[AS AMENDED AT STAGE 3]

An Act of the National Assembly for Wales to make provision about the taxation of land transactions; to amend the Tax Collection and Management (Wales) Act 2016 (anaw 6) to make provision about counteracting avoidance of devolved taxes; to make other amendments to that Act; and for connected purposes.

5 **Having been passed by the National Assembly for Wales and having received the assent of Her Majesty, it is enacted as follows:**

PART 1

OVERVIEW

1 Overview of Act

10 (1) This Act is arranged as follows—

(a) Part 2 provides for a tax to be charged on land transactions (“land transaction tax”) and makes provision about the key concepts underlying the tax including—

(i) which transactions are land transactions,

(ii) what is, and what is not, a chargeable interest,

15 (iii) when a chargeable interest is acquired and the treatment of transactions involving contracts required to be completed by transfer, as well as the treatment of other kinds of transactions,

(iv) which land transactions are, and which are not, chargeable to the tax (“chargeable transactions”), and

20 (v) what is, and what is not, chargeable consideration in relation to a chargeable transaction,

(b) Part 3 makes provision about—

(i) tax bands and tax rates,

(ii) how to calculate the amount of tax chargeable, and

25 (iii) the reliefs available from land transaction tax,

(c) Part 4 makes provision about the application of this Act to leases,

(d) Part 5 makes provision about the application of this Act and the Tax Collection and Management (Wales) Act 2016 (anaw 6) to certain persons and bodies, including companies, partnerships and trusts,

(e) Part 6 makes provision about returns and payment of the tax including provision about –

(i) when a return is required to be made in relation to a land transaction,

(ii) who must make a return and pay the tax, and

(iii) when the tax is required to be paid (including provision about when payment may be deferred),

(f) Part 7 inserts into the Tax Collection and Management (Wales) Act 2016 (anaw 6) provisions establishing a general rule for the purposes of counteracting avoidance arrangements in relation to devolved taxes, and

(g) Part 8 provides for amendments to the Tax Collection and Management (Wales) Act 2016 (anaw 6) and contains provisions that apply generally for the purposes of this Act, including definitions of expressions used in this Act.

(2) Schedule 1 contains an overview of the Schedules to this Act.

PART 2

THE TAX AND KEY CONCEPTS

CHAPTER 1

LAND TRANSACTION TAX

2 Land transaction tax

(1) A tax (to be known as “land transaction tax”) is to be charged on land transactions.

(2) The tax is chargeable –

(a) whether or not there is an instrument effecting the transaction,

(b) if there is such an instrument, regardless of where it is executed, and

(c) regardless of where any party to the transaction is or is resident.

(3) The Welsh Revenue Authority (“WRA”) is to be responsible for the collection and management of the tax.

CHAPTER 2

LAND TRANSACTIONS

3 Land transaction

(1) In this Act, a “land transaction” means an acquisition of a chargeable interest.

(2) Except as otherwise provided, this Act applies however the acquisition is effected, whether by act of the parties, by order of a court or other authority, by or under any enactment or by operation of law.

- (3) See section 15 as to when the acquisition of an option or right of pre-emption is a land transaction.

4 Chargeable interest

- (1) A chargeable interest is –

- (a) an estate, interest, right or power in or over land in Wales, or
(b) the benefit of an obligation, restriction or condition affecting the value of any such estate, interest, right or power,

other than an exempt interest.

- (2) In this Act, “land in Wales” does not include land below mean low water mark.

- (3) See section 9 as to land partly in Wales and partly in England.

5 Exempt interest

- (1) The following are exempt interests –

- (a) a security interest;
(b) a licence to use or occupy land;
(c) a tenancy at will;
(d) a franchise or manor.

- (2) In subsection (1) –

- (a) “security interest” means an interest or right (other than a rentcharge) held for the purpose of securing the payment of money or the performance of any other obligation;
(b) “franchise” means a grant from the Crown such as the right to hold a market or fair, or the right to take tolls.

- (3) See also paragraph 7 of Schedule 10 (which makes additional provision about exempt interests in relation to alternative financial arrangements).

- (4) The Welsh Ministers may by regulations amend this section so as to –

- (a) provide that any other description of interest or right in relation to land in Wales is an exempt interest;
(b) provide that a description of interest or right in relation to land in Wales is no longer an exempt interest;
(c) vary a description of an exempt interest.

6 Acquisition and disposal of chargeable interest

- (1) For the purposes of this Act, each of the following is an acquisition and a disposal of a chargeable interest –

- (a) the creation of the interest;
(b) the surrender or release of the interest;
(c) the variation of the interest.

- (2) But the variation of a lease is an acquisition and disposal of a chargeable interest only where –
- (a) it takes effect, or is treated for the purposes of this Act, as the grant of a new lease, or
 - (b) paragraph 24 of Schedule 6 (reduction of rent or term or other variation of lease) applies.
- (3) A person acquires a chargeable interest where –
- (a) the person becomes entitled to the interest on its creation,
 - (b) the person’s interest or right is benefited or enlarged by the surrender or release of the interest, or
 - (c) the person benefits from the variation of the interest.
- (4) A person disposes of a chargeable interest where –
- (a) the person’s interest or right becomes subject to the interest on its creation,
 - (b) the person ceases to be entitled to the interest on its being surrendered or released, or
 - (c) the person’s interest or right is subject to or limited by the variation of the interest.
- (5) This section has effect subject to section 10(4) (substantial performance without completion), section 11(3) (substantial performance of contract providing for transfer to third party) and paragraphs 20 and 24 of Schedule 6 (agreement for lease and reduction of rent or term or other variation of lease).

7 Buyer and seller

- (1) The buyer in a land transaction is the person acquiring the subject-matter of the transaction.
- (2) The seller in a land transaction is the person disposing of the subject-matter of the transaction.
- (3) These expressions apply even if there is no consideration given for the transaction.

8 Linked transactions

- (1) For the purposes of this Act, a land transaction is a linked transaction if it is one of a number of land transactions forming part of a single scheme, arrangement or series of transactions between the same seller and buyer or, in either case, persons connected with them.
- (2) This section is subject to section 16 (exchanges; in particular see subsection (1) of that section which provides for transactions forming an exchange not to be treated as linked transactions).

9 Land partly in Wales and partly in England

- (1) This section sets out how this Act applies to a transaction which is the acquisition of –
 - (a) an estate, interest, right or power in or over land, or

(b) the benefit of an obligation, restriction or condition affecting the value of any such estate, interest, right or power,

where the land is partly in Wales and partly in England.

(2) The transaction is to be treated as if it were two transactions, one relating to the land in Wales (“the Welsh transaction”) and the other relating to the land in England (“the English transaction”).

(3) The consideration for the transaction is to be apportioned between those two transactions on a just and reasonable basis.

(4) Accordingly, the Welsh transaction is to be treated as a land transaction within the meaning of this Act (being the acquisition of a chargeable interest relating to the land in Wales).

(5) But subsection (4) does not apply in the case of an exempt interest.

(6) WRA must publish guidance about transactions to which subsection (1) applies, including guidance about identifying the location of the border between Wales and England.

(7) WRA may revise guidance published under subsection (6) and must publish the revised guidance.

(8) See section 48A of the Finance Act 2003 (c. 14) as to the application of Part 4 of that Act (stamp duty land tax) to the English transaction.

(9) In section 48A of the Finance Act 2003 (c. 14), after subsection (5) insert—

“(6) See section 9 of the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017 (anaw 0) as to the application of that Act to the transaction relating to the land in Wales.”

CHAPTER 3

PARTICULAR TRANSACTIONS

Contracts and transfers: general provision

10 Contract and transfer

(1) This section applies where a contract for a land transaction is entered into under which the transaction is to be completed by a transfer.

(2) A person is not regarded as entering into a land transaction by reason of entering into the contract (but see subsection (4)).

(3) If the transaction is completed without previously having been substantially performed—

(a) the contract and the transaction effected on completion are treated as parts of a single land transaction, and

(b) the effective date of the transaction is the date of completion.

(4) But if the contract is substantially performed without having been completed—

(a) the contract is treated as if it were itself the transaction provided for in the contract, and

(b) the effective date of that transaction is when the contract is substantially performed.

(5) Where subsection (4) applies and the contract is subsequently completed by a transfer—

(a) both the contract and the transaction effected on completion are notifiable transactions for the purposes of this Act, and

(b) tax is chargeable on the latter transaction to the extent (if any) that the amount mentioned in subsection (6) is greater than the amount of tax chargeable on the contract.

(6) The amount is the tax that would have been chargeable on the latter transaction if it had been completed without previously having been substantially performed.

(7) Where subsection (4) applies and the contract is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that subsection must (to that extent) be repaid by WRA.

(8) But repayment of tax is due only if a claim for it is made by amendment, in accordance with section 41 of TCMA, of the return made in respect of the contract.

(9) Where paragraph 20 of Schedule 6 applies (agreement for lease), it applies in place of subsections (4) to (8).

(10) In this section—

(a) references to completion are to completion of the land transaction proposed, between the same parties, in substantial conformity with the contract;

(b) “contract” includes any agreement and “transfer” includes any instrument.

Contracts and transfers: particular cases

11 Contract providing for transfer to third party

(1) This section applies where a contract is entered into under which a chargeable interest is to be transferred by one party to the contract (“P1”) at the direction or request of the other (“P2”)—

(a) to a person (“P3”) who is not a party to the contract, or

(b) either to such a person or to P2.

(2) P2 is not regarded as entering into a land transaction by reason of entering into the contract.

(3) But if the contract is substantially performed without having been completed—

(a) P2 is treated for the purposes of this Act as acquiring a chargeable interest, and accordingly as entering into a land transaction, and

(b) the effective date of that transaction is when the contract is substantially performed.

(4) Where subsection (3) applies and the contract is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that subsection must (to that extent) be repaid by WRA.

(5) But repayment of tax is due only if a claim for it is made by amendment, in accordance with section 41 of TCMA, of the return made in respect of the contract.

(6) Subject to subsection (7), section 10 (contract and transfer) does not apply in relation to the contract.

5 (7) Where –

(a) this section applies by virtue of subsection (1)(b), and

(b) by reason of P2's direction or request, P1 becomes obliged to transfer a chargeable interest to P2,

10 section 10 applies to that obligation as it applies to a contract for a land transaction that is to be completed by a transfer.

(8) Section 10 applies in relation to any contract between P2 and P3, in respect of the chargeable interest referred to in subsection (1), that is to be completed by a transfer.

(9) References to completion in that section, as it so applies, include references to transfer by P1 to P3 of the subject-matter of the contract between P2 and P3.

15 (10) In this section, "contract" includes any agreement and "transfer" includes any instrument.

12 Contract providing for transfer to third party: effect of transfer of rights

(1) This section applies where –

20 (a) a contract ("the original contract") is entered into under which a chargeable interest is to be transferred by one party to the contract ("P1") at the direction or request of the other ("P2") –

(i) to a person ("P3") who is not a party to the contract, or

(ii) either to such a person or to P2, and

25 (b) there is an assignment or other transaction (relating to the whole or part of the subject-matter of the original contract) as a result of which a person ("P4") becomes entitled to exercise any of P2's rights under the original contract in place of P2.

(2) References in the following provisions of this section to a transfer of rights are to any such assignment or other transaction.

30 (3) P4 is not regarded as entering into a land transaction by reason of the transfer of rights, but section 11 (contract providing for transfer to third party) has effect in accordance with the following provisions.

(4) That section applies as if –

35 (a) P4 had entered into a contract (a "secondary contract") in the same terms as the original contract except with P4 as a party instead of P2, and

(b) the consideration due from P4 under the secondary contract were –

- (i) so much of the consideration under the original contract as is referable to the subject-matter of the transfer of rights and is to be given (directly or indirectly) by P4 or a person connected with P4, and
 - (ii) the consideration given for the transfer of rights.
- 5 (5) The substantial performance of the original contract is to be disregarded if it occurs –
 - (a) at the same time as, and in connection with, the substantial performance of the secondary contract, or
 - (b) after the transfer of rights.
- 10 (6) Where there are successive transfers of rights, subsection (4) has effect in relation to each of them.
- (7) The substantial performance of the secondary contract arising from an earlier transfer of rights is to be disregarded if it occurs –
 - (a) at the same time as, and in connection with, the substantial performance of the secondary contract arising from a subsequent transfer of rights, or
 - 15 (b) after that subsequent transfer.
- (8) Where a transfer of rights relates to only part of the subject-matter of the original contract, or to only some of the rights under that contract –
 - (a) a reference in subsection (4)(a) or (5) to the original contract, or a reference in subsection (7) to the secondary contract arising from an earlier transfer, is to that contract so far as relating to that part or those rights, and
 - 20 (b) that contract so far as not relating to that part or those rights is to be treated as a separate contract.
- (9) The effective date of a land transaction treated as entered into by virtue of subsection (4) is not earlier than the date of the transfer of rights.
- 25 (10) In relation to a such a transaction –
 - (a) references in Schedule 16 (group relief) to the seller are to be read as references to P1;
 - (b) other references in this Act to the seller are to be read, where the context permits, as referring to either P1 or P2.
- 30 (11) In this section “contract” includes any agreement.

13 Pre-completion transactions

Schedule 2 makes –

- (a) provision about the application of section 10 (contract and transfer) in certain cases where an assignment of rights, subsale or other transaction is entered into without the contract having been completed, and
- 35 (b) other provision about such cases.

*Substantial performance***14 Meaning of substantial performance**

- (1) A contract is substantially performed for the purposes of this Act when—
- (a) the buyer, or a person connected with the buyer, takes possession of the whole, or substantially the whole, of the subject-matter of the contract, or
 - (b) a substantial amount of the consideration is paid or provided.
- (2) For the purposes of subsection (1)(a)—
- (a) possession includes receipt of rents and profits or the right to receive them, and
 - (b) it is immaterial whether possession is taken under the contract or under a licence or lease of a temporary character or a tenancy at will.
- (3) For the purposes of subsection (1)(b), a substantial amount of the consideration is paid or provided—
- (a) if none of the consideration is rent, when the whole or substantially the whole of the consideration is paid or provided;
 - (b) if the only consideration is rent, when the first payment of rent is made;
 - (c) if the consideration includes both rent and other consideration, when the first of the following events occurs—
 - (i) the whole or substantially the whole of the consideration other than rent is paid or provided, or
 - (ii) the first payment of rent is made.

*Options etc.***15 Options and rights of pre-emption**

- (1) The acquisition of—
- (a) an option binding the grantor to enter into a land transaction, or
 - (b) a right of pre-emption preventing the grantor from entering into, or restricting the right of the grantor to enter into, a land transaction,
- is a land transaction distinct from any land transaction resulting from the exercise of the option or right.
- (2) They may be “linked transactions” (see section 8).
- (3) The reference in subsection (1)(a) to an option binding the grantor to enter into a land transaction includes an option requiring the grantor either to enter into a land transaction or to discharge the grantor’s obligations under the option in some other way.
- (4) The effective date of the transaction in the case of the acquisition of an option or right such as is mentioned in subsection (1) is when the option or right is acquired (as opposed to when it becomes exercisable).
- (5) Nothing in this section applies to so much of an option or right of pre-emption as constitutes or forms part of a land transaction apart from this section.

*Exchanges***16 Exchanges**

- (1) This Act applies in a case within subsection (2) in relation to each transaction described in that subsection as if each were distinct and separate from the other (and they are not linked transactions within the meaning of section 8).
- (2) A case is within this subsection where a land transaction is entered into by a person (alone or jointly) as buyer wholly or partly in consideration of another land transaction being entered into by that person (alone or jointly) as seller.
- (3) A transaction is treated for the purposes of this Act as entered into by a person as buyer wholly or partly in consideration of another land transaction being entered into by that person as seller in a case within subsection (4).
- (4) A case is within this subsection where an obligation to give consideration for a land transaction that a person enters into as buyer is met wholly or partly by way of that person entering into another transaction as seller.
- (5) As to the amount of the chargeable consideration in the case of exchanges and similar transactions, see—
- (a) paragraphs 5 and 6 of Schedule 4 (exchanges, partition etc.);
 - (b) paragraph 18 of that Schedule (arrangements involving public or educational bodies).

CHAPTER 4**CHARGEABLE TRANSACTIONS AND CHARGEABLE CONSIDERATION***Chargeable transactions***17 Chargeable transaction**

A land transaction is a chargeable transaction unless—

- (a) it is a transaction that is exempt from charge as provided for in Schedule 3, or
- (b) it is a transaction that is relieved from tax by virtue of a provision listed in section 30(2) and in respect of which relief from tax is claimed.

*Chargeable consideration***18 Chargeable consideration**

- (1) Schedule 4 makes provision as to the chargeable consideration for a transaction.
- (2) The Welsh Ministers may by regulations amend or repeal the provisions of this Act relating to—
- (a) what is to count as chargeable consideration, or
 - (b) the determination of the amount of chargeable consideration.

19 Contingent consideration

- 5 (1) Where the whole or part of the chargeable consideration for a transaction is contingent, the amount or value of the consideration is to be determined for the purposes of this Act on the assumption that the outcome of the contingency will be such that the consideration is payable or, as the case may be, does not cease to be payable.
- (2) In this Act, “contingent”, in relation to consideration, means –
- (a) that it is to be paid or provided only if some uncertain future event occurs, or
 - (b) that it is to cease to be paid or provided if some uncertain future event occurs.

20 Uncertain or unascertained consideration

- 10 (1) Where the whole or part of the chargeable consideration for a transaction is uncertain or unascertained, its amount or value is to be determined for the purposes of this Act on the basis of a reasonable estimate.
- (2) In this Act, “uncertain”, in relation to consideration, means that its amount or value depends on uncertain future events.

21 Annuities

- 15 (1) This section applies to so much of the chargeable consideration for a land transaction as consists of an annuity payable –
- (a) for life,
 - (b) in perpetuity,

20 (c) for an indefinite period, or

 - (d) for a definite period exceeding 12 years.
- (2) The consideration to be taken into account is limited to 12 years’ annual payments.
- (3) Where the amount payable varies, or may vary, from year to year, the 12 highest annual payments are to be taken into account.
- 25 (4) No account is to be taken of any provision for adjustment of the amount payable in line with the retail prices index, the consumer prices index or any other similar index used to express a rate of inflation.
- (5) References in this section to annual payments are to payments in respect of each successive period of 12 months beginning with the effective date of the transaction.
- 30 (6) For the purposes of this section the amount or value of any payment is to be determined (if necessary) in accordance with section 19 (contingent consideration) or 20 (uncertain or unascertained consideration).
- 35 (7) References in this section to an annuity include any consideration (other than rent) that falls to be paid or provided periodically; and references to payment are to be read accordingly.

22 Deemed market value

- (1) This section applies where the buyer is a company and –
- (a) the seller is connected with the buyer, or
 - (b) some or all of the consideration for the transaction consists of the issue or transfer of shares in a company with which the seller is connected.
- (2) The chargeable consideration for the transaction is to be taken to be –
- (a) the amount determined under subsection (3) in respect of the transaction, or
 - (b) if greater, the amount which would be the chargeable consideration for the transaction ignoring this section.
- (3) The amount mentioned in subsection (2)(a) is –
- (a) the market value of the subject-matter of the transaction as at the effective date of the transaction, and
 - (b) if the acquisition is the grant of a lease at a rent, that rent.
- (4) In this section –
- “company” (“*cwmni*”) means any body corporate;
 - “shares” (“*cyfranddaliadau*”) includes stock and the reference to shares in a company includes a reference to securities issued by a company.
- (5) Where this section applies paragraph 1 of Schedule 3 (exemption of transactions for which there is no chargeable consideration) does not apply.
- (6) This section has effect subject to –
- (a) the exceptions provided for in section 23, and
 - (b) any other provision affording exemption or relief from tax.

23 Exceptions

- (1) Section 22 (deemed market value) does not apply in the following cases.

- (3) Case 2 is where –

- (i) the subject-matter of the transaction, or
- (ii) an interest from which that interest is derived,

has, within the period of 3 years immediately preceding the effective date of the transaction, been the subject of a transaction in respect of which group relief under Schedule 16 was claimed by the seller.

(5) In this section “the company” means the company that is the buyer in relation to the transaction in question.

PART 3

CALCULATION OF TAX AND RELIEFS

Calculation of tax

24 Regulations specifying tax bands and tax rates

(1) The Welsh Ministers must by regulations specify the tax bands and percentage tax rates for each band applicable in the case of the following types of chargeable transactions—

- (a) residential property transactions,
- (b) higher rates residential property transactions, and
- (c) non-residential property transactions.

(2) In this Act, “tax band” means a lower and, if specified, upper amount of money from or, as the case may be, between which a specified percentage tax rate applies.

(3) Regulations under subsection (1)(a) and (c) must specify, in the case of each type of transaction—

- (a) a tax band for which the applicable tax rate is 0% (“the zero rate band”),
- (b) two or more tax bands above the zero rate band,
- (c) the tax rate for each band above the zero rate band so that the rate for each band is higher than the rate for the band below it, and
- (d) a date on which the tax bands and tax rates apply in relation to transactions with an effective date on or after that date.

(4) Regulations under subsection (1)(b) must specify—

- (a) three or more tax bands,
- (b) an applicable tax rate for each band which—
 - (i) must, in respect of any higher rates residential property transaction, be higher than the highest rate that would be applicable to any amount within that band were that transaction a residential property transaction, and
 - (ii) except in the case of the lowest band, is higher than the rate applicable to the band below it, and

(c) a date on which the tax bands and tax rates apply in relation to transactions with an effective date on or after that date.

(5) Regulations under subsection (1) may specify –

(a) different tax bands and tax rates in respect of different categories of each type of chargeable transaction (including by reference to different descriptions of buyer);

(b) different dates under subsection (3)(d) or (4)(c) in respect of each specified tax band or tax rate.

(6) A chargeable transaction is a residential property transaction if –

(a) the main subject-matter of the transaction consists entirely of an interest in land that is residential property, or

(b) where the transaction is one of a number of linked transactions, the main subject-matter of each transaction consists entirely of such an interest.

(7) But if Schedule 5 applies to a chargeable transaction it is a higher rates residential property transaction.

(8) A chargeable transaction is a non-residential property transaction if –

(a) the main subject-matter of the transaction consists of or includes an interest in land that is not residential property, or

(b) where the transaction is one of a number of linked transactions, the main subject-matter of any of the transactions consists of or includes such an interest.

(9) Tax bands and tax rates specified in regulations under subsection (1) do not apply in relation to a chargeable transaction in so far as the chargeable consideration for the transaction is rent (for provision about the tax bands and tax rates applicable to chargeable consideration which is rent see paragraphs 27 and 28 of Schedule 6).

(10) Schedule 5 makes provision about higher rates residential property transactions.

(11) The Welsh Ministers may by regulations amend Schedule 5.

25 Procedure for regulations specifying tax bands and tax rates

(1) A statutory instrument containing –

(a) the first regulations made under section 24(1),

(b) the first regulations made under paragraph 27(4) of Schedule 6 (tax bands and rates: rent element of residential leases), or

(c) the first regulations made under paragraph 28(1) of that Schedule (tax bands and rates: rent element of non-residential and mixed leases),

may not be made unless a draft of the instrument has been laid before and approved by a resolution of the National Assembly for Wales.

(2) A statutory instrument containing –

(a) the second or subsequent regulations made under section 24(1),

(b) the second or subsequent regulations made under paragraph 27(4) of Schedule 6,
or

(c) the second or subsequent regulations made under paragraph 28(1) of that
Schedule,

5 must be laid before the National Assembly for Wales and ceases to have effect on the
expiry of 28 days beginning with the day it is made unless, before the expiry of that
period, it is approved by a resolution of the National Assembly.

(3) But if –

10 (a) the National Assembly votes on a motion for a resolution to approve a statutory
instrument laid under subsection (2) before the expiry of the period of 28 days
mentioned in that subsection, and

(b) the motion is not passed,

the instrument ceases to have effect at the end of the day on which the vote takes place.

15 (4) In calculating any period of 28 days for the purposes of subsection (2), no account is to be
taken of any period during which the National Assembly is –

(a) dissolved, or

(b) in recess for more than 4 days.

26 Tax bands and tax rates applicable when regulations cease to have effect

(1) In this section –

20 (a) “rejected regulations” means regulations which cease to have effect by virtue of
subsection (2) or (3) of section 25;

(b) “the interim period” means the period –

25 (i) beginning with the date specified by rejected regulations as the date on
which specified tax bands and tax rates apply in relation to a chargeable
transaction, and

(ii) ending when those regulations cease to have effect by virtue of subsection
(2) or (3) of section 25.

30 (2) Subject to subsection (3), if the effective date of a chargeable transaction falls within the
interim period the tax bands and tax rates applicable to the transaction are the bands and
rates specified by the rejected regulations as applying to the transaction.

(3) If –

(a) the effective date of a chargeable transaction falls within the interim period, and

(b) subsection (4), (5) or (6) applies,

35 the tax bands and tax rates applicable to the transaction are the bands and rates which
would have been applicable had the rejected regulations not been made.

(4) This subsection applies where the buyer –

- (a) is required by virtue of section 44 to make a return relating to the transaction on or before the filing date and fails to do so, and
- (b) also fails to make the return on or before the date on which the interim period ends.
- 5 (5) This subsection applies where the first return required in relation to the chargeable transaction is required under one of the following provisions –
- (a) section 47 (duty to make return where contingency ceases or consideration is ascertained);
- (b) section 51 (return as a result of later linked transaction);
- 10 (c) paragraph 3(4) or 5(5) of Schedule 6 (return as a result of lease continuing);
- (d) paragraph 13(1) of that Schedule (return where tax underpaid where rent determined on reconsideration).
- (6) This subsection applies where –
- (a) the buyer in the transaction makes a claim under section 63A of TCMA,
- 15 (b) by virtue of subsection (5) of that section, the assessment of tax chargeable contained in a tax return made in relation to the transaction is treated as having been amended, and
- (c) a further return is required in relation to the transaction under –
- (i) a provision mentioned in subsection (5) of this section,
- 20 (ii) section 49 (further return where relief is withdrawn), or
- (iii) paragraph 24 of Schedule 5 (return where transaction treated as higher rates residential property transaction).
- (7) But subsection (6) does not affect a return made before the claim is made under section 63A TCMA.
- 25 (8) Section 63A of TCMA makes provision for relief to be claimed in cases where subsection (2) applies if the amount of tax chargeable is greater than the amount which would have been chargeable had the rejected regulations not been made.

27 Amount of tax chargeable: transactions which are not linked

- 30 (1) The amount of tax chargeable in respect of a chargeable transaction which is not one of a number of linked transactions (for which see section 28) is to be calculated as follows.

Step 1

For each tax band applicable to the transaction, multiply so much of the chargeable consideration for the transaction as falls within the band by the percentage tax rate for that band.

35 *Step 2*

Calculate the sum of the amounts reached under Step 1.

The result is the amount of tax chargeable.

- (2) But this section does not apply for the purposes of calculating the amount of any tax chargeable in respect of rent where the whole or part of the chargeable consideration for a chargeable transaction is rent; instead see –

5 (a) in the case of a residential property transaction, paragraph 27 of Schedule 6 and any regulations made under that paragraph which make provision about the tax chargeable in respect of rent in the case of residential leases;

10 (b) in the case of a non-residential property transaction, paragraph 29 of that Schedule which provides for the calculation of tax chargeable in respect of rent in the case of non-residential and mixed leases.

28 Amount of tax chargeable: linked transactions

- (1) Where a chargeable transaction is one of a number of linked transactions, the amount of tax chargeable in respect of the transaction is to be determined as follows.

Step 1

15 Calculate the tax which would be chargeable in accordance with section 27(1), if the chargeable consideration for the transaction were the total consideration.

Step 2

Divide the chargeable consideration for the transaction by the total consideration.

Step 3

20 Multiply the amount arrived at under Step 1 by the fraction arrived at under Step 2.

The result is the amount of tax chargeable.

- (2) In subsection (1), the “total consideration” is the total of the chargeable consideration for all the linked transactions (not including any chargeable consideration which is rent).

- 25 (3) Where the whole or part of the chargeable consideration for a linked transaction is rent this section does not apply for the purposes of calculating the amount of any tax chargeable in respect of the rent; instead see –

(a) in the case of a residential property transaction, paragraph 27 of Schedule 6 and any regulations made under that paragraph, and

30 (b) in the case of a non-residential property transaction, paragraph 30 of that Schedule (calculation of tax chargeable in respect of rent: linked transactions).

(a) may be claimed in the return for the land transaction, or in an amendment of that return, or

(b) if not claimed in the return or amended return and the period allowed for amendment of the return has ended, may be claimed by making a claim for
10 repayment of any amount of tax overpaid (see Chapter 7 of Part 3 of TCMA),

and section 78 of TCMA (time limit for making claims) does not apply to a claim for relief under paragraph 3 of Schedule 22.

(6) The Welsh Ministers may by regulations amend this Act so as to—

(a) add a relief;

15 (b) modify a relief;

(c) remove a relief;

(d) modify section 31.

31 Reliefs: anti-avoidance

20 (1) Relief is not available under any of the provisions mentioned in subsection (2) or (3) of section 30 in respect of a land transaction—

(a) which is a tax avoidance arrangement, or

(b) which forms part of arrangements which are tax avoidance arrangements.

(2) An arrangement is a “tax avoidance arrangement” if—

25 (a) the obtaining of a tax advantage for any person is the main purpose, or one of the main purposes, of the buyer in the land transaction entering into the arrangement, and

(b) the arrangement lacks genuine economic or commercial substance other than the obtaining of a tax advantage.

(3) In this section—

30 “arrangement” (“*trefniant*”) includes any transaction, scheme, agreement, grant, understanding, promise, undertaking or series of any of those things (whether or not legally enforceable);

“tax” (“*treth*”) means land transaction tax, income tax, corporation tax, capital gains tax, stamp duty land tax, stamp duty reserve tax or stamp duty;

PART 4

32 Leases

(1) In this Act “lease” means –

- (a) an interest or right in or over land for a term of years (whether fixed or periodic), or
- (b) any other interest or right in or over land terminable by a period of notice or by notice at any time (other than a tenancy at will, being an exempt interest by virtue of section 5(1)(c)).

(2) Schedule 6 makes further provision about leases.

PART 5

APPLICATION OF ACT AND TCMA TO CERTAIN PERSONS AND BODIES

33 Companies

(1) In this Act “company”, except as otherwise provided, means any body corporate or unincorporated association, but does not include a partnership.

(2) Everything to be done by a company under this Act, or under TCMA as it applies in relation to land transaction tax, is to be done by the company acting through –

- (a) the proper officer of the company, or
- (b) another person having for the time being the express, implied or apparent authority of the company to act on its behalf for the purpose.

(3) Subsection (2)(b) does not apply where a liquidator has been appointed for the company.

(4) For the purposes of this Act, and TCMA as it applies in relation to land transaction tax –

- (a) the proper officer of a body corporate is the secretary, or person acting as secretary, of the body, and
- (b) the proper officer of an unincorporated association, or of a body corporate that does not have a proper officer within paragraph (a), is the treasurer, or person acting as treasurer, of the association or body.

(5) Subsection (4) does not apply if a liquidator or administrator has been appointed for the company.

(6) If a liquidator or administrator has been appointed for the company, then –

- (a) the liquidator or the administrator is the proper officer, and
- (b) if two or more persons are appointed to act jointly or concurrently as the administrator of the company, the proper officer is—
 - (i) such one of them as is specified in a notice given to WRA by those persons for the purposes of this section, or
 - (ii) where WRA is not so notified, such one or more of those persons as WRA may designate as the proper officer for those purposes.

- (7) The Welsh Ministers may by regulations make further provision about the application of this Act, and TCMA as it applies in relation to land transaction tax, to companies or a description of company specified in the regulations.
- (8) Regulations under subsection (7) may (among other things) amend or repeal any provision of this Act or TCMA.

34 Unit trust schemes

- (1) This Act (with the exception of the provisions mentioned in subsection (8)), and TCMA as it applies in relation to land transaction tax, apply in relation to a unit trust scheme as if—
- (a) the trustees were a company, and
 - (b) the rights of the unit holders were shares in the company.
- (2) Each of the parts of an umbrella scheme is to be regarded as a separate unit trust scheme and the scheme as a whole is not so regarded.
- (3) In this section and section 35, an “umbrella scheme” means a unit trust scheme—
- (a) that provides arrangements for separate pooling of the contributions of participants and the profits or income out of which payments are to be made for them, and
 - (b) under which the participants are entitled to exchange rights in one pool for rights in another.
- (4) A “part” of an umbrella scheme means such of the arrangements as relate to a separate pool.
- (5) In this Act, subject to any regulations under subsection (6)—
- “unit trust scheme” (“*cynllun ymddiriedolaeth unedau*”) has the same meaning as in the Financial Services and Markets Act 2000 (c. 8) (see section 237 of that Act), and
 - “unit holder” (“*deiliad unedau*”) means a participant in a unit trust scheme.
- (6) The Welsh Ministers may by regulations provide that a scheme of a description specified in the regulations is to be treated as not being a unit trust scheme for the purposes of this Act, and TCMA as it applies in relation to land transaction tax.

