P-04-547 Ban Polystyrene(EPS) Fast Food and Drinks Packaging

**Petition wording:** 

The time has come to halt the sight of millions of polystyrene food and

drinks cartons littering the beaches and countryside of Wales.

Polystyrene(EPS) is a major component of urban litter and marine debris. It is

detrimental to wildlife that ingests it and costs millions for Welsh Councils to

remove from our streets. Polystyrene takes hundreds of years to degrade.

Over 100 US (including New York), Canadian, and also European cities have

banned polystyrene food packaging as a result of the negative impacts of the

Environment. We hope that wales will have the vision to join that list.

Therefore, with so many alternatives to polystyrene(EPS) packaging now

available which has significantly less impact on the environment and human

health and also to save Welsh taxpayers millions of pounds in street

cleansing costs we, the undersigned, request that the Welsh Government

introduces a ban on all polystyrene fast food and drink packaging.
