**P-03-222 National Osteoporosis Society**

**Petition Wording**

The National Osteoporosis Society calls upon the National Assembly for Wales to urge the Welsh government to fully implement the Falls and Fractures Standard in the National Service Framework for Older People, ensuring that patients with and at risk of fragility fractures are identified, assessed and treated by Fracture Liaison Services (FLS) in all of the new Local Health Boards. We would like a FLS to be linked to every hospital that receives fragility fractures, and ask that the Welsh government insists upon universal provision of FLS's across the NHS in Wales