(7) Section 620 of the Corporation Tax Act 2010 (c. 4) (court investment funds treated as authorised unit trusts) applies for the purposes of this Act as it applies for the purposes of that Act, but as if references to an authorised unit trust were references to a unit trust scheme.

(8) A unit trust scheme is not to be treated as a company for the purposes of Schedules 16 (group relief) and 17 (reconstruction relief or acquisition relief).

35 Open-ended investment companies

(1) The Welsh Ministers may by regulations make such provision as they consider appropriate for securing that the provisions of this Act and TCMA have effect in relation to—

(a) open-ended investment companies of such description as may be specified in the regulations, and

(b) transactions involving such companies,

in a manner corresponding, subject to such modifications as the Welsh Ministers consider appropriate, to the manner in which they have effect in relation to unit trust schemes and transactions involving such unit trust schemes.

(2) Regulations under subsection (1) may in particular make provision—

(a) modifying the operation of any provision specified in the regulations in relation to open-ended investment companies so as to secure that arrangements for treating the assets of such a company as assets comprised in separate pools are given an effect corresponding to that of equivalent arrangements constituting the separate parts of an umbrella scheme;

(b) treating the separate parts of the undertaking of an open-ended investment company in relation to which such provision is made as distinct companies for the purposes of this Act, and TCMA as it applies in relation to land transaction tax.

(3) In this section, “open-ended investment company” has the meaning given by section 236 of the Financial Services and Markets Act 2000 (c. 8).

36 Co-ownership authorised contractual schemes

(1) This Act (with the exception of the provisions mentioned in subsection (9)), and TCMA as it applies in relation to land transaction tax, apply in relation to a co-ownership authorised contractual scheme as if—

(a) the scheme were a company, and

(b) the rights of the participants were shares in the company.

(2) An “umbrella COACS” means a co-ownership authorised contractual scheme—

(a) whose arrangements provide for separate pooling of the contributions of the participants and the profits or income out of which payments are made to them (“pooling arrangements”), and

(b) under which the participants are entitled to exchange rights in one pool for rights in another.

- (3) A “sub-scheme”, in relation to an umbrella COACS, means such of the pooling arrangements as relate to a separate pool.
- (4) Each of the sub-schemes of an umbrella COACS is to be regarded as a separate co-ownership authorised contractual scheme, and the umbrella COACS as a whole is not so regarded.
- (5) In relation to a sub-scheme of an umbrella COACS—
- (a) references to chargeable interests are references to such of the chargeable interests as, under the pooling arrangements, form part of the separate pool to which the sub-scheme relates, and
 - (b) references to the scheme documents are references to such parts of the documents as apply to the sub-scheme.
- (6) References to a co-ownership authorised contractual scheme are treated as including a collective investment scheme which—
- (a) is constituted under the law of an EEA State other than the United Kingdom by a contract,
 - (b) is managed by a body corporate incorporated under the law of an EEA State, and
 - (c) is authorised under the law of the EEA State mentioned in paragraph (a) in a way which makes it, under that law, the equivalent of a co-ownership authorised contractual scheme as defined in subsection (7),
- provided that, apart from this section, no charge to tax is capable of arising to the scheme under this Act.
- (7) Subject to any regulations under subsection (8)—
- “co-ownership authorised contractual scheme” (*“cynllun contractiol awdurdodedig cyfberchnogaeth”*) means a co-ownership scheme which is authorised for the purposes of the Financial Services and Markets Act 2000 (c. 8) by an authorisation order in force under section 261D(1) of that Act;
- “co-ownership scheme” (*“cynllun cyfberchnogaeth”*) has the same meaning as in the Financial Services and Markets Act 2000 (c. 8) (see section 235A of that Act).
- (8) The Welsh Ministers may by regulations provide that a scheme of a description specified in the regulations is to be treated as not being a co-ownership authorised contractual scheme for the purposes of this Act, and TCMA as it applies in relation to land transaction tax.
- (9) A co-ownership authorised contractual scheme is not to be treated as a company for the purposes of Schedules 16 (group relief) and 17 (reconstruction relief or acquisition relief).
- (10) Anything required or authorised to be done under this Act or TCMA by or in relation to the buyer in a land transaction is to be done by or in relation to the operator of a co-ownership authorised contractual scheme; and accordingly section 33(2) to (6) does not apply in relation to a scheme to which this section applies.

(11) But where the operator of the scheme is a body corporate, section 33(2) to (6) applies in relation to the operator, with the references to a company in those subsections having effect as though they were references to the operator.

(12) In this section –

5 “collective investment scheme” (“*cynllun buddsoddi torfol*”) has the meaning given by section 235 of the Financial Services and Markets Act 2000 (c. 8);

“operator” (“*gweithredwr*”) –

10 (a) in relation to a co-ownership authorised contractual scheme constituted under the law of the United Kingdom, has the meaning given by section 237(2) of the Financial Services and Markets Act 2000 (c. 8), and

(b) in relation to a collective investment scheme treated as a co-ownership authorised contractual scheme by virtue of subsection (6) (equivalent EEA schemes), means the corporate body responsible for the management of the scheme (however described);

15 “participant” (“*cyfranogwr*”) is to be read in accordance with section 235 of the Financial Services and Markets Act 2000 (c. 8).

37 Joint buyers: general rules

(1) This section and sections 38 to 40 apply to a land transaction where there are two or more buyers who are or will be jointly entitled to the interest acquired.

20 (2) The general rules are that –

(a) any obligation of the buyer under this Act or TCMA in relation to the transaction is an obligation of the buyers jointly but may be discharged by any of them,

(b) anything required or authorised by this Act or TCMA to be done in relation to the buyer must be done in relation to all of them,

25 (c) anything authorised by this Act or TCMA to be done by the buyer must be done by all of them, and

(d) any liability of the buyer under this Act or TCMA in relation to the transaction (in particular, any liability arising by virtue of the failure to fulfil an obligation within paragraph (a)), is a joint and several liability of the buyers.

30 (3) These general rules are subject to provision made in sections 38 to 40.

(4) This section and sections 38 to 40 have effect subject to –

(a) the provisions of Schedule 7 relating to partnerships, and

(b) the provisions of Schedule 8 relating to trustees.

38 Joint buyers: returns and declarations

- (1) If the transaction is a notifiable transaction, a single return is required.
- (2) The declaration required by section 53 (declaration that return is complete and correct) must be made by all the buyers.

39 Joint buyers: enquiries and assessments

- (1) If WRA issues a notice of enquiry under section 43 of TCMA into a return—
 - (a) the notice must be issued to each of the buyers whose identity is known to WRA;
 - (b) the powers of WRA under Part 4 of TCMA to require information and documents for the purposes of the enquiry are exercisable separately (and differently) in relation to each of the buyers;
 - (c) any closure notice under section 50 of TCMA must be issued to each of the buyers whose identity is known to WRA;
 - (d) any of the buyers may apply under section 51 of TCMA for a direction that a closure notice be issued (and all of them are entitled to be parties to the application).
- (2) A WRA determination under section 52 of TCMA relating to the transaction must be made against all the buyers and is not effective against any of them unless notice of it is issued under that section to each of them whose identity is known to WRA.
- (3) A WRA assessment under section 54 or 55 of TCMA relating to the transaction must be made in respect of all the buyers and is not effective in respect of any of them unless notice of it is issued under section 61 of TCMA to each of them whose identity is known to WRA.

40 Joint buyers: appeals and reviews

- (1) The agreement of all the buyers is required if a settlement agreement relating to the transaction is to be entered into under section 184 of TCMA.
- (2) A notice of request under section 173 of TCMA may be given by any of the buyers.
- (3) Where WRA undertakes a review of an appealable decision relating to the transaction following such a request made by some (but not all) of the buyers—
 - (a) notice of the review must be issued by WRA to each of the other buyers whose identity is known to WRA;
 - (b) any of the other buyers may be a party to the review if they notify WRA in writing;
 - (c) notice of WRA's conclusions under section 176(5), (6) or (7) of TCMA must be issued to each of the buyers whose identity is known to WRA;
 - (d) section 177 of TCMA (effect of conclusions of review) applies in relation to all of the buyers.
- (4) In the case of an appeal under Part 8 of TCMA relating to the transaction—

- (a) the appeal may be brought by any of the buyers;
- (b) notice of the appeal must be issued by WRA to each of the buyers who are not bringing the appeal and whose identity is known to WRA;

- (9) In subsection (6), “relevant rent” means –
- (a) the annual rent (as defined in paragraph 36(2) of Schedule 6), or
 - (b) in the case of the grant of a lease to which paragraph 31 of Schedule 7 applies, the relevant chargeable proportion of the annual rent (as calculated in accordance with that paragraph).
- (10) The Welsh Ministers may by regulations amend subsection (3), (6) or (7) so as to substitute for an amount for the time being specified there a different amount.

Adjustments

47 Contingency ceases or consideration is ascertained: duty to make return

- (1) The buyer in a land transaction must make a return to WRA if –
- (a) section 19 or 20 (contingent, uncertain or unascertained consideration) applies in relation to the transaction, or to any transaction in relation to which the transaction is a linked transaction,
 - (b) an event mentioned in subsection (2) occurs, and
 - (c) the effect of the event is that –
 - (i) the transaction becomes notifiable,
 - (ii) additional tax is payable in respect of the transaction, or
 - (iii) tax is payable in respect of the transaction where none was payable.
- (2) The events are –
- (a) in the case of contingent consideration, the contingency occurs or it becomes clear that it will not occur, or
 - (b) in the case of uncertain or unascertained consideration, an amount relevant to the calculation of the consideration, or any instalment of consideration, becomes ascertained.

5 (4) Despite section 157(3) of TCMA (late payment interest), the late payment interest start date in relation to an amount –

- (a) stated in a return made under this section as the tax payable,
- (b) payable as a result of an amendment or correction to such a return,
- (c) payable as a result of an assessment made in addition to such a return, or
- 10 (d) payable as a result of a determination or an assessment made in place of such a return,

is the day after the end of the period of 30 days beginning with the day after the effective date of the transaction (and Chapter 1 of Part 6 of that Act is to be read accordingly).

(5) The Welsh Ministers may by regulations amend subsection (4) so as to substitute for the period for the time being specified there, a different period.

15 (6) This section does not apply in so far as the chargeable consideration consists of –

- (a) rent (see Schedule 6);
- (b) an annuity to which section 21 applies.

48 Contingency ceases or consideration ascertained: repayment of tax

(1) Subsection (2) applies in relation to a land transaction if –

- 20 (a) section 19 or 20 (contingent, uncertain or unascertained consideration) applies in relation to the transaction, or to any transaction in relation to which the transaction is a linked transaction,
- (b) an event mentioned in section 47(2) occurs (“the relevant event”), and
- 25 (c) the effect of the relevant event is that there is less tax payable in respect of the transaction than the buyer has already paid in accordance with the return made for the transaction (“the land transaction return”).

(2) In order to obtain a repayment of the amount of tax overpaid, the buyer in the land transaction may –

- 30 (a) within the period allowed for amendment of the land transaction return, amend the return accordingly (see section 41 of TCMA);
- (b) after the end of that period (if the return is not so amended), make a claim for repayment of the amount overpaid in accordance with Chapter 7 of Part 3 of TCMA as modified by subsection (3).

35 (3) In its application to a claim to which subsection (2)(b) applies, Chapter 7 of Part 3 of TCMA applies as if for section 78 there were substituted –

“78 Time limit for making claims

A claim under section 63 to which section 48(2)(b) of LTTA applies must be made before the later of the end of –

- (a) the period of 4 years beginning with the day after the filing date for the tax return to which the land transaction tax already paid relates, or
- (b) the period of 12 months beginning with the relevant event (within the meaning given in section 48(1)(b) of LTTA).”

(4) But where the transaction (“the relevant transaction”) is the grant or assignment of a lease, no claim may be made under subsection (2) –

- (a) in respect of the repayment (in whole or in part) of any loan or deposit that is treated by virtue of paragraph 19 of Schedule 6 as being consideration given for the relevant transaction, or
- (b) in respect of the refund of any of the consideration given for the relevant transaction, in a case where the refund –
 - (i) is made under arrangements that were made in connection with the relevant transaction, and
 - (ii) is contingent on the termination or assignment of the lease or on the grant of a chargeable interest out of the lease.

(5) This section does not apply –

- (a) so far as the consideration consists of rent (see Schedule 6);
- (b) where section 21 (annuities) applies.

49 Further return where relief is withdrawn

- (e) Schedule 18 (charities relief).

(2) A return made under this section must –

- (a) be made before the end of the period of 30 days beginning with the day after the day on which the disqualifying event occurred, and
- (b) include a self-assessment.

(3) The disqualifying event is –

- (a) in relation to the withdrawal of relief under Schedule 11, an event mentioned in paragraph 14 of that Schedule;

- (b) in relation to the withdrawal of relief for certain acquisitions of residential property under Schedule 14, an event mentioned in paragraph 8(1), (3) or (4) of that Schedule;
- (c) in relation to the withdrawal of group relief under Schedule 16, the buyer ceasing to be a member of the same group as the seller within the meaning of that Schedule;

- (e) in relation to the withdrawal of charities relief under Schedule 18, a disqualifying event as defined in paragraph 2(4), 5(2) or 8(2) of that Schedule.

- (4) Despite section 157(3) of TCMA (late payment interest), the late payment interest start date in relation to an amount –
- (a) stated in a return made under subsection (1)(a) as the tax payable,
- (b) payable as a result of an amendment or correction to such a return,
- (c) payable as a result of an assessment made in addition to such a return, or
- (d) payable as a result of a determination or an assessment made in place of such a return,

is the day after the end of the period of 30 days beginning with the day after the effective date of the first transaction (and Chapter 1 of Part 6 of that Act is to be read accordingly).

- (5) The Welsh Ministers may by regulations amend subsection (4) so as to substitute for the period for the time being specified there, a different period.

50 Single return in respect of linked transactions with same effective date

- (1) Where there are two or more linked transactions with the same effective date the buyer, or all of the buyers if there is more than one, may make a single return as if all of those transactions were a single notifiable transaction.
- (2) Where two or more buyers make a single return in respect of linked transactions, sections 37 to 40 apply as if –
- (a) the transactions in question were a single transaction, and
- (b) those buyers were buyers acting jointly.

51 Return as a result of later linked transaction

- (1) This section applies where the effect of a transaction (“the later transaction”) that is linked to an earlier transaction is that –
- (a) the earlier transaction becomes notifiable,
- (b) additional tax is chargeable in respect of the earlier transaction, or

(c) tax is chargeable in respect of the earlier transaction where none was chargeable before.

(2) The buyer in the earlier transaction must make a return in respect of that transaction.

(3) A return made under this section must—

(a) be made before the end of the period of 30 days beginning with the day after the effective date of the later transaction, and

(b) include a self-assessment.

(4) This section does not affect any requirement to make a return in respect of the later transaction.

52 Power to amend period in which returns must be made

(1) The Welsh Ministers may by regulations amend a provision listed in subsection (2) so as to substitute for the period for the time being specified there, a different period.

(f) paragraph 3(4) of Schedule 6;

(g) paragraph 5(5) of that Schedule;

(h) paragraph 13(1) of that Schedule.

Declarations

53 Declaration

(1) A return under this Act must include a declaration by the buyer that the return is, to the best of the buyer's knowledge, correct and complete.

(2) But where—

(a) the buyer authorises an agent to complete the return,

(b) the buyer makes a declaration that, with the exception of the relevant date, the information provided in the return is to the best of the buyer's knowledge, correct and complete, and

(c) the return includes a declaration by the agent that the relevant date provided in the return is to the best of the agent's knowledge correct,

the requirement in subsection (1) is deemed to be met.

(3) The relevant date is—

(a) in relation to a return under section 47, the date of the event as a result of which the return is required,

- (b) in relation to a return under section 49, the date on which the disqualifying event occurred,
- (c) in relation to a return under section 51, the effective date of the later transaction,
- (d) in relation to a return under paragraph 24 of Schedule 5, the date on which the interim period that applies in accordance with paragraph 9(5) or 18(5) of that Schedule ended, and
- (e) in relation to a return made under any other provision of this Act, the effective date of the transaction.

(4) Nothing in subsection (2) affects the liability of the buyer under this Act or TCMA.

10 **54 Buyer with a disability: declaration by the Official Solicitor**

(1) Where—

- (a) a buyer in a land transaction is disabled,
- (b) the Official Solicitor is acting for that buyer, and
- (c) the return includes a declaration by the Official Solicitor that the return is to best of the Official Solicitor's knowledge correct and complete,

15 the requirement in section 53 is deemed to be met.

(2) Nothing in this section affects the liability of the buyer under this Act or TCMA.

(3) For the purposes of this section, a person is disabled if they have a disability for the purposes of the Equality Act 2010 (c. 15).

20 (4) In this section, the "Official Solicitor" means the Official Solicitor to the Senior Courts.

55 Declaration by person authorised to act on behalf of individual

(1) This section applies to a declaration mentioned in section 53 that a return is correct and complete.

25 (2) Where the buyer is an individual, the requirement that the buyer make such a declaration (alone or jointly with others) is treated as met if a declaration to that effect is made by a person authorised to act on behalf of that individual in relation to the matters to which the return or certificate relates.

30 (3) For the purposes of this section a person ("P") is not regarded as authorised to act on behalf of an individual unless P is so authorised by a power of attorney in writing, signed by that individual.

(4) This section does not apply where an individual is acting in accordance with section 33 (persons through whom a company acts)—

- (a) as the proper officer of a company, or
- (b) otherwise on behalf of a company.

CHAPTER 2**LIABILITY FOR AND PAYMENT OF TAX***Liability for tax***56 Liability for tax**

- 5 (1) The buyer in a chargeable transaction must pay the tax in respect of that transaction and accordingly the buyer is chargeable to the tax for the purposes of TCMA.
- (2) As to the liability of buyers acting jointly, see –
- (a) sections 37 to 40 (joint buyers),
- (b) Schedule 7 (partnerships), and
- 10 (c) Schedule 8 (trusts).

*Payment of tax***57 Payment of tax**

- (1) Where a buyer in a land transaction makes a return, the buyer must pay any amount, or any additional amount, of tax payable not later than the filing date for the return.
- 15 (2) Where a buyer in a land transaction amends a return in respect of that transaction, the buyer must pay any amount, or any additional amount, of tax payable as a result of that amendment –
- (a) if the amendment is made by the filing date for that return, not later than that date, and
- 20 (b) if the amendment is made after the filing date for the return, when the buyer gives notice of the amendment to WRA.
- (3) But see Chapter 3 (deferral of tax).

CHAPTER 3**DEFERRAL OF TAX****58 Deferral requests in cases of contingent or uncertain consideration**

- 25 (1) A buyer in a land transaction where the whole or part of the chargeable consideration is contingent or uncertain (see sections 19 and 20) may give notice to WRA (“a deferral request”) requesting that payment of an amount of tax payable stated in the first return relating to the transaction (“the requested amount”) be deferred.
- 30 (2) But the requested amount may not exceed the deferrable amount (see section 59).
- (3) WRA must agree to a deferral request if –
- (a) the return and the deferral request are made on or before the filing date for that return,

(b) the request—

(i) specifies the requested amount to be deferred,

(ii) sets out the calculation of the requested amount carried out in accordance with section 59 (including the amount of consideration falling within step 2 of that calculation (“the deferred consideration”)),

(iii) sets out the reasons why the deferred consideration is contingent or uncertain and the reasons why it falls to be paid or provided on one or more future dates of which at least one will or may fall more than 6 months after the effective date of the transaction,

(iv) proposes an expected end date of the deferral period (see subsection (8)), and

(v) contains any other information as may be required by virtue of section 191 of TCMA (giving notices to WRA),

(c) WRA is satisfied that the requested amount does not exceed the deferrable amount calculated in accordance with section 59, and

(d) the land transaction is not a tax avoidance arrangement nor forms part of arrangements which are tax avoidance arrangements.

(4) Otherwise WRA must refuse a deferral request (but see subsections (5) and (6)).

(5) But if WRA thinks that the requested amount exceeds the deferrable amount it may nevertheless grant the deferral request in relation to so much of the requested amount as does not exceed the deferrable amount.

(6) When agreeing to a deferral request WRA—

(a) must determine the amount of tax it agrees to defer (the “deferred amount”);

(b) must determine the expected end date of the deferral period (that may be different to the expected end date proposed by the buyer) (see subsection (8));

(c) may impose such conditions (including conditions requiring the buyer to make payments of part of the deferred amount at specified times during the deferral period) as WRA thinks appropriate.

(7) In this section, “tax avoidance arrangement” has the same meaning as in section 31.

(8) In this Chapter—

(a) “deferral period” means the period beginning with the filing date for the return referred to in subsection (1) and ending on the earlier of—

(i) the expected end date, or

(ii) the date on which an event mentioned in subsection (9) occurs in relation to the deferred consideration;

(b) “expected end date” means—

(i) the date on which an event mentioned in subsection (9) is expected to occur in relation to the deferred consideration, or

- (ii) if that date cannot be predicted, the fifth anniversary of the effective date of the transaction (or, where the expected end date is changed under section 62, the fifth anniversary of the previous expected end date).

(9) The events are –

- (a) where the deferred consideration is contingent, the date on which contingency occurs or it becomes clear that it will not occur;
- (b) where the deferred consideration is uncertain, the date on which the consideration becomes ascertained.

59 Calculation of deferrable amount

The deferrable amount in respect of a land transaction to which section 58(1) applies is to be calculated as follows.

Step 1

Calculate the amount of tax chargeable in respect of the land transaction in accordance with section 27 or 28.

Step 2

Determine the amount or value of chargeable consideration for the land transaction that –

- (a) has not already been paid or provided,
- (b) is contingent or uncertain (see sections 19 and 20),
- (c) does not consist of –
 - (i) rent (within the meaning given in Schedule 6), or
 - (ii) an annuity to which section 21 applies, and
- (d) falls to be paid or provided on one or more future dates of which at least one will or may fall more than 6 months after the effective date of the transaction.

That amount or value of consideration is the deferred consideration.

Step 3

Calculate (in accordance with section 27 or 28) the amount of tax that would have been chargeable in respect of the land transaction had the chargeable consideration for the transaction been reduced by the amount or value of the deferred consideration.

Step 4

Deduct the amount of tax calculated under step 3 from the amount calculated under step 1.

The remaining amount of tax is the deferrable amount.

60 Deferral requests: notices of WRA decisions

- (1) Where WRA agrees to a deferral request, it must issue a notice to the buyer specifying –
 - (a) the deferred amount and, if any, the refused amount,

- (b) the expected end date of the deferral period,
- (c) any condition WRA has imposed under section 58(6)(c), and
- (d) if the deferred amount is lower than the proposed deferred amount, the reasons for that decision.

5 (2) Where WRA refuses a deferral request, it must issue a notice to the buyer specifying the reasons for the refusal.

61 Deferral requests: effect of WRA's decision

(1) Where WRA agrees to a deferral request –

- 10 (a) the buyer must pay the deferred amount before the end of the day following the date on which the deferral period ends (despite section 57), and
- (b) despite section 157(3) of TCMA, the late payment interest start date in relation to the deferred amount is the date following the date on which the deferred amount is required to be paid (and Chapter 1 of Part 6 of TCMA is to be read accordingly).

15 (2) Where WRA refuses a deferral request (or agrees to a request but agrees a deferred amount which is lower than the requested amount) –

(a) the amount of tax which WRA has refused to defer (“the refused amount”) is required to be paid by the end of the later of –

- (i) the date on which the buyer receives notice of WRA's decision, or
- 20 (ii) the date on which the amount would otherwise be required to be paid in accordance with section 57, and

(b) the late payment interest start date for the refused amount is the later of –

- (i) the day after the date on which the refused amount is required to be paid, or
- 25 (ii) the date which would otherwise be specified under section 157(3) of TCMA as the late payment interest start date in relation to that amount.

(3) See sections 47 and 48 for provision about cases where the amount of tax payable changes as a result of –

- (a) a contingency occurring or not occurring, or
- (b) uncertain consideration becoming ascertained.

30 62 Variation of deferral requests

(1) Where WRA has agreed to a deferral request, the buyer may give notice to WRA requesting –

- (a) a change to the expected end date;
- (b) variation or removal of a condition imposed under section 58(6)(c).

35 (2) A request under subsection (1) must specify the change in circumstances which the buyer thinks justifies the change, variation or removal.

(3) If WRA thinks it appropriate to do so, it may –

- (a) agree to the request made under subsection (1), or

(b) agree to –

- (i) a different expected end date than that requested under subsection (1)(a);
- (ii) a different variation of a condition than that requested under subsection (1)(b).

5 (4) Where WRA makes a decision under this section it must issue a notice to the buyer setting out the decision and the reasons for it.

63 Failure to comply with WRA's agreement to defer

(1) If WRA thinks that the buyer –

- 10 (a) has failed to comply with a condition imposed under section 58(6)(c) or varied under section 62, or
- (b) has, in relation to the deferral request or a request made under section 62(1) –
 - (i) provided false or misleading information, or
 - (ii) withheld information,

15 the deferral request is to be treated as if it had never been made (and section 57 of this Act and section 157 of TCMA apply accordingly).

(2) In such a case WRA must issue a notice to the buyer stating that deferral request is to be treated as if it had never been made and setting out the consequences of that.

64 Regulations about deferral of tax

(1) The Welsh Ministers may by regulations –

- 20 (a) make provision for the deferral of tax in cases where the deferred consideration consists of rent (within the meaning given in Schedule 6);
- (b) make provision applying this Chapter (with such modifications as may be specified in the regulations) to cases where the consideration to which a deferral request relates, or any element of that consideration, consists of –
 - 25 (i) the carrying out of works of construction, improvement or repair of a building or other works to enhance the value of land, or
 - (ii) the provision of services (other than the carrying out of such works);
- (c) make provision for WRA to make variations under section 62 without the buyer giving notice of a request under subsection (1) of that section (whether by agreement with the buyer or by imposition).
- 30

(2) Regulations under subsection (1) may make such modifications of this Act as the Welsh Ministers consider necessary or expedient.

CHAPTER 4

REGISTRATION OF LAND TRANSACTIONS

65 Registration of land transactions

- 5 (1) The Chief Land Registrar (“the Registrar”) may not register, record or otherwise reflect in an entry made in the register of title maintained by the Registrar a notifiable land transaction or a document effecting or evidencing such a transaction unless a WRA certificate is produced with the application to register, record or otherwise reflect the transaction.
- 10 (2) A “WRA certificate” is a certificate issued by WRA stating that a return has been made in respect of the transaction.
- (3) But subsection (1) does not apply in so far as –
- 15 (a) the notifiable land transaction or a document effecting or evidencing that transaction is required to be registered, recorded or otherwise reflected in an entry made in the register of title without any application to register;
 - (b) the entry registers, records or otherwise reflects an interest or right other than the chargeable interest acquired by the buyer in the land transaction.
- (4) This section does not apply to –
- 20 (a) a contract which is to be treated as a land transaction by virtue of –
 - (i) section 10(4) (contract and transfer), or
 - (ii) section 11(3) (contract providing for transfer to third party);
 - (b) a notional or additional notional transaction within the meaning given in Schedule 2;
 - (c) an agreement for a lease which is to be treated as a land transaction by virtue of paragraph 20(1) of Schedule 6;
 - 25 (d) a variation of a lease which is to be treated as a land transaction by virtue of paragraph 24(1) or 25(1) of that Schedule.
- (5) The Welsh Ministers may by regulations make provision about WRA certificates.
- (6) Regulations made under subsection (5) may in particular –
- 30 (a) make provision as to the conditions that must be met before a certificate is issued;
 - (b) make provision about the issue of duplicate certificates;
 - (c) provide for the issue of multiple certificates where a return is made relating to more than one transaction.
- (7) The Registrar –
- (a) must allow WRA to inspect any certificates produced under this section, and

- (b) may enter into arrangements for affording WRA other information and facilities for verifying that the requirements of this Act have been complied with.

PART 7

GENERAL ANTI-AVOIDANCE RULE

5 **66 General anti-avoidance rule**

After section 81 of TCMA (contract settlements), insert—

“PART 3A

GENERAL ANTI-AVOIDANCE RULE

Overview

10 **81A Meaning of “general anti-avoidance rule” and overview**

- (1) This Part makes provision for counteracting tax advantages arising from artificial tax avoidance arrangements, including provision—
 - (a) about the meaning of “tax avoidance arrangement”, “artificial” and “tax advantage” (sections 81B to 81D);
 - (b) about WRA’s power to make adjustments to counteract tax advantages and the steps to be taken by WRA in connection with such adjustments (sections 81E to 81G).
- (2) The rules in this Part are collectively to be known as “the general anti-avoidance rule”.

20 *Artificial tax avoidance arrangements*

81B Tax avoidance arrangements

- (1) For the purposes of this Part, an arrangement is a “tax avoidance arrangement” if the obtaining of a tax advantage for any person is the main purpose, or one of the main purposes, of a taxpayer entering into the arrangement.
 - (2) In determining whether the main purpose, or one of the main purposes, of an arrangement is the obtaining of a tax advantage regard may in particular be had to the amount of devolved tax that would have been chargeable in the absence of the arrangement.
 - (3) In this Part—
- 25
- 30

- 5
- (a) an “arrangement” includes any transaction, scheme, action, operation, agreement, grant, understanding, promise, undertaking, event or any series of any of those things (whether legally enforceable or not),
- (b) references to an arrangement are to be read as including –
- (i) a series of arrangements, and
- (ii) any part or stage of an arrangement comprised of more than one part or stage,
- 10
- (c) “taxpayer” means a person liable to devolved tax or who would be liable but for the tax avoidance arrangement in question.

81C Artificial tax avoidance arrangements

- 15
- (1) For the purposes of this Part, a tax avoidance arrangement is “artificial” if the entering into or carrying out of it is not a reasonable course of action in relation to the provisions of Welsh tax legislation applying to the arrangements.
- (2) In determining whether the tax avoidance arrangement is artificial, regard may in particular be had –
- 20
- (a) to any genuine economic or commercial substance to the arrangement (other than the obtaining of a tax advantage);
- (b) as to whether the arrangement results in an amount of tax chargeable that it is reasonable to assume was not the anticipated result when the relevant provision of Welsh tax legislation was enacted.
- 25
- (3) But an arrangement is not artificial if, at the time it was entered into or carried out –
- (a) the arrangement was consistent with generally prevailing practice, and
- (b) WRA had indicated its acceptance of that practice.
- 30
- (4) Where a tax avoidance arrangement forms part of any other arrangements, regard must also be had to those other arrangements in determining whether the tax avoidance arrangement is artificial.
- (5) In this section, “Welsh tax legislation” means –
- (a) the Welsh Tax Acts, and
- 35
- (b) any subordinate legislation (within the meaning of section 21 of the Interpretation Act 1978 (c. 30)) made under those Acts.

81D Meaning of “tax” and “tax advantage”

For the purposes of this Part—

“tax” (“*treth*”) means any devolved tax;

“tax advantage” (“*mantais drethiannol*”) means—

- (a) relief or increased relief from tax,
- (b) repayment or increased repayment of tax,
- (c) avoidance or reduction of a charge to tax,
- (d) deferral of a payment of tax or advancement of a repayment of tax, and
- (e) avoidance of an obligation to deduct or account for tax.

Counteracting tax advantages

81E Adjustments to counteract tax advantages

- (1) WRA may make such adjustments as it considers just and reasonable to counteract a tax advantage that would (ignoring this Part) arise from an artificial tax avoidance arrangement.
- (2) An adjustment may be made in respect of the devolved tax in question or any other devolved tax.
- (3) An adjustment must be made—
 - (a) where the adjustment relates to a tax return in respect of which an enquiry is in progress, by amending the return in a closure notice issued under section 50;
 - (b) otherwise by means of a WRA assessment.
- (4) WRA may not make an adjustment unless it has complied with the requirements of sections 81F and 81G.

