Dear Christine,

In your letter of 22 January about the priorities of the Welsh Government on Local Government spending, you expressed a wish to be kept informed of the outcome of the consultation on the Action Plan for Alternative Delivery Models in public service delivery.

I am pleased to say that we received a number of responses from relevant individuals and organisations to the consultation, which closed on 13 January 2016. The summary of responses and the final Action Plan on Alternative Delivery Models in Public Service have now been published.

I attach links to the consultation summary report and the Action Plan for the Committee's information.
