Ann Jones AM

Chair, Children, Young People and Education Committee

Dear Ann,

Regulation and Inspection of Social Care (Wales) Bill

As you will be aware, the Regulation and Inspection of Social Care (Wales) Bill was introduced on 23 February 2015. The Bill has been referred by the Business Committee to the Health and Social Care Committee for Stage 1 scrutiny, with a reporting deadline of 3 July 2015. The HSC Committee launched a public consultation between 2 March and 24 April, and intends to take oral evidence between 25 March and 3 June.

The Bill relates to the regulation and inspection of social care for people of all ages, including children and young people. You may recall that during scrutiny of the Social Services and Well-being (Wales) Bill, your Committee took evidence on the impact of that Bill on children and young people, and subsequently wrote to the HSC Committee.

It would be helpful if you could indicate whether the CYPE Committee is likely take a similar approach in relation to this Bill.

Yours sincerely,

David Rees AM
