Dear Mike,

Thank you for your letter of 22 February regarding a meeting with the petitioners (Petition P-04-682 Routine Screening for Type 1 Diabetes in Children and Young People).

Unfortunately, I am unable to meet with the petitioners at this time. I would like to thank them for their work to raise awareness of the symptoms of type 1 diabetes. I would draw the petitioners' attention to our recently refreshed diabetes delivery plan, which sets out the Welsh Government's vision for services in Wales and action by health boards to improve the detection of diabetes. The plan can be found at:

Yours sincerely,
