Dear David,

Thank you for letter of 5 October asking for an up-date on discussions involving the Welsh Government over a new power plant at Port Talbot.

At the end of last year, we announced £8m of funding towards an £18m investment by Tata in the improvement of the power plant at Port Talbot to reduce energy costs and cut carbon emissions. We are continuing to discuss a potential package of support with Tata. The detail of those discussions is commercially confidential.

*Yours ever,  
Ken*
