fiscal position of Wales.
