Dear David

Disqualification from membership of the National Assembly for Wales

I am pleased to note that the Constitutional and Legislative Affairs Committee has agreed to take forward an inquiry into the rules pertaining to disqualifications from Assembly membership.

I enclose the Welsh Government's written memorandum on disqualification issues, which I hope will aid you in your consideration of these matters.

The Welsh Government attaches considerable importance to these matters and we look forward to the outcome of the Committee's inquiry.

Yours sincerely
