Llywydd

16 March 2021

Dear Llywydd,

**Public Accounts Committee report: ‘Delivering for future generations: the story so far’**

I am pleased to send you an embargoed copy of the Public Accounts Committee’s report, ‘Delivering for future generations: the story so far’. The report will be laid tomorrow, 17 March, and debated on 24 March. As you will note, we have made two recommendations to the Business Committee of the Sixth Senedd:

**Recommendation 13.** The Business Committee of the Sixth Senedd should ensure that the Senedd’s Committee structure facilitates effective scrutiny of legislation such as the Well-being of Future Generations (Wales) Act 2015 and other matters that cross policy areas and Ministerial portfolios.

**Recommendation 14.** The Business Committee of the Sixth Senedd should give specific consideration to how post-legislative scrutiny of the Well-being of Future Generations (Wales) Act 2015 should be undertaken, and refer that body of work to an appropriate Committee or forum accordingly.

I would be appreciative if the Sixth Senedd’s Business Committee’s response can be directed to the incoming Chair of the Public Accounts Committee.

Yours sincerely,

**Nick Ramsay MS**  
**Chair**
