

P-04-503 Regeneration of Ton and Pentre

Petition wording:

We call on the National Assembly to urge the Welsh Government to give special consideration for the use of European Regional Funding to redevelop Ton and Pentre in the Rhondda Valley.

Additional information:

Ferndale and Maerdy in the Rhondda Fach and Treorchy and Treherbert in the Rhondda Fawr have received European funding through the Heads of the Valleys Programme for the purpose of redevelopment. We feel that Ton and Pentre should now benefit from European funding also to bring them into line with the rest of the area.
