28 August 2016

*Dear Mike,*

Thank you for your letter of 3 August regarding P-04-686 Install a Traffic Lights System at Cross Hands Roundabout.

The collision mitigation study concluded last year, and recommended some improvements to relocated street furniture and improve the signing at the roundabout to make it more visible, and improve safety. Design of these improvements is planned for this financial year, subject to funding.

In 2015/16 we provided funding of £1.325 million to Carmarthenshire County Council, through our Local Transport Fund, towards the cost of the Cross Hands Economic Link Road. They have completed the first phase of this road, which runs from the A48 Meadows Road bridge to Black Lion Road. Carmarthenshire County Council has also recently completed a new road, south west of the roundabout from the A476 to Cefneithin Road running parallel to the A48, but it is not yet open to traffic.

These improvements have been made to improve traffic flows and safety at the roundabout. Once the roads have been completed there will be another opportunity to consider if any changes are required to the roundabout.

*Yours ever,  
Ken*
