## Consultation questions

**Question 1** – how would you describe the current condition of the bus and community transport sectors in Wales?

Whilst the Council cannot comment upon the provision throughout Wales, they do consider the provision within the Templeton community area to be excellent.

**Question 2** – why do you think the number of bus services and the number of bus passengers is declining in Wales?

They are not aware that the numbers are declining in the local area – they cannot speak for the whole of Wales.

**Question 3** – what do you think is the social, economic and environmental impact of recent changes in bus and community transport service levels?

The recent changes have not had a major impact, but they would like to express their concern over any further possible grant or other reductions, which would have a detrimental effect.

**Question 4** – what do you think the Welsh Government should do to support bus and community transport in Wales?

The Welsh Government should continue the support at least at its current level – they should not reduce any grant assistance further.

**Question 5** – what do you think Welsh local authorities should do to support bus and community transport services?

The Welsh local authorities should continue the support at least at its current level – they should not reduce any grant assistance further.

**Question 6** – what do you think about proposals to devolve bus registration powers to Wales? How should these be used?

No specific views upon this were expressed.

**Question 7** – please tell us whether you think further powers to regulate the bus industry in Wales are required and why?

No specific views upon this were expressed.

**Question 8** – what other action can be taken to ensure that bus and community transport services meet the needs of people in Wales?

No specific views upon this were expressed.

Please tell us anything else you would like to mention this topic, thank you for contributing to our inquiry.
