### **Text of the Petition**

We petition the Welsh Assembly government to fund and undertake evidence based research, and produce a strategy with recommendations for building resilience in our children – from infancy – against the devastating effects of Cyber-Bullying.

### **Additional Information**

The strategy should include advice for parents and schools as to:

- \* how to create healthy views and relationships around social media
- \* how to prepare children to identify and guard against the behaviours that cyber-bullies use
- \* how to teach children to emotionally separate their online experiences from their 'real life' ones
- \* how to build emotional resilience to personal attacks online
