Annwyl Elin,

## **WELSH STATUTORY INSTRUMENTS**

Further to my letter of 25 November, The National Archives have advised their final testing of the design for Welsh statutory instruments has shown that the Helvetica typeface does not fully support all the Welsh diacritics.

I have therefore chosen "Arimo" which is similar to Helvetica but importantly can produce all the necessary diacritics.

This week I anticipate you will see the first Welsh statutory instruments being laid before the Senedd, and these will use the Arimo typeface.

Yn gywir,

**Julie James AS/MS**
