

P-06-1409 Cease all further planning for road charging in Wales

This petition was submitted by Daniel Healey-Benson, having collected a total of 10,183 signatures.

Text of Petition:

The National transport plan 2022-2027 indicates the Welsh government are planning to introduce road charging in Wales. We the Welsh public do not support such a strategy and would like the Welsh government to cease all further planning for such a strategy.
