*Dear Mike,*

Thank you for your letter of 21 December regarding the petition from Dr Ashley Wood about plans to include a Mynachdy and Talybont station as part of the South Wales Metro proposals and for the further comments received from the petitioners.

As I mentioned in my previous letter, we are currently working on prioritising the list of 26 potential new stations in the National Transport Finance Plan and once that work is completed, we will plan how the development work is taken forward.

I would be happy to contact you with an update once that prioritisation work has been completed.

*Your ever,  
Ken*
