

Mike Hedges AM
Chair, Petitions Committee
National Assembly for Wales

15 December 2016

Dear Mike

Petition P-04-663 Food in Welsh Hospitals

As you are aware, the Public Accounts Committee has gathered further evidence on hospital catering and patient nutrition following the publication of the Auditor General for Wales's Memorandum in September 2016. As part of that evidence gathering, I wrote to all health boards and Velindre NHS Trust seeking responses to a standard set of questions. All the organisations responses are published on the Committee's webpage for this issue:

At its meeting on 12 December, the Committee agreed to prepare and publish a short report which you will receive as Chair of Petitions Committee in spring 2017.

Yours sincerely,

Nick Ramsay AM
Chair
