I am writing to inform you of our approach to the publication of Supplementary Budgets during 2017-18.

I intend to continue with practice adopted over recent years and publish two Supplementary Budgets during the financial year.

A First Supplementary Budget will be tabled on 20 June to allow for a debate, on 11 July, prior to the summer recess. This allows a period of three weeks for scrutiny under Standing Orders.

The budget will provide an opportunity to reflect the changes in the Welsh Block arising from the UK Government's recent Budget 2017 and the Main Estimates exercise, alongside any allocations from our reserves.

Again following current practice, I also intend to publish a Second Supplementary Budget later in the financial year.

I hope you find this update helpful.
