Chair, Finance Committee
National Assembly for Wales

Annwyl Simon,

6 December 2016

When I responded to the Finance Committee report on the First Supplementary Budget for 2016–7, I committed to providing the Committee with details of the impact of Barnett consequential on the Wales DEL following UK Government fiscal events.

Following the UK Government's Autumn Statement please find attached, at Annex A, a detailed list of all Barnett consequential notified on 23 November, along with aggregated totals for each classification of expenditure in the financial years 2016-17 to 2020-21.

It is important to emphasise that these are indicative figures and are subject to confirmation in the settlement letter from HM Treasury, which we are still to receive.

I have for clarity also included in the table the additional funding recently announced by the UK Government as a result of the Apprenticeship Levy.

I hope that this information is helpful to the Committee.

Yn gywir,