81F Notice of proposed counteraction

- (1) WRA may issue a notice (a “proposed counteraction notice”) to a taxpayer if WRA considers—
 - (a) that a tax advantage has arisen to a person from an artificial tax avoidance arrangement, and
 - (b) that the tax advantage should be counteracted by means of an adjustment under section 81E.
- (2) A proposed counteraction notice must—
 - (a) specify the tax avoidance arrangement and the tax advantage,

- (b) explain why WRA considers that a tax advantage has arisen from an artificial tax avoidance arrangement,
- (c) set out the adjustment that WRA proposes to make in order to counteract the tax advantage,
- 5 (d) specify any amount that the taxpayer will be required to pay in accordance with the proposed WRA assessment, and
- (e) inform the taxpayer –
- (i) that a final counteraction notice is to be issued after the expiry of the period of 45 days beginning with the day on which the proposed counteraction notice is issued,
- 10 (ii) that the taxpayer may request that WRA extend that 45 day period, and
- (iii) that the taxpayer may make written representations to WRA at any time before the final counteraction notice is issued.
- 15

81G Final counteraction notice

- (1) WRA must, after the expiry of the 45 day period mentioned in section 81F(2)(e)(i) or such longer period as WRA has agreed to, issue a notice (a “final counteraction notice”) to the taxpayer.
- 20 (2) A final counteraction notice must state whether the tax advantage arising from the tax avoidance arrangement is to be counteracted by means of an adjustment under section 81E.
- (3) In determining whether the tax advantage is to be counteracted WRA must have regard to any written representations made by the taxpayer.
- 25 (4) If a final counteraction notice states that a tax advantage is to be counteracted by means of an adjustment the notice must also –
- (a) specify the adjustment required to give effect to the counteraction,
- 30 (b) where the adjustment relates to a tax return in respect of which an enquiry is in progress, specify the amendment of the return which is to be included in the closure notice issued under section 50 when WRA reaches its conclusions in the enquiry,
- (c) where paragraph (b) does not apply –
- 35 (i) be accompanied by the WRA assessment which gives effect to the adjustment, or
- (ii) where a WRA assessment giving effect to the adjustment has been made, specify that assessment, and

(d) specify any amount that the taxpayer –

(i) will be required to pay as a result of the amendment specified under paragraph (b), or

(ii) is required to pay in accordance with the WRA assessment mentioned in paragraph (c).

(5) If a final counteraction notice states that a tax advantage is not to be counteracted it must state the reasons for WRA's decision.

Proceedings before a court or tribunal

81H Proceedings in connection with the general anti-avoidance rule

In proceedings before a court or the tribunal in connection with the general anti-avoidance rule, it is for WRA to show –

(a) that there is an artificial tax avoidance arrangement, and

(b) that the adjustments made (or to be made) to counteract the tax advantage arising from the arrangement are just and reasonable.

Commencement and transitional provision

81I General anti-avoidance rule: commencement and transitional provision

(1) The general anti-avoidance rule has effect in relation to any tax avoidance arrangement entered into on or after the date on which this Part comes into force.

(2) Where a tax avoidance arrangement forms part of any other arrangements entered into before that day, those other arrangements are to be ignored for the purposes of section 81C(4) unless the result of having regard to those other arrangements would be to determine that the tax avoidance arrangement was not artificial."

SCHEDULE 2
(as introduced by section 13)

PRE-COMPLETION TRANSACTIONS

PART 1

INTRODUCTION AND KEY CONCEPTS

5

Overview

- 1 (1) This Schedule makes provision about the application of this Act (in particular section 10 (contract and transfer)) to pre-completion transactions (the meaning of which is set out in paragraph 3).
- 10 (2) The Schedule is arranged as follows –
- (a) this Part makes introductory provisions setting out the circumstances where this Schedule applies (paragraph 2) and explaining the meaning of “pre-completion transaction” and other key terms referred to in the Schedule;
 - 15 (b) Part 2 sets out how this Act applies in cases where the pre-completion transaction is an assignment of rights (the meaning of which is set out in paragraph 6);
 - (c) Part 3 sets out how this Act applies in cases involving free-standing transfers (the meaning of which is set out in paragraph 12);
 - 20 (d) Part 4 provides for a special rule (“the minimum consideration rule”) which applies to determine the consideration given in cases where the parties in relation to a pre-completion transaction are connected or are otherwise not acting at arm’s length;
 - (e) Part 5 provides for relief to be available to certain buyers in cases where certain pre-completion transactions are entered into;
 - (f) Part 6 makes some general interpretative provisions.

25 *Application of this Schedule*

- 2 (1) This Schedule applies where –
- (a) a person (“the original buyer”) enters into a contract (“the original contract”) for the acquisition by the original buyer of a chargeable interest under which the acquisition is to be completed by a transfer, and
 - 30 (b) there is a pre-completion transaction.
- (2) The reference in sub-paragraph (1)(a) to a contract does not include a contract that is an assignment of rights in relation to another contract.
- (3) For any one contract for the acquisition of a chargeable interest there is only one original buyer (and for the purposes of this Schedule joint original buyers are to be treated as one
- 35 original buyer).

- (4) This Schedule does not apply where paragraph 21 of Schedule 6 (assignment of agreement for lease) applies (and accordingly, despite paragraph 3, the assignment of an agreement for lease is not a pre-completion transaction).

Meaning of “pre-completion transaction”

- 5 3 (1) A transaction is a pre-completion transaction if –
- (a) as a result of the transaction a person other than the original buyer (“the transferee”) becomes entitled to call for a transfer to the transferee of the whole or part of the subject-matter of the original contract, and
 - (b) immediately before the transaction took place a person (other than the transferee but not necessarily the original buyer) was entitled under the original contract to call for a transfer of the whole or that part of that subject-matter.
- 10
- (2) A transaction that gives effect to a person’s acquisition of the whole or part of the subject-matter of the original contract is not a pre-completion transaction.
- (3) The grant or assignment of an option is not a pre-completion transaction.
- 15 (4) The fact that a transaction has the effect of discharging the original contract does not prevent that transaction from being a pre-completion transaction.

Other key terms

- 4 (1) In this Schedule, references to part of the subject-matter of the original contract –
- (a) are to a chargeable interest that is the same as the chargeable interest referred to in paragraph 2(1)(a) except that it relates to part only of the land concerned, and
 - (b) also include, so far as is appropriate, interests or rights appurtenant or pertaining to the chargeable interest.
- 20
- (2) In this Schedule, “the transferor”, in relation to a pre-completion transaction, means a party to the pre-completion transaction who immediately before the pre-completion transaction took place was entitled to call for a transfer of (what became) the subject-matter of the pre-completion transaction.
- 25
- (3) References in this Schedule to the “subject-matter” of a pre-completion transaction –
- (a) are to the chargeable interest the transfer of which the transferee is entitled to call for as a result of the pre-completion transaction, and
 - (b) also include, so far as is appropriate, interests or rights appurtenant or pertaining to the chargeable interest.
- 30

Tax not charged on transferee by reason of the pre-completion transaction

- 5 The transferee is not regarded as entering into a land transaction only by reason of the pre-completion transaction.

PART 2

PRE-COMPLETION TRANSACTIONS WHICH ARE ASSIGNMENTS OF RIGHTS

Pre-completion transactions which are assignments of rights

6 A pre-completion transaction is an “assignment of rights” if the entitlement of the
5 transferee referred to in paragraph 3(1)(a) is an entitlement to exercise rights under the
original contract.

Assignments of rights: application of rules about completion and consideration

7 (1) This paragraph applies if the pre-completion transaction is an assignment of rights.

10 (2) If the subject-matter of the original contract is transferred to the transferee, the transfer is
taken to be the completion of the original contract (despite section 10 and in particular
subsection (10)(a) of that section).

(3) Sub-paragraphs (4) to (8) apply if—

(a) the subject-matter of the original contract is transferred to the transferee, or

(b) the original contract is substantially performed by the transferee.

15 (4) The transferee is taken to be the buyer in the land transaction effected as mentioned in
section 10(3), or treated as effected under section 10(4).

(5) For the purpose of determining the chargeable consideration for that land transaction, the
land transaction is taken to give effect to a contract the consideration under which is the
consideration paid or provided by the transferee or a person connected with the
20 transferee—

(a) for the subject-matter of the original contract, and

(b) for the assignment of rights.

(6) Paragraph 1 of Schedule 4 (chargeable consideration: money or money’s worth) has effect
accordingly but subject to sub-paragraphs (7) and (8) of this paragraph.

25 (7) This paragraph does not allow any amount of consideration given by a person to be
counted twice in determining the chargeable consideration.

(8) In any case where there is a relevant connection between the parties as mentioned in
paragraph 15(2) (minimum consideration rule), the chargeable consideration for the land
transaction mentioned in sub-paragraph (4) of this paragraph is calculated (regardless of
whether the consideration is taken to be the amount in paragraph (a), (b) or (c) of
paragraph 15(2)) as if in paragraph 1 of Schedule 4 the words “or a person connected
30 with the buyer” were omitted.

(9) The original contract is to be taken to be “substantially performed by the transferee”
where a land transaction is treated as effected under section 10(4) by reason of—

35 (a) the transferee under the assignment of rights, or a person connected with the
transferee, taking possession of the whole, or substantially the whole, of the
subject-matter of the original contract,

(b) a substantial amount of the consideration being paid or provided by the transferee or a person connected with the transferee, or

(c) consideration paid or provided by the transferee, or a person connected with the transferee, amounting, when taken together with consideration paid or provided by another person, to a substantial amount of the consideration.

(10) References in sub-paragraph (9) to possession and to the payment or provision of a substantial amount of the consideration are to be read in accordance with subsections (2) and (3) of section 14 (meaning of substantial performance).

(11) In sub-paragraph (9) “the consideration” –

(a) in relation to the land transaction, means (what is taken to be) the consideration for the acquisition of the subject-matter of the land transaction;

(b) in relation to the original contract, means the consideration for the transferee’s acquisition of the subject-matter of that contract;

(c) in relation to the assignment of rights, means the consideration for the transferee’s acquisition of the rights to which that contract relates.

Assignment of rights: transferor treated as making separate acquisition

(1) Where paragraph 7(4) to (8) applies (assignment of rights: original contract completed or substantially performed) this Act has effect as if –

(a) the effective date of the land transaction mentioned in paragraph 7(4) (“the transferee’s land transaction”) were also the effective date of another land transaction (a “notional land transaction”), and

(b) the original buyer were the buyer in that notional land transaction.

(2) The notional land transaction is referred to in this paragraph as being “associated with” the assignment of rights under which the original buyer is the transferor.

(3) Where sub-paragraph (1) applies and the assignment of rights mentioned in paragraph 7(1) (“the implemented assignment of rights”) was preceded by one or more related assignments of rights, then for the purposes of this Act there is taken to be, for each assignment of rights (other than the first) in the chain formed by the implemented assignment of rights and those preceding assignments of rights, an additional notional land transaction –

(a) the effective date of which is the effective date of the transferee’s land transaction, and

(b) where the buyer is the transferor under that assignment of rights.

(4) In sub-paragraph (3) “related assignment of rights” means a transaction that is an assignment of rights in relation to the original contract and has some subject-matter in common with the implemented assignment of rights.

(5) The additional notional land transaction is referred to in this paragraph as being “associated with” the assignment of rights.

(6) For the purpose of determining the chargeable consideration –

(a) for the notional land transaction, Schedule 4 has effect as if paragraph 1 of that Schedule provided that the chargeable consideration is (except as otherwise provided) the sum of A and B;

(b) for any additional notional land transaction, that Schedule has effect as if paragraph 1 of it provided that the chargeable consideration is (except as otherwise provided) the sum of A, B and C.

(7) A is the total amount of any consideration in money or money's worth given (whether directly or indirectly) by any of the following as consideration under the original contract –

(a) the transferee under the assignment of rights with which the notional land transaction or the additional notional land transaction is associated;

(b) where the assignment of rights is one in a chain of successive transactions that are pre-completion transactions in relation to the original contract (all having at least part of their subject-matter in common), the transferee under any subsequent pre-completion transaction in that chain;

(c) a person connected with a person falling within paragraph (a) or (b).

(8) B is the total amount of any other consideration in money or money's worth given as consideration under the original contract (directly or indirectly) by –

(a) the buyer (under the notional land transaction or the additional notional land transaction), or

(b) a person connected with the buyer.

(9) C is the amount of any consideration in money or money's worth given for the preceding assignment of rights by –

(a) the buyer (under the additional notional land transaction), or

(b) a person connected with the buyer.

(10) In sub-paragraph (9) “the preceding assignment of rights” means the assignment of rights as a result of which the buyer became entitled to call for a transfer of (what became) the subject-matter of the assignment of rights associated with the additional notional land transaction.

30 *Notional land transactions: effect of rescission etc. following substantial performance*

9 (1) This paragraph applies where paragraph 8(1) (transferor treated as making separate acquisition) applies by virtue of the substantial performance by the transferee of the original contract.

(2) If the original contract is (to any extent) subsequently rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of paragraph 8(1), and any tax paid by virtue of paragraph 8(3), must (to that extent) be repaid by WRA.

(3) But repayment of tax is due only if a claim for it is made by amendment, in accordance with section 41 of TCMA, of the return in respect of the notional or additional notional land transaction.

Assignment of rights relating to part only of original contract

10 Where the transferee under the assignment of rights referred to in paragraph 7(1) is entitled to call for the transfer of part, but not the whole, of the subject-matter of the original contract –

- 5 (a) paragraph 7 applies as if the original contract, so far as relating to that part of its subject-matter, were a separate contract, and
- (b) the references in paragraph 8 to the original contract are to be read accordingly.

Assignment of rights: references to “the seller”

11 (1) This paragraph applies where –

- 10 (a) the pre-completion transaction is an assignment of rights, and
- (b) either the subject-matter of the original contract is transferred to the transferee or the original contract is substantially performed by the transferee.
- (2) This paragraph does not apply if the original contract is itself a free-standing transfer (see Part 3 of this Schedule for the treatment of such cases).
- 15 (3) The general rule is that in relation to a relevant land transaction, references in this Act to the seller are to be read as references to the seller under the original contract (but see sub-paragraphs (4) and (5)).
- (4) In cases where the original contract was substantially performed before the transferee became entitled to call for a transfer of the whole or part of the subject-matter of the original contract, references in this Act to the seller are to be read as references to the person who was the buyer under the original contract when it was substantially performed.
- 20 (5) In relation to a relevant land transaction, references to the seller in any of the following provisions are to be read as including the seller under the original contract and the transferor under any relevant assignment of rights –
- 25 (a) paragraph 8(1)(a) of Schedule 4 (debt as consideration);
- (b) paragraph 11(2)(c) of that Schedule (carrying out of works);
- (c) paragraph 14 of that Schedule (indemnity given by buyer);
- (d) paragraph 1(1) and (2) of Schedule 20 (transfers involving public bodies);
- 30 (e) paragraph 2(1)(a) of Schedule 21 (compliance with planning obligations: conditions for relief).
- (6) The following are “relevant land transactions” –
- 35 (a) the land transaction given effect by the transfer mentioned in sub-paragraph (1)(b) or treated as having been given effect by the substantial performance mentioned in that sub-paragraph;
- (b) the notional land transaction mentioned in paragraph 8(1) and any additional notional land transaction under paragraph 8(3).

- (7) In determining under section 8(1) whether or not a relevant land transaction such as is mentioned in sub-paragraph (6)(a) is linked to another transaction, it may be assumed that any of the following is the seller in the relevant land transaction –
- (a) the seller (determined in accordance with sub-paragraph (3)), or
 - (b) the transferor under any relevant assignment of rights.
- (8) The following are “relevant assignments of rights” in relation to a relevant land transaction –
- (a) the assignment of rights mentioned in sub-paragraph (1)(a);
 - (b) any other transaction that is an assignment of rights in relation to the original contract and has some subject-matter in common with the assignment of rights mentioned in paragraph (a).

PART 3

PRE-COMPLETION TRANSACTIONS WHICH ARE FREE-STANDING TRANSFERS

Pre-completion transactions which are free-standing transfers

- 12 A pre-completion transaction which is not an assignment of rights is referred to in this Schedule as a “free-standing transfer”.

Free-standing transfers: consideration and substantial performance

- 13 (1) This paragraph applies where the pre-completion transaction is a free-standing transfer.
- (2) If the transferee acquires the subject-matter of the free-standing transfer, the consideration for the transaction giving effect to that acquisition is taken to include the consideration given for the free-standing transfer (if that would not otherwise be the case).
- (3) References in sub-paragraph (2) to an acquisition include an acquisition treated as having taken place by virtue of section 10(4) (and the reference to the transaction giving effect to that acquisition is to be read accordingly).
- (4) An action taken by the transferee (or an assignee of the transferee) that would, if taken by the original buyer, constitute (for the purposes of section 14(1)) the taking of possession of the whole or substantially the whole of the subject-matter of the original contract is treated as being the substantial performance of the original contract.
- (5) If a transaction that is a free-standing transfer in relation to a contract is also a free-standing transfer in relation to another contract (in particular, where there have been successive free-standing transfers), each of those contracts is to be regarded as “the original contract” for the purposes of separate applications of sub-paragraph (4).
- (6) In sub-paragraph (4) –
- (a) the reference to the transferee includes a person connected with the transferee, and
 - (b) the reference to an assignee of the transferee –

- (i) is to a person who, as a result of a transaction that is an assignment of rights in relation to the free-standing transfer, is entitled to call for a transfer of the whole or part of the subject-matter of the free-standing transfer, and
- (ii) includes a person connected with such a person.

References to "the seller" in cases involving free-standing transfers

14 (1) This paragraph applies where –

(a) the pre-completion transaction is a free-standing transfer and the transferee acquires the subject-matter of the free-standing transfer as mentioned in paragraph 13(2) (read with paragraph 13(3)), or

(b) the pre-completion transaction is an assignment of rights and either –

(i) the subject-matter of the original contract is transferred to the transferee, or

(ii) the original contract is substantially performed by the transferee,

but paragraph 11(1) (references to the seller where transferee is assignee under an assignment of rights) does not apply because the original contract is a free-standing transfer (see paragraph 11(2)).

(2) The general rule is that in relation to the relevant land transaction, references in this Act to the seller are to be read as references to the seller under the first appropriate transaction (but see sub-paragraph (3)).

(3) In relation to the relevant land transaction, references to the seller in the specified provisions (see sub-paragraph (4)) are to be read as including –

(a) the seller in the first appropriate transaction,

(b) the transferor under the final transaction, and

(c) the transferor under any other pre-completion transaction relating to, and which has some subject-matter in common with, the transactions mentioned in paragraphs (a) and (b).

(4) The specified provisions are –

(a) paragraph 8(1)(a) of Schedule 4 (debt as consideration);

(b) paragraph 11(2)(c) of that Schedule (carrying out of works);

(c) paragraph 14 of that Schedule (indemnity given by buyer);

(d) paragraph 1(1) and (2) of Schedule 20 (transfers involving public bodies);

(e) paragraph 2(1)(a) of Schedule 21 (compliance with planning obligations: conditions for relief).

(5) In determining under section 8(1) whether or not the relevant land transaction is linked to another transaction, it may be assumed that any of the following is the seller in the relevant land transaction –

(a) the seller in the first appropriate transaction,

(b) the transferor under the final transaction, and

(c) the transferor under any other pre-completion transaction relating to, and which has some subject-matter in common with, the transactions mentioned in paragraphs (a) and (b).

(6) In this paragraph –

(a) “the relevant land transaction” means –

(i) the land transaction mentioned in sub-paragraph (1)(a), or

(ii) in a case falling within sub-paragraph (1)(b), the land transaction given effect by the transfer to the transferee of the subject-matter of the original contract or the substantial performance by the transferee of the original contract;

(b) “the final transaction” means –

(i) in a case falling within sub-paragraph (1)(a), the transaction giving effect to the acquisition by the transferee of the subject-matter of the free standing transfer;

(ii) in a case falling within sub-paragraph (1)(b), the transaction giving effect to the acquisition by the transferee of the subject-matter of the assignment of rights (whether by the transfer of the subject-matter of the original contract to the transferee, the substantial performance of the original contract by the transferee or otherwise);

(c) “the first appropriate transaction” means the original contract, unless sub-paragraph (7) applies.

(7) In applying this paragraph to a case where the original contract is not performed at the same time as, and in connection with the performance of the final transaction, “the first appropriate transaction” means a transaction that is a pre-completion transaction in relation to the original contract and meets the following conditions.

(8) The conditions are that the pre-completion transaction –

(a) is performed at the time when the final transaction is performed and (if it is not itself that final transaction) is performed in connection with the performance of the final transaction,

(b) is a transaction on which the entitlement of the transferee to call for the transfer of the subject-matter of the final transaction depends, and

(c) is not preceded by another pre-completion transaction meeting the conditions in paragraphs (a) and (b).

(9) For the purposes of sub-paragraphs (7) and (8) –

(a) a contract for a land transaction is taken to be “performed” when it is substantially performed or completed (whichever is earlier);

(b) a free-standing transfer other than a contract is taken to be “performed” when the transferee under that free-standing transfer (or an assignee of that transferee, as defined in paragraph 13(6)(b)) acquires the subject-matter of that free-standing transfer.

- 5 (10) Where the final transaction is a pre-completion transaction in relation to each of two or more contracts such as are mentioned in paragraph 2(1)(a) that together form a series of such contracts (each having some subject-matter in common with all the others), references in this paragraph to the “original contract” are to be read as references to the first contract in that series.

PART 4

THE MINIMUM CONSIDERATION RULE

The minimum consideration rule

- 10 15 (1) This paragraph applies where paragraph 7(3) or 13(2) (pre-completion transactions: chargeable interest acquired, or treated as acquired, by transferee) applies.
- (2) If there is a relevant connection between parties, then for the purposes of paragraph 1 of Schedule 4 the consideration given by the buyer for the subject-matter of the land transaction referred to in paragraph 7(4) or 13(2) is taken to be the highest of –
- 15 (a) the amount it would be apart from this sub-paragraph,
- (b) the first minimum amount (see paragraph 16), or
- (c) the second minimum amount (see paragraph 17).
- (3) There is a “relevant connection between parties” if the transferee in relation to the pre-completion transaction mentioned in paragraph 7(1) or 13(1) (“the implemented transaction”) is connected with, or is not acting at arm’s length in relation to –
- 20 (a) the transferor in relation to the implemented transaction, or
- (b) a transferor in relation to a pre-completion transaction –
- (i) which is one in a chain of successive pre-completion transactions (all having at least part of their subject-matter in common and including the implemented transaction) in relation to the original contract, and
- 25 (ii) which precedes the implemented transaction in the chain.
- (4) Where the implemented transaction is a pre-completion transaction in relation to –
- (a) a contract for a land transaction that is not itself a free-standing transfer in relation to any other contract, and
- (b) a contract, or two or more successive contracts, that are themselves free-standing
- 30 transfers in relation to the contract mentioned in paragraph (a),
- references in this Part of this Schedule to the “original contract” are to the contract mentioned in paragraph (a) only (and references to the “original buyer” are to be read accordingly).

The first minimum amount

- 35 16 (1) The “first minimum amount” is to be determined in accordance with sub-paragraph (2) unless conditions A to C in sub-paragraph (3) are met, in which case it is to be determined in accordance with that sub-paragraph.

(2) The “first minimum amount” is—

- 5 (a) if the chargeable interest acquired (or treated as acquired) under the land transaction referred to in paragraph 7(4) or 13(2) is the whole subject-matter of the original contract, the amount of any consideration (in money or money’s worth) agreed to be given, under the terms of the original contract, for the acquisition of that subject-matter, or
- 10 (b) if paragraph (a) does not apply, so much of the amount mentioned in that paragraph as is referable, on a just and reasonable apportionment, to the chargeable interest acquired (or treated as acquired) under the land transaction referred to in paragraph 7(4) or 13(2).

(3) If conditions A to C are met, the “first minimum amount” is the amount of any consideration (in money or money’s worth) agreed, under the terms of the transfer to the first T, to be given in respect of the subject-matter of that transaction (including any consideration relating to an obligation of the transferor under the transfer to the first T).

15 *Condition A*

That the pre-completion transaction referred to in paragraph 7(4) or 13(2) is one of a chain of successive transactions (all having at least part of their subject-matter in common) that are pre-completion transactions in relation to the original contract.

20 *Condition B*

That a person (“T”) is the transferor under a pre-completion transaction that forms part of the chain and T is connected with, or not acting at arm’s length in relation to—

- 25 (a) the transferee under that transaction, or
- (b) the transferee under a subsequent transaction in the chain (including the pre-completion transaction referred to in paragraph 7(4) or 13(2)).

Condition C

30 That, having regard to all the circumstances, the obtaining of a tax advantage (for any person) was not the main purpose, or one of the main purposes, of T entering into any pre-completion transaction in the chain or any arrangement of which such a transaction was part.

(4) In this paragraph—

(a) “the first T” means—

- 35 (i) if condition B is met in relation to only one pre-completion transaction, T, or
- (ii) if condition B is met in relation to more than one pre-completion transaction in the chain, the transferor in relation to the first of the pre-completion transactions in relation to which condition B is met;

(b) “the transfer to the first T” means—

- 40 (i) the pre-completion transaction under which the first T is the transferee, or
- (ii) the original contract (if T is the original buyer);

- (c) “tax advantage” has the same meaning as in section 31(3).

The second minimum amount

17 (1) The “second minimum amount” is the total of the net amounts of consideration given by the relevant parties.

5 (2) The net amount of consideration given by any relevant party is –

$$CP - CR$$

Figure 1

where –

10 CP is the total amount of consideration given by the party for the acquisition of the chargeable interest or as consideration for a pre-completion transaction;

CR is the total of any amounts of consideration given to the party by another relevant party (or other relevant parties) as consideration for the acquisition of the chargeable interest or as consideration for the pre-completion transaction,

15 and if CR is greater than CP then the net amount of consideration given by the relevant party is taken to be zero.

(3) The relevant parties are –

- (a) the original buyer, and
- (b) the transferee,

unless sub-paragraph (4) applies.

20 (4) If the pre-completion transaction mentioned in paragraph 7(1) or 13(1) (“the implemented transaction”) is one in a chain of successive transactions (all having at least part of their subject-matter in common) that are pre-completion transactions in relation to the original contract, only the following are relevant parties –

- 25 (a) the transferor and the transferee in relation to the implemented transaction;
- (b) a transferor in relation to a preceding transaction, if that transferor is connected with, or is not acting at arm’s length in relation to, the transferee under the implemented transaction;
- (c) the transferee under a pre-completion transaction where the transferor is a relevant party (whether by virtue of this paragraph (c) or otherwise),

30 and in this sub-paragraph and sub-paragraph (6) “preceding transaction” means a pre-completion transaction that precedes the implemented transaction in the chain.

(5) For the purposes of sub-paragraph (2) –

- 35 (a) amounts given by a person connected with a relevant party are treated as given by the relevant party;
- (b) amounts given to a person connected with a relevant party are treated as given to the relevant party,

but a person who is a relevant party is not to be treated, for the purposes of this paragraph, as connected with another relevant party (even if, apart from this sub-paragraph, that would be the case).

- (6) If the subject-matter of the implemented transaction is not the whole subject-matter of the original contract –
- (a) the amounts that are taken for the purposes of sub-paragraph (2) to be given “for the acquisition of the chargeable interest” are to be determined on a just and reasonable basis, and
- (b) only so much of the consideration for a preceding transaction as is referable, on a just and reasonable basis, to the subject-matter of the implemented transaction is to be taken into account under sub-paragraph (2).

PART 5

RELIEFS

Relief for transferor: assignment of rights

18 (1) This paragraph applies where –

- (a) a person would, in the absence of this paragraph, be liable to pay tax in respect of a notional land transaction deemed to take place under paragraph 8(1) or an additional notional land transaction deemed to take place under paragraph 8(3), and
- (b) the original contract had not been substantially performed when the assignment of rights mentioned in paragraph 7(1) was entered into.

(2) If the buyer in respect of the notional land transaction, or additional notional land transaction, claims relief under this paragraph, the buyer is relieved from tax in respect of that transaction.

(3) But no relief is available under this paragraph if the land transaction mentioned in paragraph 7(4) is relieved from tax by virtue of Schedule 10 (alternative property finance reliefs).

Relief for original buyer: qualifying subsales

19 (1) This paragraph applies if –

- (a) the pre-completion transaction is a qualifying subsale (see sub-paragraph (6)),
- (b) the original buyer would, in the absence of this paragraph, be liable to pay tax in respect of the land transaction given effect by the completion of the original contract or treated as having been given effect by the substantial performance of the original contract,
- (c) the performance of the qualifying subsale takes place at the same time as, and in connection with, the performance of the original contract, and
- (d) relief is claimed in respect of the land transaction mentioned in paragraph (b).

(2) If the subject-matter of the qualifying subsale is the whole of the subject-matter of the original contract, the original buyer is relieved from tax in respect of the land transaction mentioned in sub-paragraph (1)(b).

- (3) If the subject-matter of the qualifying subsale is part of the subject-matter of the original contract, the amount of consideration for the land transaction mentioned in subparagraph (1)(b) is taken to be—

$OC - QS$

Figure 2

where—

OC is the amount that the consideration would be apart from this sub-paragraph, and

QS is so much of OC as is referable to the subject-matter of the qualifying subsale, and OC may be reduced more than once if there is more than one qualifying subsale.

- (4) But no relief is available under this paragraph if—

(a) the original contract had been substantially performed when the qualifying subsale was entered into, or

(b) the transaction effected, or treated as effected, by the performance of the qualifying subsale is relieved from tax by virtue of Schedule 10 (alternative property finance reliefs).

- (5) For the purposes of this paragraph, a contract for a land transaction is taken to be “performed” when it is substantially performed or completed (whichever is earlier).

- (6) A pre-completion transaction is a “qualifying subsale” if it is a contract under which the original buyer contracts to sell the whole or part of the subject-matter of the original contract to the transferee.

- (7) If a transaction is a qualifying subsale in relation to more than one contract such as is mentioned in paragraph 2(1)(a), this paragraph applies separately in relation to each such original contract for the purpose of determining what relief, if any, may be available with respect to the land transaction in question.

- 30 consideration for the transaction is determined in accordance with paragraph 9(1) of Schedule 4.
- (4) In this paragraph—
- “debt” (“*dyled*”) means an obligation, whether certain or contingent, to pay a sum of money either immediately or at a future date, and

SCHEDULE 4
(as introduced by section 18(1))

CHARGEABLE CONSIDERATION

Money or money's worth

- 5 1 The chargeable consideration for a transaction is, except as otherwise provided, any consideration in money or money's worth given for the subject-matter of the transaction, directly or indirectly, by the buyer or a person connected with the buyer.

Value added tax

- 10 2 The chargeable consideration for a transaction includes any value added tax chargeable in respect of the transaction, other than value added tax chargeable by virtue of an option to tax any land under Part 1 of Schedule 10 to the Value Added Tax Act 1994 (c. 23) made after the effective date of the transaction.

Postponed consideration

- 15 3 The amount or value of the chargeable consideration for a transaction is to be determined without any discount for postponement of the right to receive it or any part of it.

Just and reasonable apportionment

- 4 (1) For the purposes of this Act, consideration attributable—
- (a) to two or more land transactions,
 - (b) in part to a land transaction and in part to another matter, or
 - (c) in part to matters making it chargeable consideration and in part to other matters,
- 20 is to be apportioned on a just and reasonable basis.
- (2) If the consideration is not so apportioned, this Act has effect as if it had been so apportioned.
- 25 (3) For the purposes of this paragraph, any consideration given for what is in substance one bargain is to be treated as attributable to all the elements of the bargain, even though—
- (a) separate consideration is, or purports to be, given for different elements of the bargain, or
 - (b) there are, or purport to be, separate transactions in respect of different elements of the bargain.

30 *Exchanges*

- 5 (1) This paragraph applies to determine the chargeable consideration where one or more land transactions are entered into by a person (alone or jointly) as buyer wholly or partly in consideration of one or more other land transactions being entered into by that person (alone or jointly) as seller.

