**Review of the role and functions of the Children's Commissioner for
Wales**

Thank you for letter of 23 July, inviting contributions to the review of the role and functions of the Children's Commissioner for Wales.

The Committee considered the terms of reference for the review at its meeting on 22 September 2014, and agreed that they would like to contribute to the review.

Your covering letter states that you are looking to complete external engagements by October. The Committee has quite a full programme for the end of September early October, therefore I would be grateful if you could confirm with official if we can submit a response toward the end of October.

Yours sincerely
