P-04-598 Disability Awareness Training

Petition wording:

We want to make disability awareness training compulsory across any

organisation providing face to face customer service. So that staff know how

to assist and support a disabled person confidently, safely, effectively and

equally. The Equality Act 2010 states that all organisations should make a

reasonable adjustment for a disabled person, however there are many

organisations that are unsure how to do this correctly and reasonably.

Therefore we would like to see a more inclusive society and a law put into

place so that people are aware of disability and raise the quality of

customers experiences for disabled people or currently know how to support

disabled people.

The training should incorporate adequate time of each element of disability

separately. Mental health, visual impairment, learning, hearing and physical.

I recommend half day training per element. This training should be renewed

every 3 years to keep up to date.