- (2) In this paragraph—
- (a) “relevant transaction” means any of those transactions, and
 - (b) “relevant acquisition” means a relevant transaction entered into as buyer and “relevant disposal” means a relevant transaction entered into as seller.
- 5 (3) The following rules apply if the subject-matter of any of the relevant transactions is a major interest in land—
- (a) where a single relevant acquisition is made, the chargeable consideration for the acquisition is—
 - 10 (i) the market value of the subject-matter of the acquisition as at the effective date of the transaction,
 - (ii) if the acquisition is the grant of a lease at a rent, that rent, and
 - (iii) any value added tax chargeable in respect of that acquisition as at the effective date of the transaction;
 - 15 (b) where two or more relevant acquisitions are made, the chargeable consideration for each relevant acquisition is—
 - (i) the market value of the subject-matter of the acquisition as at the effective date of the transaction,
 - (ii) if the acquisition is the grant of a lease at a rent, that rent, and
 - 20 (iii) any value added tax chargeable in respect of that acquisition as at the effective date of the transaction.
- (4) In determining market value for the purpose of sub-paragraph (3)(a)(i) and (b)(i), no account is to be taken of a reduction in what would otherwise be the market value of the subject-matter where the reduction is the result of anything done, the main purpose or one of the main purposes of which, is to avoid tax (whether by the buyer or any other person).
- 25 (5) The following rules apply if the subject-matter of none of the relevant transactions is a major interest in land—
- 30 (a) where a single relevant acquisition is made in consideration of one or more relevant disposals, the chargeable consideration for the acquisition is the amount or value of any chargeable consideration other than the disposal or disposals that is given for the acquisition;
 - (b) where two or more relevant acquisitions are made in consideration of one or more relevant disposals, the chargeable consideration for each relevant acquisition is the appropriate proportion of the amount or value of any chargeable consideration other than the disposal or disposals that is given for the acquisitions.
- 35 (6) For the purposes of sub-paragraph (5)(b) the appropriate proportion is—

$$MV/TMV$$

Figure 3

where—

MV is the market value of the subject-matter of the acquisition for which the chargeable consideration is being determined, and

TMV is the total market value of the subject-matter of all the relevant acquisitions.

- 5 (7) This paragraph has effect subject to paragraph 6 (partition etc.: disregard of existing interest).
- (8) This paragraph does not apply in a case to which paragraph 18 (arrangements involving public or educational bodies) applies.

Partition etc.: disregard of existing interest

- 6 In the case of a land transaction giving effect to a partition or division of a chargeable
10 interest to which persons are jointly entitled, the share of the interest held by the buyer immediately before the partition or division does not count as chargeable consideration.

Valuation of non-monetary consideration

- 7 Except as otherwise provided, the value of any chargeable consideration for a land
transaction, other than—
- 15 (a) money (whether in sterling or another currency), or
(b) debt as defined for the purposes of paragraph 8 (debt as consideration),
is to be taken to be its market value at the effective date of the transaction.

Debt as consideration

- 8 (1) Where the chargeable consideration for a land transaction consists in whole or in part
20 of —
(a) the satisfaction or release of debt due to the buyer or owed by the seller, or
(b) the assumption of existing debt by the buyer,
the amount of debt satisfied, released or assumed is to be taken to be the whole or, as the
case may be, part of the chargeable consideration for the transaction.
- 25 (2) But where the chargeable consideration for a land transaction consists in whole or in part
of both—
(a) the satisfaction or release of debt owed by the seller, and
(b) the assumption of that debt by the buyer,
the amount of debt assumed is to be taken to be the whole or, as the case may be, part of
30 the chargeable consideration for the transaction.
- (3) Where—
(a) debt is secured on the subject-matter of a land transaction immediately before and
immediately after the transaction, and
(b) the rights or liabilities in relation to that debt of any party to the transaction are
35 changed as a result of or in connection with the transaction,

then for the purposes of this paragraph there is an assumption of that debt by the buyer, and that assumption of debt constitutes chargeable consideration for the transaction.

- (4) Where in a case in which sub-paragraph (1)(b) or (2) applies—
- 5 (a) the debt assumed is or includes debt secured on the property forming the subject-matter of the transaction, and
- (b) immediately before the transaction there were two or more persons each holding an undivided share of that property, or there are two or more such persons immediately afterwards,
- 10 the amount of secured debt assumed is to be determined as if the amount of that debt owed by each of those persons at a given time were the proportion of it corresponding to the person's undivided share of the property at that time.
- (5) For the purposes of sub-paragraph (4), each joint tenant of property is treated as holding an equal undivided share of it.
- (6) If the effect of this paragraph would be that the amount of the chargeable consideration for the transaction exceeded the market value of the subject-matter of the transaction, the amount of the chargeable consideration is treated as limited to that value.
- 15 (7) In this paragraph—
- (a) “debt” means an obligation, whether certain or contingent, to pay a sum of money either immediately or at a future date,
- 20 (b) “existing debt”, in relation to a transaction, means debt created or arising before the effective date of, and otherwise than in connection with, the transaction, and
- (c) references to the amount of a debt are to the principal amount payable or, as the case may be, the total of the principal amounts payable, together with the amount of any interest that has accrued due on or before the effective date of the transaction.
- 25

Cases where conditions for exemption not fully met

- 9 (1) Where a land transaction would be exempt from charge under paragraph 5 of Schedule 3 (assents and appropriations by personal representatives) but for sub-paragraph (2) of that paragraph (cases where person acquiring property gives consideration for it), the chargeable consideration for the transaction does not include the amount of any secured debt assumed.
- 30 (2) In sub-paragraph (1) “secured debt” has the same meaning as in paragraph 5 of Schedule 3.
- (3) Where a land transaction would be exempt from charge under paragraph 6 of Schedule 3 (variation of testamentary dispositions etc.) but for a failure to meet the condition in sub-paragraph (2)(b) of that paragraph (no consideration other than variation of another disposition), the chargeable consideration for the transaction does not include the making of any variation as is mentioned in that sub-paragraph.
- 35

Conversion of amounts in foreign currency

- 10 (1) References in this Act to the amount or value of the consideration for a transaction are to its amount or value in sterling.
- 5 (2) For the purposes of this Act, the sterling equivalent of an amount expressed in another currency is to be ascertained by reference to the London closing exchange rate on the effective date of the transaction (unless the parties have used a different rate for the purposes of the transaction).

Carrying out of works

- 10 11 (1) Where the whole or part of the consideration for a land transaction consists of the carrying out of works of construction, improvement or repair of a building or other works to enhance the value of land, then –
- 15 (a) to the extent that the conditions specified in sub-paragraph (2) are met, the value of the works does not count as chargeable consideration, and
- (b) to the extent that those conditions are not met, the value of the works is to be taken into account as chargeable consideration.
- 20 (2) The conditions referred to in sub-paragraph (1) are –
- (a) that the works are carried out after the effective date of the transaction,
- (b) that the works are carried out on land acquired or to be acquired under the transaction or on other land held by the buyer or a person connected with the buyer, and
- (c) that it is not a condition of the transaction that the works are carried out by the seller or a person connected with the seller.
- (3) Where by virtue of –
- 25 (a) section 10(5) (contract and transfer), or
- (b) paragraph 20 of Schedule 6 (agreement for lease),
- there are two notifiable transactions (the first being the contract or agreement and the second being the transaction effected on completion or, as the case may be, the grant of the lease), the condition in sub-paragraph (2)(a) is treated as met in relation to the second transaction if it is met in relation to the first.
- 30 (4) In this paragraph –
- (a) references to the acquisition of land are to the acquisition of a major interest in it;
- (b) the value of the works is to be taken to be the amount that would have to be paid in the open market as at the effective date of the transaction for the carrying out of the works in question (including any value added tax that would be chargeable in respect of the carrying out of the works).
- 35 (5) This paragraph is subject to paragraph 18 (arrangements involving public or educational bodies).

Provision of services

- 12 (1) Where the whole or part of the consideration for a land transaction consists of the
provision of services (other than the carrying out of works to which paragraph 11
applies), the value of that consideration is to be taken to be the amount that would have
5 to be paid in the open market as at the effective date of the transaction to obtain those
services.
- (2) That amount includes any value added tax that would be chargeable in respect of the
provision of the services.
- 10 (3) This paragraph is subject to paragraph 18 (arrangements involving public or educational
bodies).

Land transaction entered into by reason of employment

- 13 Where a land transaction is entered into by reason of the buyer's employment, or that of a
person connected with the buyer, then –
- 15 (a) if the transaction gives rise to a charge to tax under Chapter 5 of Part 3 of the
Income Tax (Earnings and Pensions) Act 2003 (c. 1) (taxable benefits: living
accommodation) and –
- (i) no rent is payable by the buyer, or
- (ii) the rent payable by the buyer is less than the cash equivalent of the benefit
calculated under section 105 or 106 of that Act,
- 20 there is to be taken to be payable by the buyer as rent an amount equal to the cash
equivalent chargeable under those sections;
- (b) if the transaction would give rise to a charge under that Chapter but for section 99
of that Act (accommodation provided for performance of duties), the
consideration for the transaction is the actual consideration (if any);
- 25 (c) if neither paragraph (a) nor paragraph (b) applies, the consideration for the
transaction is to be taken to be not less than the market value of the subject-matter
of the transaction as at the effective date of the transaction.

Indemnity given by buyer

- 14 Where the buyer agrees to indemnify the seller in respect of liability to a third party
30 arising from breach of an obligation owed by the seller in relation to the land that is the
subject of the transaction, neither the agreement nor any payment made in pursuance of
it counts as chargeable consideration.

Buyer bearing inheritance tax liability

- 15 Where –
- 35 (a) there is a land transaction that is –
- (i) a transfer of value within section 3 of the Inheritance Tax Act 1984 (c. 51)
(transfers of value), or

(ii) a disposition, effected by will or under the law of intestacy, of a chargeable interest comprised in the estate of a person immediately before the person's death,

and

(b) the buyer is or becomes liable to pay, agrees to pay or does in fact pay any inheritance tax due in respect of the transfer or disposition,

the buyer's liability, agreement or payment does not count as chargeable consideration for the transaction.

Buyer bearing capital gains tax liability

(1) Where—

(a) there is a land transaction under which the chargeable interest in question—

(i) is acquired otherwise than by a bargain made at arm's length, or

(ii) is treated by section 18 of the Taxation of Chargeable Gains Act 1992 (c. 12) (transactions between connected persons) as so acquired,

and

(b) the buyer is or becomes liable to pay, or does in fact pay, any capital gains tax due in respect of the corresponding disposal of the chargeable interest,

the buyer's liability or payment does not count as chargeable consideration for the transaction.

(2) Sub-paragraph (1) does not apply if there is chargeable consideration for the transaction (disregarding the liability or payment referred to in sub-paragraph (1)(b)).

Costs of enfranchisement

Costs borne by the buyer under section 9(4) of the Leasehold Reform Act 1967 (c. 88) or section 33 of the Leasehold Reform, Housing and Urban Development Act 1993 (c. 28) (costs of enfranchisement) do not count as chargeable consideration.

Arrangements involving public or educational bodies

(1) This paragraph applies in any case where arrangements are entered into under which—

(a) there is a transfer, or the grant or assignment of a lease, of land by a qualifying body ("A") to a person who is not a qualifying body ("B") ("the main transfer"),

(b) in consideration (whether in whole or in part) of the main transfer there is a grant by B to A of a lease or sub-lease of the whole, or substantially the whole, of that land ("the leaseback"),

(c) B undertakes to carry out works or provide services to A, and

- (d) some or all of the consideration given by A to B for the carrying out of those works or the provision of those services is consideration in money,

whether or not there is also a transfer, or the grant or assignment of a lease, of any other land by A to B (a “transfer of surplus land”).

- 5 (2) The following are qualifying bodies –
 - (a) public bodies within paragraph 1 of Schedule 20 or specified in regulations under that paragraph (relief for certain transactions involving public bodies);
 - (b) institutions within the further education sector or the higher education sector within the meaning of 91 of the Further and Higher Education Act 1992 (c. 13);
 - 10 (c) further education corporations within the meaning of section 17 of that Act;
 - (d) higher education corporations within the meaning section 90 of that Act.
- (3) The following do not count as chargeable consideration for the main transfer or any transfer of surplus land –
 - (a) the leaseback,
 - 15 (b) the carrying out of building works by B for A, or
 - (c) the provision of services by B to A.
- (4) The chargeable consideration for the leaseback does not include –
 - (a) the main transfer,
 - (b) any transfer of surplus land, or
 - 20 (c) the consideration in money paid by A to B for the building works or other services referred to in sub-paragraph (3).
- (5) Sub-paragraphs (3) and (4) are to be disregarded for the purposes of determining whether the land transaction in question is notifiable.

20 PART 2

BUYER IS AN INDIVIDUAL: SINGLE DWELLING TRANSACTIONS

Introductory

- 2 This Part sets out when a chargeable transaction is a “higher rates residential property transaction” for the purpose of regulations under section 24(1)(b) in the case of a
25 transaction involving a dwelling where the buyer is an individual.

Higher rates residential property transactions

- 3 (1) A chargeable transaction is a higher rates residential property transaction if—
(a) it falls within sub-paragraph (2), and
(b) paragraph 5 applies.
30 (2) A transaction falls within this sub-paragraph if—
(a) the buyer is an individual,
(b) the main subject-matter of the transaction consists of a major interest in a dwelling (“the purchased dwelling”), and

- (c) the chargeable consideration for the transaction is £40,000 or more.
- (3) But a transaction does not fall within sub-paragraph (2) if at the end of the day that is the effective date of the transaction—
- (a) the purchased dwelling is subject to a lease,
- (b) the main subject-matter of the transaction is reversionary on that lease, and
- (c) the lease meets the conditions set out in sub-paragraph (4).
- (4) The conditions are that—
- (a) the lease is not held by a person connected with the buyer, and
- (b) the lease has an unexpired term of more than 21 years.
- (5) This paragraph applies subject to the exceptions provided for in—
- (a) paragraph 7 (interest in same main residence exception), and
- (b) paragraph 8 (replacement of main residence exception).
- (6) In this Part of this Schedule, “purchased dwelling” has the meaning given by sub-paragraph (2)(b).
- 4 Where paragraph 9 applies, an intermediate transaction (within the meaning given by that paragraph) is to be treated as a higher rates residential property transaction.

Buyer has a major interest in other dwelling

- (1) This paragraph applies in relation to a transaction if, at the end of the day that is the effective date of the transaction—
- (a) the buyer has a major interest in a dwelling other than the purchased dwelling, and
- (b) that interest has a market value of £40,000 or more.
- (2) But this paragraph does not apply if the interest described in sub-paragraph (1) is reversionary on a lease which—
- (a) is not held by a person connected with the buyer, and
- (b) has an unexpired term of more than 21 years.
- (3) Where the buyer is jointly entitled with one or more persons to the major interest referred to in sub-paragraph (1)(a), the reference in sub-paragraph (1)(b) to the market value of the interest is to the market value of the buyer’s beneficial share in the interest as determined in accordance with sub-paragraph (4) or (5).
- (4) Where the buyer is beneficially entitled as a tenant in common, the market value of the buyer’s beneficial share is equal to—

$$MV \times PI$$

Figure 4

where—

MV is the market value of the major interest, and

PI is—

- (a) the percentage of the interest to which the buyer is entitled, or
- (b) where –
- (i) the buyer and the buyer’s spouse or civil partner are living together on the effective date of the transaction (for the meaning of “living together”, see paragraph 25(3)), and
- (ii) taken together the buyer and the buyer’s spouse or civil partner are entitled as tenants in common,
- the percentage of the interest to which the buyer and the buyer’s spouse or civil partner are so entitled.

- (5) Where the buyer is beneficially entitled as a joint tenant, the market value of the buyer’s beneficial share is equal to –

$$\frac{MV}{JT}$$

Figure 5

where –

MV is the market value of the major interest, and

JT is the number of joint tenants entitled to the interest.

- (6) For the purpose of sub-paragraph (5), the buyer and the buyer’s spouse or civil partner are to be treated as one joint tenant if –
- (a) they are living together on the effective date of the transaction (for the meaning of “living together”, see paragraph 25(3)), and
- (b) they are beneficially entitled as joint tenants to the interest.

Two or more buyers

Where there are two or more buyers who are individuals in a transaction –

- (a) the transaction is a higher rates residential property transaction if paragraph 3 applies in relation to any one of the buyers;
- (b) an intermediate transaction (within the meaning of paragraph 9(2)) is to be treated as a higher rates residential property transaction if paragraph 9 applies in relation to any one of the buyers.

Interest in same main residence exception

A transaction is not a higher rates residential property transaction under paragraph 3 if the main subject-matter of the transaction is a major interest in a dwelling –

- (a) in which, immediately before the effective date of the transaction, the buyer had another major interest, and
- (b) which, immediately before and after the effective date of the transaction, is the buyer’s only or main residence.

Replacement of main residence exception

- 8 (1) A transaction is not a higher rates residential property transaction under paragraph 3 if
the purchased dwelling is a replacement for the buyer's only or main residence.
- 5 (2) For the purposes of this paragraph, the purchased dwelling is a replacement for the
buyer's only or main residence if –
- (a) on the effective date of the transaction ("the transaction concerned") the buyer
intends the purchased dwelling to be the buyer's only or main residence,
 - (b) in another land transaction ("the previous transaction"), the effective date of
10 which was during the period of 3 years ending with the effective date of the
transaction concerned, the buyer or the buyer's spouse or civil partner at the time
disposed of a major interest in another dwelling ("the sold dwelling"),
 - (c) immediately after the effective date of the previous transaction, neither the buyer
nor the buyer's spouse or civil partner had a major interest in the sold dwelling,
 - (d) at any time during the period of 3 years referred to in paragraph (b) the sold
15 dwelling was the buyer's only or main residence, and
 - (e) at no time during the period beginning with the effective date of the previous
transaction and ending with the effective date of the transaction concerned has the
buyer or the buyer's spouse or civil partner acquired a major interest in any other
dwelling with the intention of it being the buyer's only or main residence.
- 20 (3) Sub-paragraph (2)(c) does not apply in relation to a spouse or civil partner of the buyer if
the two of them were not living together on the effective date of the transaction
concerned (for the meaning of "living together", see paragraph 25(3)).
- (4) For the purposes of this paragraph, the purchased dwelling may become a replacement
for the buyer's only or main residence if –
- 25 (a) on the effective date of the transaction ("the transaction concerned") the buyer
intended the purchased dwelling to be the buyer's only or main residence,
 - (b) in another land transaction the effective date of which is during the period of 3
years beginning with the day after the effective date of the transaction concerned,
30 the buyer or the buyer's spouse, former spouse, civil partner or former civil
partner disposes of a major interest in another dwelling ("the sold dwelling"),
 - (c) immediately after the effective date of that other land transaction, neither the
buyer nor the buyer's spouse or civil partner has a major interest in the sold
dwelling, and
 - (d) at any time during the period of 3 years ending with the effective date of the
35 transaction concerned the sold dwelling was the buyer's only or main residence.

- (5) Sub-paragraph (4)(c) does not apply in relation to a spouse or civil partner of the buyer if the two of them are not living together on the effective date of that other land transaction (for the meaning of “living together”, see paragraph 25(3)).
- (6) For further provision in connection with a dwelling becoming a replacement for the buyer’s only or main residence, see paragraph 23.

Replacement of main residence: transactions during interim period

9 (1) This paragraph applies where –

- (a) the buyer in an intermediate transaction replaces a main residence in another transaction, and
- 10 (b) the effective date of the intermediate transaction is during the interim period.

(2) An intermediate transaction is a transaction –

- (a) that falls within paragraph 3(2), and
- (b) to which paragraph 5 does not apply.

15 (3) In determining whether a transaction falls within paragraph 3(2) for the purposes of this paragraph, the reference in paragraph 3(3) to the end of the day that is the effective date of the transaction has effect as though it were a reference to the end of either or both of the following –

- (a) the day that is the effective date of the transaction;
- (b) the day on which the interim period ends.

20 (4) For the purposes of this paragraph, a buyer replaces a main residence in another transaction if –

- (a) in relation to a dwelling in Wales, the conditions set out in paragraph 8(2) are met in respect of the transaction,
- 25 (b) in relation to a dwelling in England or Northern Ireland, the conditions set out in paragraph 3(6) of Schedule 4ZA to the Finance Act 2003 (c. 14) are met in respect of the transaction, or
- (c) in relation to a dwelling in Scotland, the conditions set out in paragraph 2(2) of Schedule 2A to the Land and Buildings Transaction Tax (Scotland) Act 2013 (2013 asp 11) are met in respect of the transaction.

30 (5) In this paragraph, the interim period means –

- (a) where sub-paragraph (4)(a) applies, the period –
- (i) beginning with the effective date of the previous transaction within the meaning given by paragraph 8(2)(b), and
- (ii) ending with the effective date of the transaction concerned within the meaning given by paragraph 8(2)(a);
- 35 (b) where sub-paragraph (4)(b) applies, the period –
- (i) beginning with the effective date of the previous transaction within the meaning given by paragraph 3(6)(b) of Schedule 4ZA to the Finance Act 2003 (c. 14), and

- (ii) ending with the effective date of the transaction concerned within the meaning given by paragraph 3(6)(a) of that Schedule;
- (c) where sub-paragraph (4)(c) applies, the period –
- (i) beginning with the date on which the buyer disposed of the ownership of a dwelling as provided for in paragraph 2(2)(a) of Schedule 2A to the Land and Buildings Transaction Tax (Scotland) Act 2013 (2013 asp 11), and
- (ii) ending with the effective date of the transaction referred to in that paragraph.
- (6) For further provision in connection with an intermediate transaction being treated as a higher rates residential property transaction, see paragraph 24.

PART 3

BUYER IS AN INDIVIDUAL: MULTIPLE DWELLING TRANSACTIONS

Introductory

10 This Part sets out when a chargeable transaction is a “higher rates residential property
15 transaction” for the purpose of regulations under section 24(1)(b) in the case of a transaction involving multiple dwellings where the buyer is an individual.

Higher rates residential property transaction

- 11 (1) A chargeable transaction is a higher rates residential property transaction if –
- (a) it falls within sub-paragraph (2), and
- 20 (b) paragraph 13 or 15 applies.
- (2) A transaction falls within this sub-paragraph if –
- (a) the buyer is an individual, and
- (b) the main subject-matter of the transaction consists of a major interest in two or more dwellings (“the purchased dwellings”).
- 25 (3) In this Part of this Schedule, “purchased dwellings” has the meaning given by sub-paragraph (2)(b).
- (4) Where paragraph 18 applies, an intermediate transaction (within the meaning given by that paragraph) is to be treated as a higher rates residential property transaction.
- 30 (5) A transaction within section 72(9) is not a higher rates residential property transaction save where Schedule 13 applies (see in particular paragraph 6(6) of that Schedule).

Two or more buyers

- 12 Where there are two or more buyers who are individuals in a transaction –
- (a) the transaction is a higher rates residential property transaction if paragraph 11 applies in relation to any one of the buyers;

- (b) an intermediate transaction (within the meaning given by paragraph 18(2)) is to be treated as a higher rates residential property transaction if paragraph 18 applies in relation to any one of the buyers.

Two or more qualifying dwellings

- 5 13 (1) This paragraph applies if at least two of the purchased dwellings are qualifying dwellings.
- (2) A purchased dwelling is a qualifying dwelling for the purposes of this Part of this Schedule if the amount of the chargeable consideration for the transaction which is attributable on a just and reasonable basis to the purchased dwelling is £40,000 or more.
- 10 (3) But a purchased dwelling is not a qualifying dwelling if at the end of the day that is the effective date of the transaction –
- (a) the purchased dwelling is subject to a lease,
- (b) the main subject-matter of the transaction is reversionary on that lease, and
- (c) the lease meets the conditions set out in sub-paragraph (4).
- 15 (4) The conditions are that –
- (a) the lease is not held by a person connected with the buyer, and
- (b) the lease has an unexpired term of more than 21 years.
- (5) A purchased dwelling is not a qualifying dwelling if the exception provided for in paragraph 14 applies (subsidiary dwelling exception).

20 *Subsidiary dwelling exception*

- 14 (1) A purchased dwelling is not a qualifying dwelling if it is subsidiary to any of the other purchased dwellings.
- (2) For the purposes of this paragraph, one of the purchased dwellings (“dwelling A”) is subsidiary to another of the purchased dwellings (“dwelling B”) if –
- 25 (a) dwelling A is situated within the grounds of, or within the same building as, dwelling B, and
- (b) the amount of the chargeable consideration for the transaction which is attributable on a just and reasonable basis to dwelling B is equal to, or greater than, two thirds of the amount of the chargeable consideration for the transaction which is attributable on a just and reasonable basis to the following combined –
- 30 (i) dwelling A,
- (ii) dwelling B, and
- (iii) each of the other purchased dwellings (if any) which are situated within the grounds of, or within the same building as, dwelling B.

35 *Buyer has a major interest in other dwelling*

- 15 (1) This paragraph applies if –

- (a) only one of the purchased dwellings is a qualifying dwelling, and
 (b) at the end of the day that is the effective date of the transaction –
- (i) the buyer has a major interest in a dwelling other than one of the purchased dwellings, and
 - (ii) that interest has a market value of £40,000 or more.

(2) But this paragraph does not apply if the interest described in sub-paragraph (1)(b) is reversionary on a lease which –

- (a) is not held by a person connected with the buyer, and
- (b) has an unexpired term of more than 21 years.

(3) Where the buyer is jointly entitled with one or more persons to the major interest referred to in sub-paragraph (1)(b)(i), the reference in sub-paragraph (1)(b)(ii) to the market value of the interest is to the market value of the buyer's beneficial share in the interest as determined in accordance with sub-paragraph (4) or (5).

(4) Where the buyer is beneficially entitled as a tenant in common, the market value of the buyer's beneficial share is equal to –

$$MV \times PI$$

Figure 6

where –

MV is the market value of the major interest, and

PI is –

- (a) the percentage of the interest to which the buyer is entitled, or
- (b) where –
 - (i) the buyer and the buyer's spouse or civil partner are living together on the effective date of the transaction (for the meaning of "living together", see paragraph 25(3)), and
 - (ii) taken together the buyer and the buyer's spouse or civil partner are entitled as tenants in common,
 the percentage of the interest to which the buyer and the buyer's spouse or civil partner are so entitled.

(5) Where the buyer is beneficially entitled as a joint tenant, the market value of the buyer's beneficial share is equal to –

$$\frac{MV}{JT}$$

Figure 7

where –

MV is the market value of the major interest, and

JT is the number of joint tenants entitled to the interest.

(6) For the purpose of sub-paragraph (5), the buyer and the buyer's spouse or civil partner are to be treated as one joint tenant if –

(a) they are living together on the effective date of the transaction (for the meaning of “living together”, see paragraph 25(3)), and

(b) they are beneficially entitled as joint tenants to the interest.

(7) This paragraph applies subject to the exceptions provided for in—

(a) paragraph 16 (interest in same main residence exception), and

(b) paragraph 17 (replacement of main residence exception).

Interest in same main residence exception

Paragraph 15 does not apply if the main subject-matter of the transaction is a major interest in the qualifying dwelling referred to in paragraph 15(1)(a), and that dwelling is one—

(a) in which, immediately before the effective date of the transaction, the buyer had another major interest, and

(b) which, immediately before and after the effective date of the transaction, is the buyer’s only or main residence.

Replacement of main residence exception

(1) Paragraph 15 does not apply if the qualifying dwelling referred to in paragraph 15(1)(a) is a replacement for the buyer’s only or main residence.

(2) For the purposes of this paragraph, a qualifying dwelling is a replacement for the buyer’s only or main residence if—

(a) on the effective date of the transaction (“the transaction concerned”) the buyer intends that qualifying dwelling to be the buyer’s only or main residence,

(b) in another land transaction (“the previous transaction”), the effective date of which was during the period of 3 years ending with the effective date of the transaction concerned, the buyer or the buyer’s spouse or civil partner at the time disposed of a major interest in another dwelling (“the sold dwelling”),

(c) immediately after the effective date of the previous transaction, neither the buyer nor the buyer’s spouse or civil partner had a major interest in the sold dwelling,

(d) at any time during the period of 3 years referred to in paragraph (b) the sold dwelling was the buyer’s only or main residence, and

(e) at no time during the period beginning with the effective date of the previous transaction and ending with the effective date of the transaction concerned has the buyer or the buyer’s spouse or civil partner acquired a major interest in any other dwelling with the intention of it being the buyer’s only or main residence.

(3) Sub-paragraph (2)(c) does not apply in relation to a spouse or civil partner of the buyer if the two of them were not living together on the effective date of the transaction concerned (for the meaning of “living together”, see paragraph 25(3)).

- (4) For the purposes of this paragraph, that qualifying dwelling may become a replacement for the buyer's only or main residence if –
- (a) on the effective date of the transaction (“the transaction concerned”) the buyer intended that qualifying dwelling to be the buyer's only or main residence,
 - 5 (b) in another land transaction the effective date of which is during the period of 3 years beginning with the day after the effective date of the transaction concerned, the buyer or the buyer's spouse, former spouse, civil partner or former civil partner disposes of a major interest in another dwelling (“the sold dwelling”),
 - 10 (c) immediately after the effective date of that other land transaction, neither the buyer nor the buyer's spouse or civil partner has a major interest in the sold dwelling, and
 - (d) at any time during the period of 3 years ending with the effective date of the transaction concerned the sold dwelling was the buyer's only or main residence.
- (5) Sub-paragraph (4)(c) does not apply in relation to a spouse or civil partner of the buyer if the two of them are not living together on the effective date of that other land transaction (for the meaning of “living together”, see paragraph 25(3)).
- (6) For further provision in connection with a dwelling becoming a replacement for the buyer's only or main residence, see paragraph 23.

Replacement of main residence: transactions during interim period

- 20 18 (1) This paragraph applies where –
- (a) the buyer in an intermediate transaction replaces a main residence in another transaction, and
 - (b) the effective date of the intermediate transaction is during the interim period.
- (2) An intermediate transaction is a transaction –
- 25 (a) that falls within paragraph 11(2),
 - (b) where only one of the purchased dwellings is a qualifying dwelling, and
 - (c) to which paragraph 15 does not apply.
- (3) In determining whether a purchased dwelling is a qualifying dwelling for the purposes of this paragraph, the reference in paragraph 13(3) to the end of the day that is the effective date of the transaction has effect as though it were a reference to the end of either or both of the following –
- 30 (a) the day that is the effective date of the transaction;
 - (b) the day on which the interim period ends.
- (4) For the purposes of this paragraph, a buyer replaces a main residence in another transaction if –
- 35

- (a) in relation to a dwelling in Wales, the conditions set out in paragraph 17(2) are met in respect of the transaction,
- (b) in relation to a dwelling in England or Northern Ireland, the conditions set out in paragraph 3(6) of Schedule 4ZA to the Finance Act 2003 (c. 14) are met in respect of the transaction, or
- (c) in relation to a dwelling in Scotland, the conditions set out in paragraph 2(2) of Schedule 2A to the Land and Buildings Transaction Tax (Scotland) Act 2013 (2013 asp 11) are met in respect of the transaction.

(5) In this paragraph, the interim period means—

- (a) where sub-paragraph (4)(a) applies, the period—
- (i) beginning with the effective date of the previous transaction within the meaning given by paragraph 17(2)(b), and
- (ii) ending with the effective date of the transaction concerned within the meaning given by paragraph 17(2)(a);
- (b) where sub-paragraph (4)(b) applies, the period—
- (i) beginning with the effective date of the previous transaction within the meaning given by paragraph 3(6)(b) of Schedule 4ZA to the Finance Act 2003 (c. 14), and
- (ii) ending with the effective date of the transaction concerned within the meaning given by paragraph 3(6)(a) of that Schedule;
- (c) where sub-paragraph (4)(c) applies, the period—

- (ii) ending with the effective date of the transaction referred to in that paragraph.

(6) For further provision in connection with an intermediate transaction being treated as a higher rates residential property transaction, see paragraph 24.

PART 4

BUYER IS NOT AN INDIVIDUAL

Introductory

19 This Part sets out when a chargeable transaction where the buyer is not an individual is a “higher rates residential property transaction” for the purpose of regulations under section 24(1)(b).

Transaction involving a dwelling

20 (1) A chargeable transaction is a higher rates residential property transaction if—

(a) the buyer is not an individual,

(b) the main subject-matter of the transaction consists of a major interest in a dwelling (“the purchased dwelling”), and

(c) the chargeable consideration for the dwelling is £40,000 or more.

5 (2) But a transaction is not a higher rates residential property transaction under sub-paragraph (1) if at the end of the day that is the effective date of the transaction—

(a) the purchased dwelling is subject to a lease,

(b) the main subject-matter of the transaction is reversionary on that lease, and

(c) the lease meets the conditions set out in sub-paragraph (3).

(3) The conditions are that—

10 (a) the lease is not held by a person connected with the buyer, and

(b) the lease has an unexpired term of more than 21 years.

Transaction involving multiple dwellings

21 (1) A chargeable transaction is a higher rates residential property transaction if—

(a) the buyer is not an individual,

15 (b) the main subject-matter of the transaction consists of a major interest in two or more dwellings (“the purchased dwellings”), and

(c) at least one of the purchased dwellings is a dwelling to which sub-paragraph (2) applies.

20 (2) This sub-paragraph applies to a purchased dwelling if the amount of the chargeable consideration for the transaction which is attributable on a just and reasonable basis to the purchased dwelling is £40,000 or more.

