Constitutional and Legislative Affairs Committee Draft Report

Title: The Crime and Disorder (Formulation and Implementation of Strategy) (Wales) (Amendment) Regulations 2011

Procedure: Negative

These Regulations provide for the simplification of the provisions relating to strategy groups and the preparation of strategies in the Crime and Disorder (Formulation and Implementation of Strategy) (Wales) Regulations 2007 with effect from 5th December 2011.

Technical Scrutiny

The following points are identified for reporting under Standing Order 21.2 in respect of this instrument.

1. The Order is required to be made jointly by Welsh Ministers and the Secretary of State by section 6(9) of the Crime and Disorder Act 1998. It will therefore be laid before Parliament and has therefore been prepared in English only.

[Standing Order 21.2(ix) – that it has not been made in both English and Welsh]

Merits Scrutiny

No points are identified for reporting under Standing Order 21.3 in respect of this instrument.

Legal Advisers

Constitutional and Legislative Affairs Committee

November 2011

The Government has responded as follows:

The Crime and Disorder (Formulation and Implementation of Strategy) (Wales) (Amendment) Regulations 2011

As indicated in the report, these amending Regulations have been prepared in English only. It is practice to prepare statutory instruments in English only when instruments are joint and are to be laid in Parliament. For that reason

the Regulations to be amended, ie those made in 2007, were also prepared in English only.
