**NATIONAL HEALTH
SERVICE, WALES**

The National Health Service
(General Ophthalmic Services and
Optical Charges and Payments)
(Amendment) (Wales) Regulations
2016

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (General Ophthalmic Services) Regulations 1986 (“the General Ophthalmic Services Regulations”), the National Health Service (Optical Charges and Payments) Regulations 1997 (“the Optical Charges and Payments Regulations”) and the National Health Service (General Ophthalmic Services Supplementary List) and (General Ophthalmic Services) (Amendment and Consequential Amendment) (Wales) Regulations 2006 (“the Supplementary List Regulations”).

Regulations 2, 3(2) and 4 amend the General Ophthalmic Services Regulations to allow a Local Health Board discretion to refuse to admit or remove an ophthalmic medical practitioner or optician (“a practitioner”) from its ophthalmic list if the practitioner has been convicted of any criminal offence (other than murder) and has been sentenced to a term of imprisonment (whether suspended or not) of over six months.

Regulation 3(3), (4) and (5) amend the General Ophthalmic Services Regulations to allow a Local Health Board discretion as to whether the Local Health Board removes a practitioner from its ophthalmic list if the practitioner has not performed general ophthalmic services in its locality in the preceding twelve months.

Regulation 5 amends the General Ophthalmic Services Regulations to allow General Ophthalmic Services forms to be signed with digital ink and

submitted electronically and removes the requirement for practitioners to inform a patient's doctor of the results of a sight test of a patient diagnosed with diabetes or glaucoma.

Regulations 6 and 7 amend the Optical Charges and Payments Regulations. Regulation 6 provides a new definition for the term "small glasses". Regulation 7 substitutes Schedule 2 paragraph 1(1)(g) to make new provision for practitioners to issue and certify vouchers for glasses where the frame needs to be specially manufactured.

Regulation 8 amends the Supplementary List Regulations so as to provide a Local Health Board with new discretion as to whether they refuse an application by a practitioner for inclusion on a supplementary list for those assisting in the provision of general ophthalmic services ("the supplementary list"). A practitioner who has been convicted of any criminal offence (other than murder) and has been sentenced to a term of imprisonment (whether suspended or not) of over six months may, at the discretion of the Local Health Board, be included on the supplementary list.

Currently where a practitioner cannot demonstrate that he or she assisted in the provision of general ophthalmic services within a Local Health Board's area during the preceding six months, the Local Health Board may remove the practitioner from its supplementary list. Regulation 9 extends this period from six months to twelve months.

Regulation 9 also amends the Supplementary List Regulations so as to provide a Local Health Board with new discretion as to whether they remove a practitioner from the supplementary list. A practitioner who has been convicted of any criminal offence (other than murder) and has been sentenced to a term of imprisonment (whether suspended or not) of over six months may, at the discretion of the Local Health Board, be removed from the supplementary list.