(3) But sub-paragraph (2) does not apply to a purchased dwelling if at the end of the day that is the effective date of the transaction—

(a) the purchased dwelling is subject to a lease,

25 (b) the main subject-matter of the transaction is reversionary on that lease, and

(c) the lease meets the conditions set out in sub-paragraph (4).

(4) The conditions are that—

(a) the lease is not held by a person connected with the buyer, and

(b) the lease has an unexpired term of more than 21 years.

30 (5) A transaction within section 72(9) is not a higher rates residential property transaction save where Schedule 13 applies (see in particular paragraph 6(6) of that Schedule).

Two or more buyers

22 Where there are two or more buyers in a transaction, the transaction is a higher rates residential property transaction if paragraph 20 or 21 applies in relation to any one of the
35 buyers.

PART 5

SUPPLEMENTARY PROVISIONS

Further provision in connection with replacement of main residence exception

- 23 (1) This paragraph applies where by reason of paragraph 8(4) or 17(4) a chargeable
5 transaction (“the transaction concerned”) ceases to be a higher rates residential property
transaction for the purpose of regulations under section 24(1)(b).
- (2) The land transaction (“the subsequent transaction”) by reference to which the condition
in paragraph 8(4)(b) or 17(4)(b) was met may not be taken into account for the purposes
10 of paragraph 8(2)(b) or 17(2)(b) in determining whether any other chargeable transaction
is a higher rates residential property transaction.
- (3) Sub-paragraph (4) applies where –
- (a) the effective date of the subsequent transaction falls on or before the filing date for
the return in respect of the transaction concerned, and
 - (b) the return has not been made.
- 15 (4) The buyer may, when making the return in respect of the transaction concerned, treat the
purchased dwelling referred to in paragraph 8(4) or 17(4) as though it had been a
replacement for the buyer’s only or main residence on the effective date of the transaction
concerned; and in such a case the transaction concerned is to be treated as if it had never
been a higher rates residential property transaction.
- 20 (5) Sub-paragraph (6) applies where the effect of the transaction concerned ceasing to be a
higher rates residential property transaction is that less tax is payable in respect of it than
the buyer has already paid in accordance with a return made for that transaction.
- (6) In order to obtain repayment of the amount of tax overpaid, the buyer may –
- 25 (a) within the period allowed for amendment of the return, amend it accordingly (see
section 41 of TCMA);
 - (b) after the end of that period (if that return is not so amended), make a claim for
repayment of the amount overpaid in accordance with Chapter 7 of Part 3 of
TCMA.

30 *Further provision in connection with transactions being treated as higher rates residential property
transactions*

- 24 (1) This paragraph applies where by reason of the application of paragraph 9 or 18 a
chargeable transaction (“the intermediate transaction”) is treated as a higher rates
residential property transaction.
- 35 (2) The intermediate transaction is treated as a higher rates residential property transaction
for the purposes of this Act as from the end of the interim period that applies in
accordance with paragraph 9(5) or 18(5).
- (3) The buyer in the intermediate transaction must make a return to WRA in respect of that
transaction.
- (4) A return made under this paragraph must –

- (a) be made before the end of the period of 30 days beginning with the day after the end of the interim period that applies in accordance with paragraph 9(5) or 18(5), and
- (b) include a self-assessment.

5 *Spouses and civil partners purchasing alone*

25 (1) Sub-paragraph (2) applies in relation to a chargeable transaction if –

- (a) the buyer (or one of them) is married or in a civil partnership on the effective date,
- (b) the buyer and the buyer's spouse or civil partner are living together on that date, and

10 (c) the buyer's spouse or civil partner is not a buyer in the transaction.

(2) The transaction is to be treated as being a higher rates residential property transaction if it would have been a higher rates residential property transaction had the buyer's spouse or civil partner been a buyer.

15 (3) Individuals who are married to, or are civil partners of, each other are treated for the purposes of this Schedule as living together unless –

- (a) they are separated under an order of a court of competent jurisdiction,
- (b) they are separated by a deed of separation, or
- (c) they are in fact separated in circumstances in which the separation is likely to be permanent.

20 *Property adjustment on divorce, dissolution of civil partnership etc.*

26 (1) For the purpose of determining whether paragraph 5 or 15 applies to a chargeable transaction, the buyer is not to be treated as having a major interest in another dwelling to which sub-paragraphs (2) and (3) apply.

25 (2) This sub-paragraph applies to a dwelling the interest in which is held by the buyer as a tenant in common in consequence of –

- (a) an order under section 24(1)(b) of the Matrimonial Causes Act 1973 (c. 18) (property adjustments orders in connection with matrimonial proceedings),
- (b) an order under section 17(1)(a)(ii) of the Matrimonial and Family Proceedings Act 1984 (c. 42) (property adjustment orders after overseas divorce) corresponding to such an order as is mentioned in paragraph (a),
- 30 (c) an order under paragraph 7(1)(b) of Schedule 5 to the Civil Partnership Act 2004 (c. 33) (property adjustment orders in connection with dissolution etc. of civil partnership), or
- (d) an order under paragraph 9 of Schedule 7 to the Civil Partnership Act 2004 (c. 33) (property adjustment orders in connection with overseas dissolution etc. of civil partnership) corresponding to such an order as is mentioned in paragraph (c).

35 (3) This sub-paragraph applies to a dwelling that is the only or main residence of a person for the benefit of whom an order referred to in sub-paragraph (2) is made.

Settlements and bare trusts

- 27 (1) Sub-paragraph (3) applies in relation to a land transaction if—
- (a) the main subject-matter of the transaction consists of a major interest in one or more dwellings,
 - 5 (b) the buyer (or one of them) is acting as trustee of a settlement, and
 - (c) under the terms of the settlement a beneficiary will be entitled to—
 - (i) occupy the dwelling or dwellings for life, or
 - (ii) income earned in respect of the dwelling or dwellings.
- (2) Sub-paragraph (3) also applies in relation to a land transaction if—
- 10 (a) the main subject-matter of the transaction consists of a term of years absolute in a dwelling, and
 - (b) the buyer (or one of them) is acting as a trustee of a bare trust (within the meaning given by paragraph 2(1) and (2) of Schedule 8).
- (3) Where this sub-paragraph applies in relation to a land transaction the beneficiary of the settlement or bare trust (rather than the trustee) is to be treated for the purposes of this Schedule as the buyer (or as one of them).
- 15 (4) Paragraphs 3(3) and 4 of Schedule 8 (trustees to be treated as the buyer) have effect subject to sub-paragraph (3).
- 28 (1) Sub-paragraph (3) applies where—
- 20 (a) a person is a beneficiary under a settlement,
 - (b) a major interest in a dwelling forms part of the trust property, and
 - (c) under the terms of the settlement, the beneficiary is entitled to—
 - (i) occupy the dwelling for life, or
 - (ii) income earned in respect of the dwelling.
- (2) Sub-paragraph (3) also applies where—
- 25 (a) a person is a beneficiary under a bare trust (within the meaning given by paragraph 2(1) and (2) of Schedule 8), and
 - (b) a term of years absolute in a dwelling forms part of the trust property.
- (3) Where this sub-paragraph applies—
- 30 (a) the beneficiary is to be treated for the purposes of this Schedule as holding the interest in the dwelling, and
 - (b) if the trustee of the settlement or bare trust disposes of the interest, the beneficiary is to be treated for the purposes of this Schedule as having disposed of it.
- 29 (1) Where—
- 35 (a) the main subject-matter of a land transaction consists of an interest other than a major interest in a dwelling, and
 - (b) sub-paragraph (2) or (3) applies in relation to the transaction,

then, for the avoidance of doubt, the effect of paragraph 28 of this Schedule or, as the case may be, paragraph 3(1) of Schedule 8, is that the main subject-matter of the transaction is to be treated for the purposes of this Schedule as consisting of a major interest in a dwelling.

- 5 (2) This sub-paragraph applies in relation to a transaction where –
- (a) a major interest in the dwelling is held on a bare trust for a beneficiary (“B”),
 - (b) there is a disposal of the whole or part of B’s interest in the dwelling,
 - (c) immediately before the effective date of the transaction –
 - 10 (i) the major interest is, by virtue of paragraph 3(1) of Schedule 8, treated as if it were vested in B, or
 - (ii) B is, by virtue of paragraph 28, treated as holding the major interest in the dwelling, and
 - (d) immediately after the effective date of the transaction –
 - 15 (i) the major interest is, by virtue of paragraph 3(1) of Schedule 8, treated as if it were vested in the buyer, or
 - (ii) the buyer is, by virtue of paragraph 28, treated as holding the major interest.
- (3) This sub-paragraph applies in relation to a transaction where –
- 20 (a) a person (“B”) is a beneficiary under a settlement where a major interest in the dwelling forms part of the trust property,
 - (b) under the terms of the settlement B is entitled to –
 - (i) occupy the dwelling for life, or
 - (ii) income earned in respect of the dwelling,
 - (c) there is a disposal of the whole or part of B’s interest in the dwelling,
 - 25 (d) immediately before the effective date of the transaction B is, by virtue of paragraph 28, treated as holding the major interest in the dwelling, and
 - (e) immediately after the effective date of the transaction the buyer is, by virtue of that paragraph, treated as holding the major interest.
- (4) In determining whether sub-paragraph (2) or (3) applies to a transaction, ignore paragraphs 30 and 35(5).
- 30 (1) This paragraph applies where, by reason of paragraph 27 or 28 or paragraph 3(1) of Schedule 8 (bare trusts), the child of a person (“P”) would (but for this paragraph) be treated for the purposes of this Schedule as –
- (a) being the buyer in relation to a land transaction,
 - 35 (b) holding an interest in a dwelling, or
 - (c) having disposed of an interest in a dwelling.
- (2) Where this paragraph applies –
- (a) P and any spouse or civil partner of P are to be treated for the purposes of this Schedule as being the buyer, holding the interest or (as the case may be) having disposed of the interest, and
 - 40

(b) the child is not to be so treated.

(3) Sub-paragraph (2)(a) does not apply in relation to a spouse or civil partner of P if the two of them are not living together (for the meaning of which, see paragraph 25(3)).

(4) This paragraph does not apply where—

5 (a) a person (“D”) acquires, holds or disposes of, a major interest in a dwelling in a child’s name or on the child’s behalf,

(b) D does so in the exercise of powers conferred on D as the deputy of the child, and

(c) D holds or, in the case of a disposal, held, that interest on trust for the child.

(5) In sub-paragraph (4), “deputy” means—

10 (a) a person appointed under section 16 of the Mental Capacity Act 2005 (c. 9), or

(b) a person appointed to an equivalent position under the law of a country or territory outside England and Wales (and accordingly the reference to an interest being held on trust by such a person is to its being held on an equivalent basis under that law).

15 31 (1) This paragraph applies in relation to a land transaction if—

(a) the main subject-matter of the transaction consists of a major interest in one or more dwellings,

(b) the buyer (or one of them) is acting as trustee of a settlement,

(c) that buyer is an individual, and

20 (d) under the terms of the settlement a beneficiary is not entitled to—

(i) occupy the dwelling or dwellings for life, or

(ii) income earned in respect of the dwelling or dwellings.

(2) In determining whether paragraph 20 or 21 applies to the transaction—

25 (a) if the buyer mentioned in sub-paragraph (1) is the only buyer, ignore sub-paragraph (1)(a) of those paragraphs, and

(b) if that buyer is not the only buyer, ignore sub-paragraph (1)(a) of those paragraphs when having regard to that buyer.

Partnerships

30 32 (1) Sub-paragraph (2) applies in relation to a chargeable transaction, the subject-matter of which consists of a major interest in one or more dwellings if—

(a) the buyer (or one of them) is a partner in a partnership, but

(b) the buyer does not enter into the transaction for the purposes of the partnership.

35 (2) For the purposes of determining whether paragraph 5 or 15 applies to the transaction, any major interest in any other dwelling that is held by or on behalf of the partnership for the purposes of a trade carried on by the partnership is not to be treated as held by or on behalf of the buyer.

(3) Paragraph 4(1)(a) of Schedule 7 (chargeable interests held by partnerships treated as held by the partners) has effect subject to sub-paragraph (2).

Alternative finance arrangements

- 33 (1) This paragraph applies in relation to a chargeable transaction which is the first transaction under an alternative finance arrangement entered into between a person and a financial institution.
- 5 (2) The person (rather than the institution) is to be treated for the purposes of this Schedule as the buyer in relation to the transaction.
- (3) In this paragraph—
- “alternative finance arrangement” (“*trefniant cyllid arall*”) means an arrangement of a kind mentioned in paragraph 2(1) or 3(1) of Schedule 10 (alternative property finance reliefs);
- 10 “financial institution” (“*sefydliad ariannol*”) has the meaning given by paragraph 8 of that Schedule;
- “first transaction” (“*trafodiad cyntaf*”), in relation to an alternative finance arrangement, has the meaning given by paragraph 2(1)(a) or 3(1)(a) of that Schedule.
- 15

Major interests in dwellings inherited jointly

- 34 (1) This paragraph applies where by virtue of an inheritance—
- (a) a person (“P”) becomes jointly entitled with one or more other persons to a major interest in a dwelling, and
- 20 (b) P’s beneficial share in the interest does not exceed 50% (see sub-paragraph (4)).
- (2) P is not to be treated for the purposes of paragraph 5(1)(a) or 15(1)(b) as having the major interest at any time during the period of 3 years beginning with the date of the inheritance.
- 25 (3) But if at any time during that period of 3 years P becomes the only person beneficially entitled to the whole of the interest or P’s beneficial share in the interest exceeds 50% P is, from that time, to be treated as having the major interest for the purposes of the application of paragraphs 5(1)(a) and 15(1)(b) (subject to any disposal by P).
- (4) P’s share in the interest exceeds 50% if—
- 30 (a) P is beneficially entitled as a tenant in common or coparcener to more than half the interest,
- (b) P and P’s spouse or civil partner taken together are beneficially entitled as tenants in common or coparceners to more than half the interest, or
- (c) P and P’s spouse or civil partner are beneficially entitled as joint tenants to the interest and there is no more than one other joint tenant who is so entitled.
- 35 (5) Sub-paragraph (4)(b) and (c) do not apply if, on the effective date of the transaction referred to in paragraph 5 or 15, P and P’s spouse or civil partner are not living together (for the meaning of “living together”, see paragraph 25(3)).
- 40 (6) In this paragraph “inheritance” means the acquisition of an interest in or towards satisfaction of an entitlement under or in relation to the will of a deceased person, or on the intestacy of a deceased person.

- 5 (7) This paragraph applies in relation to an interest acquired following a person's death as a result of a variation of a disposition (whether effected by will, under the law relating to intestacy or otherwise) of property comprised in that person's estate made within the period of 2 years after the person's death, as it applies in relation to an inheritance; and in such a case the reference in sub-paragraph (2) to the date of the inheritance means the date of the acquisition of the interest in accordance with the variation.

PART 6

- 5 (a) P and any spouse or civil partner of P are to be treated for the purposes of this Schedule as having that interest, and
- (b) the child is not to be so treated.
- (6) Sub-paragraph (5)(a) does not apply in relation to a spouse or civil partner of P if the two of them are not living together (for the meaning of which, see paragraph 25(3)).
- 10 (7) Sub-paragraph (5) does not apply where –
- (a) a person (“D”) acquires, holds or disposes of, a major interest in a dwelling in a child’s name or on the child’s behalf,

- (a) a person appointed under section 16 of the Mental Capacity Act 2005 (c. 9), or
 - (b) a person appointed to an equivalent position under the law of a country or territory outside England and Wales (and accordingly the reference to an interest being held on trust by such a person is to its being held on an equivalent basis
- 20 under that law).

What counts as a dwelling

- 36 (1) This paragraph sets out rules for determining what counts as a dwelling for the purposes of this Schedule.
- (2) A building or part of a building counts as a dwelling if –
- 25 (a) it is used or suitable for use as a dwelling, or
- (b) it is in the process of being constructed or adapted for such use.
- (3) Land that is, or is to be, occupied or enjoyed with a dwelling as a garden or grounds (including any building or structure on that land) is taken to be part of that dwelling.
- (4) Land that subsists, or is to subsist, for the benefit of a dwelling is taken to be part of that
- 30 dwelling.

(7) A building or part of a building used for a purpose specified in section 72(4) or (5) is not used as a dwelling for the purposes of sub-paragraph (2) or (5).

(8) Where a building or part of a building is used for a purpose mentioned in sub-paragraph (7), no account is to be taken for the purposes of sub-paragraph (2) of its suitability for any other use.

Major interest not to include certain leases

For the purposes of this Schedule, any term of years absolute or leasehold estate is not a “major interest” if its term does not exceed 7 years on the date of its grant.

20 PART 2

DURATION OF LEASE AND TREATMENT OF OVERLAPPING LEASES

Lease for a fixed term

2 In applying any provision of this Act to a lease for a fixed term no account is to be taken of –

25 (a) any contingency as a result of which the lease may be terminated before the end of the fixed term, or

(b) any right of either party to terminate the lease or renew it.

Leases that continue after a fixed term

3 (1) This paragraph applies to –

30 (a) a lease granted for a fixed term and thereafter until terminated, or

(b) a lease granted for a fixed term that may continue beyond the fixed term by operation of law.

(2) For the purposes of this Act (except section 46 (notifiable transactions: exceptions)) a lease to which this paragraph applies is treated –

- (a) in the first instance as if it were a lease for the original fixed term and no longer;
- (b) if the lease continues after the end of that term, as if it were a lease for a fixed term one year longer than the original fixed term;
- (c) if the lease continues after the end of the term resulting from the application of paragraph (b), as if it were a lease for a fixed term two years longer than the original fixed term,

and so on (but see sub-paragraph (5)).

(3) For the purposes of section 46 (notifiable transactions: exceptions) a lease to which this paragraph applies is treated as granted for a period equal to the original fixed term.

(4) Where –

- (a) a lease is treated, by virtue of sub-paragraph (2), as continuing for a period longer than the original fixed term, and
- (b) as a result additional tax is payable in respect of a land transaction or tax is payable in respect of a land transaction where none was payable,

the buyer must make a return or further return (including a self-assessment) in respect of the land transaction before the end of the period of 30 days beginning with the day after the end of the period for which the lease is treated as continuing.

(5) Where –

- (a) a lease would, by virtue of sub-paragraph (2), be treated as continuing for a period (or further period) of one year, but
- (b) it actually terminates at a time during that one year period,

the lease is to be treated as continuing under sub-paragraph (2) only until it terminates; and sub-paragraph (4) applies accordingly.

(6) This paragraph is subject to paragraphs 4 and 8 (rent under a continuing lease to be treated as rent under a new lease).

Leases that continue after a fixed term: grant of a new lease

(1) This paragraph applies where –

- (a) (ignoring this paragraph) paragraph 3 would apply to treat a lease (“the original lease”) as if it were a lease for a fixed term one year longer than the original fixed term,
- (b) during that one year period the tenant under that lease is granted a new lease of the same or substantially the same premises,
- (c) the term of the new lease begins during that one year period, and

(d) paragraph 8 (tenant holding over: new lease backdated to previous year) does not apply.

(2) Paragraph 3 does not apply to treat the lease as continuing after the original fixed term.

(3) The term of the new lease is treated for the purposes of this Act as beginning with the day after the end of the original fixed term.

(4) Any rent which, in the absence of this paragraph, would be payable under the original lease in respect of that one year period is to be treated as payable under the new lease (and paragraph 9(3) does not apply to that rent).

(5) Where the fixed term of a lease has previously been treated as extended (on one or more occasions) under paragraph 3, this paragraph applies as if references to the original fixed term were references to the previously extended fixed term.

Leases for an indefinite term

(1) For the purposes of this Act (except section 46 (notifiable transactions: exceptions)) –

(a) a lease for an indefinite term is treated in the first instance as if it were a lease for a fixed term of a year;

(b) if the lease continues after the end of the term resulting from the application of paragraph (a), it is treated as if it were a lease for a fixed term of 2 years;

(c) if the lease continues after the end of the term resulting from the application of paragraph (c), it is treated as if it were a lease for a fixed term of 3 years,

and so on.

(2) But where –

(a) a lease is treated, by virtue of sub-paragraph (1) as if it were a lease for a fixed term of 2 or more years, and

(b) it actually terminates before the end of that fixed term,

the lease is to be treated as continuing under sub-paragraph (1) only until it terminates; and sub-paragraph (5) applies accordingly.

(3) For the purposes of section 46 (notifiable transactions: exceptions) a lease for an indefinite term is treated as granted for a period of less than 7 years.

(4) For the purposes of this Act, no account is to be taken of any other enactment deeming a lease for an indefinite term to be a lease for a different term.

(5) Where –

(a) a lease is treated, by virtue of sub-paragraph (1), as being for a fixed term,

(b) the lease continues after the end of that term and accordingly is treated as being for a longer fixed term, and

(c) as a result of the lease continuing, additional tax is payable in respect of a land transaction or tax is payable in respect of a land transaction where none was payable,

the buyer must make a return or further return (including a self-assessment) in respect of the land transaction before the end of the period of 30 days beginning with the day after the end of the longer fixed term for which the lease is treated as continuing.

(6) Where—

- 5 (a) a lease is treated, by virtue of sub-paragraph (1), as being for a fixed term of one year,
- (b) the lease actually terminates before the end of that fixed term, and
- 10 (c) had the lease been granted for a fixed term ending on the date on which it actually terminates, less tax would have been chargeable than the amount assessed as such in the return made in respect of the grant of the lease,

the buyer may, within the period allowed for amendment of the return, amend it accordingly (for provision as to amendment of returns, see section 41 of TCMA).

Successive linked leases

6 (1) For the purposes of this Act a series of linked leases are treated as a single lease—

- 15 (a) granted at the time of the grant of the first lease in the series,
- (b) for a term equal to the aggregate of the terms of all the leases, and
- (c) in consideration of the rent payable under all of the leases.

(2) Two or more leases constitute “a series of linked leases” if they—

- 20 (a) are successive leases granted or treated as granted (whether at the same time or at different times) of the same or substantially the same premises, and
- (b) are linked transactions.

(3) The grant of later leases in the series is accordingly disregarded for the purposes of this Act except section 51 (return or further return in consequence of later linked transaction).

Rent for overlap period in case of grant of further lease

25 7 (1) This paragraph applies where—

- (a) the tenant under a lease (“the old lease”) surrenders it to the landlord and in consideration of that surrender the landlord grants a lease to the tenant of the same or substantially the same premises (“the new lease”),
- 30 (b) the tenant under a lease (“the old lease”) of premises to which Part 2 of the Landlord and Tenant Act 1954 (c. 56) (security of tenure for business, professional and other tenants) applies, makes a request for a new tenancy (“the new lease”) which is then executed,
- (c) on termination of a lease (“the head lease”) a sub-tenant is granted a lease (“the new lease”) of the same or substantially the same premises as those comprised in
- 35 the sub-tenant’s original lease (“the old lease”) in pursuance of—

- (i) an order of a court on a claim for relief against re-entry or forfeiture, or
 - (ii) a contractual entitlement arising in the event of the head lease being terminated, or
 - (d) a person who has guaranteed the obligations of a tenant under a lease that has been terminated (“the old lease”) is granted a lease of the same or substantially the same premises (“the new lease”) in pursuance of the guarantee.
- (2) For the purposes of this Act, the rent payable under the new lease in respect of any period falling within the overlap period is treated as reduced by the amount of the taxable rent that would have been payable in respect of that period under the old lease (but it cannot be treated as being reduced to a negative amount).
- (3) For the purposes of sub-paragraph (2) –
- (a) the “overlap period” is the period between the date of the grant of the new lease and what would have been the end of the term of the old lease had it not been terminated;
 - (b) rent is “taxable” if or to the extent that it is taken into account in determining the tax chargeable in respect of the acquisition of the old lease.

Tenant holding over: new lease backdated to previous year

- 8 (1) This paragraph applies where –
- (a) the tenant under a lease (“the old lease”) continues in occupation after the date on which, under its terms, the lease terminates (“the contractual termination date”),
 - (b) the tenant is granted a lease of the same or substantially the same premises (“the new lease”),
 - (c) the new lease is granted on a date falling more than one year after the contractual termination date, and
 - (d) the term of the new lease is expressed to begin on a date falling within the period –
 - (i) beginning with the contractual termination date, and
 - (ii) ending with the latest anniversary of that date falling before the date on which the new lease is granted,
- 30 (“the whole years of holdover”).
- (2) The term of the new lease is treated for the purposes of this Act as beginning with the date on which it is expressed to begin.
- (3) The rent payable under the new lease in respect of the period –
- (a) beginning with the date on which the new lease is expressed to begin, and
 - (b) ending at the end of the whole years of holdover,
- 35 is treated for the purposes of this Act as reduced by the amount of taxable rent payable in respect of the holdover tenancy for that period (but it cannot be treated as being reduced to a negative amount).

- (4) The holdover tenancy is treated for the purposes of this Act as a lease for a fixed term ending at the end of the whole years of holdover.
- (5) For the purposes of this paragraph—
- (a) “holdover tenancy” means—
- 5 (i) the old lease if it continues beyond the contractual termination date (whether by virtue of the lease being granted for a fixed term and thereafter until terminated or by operation of law), or
- (ii) any other tenancy of the same or substantially the same premises by virtue of which the tenant under the old lease continues in occupation after the
- 10 contractual termination date;
- (b) rent is “taxable” if or to the extent that it is taken into account in determining the tax chargeable in respect of the acquisition of the holdover tenancy.

PART 3

RENT AND OTHER CONSIDERATION

15 *Rent*

- 9 (1) For the purposes of this Act, a single sum expressed to be payable in respect of rent and other matters but not apportioned is to be treated as entirely rent.
- (2) Sub-paragraph (1) is without prejudice to the application of paragraph 4 of Schedule 4 (chargeable consideration: just and reasonable apportionment) where separate sums are
- 20 expressed to be payable in respect of rent and other matters.
- (3) For the purposes of this Act, “rent” does not include any chargeable consideration for the grant of a lease that is payable in respect of a period before the grant of the lease.

Variable or uncertain rent

- 10 (1) This paragraph applies where the amount of rent payable under a lease—
- 25 (a) varies in accordance with provision in the lease, or
- (b) is contingent, uncertain or unascertained.
- (2) As regards rent payable in respect of any period before the end of the fifth year of the term of the lease—
- (a) this Act applies as in relation to other chargeable consideration, and
- 30 (b) accordingly sections 19 and 20 apply if the amount is contingent, uncertain or unascertained.
- (3) As regards rent payable in respect of any period after the end of the fifth year of the term of the lease, the annual amount of rent is assumed, in every case, to be the equal to the highest amount of rent payable in respect of any period of 12 consecutive months in the
- 35 first 5 years of the term.
- (4) In determining that amount—

- (a) disregard paragraphs 7(2) and 8(3) (where further lease granted, deemed reduction of rent for overlap period), and
- (b) if necessary, take into account any amounts determined in accordance with subparagraph (2)(b).
- 5 (5) This paragraph is subject to paragraph 12 (adjustment where rent ceases to be uncertain).
- (6) For the purposes of this paragraph and paragraph 12, the cases where the amount of rent payable under a lease is uncertain or unascertained include cases where there is a possibility of that amount being varied under –
- 10 (a) section 12, 13 or 33 of the Agricultural Holdings Act 1986 (c. 5) (provisions relating to increases, reductions and other variations of rent), or
- (b) Part 2 of the Agricultural Tenancies Act 1995 (c. 8) (rent review under farm business tenancy).
- (7) For the purposes of this Act, no account is to be taken of any provision for rent to be adjusted in line with the retail prices index, consumer prices index or any other similar index used to express a rate of inflation.
- 15

First rent review in final quarter of fifth year

- 11 Where –
- (a) a lease contains provision under which the rent may be adjusted,
- (b) under that provision the first (or only) such adjustment –
- 20 (i) is to an amount that (before that adjustment) is uncertain, and
- (ii) has effect from a date (the “review date”) that is expressed as falling 5 years after a specified date, and
- (c) the specified date falls within the period of 3 months before the beginning of the term of the lease,
- 25 this Act applies as if references to the first 5 years of the term of the lease were to the period beginning with the start of the term and ending with the review date and references to the fifth year of the term of the lease are to be read accordingly.

Adjustment of tax where rent determined on reconsideration date

- 12 (1) Where, in the case of a land transaction relating to a lease –
- 30 (a) section 19 or 20 (contingent, uncertain or unascertained consideration) applies to the land transaction by virtue of paragraph 10, and
- (b) the reconsideration date is reached,
- the buyer in the transaction must, on the reconsideration date, determine the rent paid or payable in respect of the first 5 years of the term of the lease.
- 35 (2) Paragraphs 13 and 14 make provision for the adjustment of tax payable in respect of a land transaction (and of any transaction linked to such a transaction) as a result of such a determination.

- (3) For the purposes of this paragraph and paragraphs 13 and 14 the reconsideration date is –
- (a) the date falling at the end of the fifth year of the term of the lease, or
 - (b) any earlier date on which the amount of rent payable in respect of the first 5 years of the term of the lease ceases to be uncertain.
- (4) For the purposes of sub-paragraph (3)(b) and paragraph 13(2) the amount of rent payable ceases to be uncertain when –
- (a) in the case of contingent rent, the contingency occurs or it becomes clear that it will not occur;
 - (b) in the case of uncertain or unascertained rent, the amount becomes ascertained.

Underpayment of tax where rent determined on reconsideration date

- 13 (1) If, as a result of determining on the reconsideration date the rent paid or payable in respect of the first 5 years of the term of the lease –
- (a) a land transaction becomes notifiable, or
 - (b) additional tax is payable in respect of a land transaction or tax is payable where none was payable,

the buyer must make a return or further return (including a self-assessment) in respect of the land transaction before the end of the period of 30 days beginning with the reconsideration date.

- (2) Where –
- (a) a return is made under sub-paragraph (1) as a result of determining the rent paid or payable in respect of the first 5 years of the term of the lease on the date falling at the end of the fifth year of that term,
 - (b) when the return is made, the rent so paid or payable remains uncertain, and
 - (c) no later than the end of the period of 12 months beginning with the filing date for the return, that rent ceases to be uncertain,

the buyer must amend the return in accordance with section 41 of TCMA.

Overpayment of tax where rent determined on reconsideration date

- 14 (1) If, as a result of determining on the reconsideration date the rent paid or payable in respect of the first 5 years of the term of the lease, less tax is payable in respect of a land transaction than has already been paid –

- (a) the buyer may, within the period allowed for amendment of the return, amend it accordingly;
- (b) after the end of that period, the buyer may (if the return is not so amended) make a claim for repayment of the amount overpaid in accordance with Chapter 7 of Part 3 of TCMA as modified by sub-paragraph (2).

- (2) In its application to a claim to which sub-paragraph (1)(b) applies, Chapter 7 of Part 3 of TCMA applies as if for section 78 there were substituted –

“78 Time limit for making claims

A claim under section 63 to which paragraph 14(1)(b) of Schedule 6 to LTTA applies must be made before the later of the end of –

- (a) the period of 4 years beginning with the day after the filing date for the tax return to which the land transaction tax already paid relates, or
- (b) the period of 12 months beginning with the reconsideration date (within the meaning of paragraph 12(3) of that Schedule).”

Reverse premiums

- 10 15 (1) In the case of the grant, assignment or surrender of a lease a reverse premium does not count as chargeable consideration.
- (2) A “reverse premium” means –
- (a) in relation to the grant of a lease, a premium moving from the landlord to the tenant;
 - 15 (b) in relation to the assignment of a lease, a premium moving from the assignor to the assignee;
 - (c) in relation to the surrender of a lease, a premium moving from the tenant to the landlord.

Tenants’ obligations etc. that do not count as chargeable consideration

- 20 16 (1) In the case of a grant of a lease none of the following counts as chargeable consideration –
- (a) any undertaking by the tenant to repair, maintain or insure the leased premises;
 - (b) any undertaking by the tenant to pay any amount in respect of services, repairs, maintenance or insurance or the landlord’s costs of management;
 - 25 (c) any other obligation of the tenant that is not such as to affect the rent that a tenant would be prepared to pay in the open market;
 - (d) any guarantee of the payment of rent or the performance of any other obligation of the tenant under the lease;
 - 30 (e) any penal rent, or increased rent in the nature of a penal rent, payable in respect of the breach of any obligation of the tenant under the lease;
 - (f) any liability of the tenant for costs under section 14(2) of the Leasehold Reform Act 1967 (c. 88) or section 60 of the Leasehold Reform, Housing and Urban Development Act 1993 (c. 28) (costs to be borne by person exercising statutory rights to be granted lease);
 - 35 (g) any other obligation of the tenant to bear the landlord’s reasonable costs or expenses of, or incidental to, the grant of the lease;

(h) any obligation under the lease to transfer to the landlord, on the termination of the lease, payment entitlements granted to the tenant under the single payment scheme (that is, the scheme of income support for farmers in pursuance of Title III of Council Regulation (EC) No 73/2009) in respect of land subject to the lease.

