

P-06-1494 Welsh Government to protect funding in education from WG and Local Authority cuts

This petition was submitted by Catherine Drews, having collected 11,040 signatures online.

Text of petition:

ALN Reform Wales call on Welsh Government to protect funding in education from WG and LA cuts. There are numerous reports of LA's putting out consultations or actual published budgets with massive cuts to education budget. Jeremy Miles pledged to invest in education. This cannot be allowed to happen to the most vulnerable members of society. Recent reports show Wales education standards have fallen. Our children's education is the best investment in social justice and a healthy economy.
