Dear Janet

Thank you for your letter of 9 February regarding Petition P-05-943 'We call on the Welsh Government to take urgent action to secure improvements to the A487 between Gellilydan and Maentwrog.'

We undertook improvements along this stretch of road in early 2020. This included a new 40 mph speed restriction as well as improved road marking, signing and safety barrier work. Extensive resurfacing work was also carried out which included the installation of high friction surfacing.

We are currently monitoring compliance with the new speed limit via measuring equipment and will continue to monitor this section for any further safety improvements.

Yours sincerely
