

2016 No. 137 (W. 66)

EDUCATION, WALES

**The Government of Maintained
Schools (Training Requirements for
Governors) (Wales) (Amendment)
Regulations 2016**

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Government of Maintained Schools (Training Requirements for Governors) (Wales) Regulations 2013 (“the 2013 Regulations”) set out the training requirements for governors at maintained schools in Wales. The training requirements in relation to school performance data are set out in a document entitled “Training for school governors in Wales on understanding school data” and is referred to in the definition of “the school performance data training” (“the 2014 document”) in regulation 2 of the 2013 Regulations. Regulation 2 of these Regulations amends that definition so as to substitute the reference to the 2014 document for a reference to the new school performance data training requirements set out in a document entitled “Training for school governors in Wales on understanding school data” (“the 2016 document”).

Regulation 3 contains a saving provision the effect of which is that existing school governors do not have to complete the training in the 2016 document if they have already completed the training required by the 2013 Regulations before these Regulations came into force.

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