- 5 (2) Where sub-paragraph (1) applies in relation to an obligation, a payment made in discharge of the obligation does not count as chargeable consideration.
- (3) The release of an obligation mentioned in sub-paragraph (1) does not count as chargeable consideration in relation to the surrender of the lease.

Surrender of existing lease in return for new lease

- 10 17 (1) Where a lease is granted in consideration of the surrender of an existing lease between the same parties –
- (a) the grant of the new lease does not count as chargeable consideration for the surrender, and
- 15 (b) the surrender does not count as chargeable consideration for the grant of the new lease.
- (2) Paragraph 5 (exchanges) of Schedule 4 (chargeable consideration) does not apply in such a case.

Assignment of lease: assumption of obligations by assignee

- 18 In the case of an assignment of a lease the assumption by the assignee of the obligation –
- 20 (a) to pay rent, or
- (b) to perform or observe any other undertaking of the tenant under the lease, does not count as chargeable consideration for the assignment.

Loan or deposit in connection with grant or assignment of lease

- 19 (1) Where, under arrangements made in connection with the grant of a lease –
- 25 (a) the tenant, or any person connected with or acting on behalf of the tenant, pays a deposit, or makes a loan, to any person, and
- (b) the repayment of all or part of the deposit or loan is contingent on anything done or omitted to be done by the tenant, or on the death of the tenant,
- 30 the amount of the deposit or loan (disregarding any repayment) is to be taken for the purposes of this Act to be consideration other than rent given for the grant of the lease.
- (2) Where, under arrangements made in connection with the assignment of a lease –
- (a) the assignee, or any person connected with or acting on behalf of the assignee, pays a deposit, or makes a loan, to any person, and
- 35 (b) the repayment of all or part of the deposit or loan is contingent on anything done or omitted to be done by the assignee, or on the death of the assignee,

the amount of the deposit or loan (disregarding any repayment) is to be taken for the purposes of this Act to be consideration other than rent given for the assignment of the lease.

- 5 (3) Sub-paragraph (1) or (2) does not apply in relation to a deposit if the amount that would otherwise fall within the sub-paragraph in question in relation to the grant or assignment of the lease is not more than twice the relevant maximum rent.
- (4) The relevant maximum rent is –
- 10 (a) in relation to the grant of a lease, the highest amount of rent payable in respect of any period of 12 consecutive months in the first 5 years of the term of the lease;
- (b) in relation to the assignment of a lease, the highest amount of rent payable in respect of any period of 12 consecutive months falling within the first 5 years of the term remaining outstanding as at the date of the assignment.
- (5) In determining the highest amount of rent for the purposes of sub-paragraph (4) –
- 15 (a) disregard paragraphs 7(2) and 8(3) (where further lease granted, deemed reduction of rent for overlap period), and
- (b) if necessary, take into account any amounts determined in accordance with paragraph 10(2)(b) (determining contingent, uncertain or unascertained rent).
- (6) Tax is not chargeable by virtue of this paragraph if it would be chargeable only as a result of the application of paragraph 34 (which excludes the zero rate band in cases where the relevant rent attributable to non-residential property is not less than £1,000 a year) to an amount of chargeable consideration determined under sub-paragraph (1) or (2).
- 20

PART 4

AGREEMENTS FOR LEASE, ASSIGNMENTS AND VARIATIONS

Agreement for lease

- 25 20 (1) Where –
- (a) an agreement for a lease is entered into, and
- (b) the agreement is substantially performed without having been completed,
- the agreement is treated for the purposes of this Act as if it were the grant of a lease in accordance with the agreement (“the notional lease”), beginning with the date of substantial performance.
- 30 (2) The effective date of the transaction is the date of substantial performance of the agreement.
- (3) For the purposes of this paragraph the agreement is completed by the grant of a lease (“the actual lease”) in substantial conformity with the agreement.
- 35 (4) Where the actual lease is subsequently granted the notional lease is treated for the purposes of this Act as if it were a lease granted –
- (a) on the date of substantial performance of the agreement,
- (b) for a term beginning with that date and ending at the end of the term of the actual lease, and

(c) in consideration of the total rent payable over that term and any other consideration given for the agreement or the actual lease.

5 (5) Where sub-paragraph (4) applies the grant of the actual lease is disregarded for the purposes of this Act except section 51 (return or further return in consequence of later linked transaction).

(6) For the purposes of section 51 –

(a) the grant of the notional lease and the grant of the actual lease are linked (whether or not they would be linked by virtue of section 8),

10 (b) the tenant under the actual lease (rather than the tenant under the notional lease) is liable for any tax or additional tax chargeable in respect of the notional lease as a result of sub-paragraph (4), and

(c) the reference in section 51(2) to “the buyer in the earlier transaction” is to be read, in relation to the notional lease, as a reference to the tenant under the actual lease.

(7) Where –

15 (a) sub-paragraph (1) applies, and

(b) within the period of 12 months beginning with the date of substantial performance of the agreement, the agreement is (to any extent) rescinded or annulled, or is for any other reason not carried into effect, and

(c) in consequence, the return made in respect of the agreement is amended,

20 the tax paid by virtue of that sub-paragraph must (to that extent) be repaid by WRA.

(8) For the purposes of the application of section 14(1) (substantial performance) to this paragraph and paragraph 21 any agreement for lease is to be treated as a contract.

Assignment of agreement for lease

21 (1) This paragraph applies where a person (“P”) assigns P’s interest as tenant under an agreement for lease.

25 (2) Where this paragraph applies Schedule 2 (transactions entered into before completion of contract) does not apply.

(3) If the assignment occurs without the agreement having been substantially performed, section 10 (contract and transfer) has effect as if –

30 (a) the agreement were with the assignee (“A”) and not P, and

(b) the consideration given by A for entering into the agreement included any consideration given by A for the assignment.

(4) If the assignment occurs after the agreement has been substantially performed –

(a) the assignment is a separate land transaction, and

35 (b) the effective date of that transaction is the date of the assignment.

- (5) Where there are successive assignments, this paragraph has effect in relation to each one of them.

Cases where assignment of lease treated as grant of lease

- 22 (1) This paragraph applies where the grant of a lease is relieved from tax by virtue of any of
5 the provisions specified in sub-paragraph (4).
- (2) The first assignment of the lease that is not relieved from tax by virtue of any of the provisions specified in sub-paragraph (4), and in relation to which the assignee does not acquire the lease as a bare trustee of the assignor, is treated for the purposes of this Act as if it were the grant of a lease by the assignor –
- 10 (a) for a term equal to the unexpired term of the lease referred to in sub-paragraph (1), and
(b) on the same terms as those on which the assignee holds the lease after the assignment.
- (3) Sub-paragraph (2) does not apply where an assignment of a lease, but for the application of that sub-paragraph, would be relieved from tax by virtue of Schedule 11 (alternative
15 finance investment bonds).
- (4) The provisions are –
- (a) Schedule 9 (sale and leaseback relief);
(b) paragraphs 13 and 15 of Schedule 11 (alternative finance investment bond relief);
20 (c) Schedule 16 (group relief);
(d) Schedule 17 (reconstruction and acquisition relief);
(e) Schedule 18 (charities relief);
(f) paragraph 1 of Schedule 20 (relief for certain acquisitions involving public bodies).
- (5) This paragraph does not apply where the relief in question is group relief, reconstruction or acquisition relief or charities relief and is withdrawn as a result of a disqualifying event occurring before the effective date of the assignment.
25
- (6) For the purposes of sub-paragraph (5), “disqualifying event” means –
- (a) in relation to the withdrawal of group relief, the event falling within paragraph 8(2)(a) of Schedule 16 (buyer ceasing to be a member of the same group as the
30 seller) as read with paragraph 9 of that Schedule;
- (b) in relation to the withdrawal of reconstruction or acquisition relief, the change of control of the acquiring company mentioned in paragraph 5(2) of Schedule 17 or, as the case may be, the event mentioned in paragraph 7(2) or (3) of that Schedule;
- (c) in relation to the withdrawal of charities relief, a disqualifying event as defined in
35 paragraph 2(4) or 5(2)(b) of Schedule 18.

Assignment of lease

23 (1) Where a lease is assigned, anything that but for the assignment would be required or authorised to be done by or in relation to the assignor under or by virtue of –

5 (a) section 47 (contingency ceases and consideration is ascertained: duty to make return),

(b) section 51 (return or further return in consequence of later linked transaction),

(c) paragraph 3 or 5 of this Schedule (return or further return required where fixed term or indefinite term lease continues), or

10 (d) paragraphs 12, 13 and 14 of this Schedule (adjustment where rent ceases to be uncertain),

must, if the event giving rise to the adjustment or return occurs after the effective date of the assignment, be done instead by or in relation to the assignee.

15 (2) So far as necessary for giving effect to sub-paragraph (1) anything previously done by or in relation to the assignor is to be treated as if it had been done by or in relation to the assignee.

(3) This paragraph does not apply if the assignment is treated as the grant of a lease by the assignor (see paragraph 22).

Reduction of rent or term or other variation of lease

24 (1) Where a lease is varied so as to reduce the amount of the rent, the variation is treated for the purposes of this Act as an acquisition of a chargeable interest by the tenant.

20 (2) Where any consideration in money or money's worth (other than an increase in rent) is given by the tenant for any variation of a lease, other than a variation of the amount of the rent or of the term of the lease, the variation is treated for the purposes of this Act as an acquisition of a chargeable interest by the tenant.

25 (3) Where a lease is varied so as to reduce the term, the variation is treated for the purposes of this Act as an acquisition of a chargeable interest by the landlord.

Increase of rent treated as grant of new lease: variation of lease in first 5 years

25 (1) Where a lease is varied so as to increase the amount of rent as from a date before the end of the fifth year of the term of the lease, the variation is treated for the purposes of this Act as if it were the grant of a lease in consideration of the additional rent made payable by it.

30 (2) Sub-paragraph (1) does not apply to an increase of rent in pursuance of –

(a) a provision contained in the lease before it was varied, or

35 (b) a provision mentioned in paragraph 10(6)(a) or (b) (variations of certain agricultural leases).

PART 5

CALCULATION OF TAX CHARGEABLE

Residential leases, non-residential leases and mixed leases

26 For the purposes of this Part of this Schedule, a transaction is –

- 5 (a) an acquisition of a residential lease if –
- (i) it is the acquisition of a lease or other chargeable interest relating to a lease, the main subject-matter of which consists entirely of residential property, or
 - 10 (ii) where the acquisition is one of a number of linked transactions, the main subject-matter of each transaction consists entirely of residential property;
- (b) an acquisition of a non-residential lease if –
- (i) it is the acquisition of a lease or other chargeable interest relating to a lease, the main subject-matter of which consists entirely of land which is not residential property, or
 - 15 (ii) where the acquisition is one of a number of linked transactions, the main subject-matter of each transaction consists entirely of land which is not residential property;
- (c) an acquisition of a mixed lease if –
- (i) it is the acquisition of a lease or other chargeable interest relating to a lease, the main subject-matter of which includes land which is not residential property, or
 - 20 (ii) where the acquisition is one of a number of linked transactions, the main subject-matter of any of the transactions includes land which is not residential property.

25 *No tax chargeable in respect of rent: residential leases*

- 27 (1) In the case of an acquisition of a residential lease, no tax is chargeable in respect of so much of the chargeable consideration as consists of rent.
- (2) The Welsh Ministers may by regulations amend this paragraph so as to substitute sub-paragraph (1) with a calculation of tax chargeable in respect of so much of the chargeable consideration as consists of rent in the case of an acquisition of a residential lease.
- 30 (3) Regulations under sub-paragraph (2) –
- (a) must specify the method of calculation (including the method applicable to a case where the acquisition is one of a number of linked transactions each of which being the acquisition of a residential lease), and
 - 35 (b) may make such other supplemental, incidental or consequential modifications of any enactment (including this Act) as the Welsh Ministers consider necessary or expedient.

(4) If regulations are made under sub-paragraph (2), the Welsh Ministers must by regulations specify the tax bands and percentage tax rates for each band applicable to the chargeable consideration which consists of rent.

(5) Regulations under sub-paragraph (4) must specify –

- (a) a tax band for which the applicable tax rate is 0% (“the RL zero rate band”),
- (b) two or more tax bands above the RL zero rate band,
- (c) the tax rate for each band above the RL zero rate band so that the rate for each band is higher than the rate for the band below it, and
- (d) a date on which the tax bands and tax rates apply in relation to transactions with an effective date on or after that date.

(6) Regulations under sub-paragraph (4) may specify –

- (a) different tax bands and tax rates in respect of different categories of acquisition of a residential lease;
- (b) different dates under sub-paragraph (5)(d) in respect of each specified tax band or tax rate.

Tax rates and bands: rent element of non-residential and mixed leases

(1) The Welsh Ministers must by regulations specify the tax bands and the percentage tax rates for each band applicable to chargeable consideration which consists of rent in cases of the acquisition of a non-residential lease or mixed lease.

(2) Regulations under sub-paragraph (1) must specify –

- (a) a tax band for which the applicable tax rate is 0% (“the NRL zero rate band”),
- (b) two or more tax bands above the NRL zero rate band,
- (c) the tax rate for each band above the NRL zero rate band so that the rate for each band is higher than the rate for the band below it, and
- (d) a date on which the tax bands and tax rates apply in relation to transactions with an effective date on or after that date.

(3) Regulations under sub-paragraph (1) may specify –

- (a) different tax bands and tax rates in respect of different categories of acquisition of a non-residential lease or mixed lease;
- (b) different dates under sub-paragraph (2)(d) in respect of each specified tax band or tax rate.

Calculation of tax chargeable in respect of rent: non-residential and mixed leases

In the case of the acquisition of a non-residential lease or mixed lease, the amount of tax chargeable on so much of the chargeable consideration as consists of rent is to be calculated as follows (unless paragraph 30 (linked transactions) applies).

Step 1

Calculate the net present value (the “NPV”) of the rent payable over the term of the lease (see paragraph 31).

Step 2

5 For each tax band applicable to the acquisition, multiply so much of the NPV as falls within the band by the tax rate for that band.

Step 3

Calculate the sum of the amounts reached under Step 2.

The result is the amount of tax chargeable in respect of rent.

10 *Calculation of tax chargeable in respect of rent: linked transactions*

30 Where the acquisition of a non-residential lease or mixed lease is one of a number of linked transactions for which the chargeable consideration consists of or includes rent, the amount of tax chargeable in respect of the rent is to be calculated as follows.

Step 1

15 Calculate the total of the net present values (the “TNPV”) of the rent payable over the terms of all the linked leases (see paragraph 31).

Step 2

For each tax band applicable to the acquisition, multiply so much of the TNPV as falls within the band by the tax rate for that band.

20

Step 3

Calculate the sum of the amounts reached under Step 2.

The result is the total tax chargeable in respect of rent.

Step 4

25

Divide the NPV of the rent payable over the term of the lease in question by the TNPV.

Step 5

Multiply the total tax chargeable in respect of rent by the fraction reached under Step 4.

30

The result is the amount of tax chargeable in respect of rent for the lease in question.

Net present value

31 The NPV of the rent payable over the term of a lease is calculated by applying the following formula—

$$NPV = \sum_{i=1}^n \frac{r_i}{(I+T)^i}$$

35

Figure 8

where—

r_i is the rent payable in respect of year i ,
 i is the first, second, third etc. year of the term of the lease,
 n is the term of the lease, and
 T is the temporal discount rate (see paragraph 32).

5 *Temporal discount rate*

32 For the purposes of paragraph 31 the “temporal discount rate” is 3.5% or such other rate as the Welsh Ministers may by regulations specify.

Tax chargeable in respect of consideration other than rent: general

- 10 33 (1) Where in the case of an acquisition of a lease there is chargeable consideration other than rent, the provisions of this Act apply in relation to that consideration as in relation to other chargeable consideration (but see paragraphs 34 and 35).
- (2) Tax chargeable under this Part of this Schedule in respect of rent is in addition to any tax chargeable under any provision of this Act in respect of consideration other than rent.

Tax chargeable in respect of consideration other than rent: no zero rate band for non-residential leases

- 15 34 (1) This paragraph applies in the case of an acquisition of a non-residential lease where—
- (a) there is chargeable consideration other than rent, and
 - (b) section 27 (amount of tax chargeable: transactions which are not linked) or 28 (amount of tax chargeable: linked transactions) applies to the acquisition.
- 20 (2) If the relevant rent is at least the specified amount, the zero rate band does not apply in relation to the consideration other than rent and, accordingly, any case which would have fallen within that band is treated as falling within the next tax band.

Tax chargeable in respect of consideration other than rent: mixed leases

- 35 (1) This paragraph applies in the case of an acquisition of a mixed lease where—
- (a) there is chargeable consideration other than rent, and
 - 25 (b) the relevant rent attributable, on a just and reasonable apportionment, to the land which is not residential property is at least the specified amount.
- (2) For the purpose of determining the amount of tax chargeable in relation to the consideration other than rent, the transaction (or where it is one of a number of linked transactions, that set of transactions) is treated as if it were two separate but linked transactions (or two separate sets of linked transactions which are themselves linked)
- 30 namely—

- (a) one whose subject-matter consists of all the land that is residential property (and section 28 (amount of tax chargeable: linked transactions) applies accordingly), and
 - (b) one whose subject-matter consists of all the land that is not residential property (and that section as modified by paragraph 34 applies accordingly).
- 5
- (3) For that purpose, the chargeable consideration attributable to each of those separate transactions (or sets of linked transactions) is the chargeable consideration so attributable on a just and reasonable basis.

Relevant rent

- 10 36 (1) In paragraphs 34 and 35—
- (a) “the relevant rent” means—
 - (i) the annual rent in relation to the transaction in question, or
 - (ii) if that transaction is one of a number of linked transactions for which the chargeable consideration consists of or includes rent, the total of the annual rents in relation to all of those transactions;
 - (b) “the specified amount” means an amount of relevant rent specified by the Welsh Ministers by regulations.
- 15
- (2) In sub-paragraph (1)(a) “the annual rent” means—
- (a) the average annual rent over the term of the lease, or
 - (b) if—
 - (i) different amounts of rent are payable for different parts of the term, and
 - (ii) those amounts (or any of them) are ascertainable at the effective date of the transaction,
- 20
- the average annual rent over the term for which the highest ascertainable rent is payable.
- 25

Power to amend or repeal paragraphs 34 to 36

37 The Welsh Ministers may by regulations amend or repeal paragraphs 34 to 36.

PART 4

TRANSACTIONS INVOLVING TRANSFERS TO A PARTNERSHIP

Introduction

12 In this Part of this Schedule –

- 10 (a) paragraphs 13 to 17 make provisions about the treatment of certain land transactions involving the transfer of a chargeable interest to a partnership, and
- (b) paragraphs 18 and 19 provide for certain events following such transactions to be treated as land transactions.

Transfer of chargeable interest to a partnership: general

13 (1) This paragraph applies where –

- 15 (a) a partner transfers a chargeable interest to the partnership,
- (b) a person transfers a chargeable interest to a partnership in return for an interest in the partnership, or
- (c) a person connected with –
- 20 (i) a partner, or
- (ii) a person who becomes a partner as a result of or in connection with the transfer,

transfers a chargeable interest to the partnership.

(2) This paragraph applies whether the transfer is in connection with the formation of the partnership or is a transfer to an existing partnership.

25 (3) The chargeable consideration for the transaction is taken to be equal to –

$$MV \times (100 - SLP) \%$$

Figure 9

where –

MV is the market value of the chargeable interest transferred, and

30 SLP is the sum of the lower proportions.

(4) Paragraph 14 provides for determining the sum of the lower proportions.

(5) Part 7 applies if the whole or part of the chargeable consideration for the transaction is rent.

35 (6) Paragraphs 9 to 11 (responsibility of partners) have effect in relation to a transaction to which this paragraph applies, but the responsible partners are –

- (a) those who were partners immediately before the transfer and who remain partners after the transfer, and
- (b) any person becoming a partner as a result of, or in connection with, the transfer.

(7) This paragraph has effect subject to any election under paragraph 36.

5 *Transfer of chargeable interest to a partnership: sum of the lower proportions*

14 The sum of the lower proportions in relation to a transaction to which paragraph 13 applies is determined as follows –

Step 1

Identify the relevant owner or owners (see paragraph 15).

10 *Step 2*

For each relevant owner, identify the corresponding partner or partners (see paragraph 16).

If there is no relevant owner with a corresponding partner, the sum of the lower proportions is zero.

15 *Step 3*

For each relevant owner, find the proportion of the chargeable interest to which the owner was entitled immediately before the transaction.

Apportion that proportion between any one or more of the relevant owner's corresponding partners.

20 *Step 4*

Find the lower of the following ("the lower proportion") for each corresponding partner –

- (a) the proportion of the chargeable interest attributable to the partner (see paragraph 17);
- (b) the partner's partnership share immediately after the transaction.

Step 5

Add together the lower proportions of each corresponding partner.

The result is the sum of the lower proportions.

Relevant owner

30 15 (1) For the purposes of paragraph 14 (see Step 1) a person is a relevant owner if –

- (a) immediately before the transaction, the person was entitled to a proportion of the chargeable interest, and
- (b) immediately after the transaction, the person is a partner or connected with a partner.

35 (2) For the purposes of paragraph 14 and this paragraph, persons who are entitled to a chargeable interest as beneficial joint tenants are taken to be entitled to the chargeable interest as beneficial tenants in common in equal shares.

Corresponding partner

16 (1) For the purposes of paragraph 14 (see Step 2) a person is a corresponding partner in relation to a relevant owner if, immediately after the transaction—

(a) the person is a partner, and

5 (b) the person is the relevant owner or is an individual connected with the relevant owner.

(2) For the purpose of sub-paragraph (1)(b) a company is to be treated as an individual connected with the relevant owner if it—

(a) holds property as trustee, and

10 (b) is connected with the relevant owner only because of section 1122(6) of the Corporation Tax Act 2010 (c. 4) (as it has effect with the omission of subsection (6) (c) to (e)).

Proportion of chargeable interest attributable to corresponding partner

17 For the purposes of paragraph 14 (Step 4), the proportion of the chargeable interest
15 attributable to a corresponding partner is—

(a) if the partner is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to that partner (at Step 3) in respect of that owner;

20 (b) if the partner is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to that partner (at Step 3) in respect of each of those owners.

Transfer of partnership interest pursuant to tax avoidance arrangements

18 (1) This paragraph applies where—

(a) there is a transfer of a chargeable interest to a partnership (“the land transfer”);

25 (b) the land transfer falls within paragraph 13(1);

(c) there is subsequently a transfer of an interest in the partnership (“the partnership transfer”);

(d) the partnership transfer is made—

30 (i) if the land transfer falls within paragraph 13(1)(a) or (b), by the person who makes the land transfer;

(ii) if the land transfer falls within paragraph 13(1)(c), by the partner concerned;

(e) the partnership transfer is made pursuant to arrangements which are, or form part of, tax avoidance arrangements that were in place at the time of the land transfer;

35 (f) the partnership transfer is not (apart from this paragraph) a chargeable transaction.

(2) For the purposes of this Act, the partnership transfer—

(a) is taken to be a land transaction, and

(b) is a chargeable transaction.

(3) The partners are taken to be the buyers in the transaction.

(4) The chargeable consideration for the transaction is taken to be equal to a proportion of the market value, as at the date of the transaction, of the interest transferred by the land transfer.

(5) That proportion is –

(a) if the person making the partnership transfer is not a partner immediately after the partnership transfer, that person's partnership share immediately before that transfer;

(b) if the person is a partner immediately after the partnership transfer, the difference between the person's partnership share before and after that transfer.

(6) The partnership transfer and the land transfer are taken to be linked transactions.

(7) Paragraphs 9 to 11 (responsibility of partners) have effect in relation to the partnership transfer, but the responsible partners are –

(a) those who were partners immediately before the transfer and who remain partners after the transfer, and

(b) any person becoming a partner as a result of, or in connection with, the transfer.

(8) In this paragraph, "tax avoidance arrangements" has the meaning given by section 31.

20 Withdrawal of money etc. from partnership after transfer of chargeable interest

19 (1) This paragraph applies where –

(a) there is a transfer of a chargeable interest to a partnership ("the land transfer");

(b) the land transfer falls within paragraph 13(1);

(c) during the period of 3 years beginning with the effective date of the land transfer, a qualifying event within sub-paragraph (2) occurs;

(d) the qualifying event is, or forms part of, a tax avoidance arrangement;

(e) at the time of the qualifying event, an election has not been made in respect of the land transfer under paragraph 36.

(2) A qualifying event is –

(a) a withdrawal from the partnership of money or money's worth which does not represent income profit, by the relevant person –

(i) withdrawing capital from the relevant person's capital account,

(ii) reducing the relevant person's interest in the partnership, or

(iii) ceasing to be a partner, or

(b) in a case where the relevant person has made a loan to the partnership –

- (i) the repayment (to any extent) by the partnership of the loan, or
- (ii) a withdrawal by the relevant person from the partnership of money or money's worth which does not represent income profit.
- (3) For the purposes of sub-paragraph (2), the relevant person is –
- 5 (a) where the land transfer falls within 13(1)(a) or (b), the person who makes the land transfer, and
- (b) where the land transfer falls within paragraph 13(1)(c), the partner concerned or a person connected with that partner.
- (4) For the purposes of this Act, the qualifying event –
- 10 (a) is taken to be a land transaction, and
- (b) is a chargeable transaction.
- (5) The partners are taken to be the buyers under the transaction.
- (6) Paragraphs 9 to 11 (responsibility of partners) have effect in relation to the transaction.
- (7) The chargeable consideration for the transaction is taken to be –
- 15 (a) in a case falling within sub-paragraph (2)(a), equal to the value of the money or money's worth withdrawn from the partnership;
- (b) in a case falling within sub-paragraph (2)(b)(i), equal to the amount repaid;
- (c) in a case falling within sub-paragraph (2)(b)(ii), equal to so much of the value of the money or money's worth withdrawn from the partnership as does not exceed
- 20 the amount of the loan.
- (8) But the chargeable consideration determined under sub-paragraph (7) is not to exceed the market value, as at the effective date of the land transfer, of the chargeable interest transferred by the land transfer, reduced by any amount previously chargeable to tax.
- (9) Where –
- 25 (a) a qualifying event gives rise to a charge under this paragraph, and
- (b) the same event gives rise to a charge under paragraph 34 (transfer of interest in property investment partnership),
- the amount of the charge under this paragraph is reduced (but not below zero) by the amount of the charge under that paragraph.
- 30 (10) In this paragraph, "tax avoidance arrangement" has the meaning given by section 31.

PART 5

TRANSACTIONS INVOLVING TRANSFERS FROM A PARTNERSHIP

Introduction

- 20 This Part of this Schedule makes provision about about the treatment of certain land transactions involving the transfer of a chargeable interest from a partnership.
- 35

Transfer of chargeable interest from a partnership: general

- 21 (1) This paragraph applies where a chargeable interest is transferred—
- (a) from a partnership to a person who is or has been one of the partners, or
 - (b) from a partnership to a person connected with a person who is or has been one of the partners.
- (2) The chargeable consideration for the transaction is (subject to paragraph 30) taken to be equal to—
- $$MV \times (100 - SLP) \%$$
- Figure 10
- where—
- MV is the market value of the interest transferred, and
- SLP is the sum of the lower proportions.
- (3) Paragraph 22 provides for determining the sum of the lower proportions.
- (4) Part 7 applies if the whole or part of the chargeable consideration for the transaction is rent.
- (5) For the purposes of this paragraph property that was partnership property before the partnership was dissolved or otherwise ceased to exist is to be treated as remaining partnership property until it is distributed.
- (6) This paragraph has effect subject to any election under paragraph 36.

20 *Transfer of chargeable interest from a partnership: sum of the lower proportions*

- 22 The sum of the lower proportions in relation to a transaction to which paragraph 21 applies is determined as follows—

Step 1

Identify the relevant owner or owners (see paragraph 23).

Step 2

For each relevant owner, identify the corresponding partner or partners (see paragraph 24).

If there is no relevant owner with a corresponding partner, the sum of the lower proportions is zero.

Step 3

For each relevant owner, find the proportion of the chargeable interest to which that owner is entitled immediately after the transaction.

Apportion that proportion between any one or more of the relevant owner's corresponding partners.

Step 4

Find the lower of the following ("the lower proportion") for each corresponding partner—

(a) the proportion of the chargeable interest attributable to the partner (see paragraph 25);

(b) the partnership share attributable to the partner (see paragraphs 26 and 27).

Step 5

Add together the lower proportions of each corresponding partner.

The result is the sum of the lower proportions.

Relevant owner

23 (1) For the purposes of paragraph 22 (see Step 1) a person is a relevant owner if –

10 (a) immediately after the transaction, that person is entitled to a proportion of the chargeable interest, and

(b) immediately before the transaction, that person was a partner or connected with a partner.

15 (2) For the purposes of paragraph 22 and this paragraph, persons who are entitled to a chargeable interest as beneficial joint tenants are to be taken to be entitled to the chargeable interest as beneficial tenants in common in equal shares.

Corresponding partner

24 (1) For the purposes of paragraph 22 (see Step 2), a person is a corresponding partner in relation to a relevant owner if, immediately before the transaction –

(a) the person was a partner, and

20 (b) the person was the relevant owner or was an individual connected with the relevant owner.

(2) For the purpose of sub-paragraph (1)(b), a company is to be treated as an individual connected with the relevant owner if it –

(a) holds property as trustee, and

25 (b) is connected with the relevant owner only because of section 1122(6) of the Corporation Tax Act 2010 (c. 4) (as it has effect with the omission of subsection (6) (c) to (e)).

Proportion of chargeable interest attributable to corresponding partner

25 30 For the purposes of paragraph 22 (see Step 4), the proportion of the chargeable interest attributable to a corresponding partner is –

(a) if the partner is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to that partner (at Step 3) in respect of that owner;

- (b) if the partner is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to that partner (at Step 3) in respect of each of those owners.

Partnership share attributable to corresponding partner: effective date of transfer before 20 October 2003

5 26 (1) This paragraph applies for the purposes of paragraph 22 (see Step 4) where the effective date of the transfer of the relevant chargeable interest to the partnership was before 20 October 2003.

- (2) Where this paragraph applies, the partnership share attributable to a corresponding partner is to be determined, as follows—

10 *Step 1*

Find the partner's actual partnership share on the relevant date.

The relevant date—

- (a) if the partner was a partner on 19 October 2003, is that date;
(b) if the partner became a partner after that date, is the date on which the partner became a partner.

15 *Step 2*

Add to that partnership share any increases in the partner's partnership share which—

- 20 (a) occur in the period beginning with the day after the relevant date and ending immediately before the transaction to which paragraph 22 applies, and
(b) count for this purpose (see sub-paragraph (5)).

The result is the increased partnership share.

Step 3

25 Deduct from the increased partnership share any decreases in the partner's partnership share which occur in the period beginning with the day after the relevant date and ending immediately before the transaction to which paragraph 22 applies.

The result is the partnership share attributable to the partner.

- 30 (3) If the effect of applying Step 3 would be to reduce the partnership share attributable to the partner below zero, the partnership share attributable to the partner is zero.
(4) If the partner ceased to be a partner before 19 October 2003, the partnership share attributable to the partner is zero.
(5) An increase counts for the purpose of Step 2 only if the instrument by which the transfer was effected has been stamped with ad valorem stamp duty.
35 (6) In this paragraph and paragraph 27, the relevant chargeable interest is—

- (a) the chargeable interest which ceases to be partnership property as a result of the transaction to which paragraph 22 applies, or
- (b) where the transaction to which paragraph 22 applies is the creation of a chargeable interest, the chargeable interest out of which that interest is created.

5 *Partnership share attributable to corresponding partner: effective date of transfer on or after 20 October 2003*

27 (1) This paragraph applies for the purposes of paragraph 22 (see Step 4) where the effective date of the transfer of the relevant chargeable interest to the partnership was on or after 20 October 2003.

10 (2) Where this paragraph applies and neither of the conditions in sub-paragraph (3) is met, the partnership share attributable to the partner is zero.

(3) The conditions are –

(a) the instrument by which the transfer was effected has been stamped with ad valorem stamp duty;

15 (b) any land transaction tax or, as the case may be, stamp duty land tax payable in respect of the transfer has been paid.

