Dear Mike,

Petitions currently under consideration by the Petitions Committee

Thank you for your letter dated 25 May regarding petitions currently under consideration by the petitions committee. The EIS Committee noted the letter at our meeting on 7 June 2017.

When we look at our future work programme later this term, we will consider whether there are themes emerging from the petitions which could inform a future inquiry.

Yours Sincerely,

Russell George AM

Chair of the Economy, Infrastructure and Skills Committee
