Dear Mr McGuire,

**Welsh Government's funding of Kancoat Ltd**

Thank you for your letter of 21 June which the Public Accounts Committee considered during its meeting on 26 June.

Whilst the Committee noted the definition of advanced materials and manufacturing provided, we would welcome clarification on how the Kancoat project met that definition.

You also provided a comprehensive list of different areas that are contained within advanced materials and manufacturing. I wish to seek further clarification on what materials and manufacturing are not included on the list of industry clarifications relating to advanced materials and manufacturing (Annex 1 of your letter).

Yours sincerely,

**Nick Ramsay AM**  
Chair
