Dear Dr Goodall,

#### **NHS Finance (Wales) Act 2014**

Thank you for your letter of 6 November which was considered in the meeting of the Public Accounts Committee on 20 November.

I wish to seek further clarification on the issues that Deloitte found during the Zero Based Review undertaken at Hywel Dda University Health Board and would also welcome further information following the evaluation being undertaken by officials together with a timeline of when advice will be developed. Similarly, if Deloitte found other health boards experiencing similar issues with 'excess' costs of the current configuration against appropriate comparator's then I would also welcome details of those.

Yours sincerely,

**Nick Ramsay AM**  
Chair
