SL(5)003 - The European Maritime and Fisheries Fund (Grants) (Wales) Regulations 2016

Procedure: Negative

These Regulations put in place a mechanism to allow the Welsh Ministers to co-finance assistance provided to the fisheries and aquaculture sector from the new European Maritime and Fisheries Fund, as they apply to the operational programmes established under Regulation (EU) No 508/2014.

In addition, these Regulations revoke and replace the European Fisheries Fund (Grants) (Wales) Regulations 2009 (SI/2009/360) ('the 2009 Regulations'). They contain a transitional provision so that applications received by the Welsh Ministers before 31 December 2015 will continue to be dealt with under the terms of the 2009 Regulations.