(4) Where this paragraph applies, and one of the conditions in sub-paragraph (3) is met, the partnership share attributable to the partner is determined as follows –

Step 1

20 Find the partner's actual partnership share on the relevant date.

The relevant date –

(a) if the partner was a partner on the effective date of the transfer of the relevant chargeable interest to the partnership, is that date;

25 (b) if the partner became a partner after that date, is the date on which the partner became a partner.

Step 2

Add to that partnership share any increases in the partner's partnership share which –

30 (a) occur in the period beginning with the day after the relevant date and ending immediately before the transaction to which paragraph 22 applies, and

(b) count for this purpose (see sub-paragraph (7)).

The result is the increased partnership share.

Step 3

Introduction

This Part of this Schedule makes provision –

(a) about certain transactions involving the transfer of an interest in a property-investment partnership, and

(b) for a property investment partnership to elect to disapply paragraph 13 in relation to certain land transactions.

Meaning of property investment partnerships

- 33 (1) In this Schedule, a “property-investment partnership” is a partnership whose sole or main activity is investing or dealing in chargeable interests (whether or not that activity involves the carrying out of construction operations on the land in question).
- 5 (2) In sub-paragraph (1), “construction operations” has the same meaning as in Chapter 3 of Part 3 of the Finance Act 2004 (c. 12)(see section 74 of that Act).
- (3) For the purposes of sub-paragraph (1), “chargeable interests” includes any interest which would be a chargeable interest but for the fact that it relates to land outside Wales.

Transfer of interest in property-investment partnership

- 10 34 (1) This paragraph applies where –
- (a) there is a transfer of an interest in a property-investment partnership, and
 - (b) the relevant partnership property includes a chargeable interest.
- (2) For the purposes of this Act, the transfer –
- (a) is taken to be a land transaction, and
 - 15 (b) is a chargeable transaction.
- (3) The buyer in the transaction is the person who acquires an increased partnership share or, as the case may be, becomes a partner in consequence of the transfer.
- (4) The chargeable consideration for the transaction is taken to be equal to a proportion of the market value of the relevant partnership property.
- 20 (5) That proportion is –
- (a) if the person acquiring the interest in the partnership was not a partner before the transfer, the person’s partnership share immediately after the transfer;
 - (b) if the person was a partner before the transfer, the difference between that person’s partnership share before and after the transfer.
- 25 (6) The “relevant partnership property”, in relation to a Type A transfer of an interest in a partnership, is every chargeable interest held as partnership property immediately after the transfer, other than –
- (a) any chargeable interest that was transferred to the partnership in connection with the transfer,
 - 30 (b) a lease to which paragraph 35 (exclusion of market rent leases) applies, and
 - (c) any chargeable interest that is not attributable economically to the interest in the partnership that is transferred.
- 35 (7) The “relevant partnership property”, in relation to a Type B transfer of an interest in a partnership, is every chargeable interest held as partnership property immediately after the transfer, other than –

- (a) any chargeable interest that was transferred to the partnership in connection with the transfer,
- (b) a lease to which paragraph 35 (exclusion of market rent leases) applies,
- (c) any chargeable interest that is not attributable economically to the interest in the partnership that is transferred,
- (d) any chargeable interest that was transferred to the partnership on or before 22 July 2004,
- (e) any chargeable interest in respect of whose transfer to the partnership an election has been made under paragraph 36, and
- (f) any other chargeable interest whose transfer to the partnership did not fall within paragraph 13(1).

(8) A Type A transfer is –

- (a) a transfer that takes the form of arrangements entered into under which –
 - (i) the whole or part of a partner's interest as partner is acquired by another person (who may be an existing partner), and
 - (ii) consideration in money or money's worth is given by or on behalf of the person acquiring the interest, or
- (b) a transfer that takes the form of arrangements entered into under which –
 - (i) a person becomes a partner,
 - (ii) the interest of an existing partner in the partnership is reduced or an existing partner ceases to be a partner, and
 - (iii) there is a withdrawal of money or money's worth from the partnership by the existing partner mentioned in paragraph (ii) (other than money or money's worth paid from the resources available to the partnership prior to the transfer).

(9) Any other transfer to which this paragraph applies is a Type B transfer.

(10) An interest in respect of the transfer of which this paragraph applies is to be treated as a chargeable interest for the purposes of paragraph 8(2) of Schedule 16 (group relief) to the extent that the relevant partnership property consists of a chargeable interest.

30 *Exclusion of market rent leases*

35 (1) A lease held as partnership property immediately after a transfer of an interest in the partnership is not relevant partnership property for the purposes of paragraph 34(6) or (7) if the following four conditions are met.

(2) Condition 1 is that –

- (a) no chargeable consideration other than rent has been given in respect of the grant of the lease, and
- (b) no arrangements are in place at the time of the transfer for any chargeable consideration other than rent to be given in respect of the grant of the lease.

- (3) Condition 2 is that the rent payable under the lease as granted was a market rent at the time of the grant.
- (4) Condition 3 is that—
- (a) the term of the lease is 5 years or less, or
 - (b) if the term of the lease is more than 5 years—
 - (i) the lease provides for the rent payable under it to be reviewed at least once in every 5 years of the term, and
 - (ii) the rent payable under the lease as a result of a review is required to be a market rent at the review date.
- (5) Condition 4 is that there has been no change to the lease since it was granted which is such that, immediately after the change has effect, the rent payable under the lease is less than a market rent.
- (6) The market rent of a lease at any time is the rent which the lease might reasonably be expected to fetch at that time in the open market.
- (7) A review date is a date from which the rent determined as a result of a rent review is payable.

Election by property-investment partnership to disapply paragraph 13

- (1) Paragraph 13 does not apply to a transfer of a chargeable interest to a property-investment partnership if the buyer in the transaction elects for that paragraph not to apply.
- (2) Where an election under this paragraph is made in respect of a transaction—
- (a) paragraph 21 (transfer of chargeable interest from a partnership: general) is also disapplied,
 - (b) the chargeable consideration for the transaction is taken to be the market value of the chargeable interest transferred, and
 - (c) the transaction falls within Part 3 (ordinary partnership transactions) of this Schedule.
- (3) An election under this paragraph must be included in the return made in respect of the transaction, or in an amendment of that return (for provision as to amendment of returns, see section 41 of TCMA).
- (4) The election is irrevocable so that the return may not be amended so as to withdraw the election.
- (5) Where an election under this paragraph in respect of a transaction (the “main transaction”) is made in an amendment of a return—
- (a) the election has effect as if it had been made on the date on which the return was made, and
 - (b) any return in respect of an affected transaction may be amended (within the period allowed for amendment of that return) to take account of that election.

- (6) In sub-paragraph (5), “affected transaction” in relation to the main transaction means a transaction –
- (a) to which paragraph 34 (transfer of interest in property-investment partnership) applied, and
 - (b) with an effective date on or after the effective date of the main transaction.

Partnership interests: application of provisions about exchange

- 37 (1) Where section 16 (exchanges) applies to the acquisition of an interest in a property-investment partnership in consideration of entering into a land transaction with an existing partner, the interest in the partnership is to be treated as a major interest in land, for the purposes of paragraph 5 of Schedule 4 if the relevant partnership property includes a major interest in land.
- 10
- (2) In sub-paragraph (1) “relevant partnership property” has the meaning given by paragraphs 34(6) or (7) (as appropriate, and as read with paragraph 35).
- (3) Where this paragraph applies, paragraph 6 of Schedule 4 (partition etc.: disregard of existing interest) does not apply.
- 15

(4) The relevant time is –

(a) in relation to so much of a penalty as is payable in respect of any day, or to late payment interest on so much of a penalty as is so payable, the beginning of that day;

(b) in relation to any other penalty, or to late payment interest on the penalty, the time when the act or omission occurred that caused the penalty to become payable.

(5) In this paragraph, “late payment interest” means late payment interest under Part 6 of TCMA.

Relevant trustees for purposes of return etc.

(1) A return in relation to a land transaction may be made or given by any one or more of the trustees who are the responsible trustees in relation to the transaction.

(2) The trustees by whom such a return is made are referred to in this Schedule as “the relevant trustees”.

(3) The declaration required by section 53 (declaration that return is complete and correct) must be made by all the relevant trustees.

Relevant trustees: enquiries and assessments

(1) If WRA issues a notice of enquiry under section 43 of TCMA into the return –

(a) the notice must be issued to each of the relevant trustees whose identity is known to WRA;

(b) the powers of WRA under Part 4 of TCMA to require information and documents for the purposes of the enquiry are exercisable separately (and differently) in relation to each of the relevant trustees;

(c) any of the relevant trustees may apply under section 51 of TCMA for a direction that a closure notice be issued (and all of them are entitled to be parties to the application);

(d) any closure notice under section 50 of TCMA must be issued to each of the relevant trustees whose identity is known to WRA.

(2) A WRA determination under section 52 of TCMA relating to the transaction must be made against all of the relevant trustees and is not effective against any of them unless notice of it is given to each of them whose identity is known to WRA.

(3) A WRA assessment under section 54 or 55 of TCMA relating to the transaction must be made in respect of all of the relevant trustees and is not effective in respect of any of them unless notice of it is issued under section 61 of TCMA to each of them whose identity is known to WRA.

Relevant trustees: appeals and reviews

- 10 (1) The agreement of all the relevant trustees is required if a settlement agreement relating to the transaction is to be entered under section 184 of TCMA.
- 5 (2) A notice of request under section 173 of TCMA may be given by any of the relevant trustees.
- (3) Where WRA undertakes a review of an appealable decision relating to the transaction following such a request made by some (but not all) of the relevant trustees –
- (a) notice of the review must be issued by WRA to each of the other relevant trustees whose identity is known to WRA;
- 10 (b) any of the other relevant trustees may be a party to the review if they notify WRA in writing;
- (c) notice of WRA's conclusions under section 176(5), (6) or (7) of TCMA must be issued to each of the relevant trustees whose identity is known to WRA;
- 15 (d) section 177 of TCMA (effect of conclusions of review) applies in relation to all of the relevant trustees.
- (4) In the case of an appeal under Part 8 of TCMA relating to the transaction –

- (b) notice of the appeal must be issued by WRA to each of the relevant trustees who are not bringing the appeal and whose identity is known to WRA;
- 20 (c) any of the relevant trustees are entitled to be parties to the appeal;
- (d) the tribunal's determination under section 181 of TCMA binds all the relevant trustees.

Interests of beneficiaries under certain trusts

- 25 11 (1) Sub-paragraphs (2) and (3) apply where property is held in trust under the law of Scotland, or of a country or territory outside the United Kingdom, on terms such that, if the trust had effect under the law of England and Wales, a beneficiary would be regarded as having an equitable interest in the trust property.
- (2) The beneficiary is to be treated for the purpose of this Act as having an equitable interest in the trust property despite the fact that no such interest is recognised by the law of Scotland or, as the case may be, the country or territory outside the United Kingdom.
- 30 (3) An acquisition of the interest of a beneficiary under the trust is to be treated as involving the acquisition of an interest in the trust property.

SCHEDULE 9
(as introduced by section 30(1))

SALE AND LEASEBACK RELIEF

The relief

- 5 1 The leaseback element of a sale and leaseback arrangement is relieved from tax if the qualifying conditions are met.

Sale and leaseback arrangements

- 2 A sale and leaseback arrangement is an arrangement under which—
- 10 (a) a person (“A”) transfers or grants to another person (“B”) a major interest in land (the “sale”), and
- (b) out of that interest B grants a lease to A (the “leaseback”).

Qualifying conditions

- 3 (1) The qualifying conditions are—
- 15 (a) that the sale transaction is entered into wholly or partly in consideration of the leaseback transaction being entered into,
- (b) that the only other consideration (if any) for the sale is the payment of money (whether in sterling or another currency) or the assumption, satisfaction or release of a debt (or both),
- 20 (c) that the sale is not a transfer of rights within the meaning of section 12 (contract providing for transfer to third party: effect of transfer of rights) or a pre-completion transaction within the meaning of Schedule 2 (pre-completion transactions), and
- 25 (d) where A and B are both bodies corporate at the effective date of the leaseback transaction, that they are not members of the same group for the purposes of group relief (see Schedule 16) at that date.
- (2) In sub-paragraph (1)(b) “debt” means an obligation, whether certain or contingent, to pay a sum of money either immediately or at a future date.

SCHEDULE 10
(as introduced by section 30(1))

ALTERNATIVE PROPERTY FINANCE RELIEFS

PART 1

INTRODUCTORY

Overview

- 1 (1) This Schedule makes provision for relief in the case of certain land transactions connected to alternative property finance arrangements.
- (2) The Schedule is arranged as follows—
- 10 (a) Part 2 sets out the circumstances in which certain transactions are relieved from tax;
- (b) Part 3 sets out the circumstances where relief is not available;
- (c) Part 4 makes provision for an interest held by a financial institution in certain circumstances to be treated as an exempt interest;
- 15 (d) Part 5 defines certain terms for the purposes of this Schedule.

PART 2

THE RELIEFS

Land sold to financial institution and leased to a person

- 2 (1) This paragraph applies where arrangements are entered into between a person (“P”) and a financial institution under which—
- 20 (a) the institution purchases a major interest in land or an undivided share of a major interest in land (“the first transaction”),
- (b) where the interest purchased is an undivided share, the major interest is held on trust for the institution and P as beneficial tenants in common,
- 25 (c) the institution (or the person holding the land on trust as mentioned in paragraph (b)) grants to P out of the major interest a lease (if the major interest is freehold) or a sub-lease (if the major interest is leasehold) (“the second transaction”), and
- (d) the institution and P enter into an agreement under which P has a right to require the institution or its successor in title to transfer to P (in one transaction or a series of transactions) the whole interest purchased by the institution under the first
- 30 transaction.
- (2) The first transaction is relieved from tax if the seller is—
- (a) P, or

- (b) another financial institution by whom the interest was acquired under arrangements of the kind mentioned in sub-paragraph (1) entered into between it and P.
- (3) The second transaction is relieved from tax if the provisions of this Act and TCMA relating to the first transaction are complied with (including any requirement to pay tax chargeable on the first transaction).
- (4) A transfer to P that results from the exercise of the right mentioned in sub-paragraph (1)(d) (“a further transaction”) is relieved from tax if –
- (a) the provisions of this Act and TCMA relating to the first and second transactions are complied with, and
- (b) at all times between the second transaction and the further transaction –
- (i) the interest purchased under the first transaction is held by a financial institution so far as not transferred by a previous further transaction, and
- (ii) the lease or sub-lease granted under the second transaction is held by P.
- (5) The agreement mentioned in sub-paragraph (1)(d) is not to be treated –
- (a) as substantially performed unless and until the whole interest purchased by the institution under the first transaction has been transferred to P (and accordingly section 14(1) does not apply), nor
- (b) as a distinct land transaction by virtue of section 15 (options and rights of pre-emption).
- (6) A further transaction that is relieved from tax by virtue of sub-paragraph (4) is not a notifiable transaction unless it involves the transfer to P of the whole interest purchased by the institution under the first transaction, so far as not transferred by a previous further transaction.

25 *Land sold to financial institution and re-sold to a person*

- 3 (1) This paragraph applies where arrangements are entered into between a person (“P”) and a financial institution under which –
- (a) the institution –
- (i) purchases a major interest in land (“the first transaction”), and
- (ii) sells that interest to P (“the second transaction”), and
- (b) P grants the institution a legal mortgage (as defined in section 205(1)(xvi) of the Law of Property Act 1925 (c. 20)) over that interest.
- (2) The first transaction is relieved from tax if the seller is –
- (a) P, or
- 35 (b) another financial institution by whom the interest was acquired under other arrangements of the kind mentioned in paragraph 2(1) entered into between it and P.

- 5 (3) The second transaction is relieved from tax if the financial institution complies with the provisions of this Act and TCMA relating to the first transaction and, where that includes a requirement to pay tax chargeable on the first transaction, the tax so chargeable must be based on chargeable consideration that is not less than the market value of the interest and, in the case of the grant of a lease at a rent, the market rent.
- (4) For the purposes of sub-paragraph (3), the market rent of a lease at any time is the rent which the lease might reasonably be expected to fetch at that time in the open market.

References to P where P is an individual who has died

- 4 4 References in paragraphs 2 and 3 to P are to be read, in relation to times after P has died,
10 as references to P's personal representatives.

PART 3

CIRCUMSTANCES WHERE ARRANGEMENTS NOT RELIEVED

No relief where group relief, acquisition relief or reconstruction relief available on first transaction

- 5 5 Paragraphs 2 and 3 do not apply to arrangements in relation to which group relief,
15 acquisition relief or reconstruction relief is available on the first transaction (even if such a relief is subsequently withdrawn).

Land sold to financial institution and leased to a person: arrangements to transfer control of institution

- 6 (1) Paragraph 2 does not apply to alternative finance arrangements if those arrangements, or
20 any connected arrangements, include arrangements for a person to acquire control of the relevant financial institution.
- (2) That includes arrangements for a person to acquire control of the relevant financial institution only if one or more conditions are met (such as an event occurring or the carrying out of an act).
- (3) In this paragraph –
- 25 “alternative finance arrangements” (“*trefniadau cyllid eraill*”) means the arrangements referred to in paragraph 2(1);
- “connected arrangements” (“*trefniadau cysylltiedig*”) means any arrangements entered into in connection with the making of alternative finance arrangements (including arrangements involving one or more persons who are not parties to the
30 alternative finance arrangements);
- “relevant financial institution” (“*sefydliad ariannol perthnasol*”) means the financial institution which enters into the alternative finance arrangements.
- (4) Section 1124 of the Corporation Tax Act 2010 (c. 4) applies for the purposes of determining who has control of the relevant financial institution.

PART 4

EXEMPT INTEREST

Interest held by financial institution an exempt interest

- 7 (1) An interest held by a financial institution as a result of the first transaction within the
5 meaning of paragraph 2(1)(a) is an exempt interest (but see the following).
- (2) The interest ceases to be an exempt interest if –
- (a) the lease mentioned in paragraph 2(1)(c) ceases to have effect, or
 - (b) the right under paragraph 2(1)(d) ceases to have effect or becomes subject to a
10 restriction.
- (3) The interest is not an exempt interest if group relief, acquisition relief or reconstruction
relief is available on the first transaction (even if such a relief is subsequently withdrawn).
- (4) Despite sub-paragraph (1), the interest is not an exempt interest in respect of –
- (a) the first transaction itself, or
 - (b) a further transaction within the meaning of paragraph 2(4).

15

PART 5

INTERPRETATION

30 transaction or series of any of those things (whether or not legally enforceable).

SCHEDULE 11
(as introduced by section 30(1))

RELIEF FOR ALTERNATIVE FINANCE INVESTMENT BONDS

PART 1

INTRODUCTORY

Overview

1 (1) This Schedule makes provision for relief in the case of certain land transactions connected to alternative finance investment bonds.

(2) The Schedule is arranged as follows –

- 10 (a) this Part includes definitions of key terms (paragraph 2);
- (b) Part 2 provides that certain events relating to an alternative finance investment bond are not to be treated as chargeable transactions (paragraph 3) and provides for exceptions to that (paragraph 4);
- 15 (c) Part 3 sets out the general conditions which apply to the operation of the reliefs provisions in Part 4;
- (d) Part 4 provides for relief for certain transactions (paragraphs 13 and 15) as well as making provision about withdrawal of relief (paragraph 14) and circumstances where relief is not available (paragraph 17);
- 20 (e) Part 5 sets out how to apply the relief provisions in cases where the underlying asset is replaced by another asset (paragraph 18) and imposes a duty on WRA to notify the Chief Land Registrar when a charge registered under this Schedule is discharged (paragraph 19).

Interpretation

2 In this Schedule –

25 “alternative finance investment bond” (“*bond buddsoddi cyllid arall*”) means arrangements to which section 564G of the Income Tax Act 2007 (c. 3) (investment bond arrangements) applies;

“arrangements” (“*trefniadau*”) includes any agreement, understanding, scheme, transaction or series of any of those things (whether or not legally enforceable);

30 “bond assets” (“*asedau bond*”), “bond-holder” (“*deiliad bond*”), “bond-issuer” (“*dyroddwr bond*”) and “capital” (“*cyflafaf*”) have the meaning given by section 564G of the Income Tax Act 2007 (c. 3);

“prescribed” (“*rhagnodedig*”) means prescribed in regulations made by the Welsh Ministers;

35 “qualifying interest” (“*buddiant cymwys*”) means a major interest in land other than a lease for a term of 21 years or less.

PART 2

ISSUE, TRANSFER AND REDEMPTION OF RIGHTS UNDER BOND NOT TO BE TREATED AS
CHARGEABLE TRANSACTION*Bond-holder not to be treated as having an interest in the bond assets*

5 3 For the purposes of this Act—

- (a) the bond-holder under an alternative finance investment bond is not treated as having an interest in the bond assets;
- (b) the bond-issuer under such a bond is not treated as a trustee of the bond assets.

Bond-holder treated as having an interest if control of underlying asset acquired

10 4 (1) Paragraph 3 does not apply if control of the underlying asset is acquired by—

- (a) a bond-holder, or
- (b) a group of connected bond-holders.

(2) A bond-holder (“BH”), or a group of connected bond-holders, acquires control of the underlying asset if—

- 15
- (a) the rights of bond-holders under an alternative finance investment bond include the right of management and control of the bond assets, and
 - (b) BH, or the group, acquires sufficient rights to enable BH, or the members of the group acting jointly, to exercise management and control of the bond assets to the exclusion of any other bond-holders.

20 (3) But sub-paragraph (1) does not operate to disapply paragraph 3 in either of the following cases.

(4) The first case is where—

- 25
- (a) at the time that the rights were acquired BH (or all of the connected bond-holders) did not know and had no reason to suspect that the acquisition enabled the exercise of the right of management and control of the bond assets, and
 - (b) as soon as reasonably practicable after BH (or any of the bond-holders) becomes aware that the acquisition enables that exercise, BH transfers (or some or all of the bond-holders) transfer sufficient rights for that exercise no longer to be possible.

(5) The second case is where BH—

- 30
- (a) underwrites a public offer of rights under the bond, and
 - (b) does not exercise the right of management and control of the bond assets.

(6) In this paragraph “underwrite”, in relation to an offer of rights under a bond, means to agree to make payments of capital under the bond in the event that other persons do not make those payments.

PART 3

CONDITIONS FOR OPERATION OF RELIEFS ETC.

Introduction

5 This Part of this Schedule defines conditions 1 to 7 for the purposes of paragraphs 13 to
5 16 and 18.

Condition 1

6 Condition 1 is that one person (“A”) and another (“B”) enter into arrangements under
which –
10 (a) A transfers to B a qualifying interest in land (“the first transaction”), and
(b) A and B agree that when the interest ceases to be held by B as mentioned in
paragraph 7(b), B will transfer the interest to A.

Condition 2

7 Condition 2 is that –
15 (a) B, as bond-issuer, enters into an alternative finance investment bond (whether
before or after entering into the arrangements mentioned in condition 1), and
(b) the interest in land to which the arrangements mentioned in condition 1 relate is
held by B as a bond asset.

Condition 3

8 (1) Condition 3 is that, for the purpose of generating income or gains for the alternative
20 finance investment bond –
(a) B and A enter into a leaseback agreement, or
(b) such other condition or conditions as may be prescribed is or are met.
(2) For the purposes of condition 3, B and A enter into a leaseback agreement if B grants to
A, out of the interest transferred to B –
25 (a) a lease (if the interest transferred is freehold), or
(b) a sub-lease (if the interest transferred is leasehold).

Condition 4

9 (1) Condition 4 is that, before the end of the period of 120 days beginning with the effective
30 date of the first transaction, B provides WRA with the prescribed evidence that a
satisfactory legal charge has been entered in the register of title kept under section 1 of
the Land Registration Act 2002 (c. 9).
(2) A charge is satisfactory for the purposes of condition 4 if it –
(a) is a first charge on the interest transferred to B,
(b) is in favour of WRA, and

(c) is for the total of –

- 5
- (i) the amount of tax which would (apart from paragraph 13) be chargeable on the first transaction if the chargeable consideration for that transaction had been the market value of the interest on the effective date of that transaction, and
 - (ii) any interest and penalties which would for the time being be payable on or in relation to that amount of tax, if the tax had been payable (but not paid) in respect of the first transaction.

Condition 5

10 10 Condition 5 is that the total of the payments of capital made to B before the termination of the bond is not less than 60% of the market value of the interest in the land on the effective date of the first transaction.

Condition 6

11 11 Condition 6 is that B holds the interest in the land as a bond asset until the termination of
15 the bond.

Condition 7

12 12 Condition 7 is that –

- 20
- (a) before the end of the period of 30 days beginning with the date on which the interest in the land ceases to be held as a bond asset, the interest is transferred by B to A (“the second transaction”), and
 - (b) the second transaction is given effect not more than 10 years (or such other period as may be prescribed) after the first transaction.

PART 4

RELIEF FOR CERTAIN TRANSACTIONS

25 *Relief for the first transaction*

- 13 (1) The first transaction is relieved from tax if each of conditions 1 to 3 is met before the end of the period of 30 days beginning with the effective date of that transaction.
- (2) Where the qualifying interest in land is replaced as the bond asset by an interest in other land, sub-paragraph (1) is subject to paragraph 18 (replacement of asset).
- 30 (3) Sub-paragraph (1) is also subject to paragraph 17 (no relief where bond-holder acquires control of underlying asset).

Withdrawal of relief for the first transaction

- 14 (1) Relief under paragraph 13 is withdrawn if –
- 35 (a) the qualifying interest in land is transferred by B to A without conditions 5 and 6 having been met,

- (b) the period mentioned in (or prescribed under) paragraph 12(b) expires and any one of those conditions has not been met, or
- (c) at any time it becomes apparent for any other reason that any one of conditions 5 to 7 cannot or will not be met.

- 5 (2) Relief under paragraph 13 is also withdrawn if condition 4 is not met.
- (3) Where relief under paragraph 13 is withdrawn the amount of tax chargeable on the first transaction is the tax that would have been chargeable but for the relief if the chargeable consideration for the transaction had been the market value of the qualifying interest on the effective date of the transaction.

10 *Relief for the second transaction*

- 15 (1) The second transaction is relieved from tax if –
- (a) each of conditions 1 to 7 is met, and
 - (b) the provisions of this Act and TCMA in relation to the first transaction are complied with.
- 15 (2) Where the qualifying interest in land is replaced as the bond asset by an interest in other land, sub-paragraph (1) is subject to paragraph 18 (replacement of asset).
- (3) Sub-paragraph (1) is also subject to paragraph 17 (no relief where bond-holder acquires control of underlying asset).

Discharge of charge when conditions for relief met

- 20 16 If, after the effective date of the second transaction, B provides WRA with the prescribed evidence that each of conditions 1 to 3 and 5 to 7 has been met, the land ceases to be subject to the charge registered in pursuance of condition 4.

Relief not available where bond-holder acquires control of underlying asset

- 25 17 (1) Relief provided under paragraph 13 or 15 (including where the relief is provided under either paragraph as modified by paragraph 18) is not available if control of the underlying asset is acquired by –
- (a) the bond-holder, or
 - (b) a group of connected bond-holders.
- 30 (2) A bond-holder (“BH”), or a group of connected bond-holders, acquires control of the underlying asset if –
- (a) the rights of bond-holders under an alternative finance investment bond include the right of management and control of the bond assets, and
 - (b) BH, or the group, acquires sufficient rights to enable BH, or the members of the group acting jointly, to exercise management and control of the bond assets to the
- 35 exclusion of any other bond-holders.
- (3) If BH, or the group, acquires control of the underlying asset before the end of the period of 30 days beginning with the effective date of the first transaction, the effect of sub-paragraph (1) is that paragraph 13 does not apply to that transaction.

- (4) If BH, or the group, acquires control of the underlying asset after the end of that period and conditions 1 to 3 have been met, the effect of sub-paragraph (1) is that any relief under paragraph 13 is treated as withdrawn under paragraph 14.
- (5) But sub-paragraph (1) does not prevent the reliefs being available in either of the following cases.
- (6) The first case is where –
- (a) at the time that the rights were acquired BH (or all of the connected bond-holders) did not know and had no reason to suspect that the acquisition enabled the exercise of the right of management and control of the bond assets, and
 - (b) as soon as reasonably practicable after BH (or any of the bond-holders) becomes aware that the acquisition enables that exercise, BH transfers (or some or all of the bond-holders transfer) sufficient rights for that exercise no longer to be possible.
- (7) The second case is where BH –
- (a) underwrites a public offer of rights under the bond, and
 - (b) does not exercise the right of management and control of the bond assets.
- (8) In this paragraph “underwrite”, in relation to an offer of rights under a bond, means to agree to make payments of capital under the bond in the event that other persons do not make those payments.

PART 5

SUPPLEMENTARY

Replacement of asset

- (1) Paragraphs 13 to 16 apply with the modifications set out in sub-paragraph (2) or (as the case may be) (3) if –
- (a) conditions 1 to 3 and 7 are met in relation to an interest in land (“the original land”),
 - (b) B ceases to hold the original land as a bond asset (and accordingly, transfers it to A) before the termination of the alternative finance investment bond,
 - (c) A and B enter into further arrangements satisfying condition 1 relating to an interest in other land (“the replacement land”), and
 - (d) the value of the interest in the replacement land at the time it is transferred from A to B is greater than or equal to the market value of the interest in the original land on the effective date of the first transaction relating to the original land.
- (2) In relation to the original land, condition 6 does not need to be met if conditions 1, 2, 3, 6 and 7 (as modified by sub-paragraph (3)) are met in relation to the replacement land.
- (3) In relation to the replacement land –

- (a) condition 5 applies as if the reference to the interest in land were a reference to the interest in the original land, and
 - (b) condition 7 applies as if the reference in paragraph 12(b) to the first transaction were a reference to the first transaction relating to the original land.
- 5 (4) If the replacement land is in Wales, the original land ceases to be subject to the charge registered in pursuance of condition 4 when –
- (a) B provides WRA with the prescribed evidence that condition 7 is met in relation to the original land, and
 - (b) condition 4 is met in relation to the replacement land.
- 10 (5) If the replacement land is not in Wales, the original land ceases to be subject to the charge registered in pursuance of condition 4 when B provides WRA with the prescribed evidence that –
- (a) condition 7 is met in relation to the original land, and
 - (b) each of conditions 1 to 3 is met in relation to the replacement land.
- 15 (6) This paragraph also applies where the replacement land is replaced by further replacement land; and in that event –
- (a) references to the original land (except those in sub-paragraph (3)) are to be read as references to the replacement land, and
 - (b) references to the replacement land are to be read as references to the further
- 20 replacement land.

WRA to notify Registrar of discharge of charge

- 19 (1) Where a charge is discharged in accordance with paragraph 16 or 18(4) or (5), WRA must notify the Chief Land Registrar of the discharge in accordance with land registration rules (within the meaning of the Land Registration Act 2002 (c. 9)).
- 25 (2) WRA must do so within the period of 30 days beginning with the date on which B provides the evidence in question.

Condition C

- 4 Condition C is that –
- 20 (a) the proportions of the chargeable interest to which the persons mentioned in paragraph 3(a) are entitled immediately after the transfer are the same as those to which they were entitled at the relevant time, or

Key terms

4 (1) “The consideration attributable to dwellings” is—

20 (a) for a single dwelling transaction, so much of the chargeable consideration for the transaction as is attributable to the dwelling;

(b) for a multiple dwelling transaction, so much of the chargeable consideration for the transaction as is attributable to the dwellings in total.

(2) “The remaining consideration” is the chargeable consideration for the transaction less the consideration attributable to dwellings.

25 (3) A relevant transaction is a “single dwelling transaction” if its main subject-matter consists of—

(a) an interest in a dwelling, or

(b) an interest in a dwelling and other property.

30 (4) A relevant transaction is a “multiple dwelling transaction” if its main subject-matter consists of—

(a) an interest in at least two dwellings, or

(b) an interest in at least two dwellings and other property.

(5) “Attributable” means attributable on a just and reasonable apportionment.

The amount of tax chargeable

35 5 (1) If relief under this Schedule is claimed for a relevant transaction, the amount of tax chargeable in respect of the transaction is the sum of—

(a) the tax related to the consideration attributable to dwellings, and

(b) the tax related to the remaining consideration (if any).

- (2) If the whole or part of the chargeable consideration for a relevant transaction is rent, sub-paragraph (1) has effect subject to Part 5 of Schedule 6 (leases: calculation of tax chargeable).

