Dear *Mike,*

Thank you for your letter of 27 March regarding Petition P-05-755 Call on Welsh Government to make the A48 safe for all road users and pedestrians at Laleston, Broadlands and Merthyr Mawr.

Whilst we have responsibility for the motorway and trunk road network in Wales, local authorities are responsible for local roads. In this instance, Bridgend County Borough Council has responsibility for the A48 between Laleston, Broadlands and Merthyr Mawr.

Bridgend County Borough Council submitted an application to the Road Safety Capital Grant for this scheme, but unfortunately the scheme did not score highly enough to receive funding. The scheme is first on the reserve list and will be considered should funding become available during 2017-18.

*Yours ever,
Ken*
