Dear Dr Goodall

Finance Committee's legacy – National Health Service Finance (Wales) Act 2014

I am writing to inform you that the Finance Committee is currently considering its legacy and as part of this has agreed to undertake post legislative scrutiny of the National Health Service Finance (Wales) Act 2014.

The outcomes of this Act are regularly raised in the annual budget round and the Committee is particularly interested in reviewing how the three year plans for local health boards are working.

The Committee would be pleased if you were able to attend a meeting on 11 November at 9am. Please could you contact the Deputy Clerk to the Committee, Tanwen Summers (seneddfinance@assembly.wales) on 0300 200 6386 to make the necessary arrangements.

I am copying this letter to the Minister for Health and Social Services.

Yours sincerely,

Jocelyn Davies AM

Chair
