Dear William

Thank you for your letter of 29 February regarding Petition P-04-468 relating to the A48 Wye Bridge in Chepstow.

I have corresponded at length with the Town Council and my officials have met with them on site to discuss their concerns.

As I have set out previously, I am satisfied that the advice from my officials is accurate and that the current speed limit should remain. A safety audit of the new pedestrian barriers recommended a risk assessment relating to a gap for cyclists to access the steps at Tutshill, which we will be undertaking shortly.

My officials will continue to monitor the safety of the bridge.
