Bil Ombwdsmon Gwasanaethau Cyhoeddus (Cymru)

Public Services Ombudsman (Wales) Bill

We believe it is now critical and long overdue that the Coity Wallia Board of Conservators are brought under control and under the jurisdiction of the Ombudsman.

At present there is no one overseeing the behaviour of Board members and this would give the Public, lower Board members and commoners and anyone having dealings with the Board an independent body to complain to and address many issues.