Determining the tax related to the consideration attributable to dwellings

- 5 6 (1) For the purposes of paragraph 5(1)(a), “the tax related to the consideration attributable to dwellings” is determined as follows –

Step 1

Determine the amount of tax that would be chargeable under section 27 on the assumption that –

- 10 (a) the chargeable transaction is a residential property transaction, and
 (b) the chargeable consideration were the fraction produced by dividing total dwellings consideration by total dwellings.

Step 2

Multiply the amount determined at Step 1 by total dwellings.

15 *Step 3*

If the relevant transaction is one of a number of linked transactions, go to Step 4.

Otherwise, the amount found at Step 2 is the tax related to the consideration attributable to dwellings.

Step 4

20 Multiply the amount found at Step 2 by –

$$\frac{CD}{TDC}$$

Figure 12

where –

25 “CD” is the consideration attributable to dwellings for the relevant transaction, and

“TDC” is total dwellings consideration.

- (2) But if the amount found at Step 2 of sub-paragraph (1) is less than 1% of total dwellings consideration, for the purposes of paragraph 5(1)(a) “the tax related to the consideration attributable to dwellings” is an amount equal to 1% of the consideration attributable to dwellings.

- (3) “Total dwellings consideration” means –

- (a) for a transaction that is not one of a number of linked transactions, the consideration attributable to dwellings for that transaction;
- (b) for one of a number of linked transactions –
- 35 (i) the total of the consideration attributable to dwellings for that transaction and all the other linked transactions that are relevant transactions, plus

- (ii) so much of the chargeable consideration for any of the linked transactions (whether or not relevant transactions) as is not included in the calculation under paragraph (i) but is attributable to the same dwellings by reference to which that calculation is made.
- 5 (4) “Total dwellings” means the total number of dwellings by reference to which total dwellings consideration is calculated.
- (5) In the application of sub-paragraph (1), no account is to be taken of—
- (a) section 72(9) (transfer of 6 or more separate dwellings treated as non-residential property), or
- 10 (b) paragraph 34 (tax chargeable for consideration other than rent: mixed leases) of Schedule 6 (leases).
- (6) In the application of sub-paragraph (1), where a relevant transaction is a higher rates residential property transaction (as provided for in Schedule 5), the amount of tax that would be chargeable under section 27 is to be determined on that basis.
- 15 (7) The Welsh Ministers may by regulations amend sub-paragraph (2) so as to substitute for the percentages for the time being specified there, different percentages.

Determining the tax related to the remaining consideration

- 7 (1) For the purposes of paragraph 5(1)(b), “the tax related to the remaining consideration” is the appropriate fraction of the amount of tax which (but for this Schedule) would be due in respect of the relevant transaction.
- 20 (2) In sub-paragraph (1), “the appropriate fraction” means—
- $$\frac{RC}{TDC + TRC}$$
- Figure 13
- where—
- 25 “RC” is the remaining consideration for the relevant transaction,
 “TDC” is total dwellings consideration, and
 “TRC” is total remaining consideration.
- (3) The “total remaining consideration” is—
- (a) for a transaction that is not one of a number of linked transactions, the remaining consideration for that transaction;
- 30 (b) for one of a number of linked transactions—
- (i) the total of the chargeable consideration for all those transactions, less
- (ii) total dwellings consideration.

Certain buildings not yet constructed or adapted to count as a dwelling

- 35 8 (1) For the purposes of this Schedule, the main subject-matter of a transaction is to be taken to consist of or include an interest in a dwelling if—

- (a) substantial performance of a contract constitutes the effective date of that transaction by virtue of a relevant deeming provision,
- (b) the main subject-matter of the transaction consists of or includes an interest in a building, or a part of a building, that is to be constructed or adapted under the contract for use as a dwelling, and
- (c) construction or adaptation of the building, or the part of a building, has not begun by the time the contract is substantially performed.

(2) In sub-paragraph (1)–

“contract” (“*contract*”) includes any agreement;

“relevant deeming provision” (“*darpariaeth dybio berthnasol*”) means any of–

- (a) section 10 (contract and transfer),
- (b) section 11 (contract providing transfer to third party),
- (c) paragraph 8(1) to (5) of Schedule 2 (assignment of rights: transferor treated as making a separate acquisition), or
- (d) paragraph 20 of Schedule 6 (agreement for lease);

“substantially performed” (“*cyflawni’n sylweddol*”) has the meaning given by section 14.

(3) Subsections (4) to (7) of section 72 (meaning of residential property) apply for the purposes of this paragraph as they apply for the purposes of subsection (1)(a) of that section.

In this Part of this Schedule, a transaction that is relieved from tax by virtue of paragraph 2 (group relief) is referred to as a "relieved transaction".

Withdrawal of group relief

(1) Where sub-paragraph (2) applies group relief in relation to a relieved transaction, or an appropriate proportion of it, is withdrawn and tax is chargeable in accordance with this paragraph.

(2) This sub-paragraph applies where, in the case of a relieved transaction –

(a) the buyer ceases to be a member of the same group as the seller –

(i) before the end of the period of 3 years beginning with the effective date of the transaction, or

(ii) in pursuance of, or in connection with, arrangements made before the end of that period, and

(b) at the time the buyer ceases to be a member of the same group as the seller ("the relevant time"), it or a relevant associated company holds a chargeable interest –

(i) that was acquired by the buyer in the relieved transaction, or

(ii) that is derived from an interest so acquired,

and that has not subsequently been acquired at market value under a chargeable transaction for which group relief was available but was not claimed.

- (3) The amount chargeable is the tax that would have been chargeable in respect of the relieved transaction but for group relief if the chargeable consideration for that transaction had been an amount equal to—
- (a) the market value of the subject-matter of the transaction, and
 - (b) if the acquisition was the grant of a lease at a rent, that rent,
- or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (4) In sub-paragraphs (1) and (3) “an appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relieved transaction and what is held at the relevant time by the transferee company or, as the case may be, by that company and its relevant associated companies.

- “arrangements” (*“trefniadau”*) includes any scheme, agreement or understanding, whether or not legally enforceable;
 - “relevant associated company” (*“cwmni cyswllt perthnasol”*), in relation to the buyer, means a company that—
 - (a) is a member of the same group as the buyer immediately before the buyer ceases to be a member of the same group as the seller, and
 - (b) ceases to be a member of the same group as the seller in consequence of the buyer so ceasing.
- (6) This paragraph has effect subject to paragraphs 9 and 10 (cases in which group relief not withdrawn) and paragraph 12 (withdrawal of group relief in certain cases involving successive transactions).

Cases in which group relief not withdrawn

- 9 (1) Group relief is not withdrawn under paragraph 8 in the following cases.
- (2) The first case is where the buyer ceases to be a member of the same group as the seller by reason of—
- (a) anything done for the purposes of, or in the course of, winding up the seller or another company that is above the seller in the group structure, or
 - (b) the seller or another company that is above the seller in the group structure otherwise ceasing to exist.
- (3) For the purposes of sub-paragraph (2), a company is “above” the seller in the group structure if the seller, or another company that is above the seller in the group structure, is a 75% subsidiary of the company.
- (4) The second case is where—
- (a) the buyer ceases to be a member of the same group as the seller as a result of an acquisition of shares by another company (“the acquiring company”) in relation to which—
 - (i) section 75 of the Finance Act 1986 (c. 41) applies (stamp duty: acquisition relief), and

- (ii) the conditions for relief under that section are met, and
- (b) the buyer is immediately after that acquisition a member of the same group as the acquiring company.

(5) But in a case within sub-paragraph (4), sub-paragraph (6) applies if—

- (a) the buyer ceases to be a member of the same group as the acquiring company—
 - (i) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or
 - (ii) in pursuance of, or in connection with, arrangements made before the end of that period, and

(b) at the time the buyer ceases to be a member of the same group as the acquiring company, it or a relevant associated company holds a chargeable interest—

- (i) that was acquired by the buyer in the relieved transaction, or
- (ii) that is derived from an interest so acquired,

and that has not subsequently been acquired at market value under a chargeable transaction for which group relief was available but was not claimed.

(6) The provisions of this Schedule apply as if the buyer had then ceased to be a member of the same group as the seller.

(7) In sub-paragraph (5)—

“relevant associated company” (*“cwmni cyswllt perthnasol”*), in relation to the buyer, means a company that is a member of the same group as the buyer that ceases to be a member of the same group as the acquiring company in consequence of the buyer so ceasing.

Group relief not withdrawn where seller leaves group

(1) Group relief is not withdrawn under paragraph 8 where the buyer ceases to be a member of the same group as the seller because the seller leaves the group.

(2) The seller is regarded as leaving the group if the companies cease to be members of the same group by reason of a transaction relating to shares in—

- (a) the seller, or
- (b) another company that—
 - (i) is above the seller in the group structure, and
 - (ii) as a result of the transaction ceases to be a member of the same group as the buyer.

(3) For the purpose of sub-paragraph (2), a company is “above” the seller in the group structure if the seller, or another company that is above the seller in the group structure, is a 75% subsidiary of the company.

- (4) But if there is a change in the control of the buyer after the seller leaves the group, paragraphs 8, 9(4) and (6), 13 and 14 have effect as if the buyer had then ceased to be a member of the same group as the seller (but see sub-paragraph (7)).
- (5) For the purposes of this paragraph, there is a change in the control of the buyer if –
- 5 (a) a person who controls the buyer (alone or with others) ceases to do so,
(b) a person obtains control of the buyer (alone or with others), or
(c) the buyer is wound up.
- (6) For the purposes of sub-paragraph (5), a person (“P”) does not control, or obtain control of, the buyer if P is under the control of another person or other persons.
- 10 (7) Sub-paragraph (4) does not apply where –
- (a) there is a change in the control of the buyer because a loan creditor (within the meaning given by section 453 of the Corporation Tax Act 2010 (c. 4)) obtains control of, or ceases to control, the buyer, and
- (b) the other persons who controlled the buyer before that change continue to do so.
- 15 (8) In this paragraph references to “control” are to be interpreted in accordance with sections 450 and 451 of the Corporation Tax Act 2010 (c. 4) (subject to sub-paragraph (6)).

Group relief not withdrawn as a result of certain transfers of business etc. by mutual societies

- 11 (1) Group relief is not withdrawn under paragraph 8 where –
- (a) there is a relevant transfer of business or engagement,
- 20 (b) before the date of the relevant transfer there had been a relieved transaction, and
- (c) as a result of that transfer, the buyer in the relieved transaction ceases to be a member of the same group as the seller –
- (i) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or
- 25 (ii) in pursuance of, or in connection with, arrangements made before the end of that period.
- (2) In this paragraph, a “relevant transfer of business or engagement” means –
- (a) a transfer of business described in paragraph 10(1)(a) and (b) of Schedule 22 (transactions entered into by building societies);
- 30 (b) a transfer of business described in paragraph 11(1) of that Schedule (transactions entered into by friendly societies);

- (c) a transfer of business described in paragraph 12(1) of that Schedule (transactions entered into by co-operative and community benefit societies or credit unions).

Withdrawal of group relief in certain cases involving successive transactions

12 (1) Where in the case of a relieved transaction –

- 5 (a) there is a change in the control of the buyer,
(b) that change occurs –
- 10 (i) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or
(ii) in pursuance of, or in connection with, arrangements made before the end of that period,
- (c) apart from this paragraph, group relief in relation to the relieved transaction would not be withdrawn under paragraph 8, and
(d) any previous transaction falls within sub-paragraph (3),

15 paragraphs 8, 9 and 10 have effect in relation to the relieved transaction as if the seller in the earliest previous transaction falling within sub-paragraph (3) were the seller in the relieved transaction.

(2) Sub-paragraph (1) has effect subject to sub-paragraph (6).

(3) A previous transaction falls within this sub-paragraph if –

- 20 (a) the previous transaction is a relieved transaction or is relieved from tax by virtue of Schedule 17 (reconstruction and acquisition reliefs),
(b) the effective date of the previous transaction is less than 3 years before the date of the event falling within sub-paragraph (1)(a),
(c) the chargeable interest acquired under the relieved transaction by the buyer in that transaction is the same as, comprises, forms part of, or is derived from, the chargeable interest acquired under the previous transaction by the buyer in the previous transaction, and
(d) since the previous transaction, the chargeable interest acquired under that transaction has not been acquired by any person in a transaction that is not a relieved transaction nor is relieved from tax by virtue of Schedule 17
30 (reconstruction and acquisition reliefs).

(4) For the purposes of this paragraph, there is a change in the control of a company if –

- (a) any person who controls the company (alone or with others) ceases to do so,
(b) a person obtains control of the company (alone or with others), or
(c) the company is wound up.

35 (5) References to “control” in this paragraph are to be construed in accordance with sections 450 and 451 of the Corporation Tax Act 2010 (c. 4).

(6) Sub-paragraph (1) does not apply where –

- (a) there is a change in the control of the buyer because a loan creditor (within the meaning given by section 453 of the Corporation Tax Act 2010 (c. 4)) obtains control of, or ceases to control, the buyer, and
- (b) the other persons who controlled the buyer before that change continue to do so.
- 5 (7) If two or more transactions effected at the same time are the earliest previous transactions falling within sub-paragraph (3), the reference in sub-paragraph (1) to the seller in the earliest previous transaction is a reference to the persons who are the sellers in the earliest previous transactions.
- 10 (8) In this paragraph “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable.

SCHEDULE 17
(as introduced by section 30(1))

RECONSTRUCTION AND ACQUISITION RELIEFS

PART 1

INTRODUCTORY

Overview

- 1 (1) This Schedule makes provision about reconstruction relief and acquisition relief.
- (2) This Schedule is arranged as follows—
- 10 (a) Part 2 describes the relief available for transactions entered into in pursuance of a scheme of reconstruction,
- (b) Part 3 provides for the amount of tax chargeable where a land transaction is entered into in connection with a company acquiring the whole or part of the undertaking of another company,
- 15 (c) Part 4 makes provision about the withdrawal of reconstruction relief or acquisition relief, and
- (d) Part 5 makes provision about recovery of unpaid tax from certain persons.

PART 2

RECONSTRUCTION RELIEF

Reconstruction relief

- 20 2 (1) Where—
- (a) a company (“the acquiring company”) acquires the whole or part of the undertaking of another company (“the target company”) in pursuance of a scheme for the reconstruction of the target company, and
- (b) the first and second conditions specified below are met,
- 25 a land transaction entered into for the purposes of or in connection with the transfer of the undertaking or part is relieved from tax.
- (2) Relief under this paragraph is referred to in this Schedule as “reconstruction relief”.
- (3) The first condition is that the consideration for the acquisition consists wholly or partly of the issue of non-redeemable shares in the acquiring company to all the shareholders of the target company.
- 30 (4) Where the consideration for the acquisition consists partly of the issue of non-redeemable shares, that condition is met only if the rest of the consideration consists wholly of the assumption or discharge by the acquiring company of liabilities of the target company.

- (5) In sub-paragraphs (3) and (4) “non-redeemable shares” means shares that are not redeemable shares.
- (6) The second condition is that after the acquisition has been made –
- (a) each shareholder of each of the companies is a shareholder of the other, and
 - (b) the proportion of shares of one of the companies held by any shareholder is the same, or as nearly as may be the same, as the proportion of shares of the other company held by that shareholder.
- (7) If immediately before the acquisition the target company or the acquiring company holds any of its own shares, the shares are to be treated for the purposes of sub-paragraphs (3) and (6) as having been cancelled before the acquisition (and, accordingly, the company is to be treated as if it were not a shareholder of itself).
- (8) This paragraph is subject to paragraph 5 (withdrawal of reconstruction or acquisition relief).

PART 3

ACQUISITION RELIEF

Acquisition relief

3 (1) Where –

- (a) a company (“the acquiring company”) acquires the whole or part of the undertaking of another company (“the target company”), and
- (b) all the conditions specified below are met,

the amount of tax chargeable on a land transaction entered into for the purposes of or in connection with the transfer of the undertaking or part is limited to 0.5% of the chargeable consideration for the transaction (or such other proportion of that consideration as the Welsh Ministers may specify by regulations under this paragraph).

- (2) Relief under this paragraph is referred to in this Schedule as “acquisition relief”.
- (3) The first condition is that the consideration for the acquisition consists wholly or partly of the issue of non-redeemable shares in the acquiring company to –
- (a) the target company, or
 - (b) all or any of the target company’s shareholders.
- (4) Where the consideration for the acquisition consists partly of the issue of non-redeemable shares, that condition is met only if the rest of the consideration consists wholly of –
- (a) cash not exceeding 10% of the nominal value of the non-redeemable shares so issued,
 - (b) the assumption or discharge by the acquiring company of liabilities of the target company, or
 - (c) both of those things.

- (5) In sub-paragraphs (3) and (4), “non-redeemable shares” means shares that are not redeemable shares.
- (6) The second condition is that the acquiring company is not associated with another company that is a party to arrangements with the target company relating to shares of the acquiring company issued in connection with the transfer of the undertaking or part.
- (7) For this purpose companies are associated if one has control of the other or both are controlled by the same person or persons; and the reference to control is to be construed in accordance with section 450 and 451 of the Corporation Tax Act 2010 (c. 4).
- (8) The third condition is that the undertaking or part acquired by the acquiring company has as its main activity the carrying on of a trade that does not consist wholly or mainly of dealing in chargeable interests.
- (9) In sub-paragraph (8), “trade” has the same meaning as in section 1119 of the Corporation Tax Act 2010 (c. 4).
- (10) In this paragraph, “arrangements” include any scheme, agreement or understanding, whether or not legally enforceable.
- (11) This paragraph is subject to paragraph 5 (withdrawal of reconstruction or acquisition relief).

PART 4

WITHDRAWAL OF RECONSTRUCTION OR ACQUISITION RELIEF

20 *Interpretation*

- 4 In this Part and in Part 5 of this Schedule, a transaction –
- (a) that is relieved from tax by virtue of reconstruction relief, or
 - (b) on which tax is chargeable in accordance with paragraph 3 (acquisition relief),
- is referred to as a “relieved transaction”.

25 *Withdrawal of reconstruction or acquisition relief*

- 5 (1) Where sub-paragraph (2) applies reconstruction or acquisition relief in relation to a relieved transaction, or an appropriate proportion of it, is withdrawn and tax is chargeable in accordance with this paragraph.
- (2) This sub-paragraph applies where –
- 30 (a) control of the acquiring company changes –
 - (i) before the end of the period of 3 years beginning with the effective date of the transaction, or
 - (ii) in pursuance of, or in connection with, arrangements made before the end of that period, and
 - 35 (b) at the time control of the acquiring company changes (“the relevant time”), it or a relevant associated company holds a chargeable interest –
 - (i) that was acquired by the acquiring company under the relieved transaction, or

(ii) that is derived from an interest so acquired,

and that has not subsequently been acquired at market value under a chargeable transaction in relation to which reconstruction or acquisition relief was available but was not claimed.

5 (3) The amount chargeable is the tax that would have been chargeable in respect of the relieved transaction but for reconstruction or acquisition relief if the chargeable consideration for that transaction had been an amount equal to—

(a) the market value of the subject-matter of the transaction, and

(b) if the acquisition was the grant of a lease at a rent, that rent,

10 or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.

(4) In sub-paragraphs (1) and (3), “an appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relieved transaction and what is held at the relevant time by the acquiring company or, as the case may be, by that company and any relevant associated companies.

15 (5) In this paragraph, “relevant associated company”, in relation to the acquiring company, means a company—

(a) that is controlled by the acquiring company immediately before the control of that company changes, and

20 (b) of which control changes in consequence of the change of control of that company.

(6) In this paragraph—

(a) “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable;

25 (b) “control” is to be construed in accordance with sections 450 and 451 of the Corporation Tax Act 2010 (c. 4);

(c) references to control of a company changing are to the company becoming controlled—

(i) by a different person,

(ii) by a different number of persons, or

30 (iii) by two or more persons at least one of whom is not the person, or one of the persons, by whom the company was previously controlled.

(7) This paragraph has effect subject to paragraph 6 (cases in which reconstruction or acquisition relief not withdrawn).

Cases in which reconstruction or acquisition relief not withdrawn

35 6 (1) Reconstruction or acquisition relief is not withdrawn under paragraph 5 in the following cases.

(2) The first case is where control of the acquiring company changes as a result of a share transaction that is effected as mentioned in—

40 (a) any of paragraphs (a) to (d) of paragraph 3 of Schedule 3 (transactions in connection with divorce etc.), or

(b) any of paragraphs (a) to (d) of paragraph 4 of that Schedule (transactions in connection with dissolution of civil partnership etc.).

(3) The second case is where control of the acquiring company changes as a result of a share transaction that—

(a) is effected as mentioned in sub-paragraph (1) of paragraph 6 of Schedule 3 (variation of testamentary dispositions etc.), and

(b) meets the conditions in sub-paragraph (2) of that paragraph.

(4) The third case is where control of the acquiring company changes as a result of an exempt intra-group transfer.

(5) An “exempt intra-group transfer” means a transfer of shares effected by an instrument that is exempt from stamp duty by virtue of section 42 of the Finance Act 1930 (c. 28) or section 11 of the Finance Act (Northern Ireland) 1954 (c. 23 (N.I.)) (transfers between associated bodies corporate).

(6) But see paragraph 7 (withdrawal of relief in case of subsequent non-exempt transfer).

(7) The fourth case is where control of the acquiring company changes as a result of a transfer of shares to another company in relation to which share acquisition relief applies.

(8) “Share acquisition relief” means relief under section 77 of the Finance Act 1986 (c. 41) and a transfer is one in relation to which that relief applies if an instrument effecting the transfer is exempt from stamp duty by virtue of that provision.

(9) But see paragraph 7 (withdrawal of relief in case of subsequent non-exempt transfer).

(10) The fifth case is where—

(a) control of the acquiring company changes as a result of a loan creditor becoming, or ceasing to be, treated as having control of the company, and

(b) the other persons who were previously treated as controlling the company continue to be so treated.

(11) “Loan creditor” here has the meaning given by section 453 of the Corporation Tax Act 2010 (c. 4).

Withdrawal of reconstruction or acquisition relief on subsequent non-exempt transfer

(1) Reconstruction or acquisition relief in relation to a relieved transaction, or an appropriate proportion of it, is withdrawn and tax is chargeable in accordance with this paragraph in the following cases.

(2) The first case is where paragraph 6(4) (change of control of acquiring company as a result of exempt intra-group transfer) has effect to prevent the withdrawal of reconstruction or acquisition relief on a change of control of the acquiring company, but—

(a) a company holding shares in the acquiring company to which the exempt intra-group transfer related, or that are derived from shares to which that transfer related, ceases to be a member of the same group as the target company –

(i) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or

(ii) in pursuance of or in connection with arrangements made before the end of that period, and

(b) the acquiring company or a relevant associated company, at that time (“the relevant time”), holds a chargeable interest –

(i) that was transferred to the acquiring company by the relieved transaction, or

(ii) that is derived from an interest that was so transferred,

and that has not subsequently been transferred at market value by a chargeable transaction in relation to which reconstruction or acquisition relief was available but was not claimed.

(3) The second case is where paragraph 6(7) (change of control of acquiring company as a result of a transfer to which share acquisition relief applies) has effect to prevent the withdrawal of reconstruction or acquisition relief on a change of control of the acquiring company, but –

(a) control of the other company mentioned in that provision changes –

(i) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or

(ii) in pursuance of or in connection with arrangements made before the end of that period,

at a time when that company holds any shares transferred to it by the exempt transfer, or any shares derived from shares so transferred, and

(b) the acquiring company or a relevant associated company, at that time (“the relevant time”), holds a chargeable interest –

(i) that was transferred to the acquiring company by the relieved transaction, or

(ii) that is derived from an interest that was so transferred,

and that has not subsequently been transferred at market value by a chargeable transaction in relation to which reconstruction or acquisition relief was available but was not claimed.

(4) The amount chargeable is the tax that would have been chargeable in respect of the relieved transaction but for reconstruction or acquisition relief if the chargeable consideration for that transaction had been an amount equal to the market value of the subject-matter of the transaction or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.

- (5) In sub-paragraphs (1) and (4), “an appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relieved transaction and what is held at the relevant time by the acquiring company or, as the case may be, by that company and any relevant associated companies.
- 5 (6) In this paragraph “relevant associated company”, in relation to the acquiring company, means a company –
- (a) that is controlled by the acquiring company immediately before the control of that company changes, and
 - (b) of which control changes in consequence of the change of control of that company.
- 10 (7) In this paragraph –
- (a) “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable;
 - (b) “control” is to be construed in accordance with sections 450 and 451 of the Corporation Tax Act 2010 (c. 4);
 - 15 (c) references to control of a company changing are to the company becoming controlled –
 - (i) by a different person,
 - (ii) by a different number of persons, or
 - 20 (iii) by two or more persons at least one of whom is not the person, or one of the persons, by whom the company was previously controlled.

PART 5

RECOVERY OF RECONSTRUCTION OR ACQUISITION RELIEF

Recovery of reconstruction or acquisition relief from another group company or controlling director

- 8 (1) This paragraph applies where –
- 25 (a) tax is chargeable under paragraph 5 or 7 (withdrawal of reconstruction or acquisition relief),
 - (b) the amount so chargeable has been finally determined, and
 - (c) the whole or part of the amount so chargeable is unpaid 6 months after the date on which it became payable.
- 30 (2) The following persons may, by notice under paragraph 9, be required to pay the unpaid tax (together with any interest payable) –
- (a) any company that at any relevant time was a member of the same group as the acquiring company and was above it in the group structure;
 - 35 (b) any person who at any relevant time was a controlling director of the acquiring company or a company having control of the acquiring company.
- (3) For the purposes of sub-paragraph (2), “relevant time” means any time between effective date of the relieved transaction and the change of control by virtue of which tax is chargeable.

- (4) For the purposes of sub-paragraph (2)(a), a company (“company A”) is “above” another company (“company B”) in a group structure if company B, or another company that is above company B in the group structure, is a 75% subsidiary of company A.
- (5) For the purposes of sub-paragraph (2)(b) –
- 5 (a) “director”, in relation to a company, has the meaning given by section 67(1) of the Income Tax (Earnings and Pensions) Act 2003 (c. 1) (read with subsection (2) of that section) and includes any person falling within section 452(1) of the Corporation Tax Act 2010 (c. 4);
- 10 (b) “controlling director”, in relation to a company, means a director of the company who has control of it; and “control” here is to be construed in accordance with sections 450 and 451 of the Corporation Tax Act 2010 (c. 4).
- (6) For the purposes of this paragraph, a claim is not finally determined until –
- (a) the claim, or
- (b) the amount to which it relates,
- 15 can no longer be varied (whether on review, appeal or otherwise).

Recovery of reconstruction or acquisition relief: supplementary

- 9 (1) WRA may issue a notice to a person within paragraph 8(2) requiring the person to pay the amount that remains unpaid before the end of the period of 30 days beginning with the day on which the notice is issued.
- 20 (2) A notice under sub-paragraph (1) must be issued before the end of the period of 3 years beginning with the date of the final determination mentioned in paragraph 8(1)(b).
- (3) The notice must state the amount required to be paid by the person to whom the notice is issued.
- 25 (4) That amount is a “relevant amount” payable by the person to whom the notice is issued for the purposes of Part 7 of TCMA (payment and enforcement).
- (5) A person who has paid an amount in pursuance of a notice under this paragraph may recover that amount from the acquiring company.

SCHEDULE 18
(as introduced by section 30(1))

CHARITIES RELIEF

Overview

- 5 1 This Schedule is arranged as follows—
- (a) paragraph 2 defines key terms,
 - (b) paragraph 3 describes the relief available to a charity that is a buyer in a land transaction and the circumstances in which it is available,
 - (c) paragraph 4 describes the circumstances where that relief is withdrawn,
 - 10 (d) paragraph 5 describes the relief available where a charity does not qualify for relief under paragraph 3 but meets other criteria, and makes provision about the circumstances where such relief is withdrawn,
 - (e) paragraph 6 describes the relief available where at least one charity and at least one person who is not a charity are buyers under a land transaction,
 - 15 (f) paragraph 7 describes the circumstances where that relief is withdrawn,
 - (g) paragraph 8 describes the relief available where a charity does not qualify for relief under paragraph 6 but meets other criteria, and makes provision about the circumstances where such relief is withdrawn, and
 - (h) paragraph 9 makes provision about reliefs available for charitable trusts.

20 *Key terms*

- 2 (1) In this Schedule, a charity (“C”) which is a buyer in a land transaction is a “qualifying charity” —
- (a) for the purposes of paragraphs 3, 4 and 5, if C intends to hold the whole of the subject-matter of the transaction for qualifying charitable purposes;
 - 25 (b) for the purposes of paragraphs 6, 7 and 8, if C intends to hold the whole of its undivided share of the subject-matter of the transaction for qualifying charitable purposes.
- (2) For the purposes of this Schedule, C holds the subject-matter of the transaction for “qualifying charitable purposes” if C holds it—
- 30 (a) for use in furtherance of the charitable purposes of C or another charity, or
 - (b) as an investment from which the profits are applied to the charitable purposes of C.
- (3) In this Schedule—
- 35 (a) “charity” has the meaning given by Part 1 of Schedule 6 to the Finance Act 2010 (c. 13), and

(b) “charitable purpose” has the meaning given by section 2 of the Charities Act 2011 (c. 25).

(4) In this Schedule, in relation to C which is a buyer in a land transaction, a “disqualifying event” occurs when—

- 5
- (a) C ceases to be established for charitable purposes only, or
 - (b) the whole or any part of the subject-matter of the transaction relieved from tax under this Schedule, or any interest or right derived from it, is used or held by C otherwise than for qualifying charitable purposes.

The relief

10 3 (1) A land transaction is relieved from tax where the buyer is a qualifying charity.

(2) But see paragraph 4 (withdrawal of relief).

Withdrawal of charities relief

4 (1) This paragraph applies where—

- 15
- (a) a land transaction is relieved from tax under paragraph 3 (“the relieved transaction”),
 - (b) a disqualifying event occurs in relation to a charity (“C”) which was the buyer under the relieved transaction, and
 - (c) the disqualifying event occurs in the circumstances required by sub-paragraphs (3) and (4).

20 (2) Where this paragraph applies, relief under paragraph 3, or an appropriate proportion of it, is withdrawn and tax is chargeable (see sub-paragraph (5)).

(3) The disqualifying event must occur—

- 25
- (a) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or
 - (b) in pursuance of, or in connection with, arrangements made before the end of that period.

(4) At the time of the disqualifying event C must hold a chargeable interest that—

- (a) was acquired by C under the relieved transaction, or
- (b) that is derived from an interest so acquired.

30 (5) The amount chargeable is the amount of tax that would have been chargeable but for paragraph 3 or, as the case may be, an appropriate proportion of that amount.

(6) An “appropriate proportion” means an appropriate proportion having regard to—

- 35
- (a) what was acquired by C under the relieved transaction and what is held by C at the time of the disqualifying event, and
 - (b) the extent to which what is held by C at that time is or becomes used or held for purposes other than qualifying charitable purposes.

Charity not a qualifying charity

- 5 (1) This paragraph applies where –
- (a) a land transaction is not relieved from tax under paragraph 3 because the buyer is not a qualifying charity, but
 - 5 (b) the buyer is a charity (“C”) which intends to hold the greater part of the subject-matter of the transaction for qualifying charitable purposes.
- (2) In such a case –
- (a) paragraphs 3 and 4 have effect as if C were a qualifying charity, but
 - 10 (b) for the purposes of paragraph 4, “disqualifying event” includes the following if they are made otherwise than in furtherance of C’s charitable purpose –
 - (i) any transfer by C of a major interest in the whole or any part of the subject-matter of the relieved transaction;
 - (ii) any grant by C at a premium of a low-rental lease of the whole or any part of that subject-matter.

- 5 (4) The “relevant proportion”, in the case of a qualifying charity, is the lower of P1 and P2, where –

P1 is the proportion of the subject-matter of the transaction that is acquired by all the qualifying charities that are buyers under the transaction (in aggregate);

10 P2 is the proportion of the chargeable consideration for the transaction that is given by all the qualifying charities that are buyers under the transaction (in aggregate).

Figure 14

30 (b) for the purposes of paragraph 7 "disqualifying event" includes the following if they are made otherwise than in furtherance of C's charitable purposes—

(i) any transfer by C of a major interest in the whole or any part of the subject-matter of the relieved transaction;

(ii) any grant by C at a premium of a low-rental lease of the whole or any part of that subject-matter.

WRA may grant the request.

(5) But if WRA –

- (a) thinks that it is only in respect of part of the amount that the person has reasonable grounds for thinking that the amount is excessive, or
- (b) has reason to believe that it is only in respect of part of the amount (and interest on that part) that recovery would cause the person serious financial hardship,

WRA may grant the request in respect of such part of the amount as it thinks appropriate.”
