Dear William,

Requesting information from health boards in Wales

Thank you for your letter relating to the above subject, received on 9 April 2015.

Your letter asks whether the Health and Social Care Committee (“the Committee”) has experienced delays receiving information it has requested from health boards in Wales. I can confirm that the Committee has not experienced delays similar to those reported by the Petitions Committee.

The Committee is particularly grateful to the Welsh NHS Confederation for its assistance in this regard. Its staff work with Committee clerks to ensure the information requested is:

- sought from the most relevant officers within health boards;
- received in a timely manner; and
- provided in the level of detail necessary to enable the Committee to complete its work effectively.

Yours sincerely,

David Rees AM
