Remuneration Board

1 – How your Assembly commission forecasts its budget for Remuneration Board determinations?

At the French Assemblée nationale there is no existing remuneration board which deals with the parliamentary allowance. This allowance is indexed to the salary of the highest ranking state civil servants. It is equal to the mean of the lowest and highest salary of civil servants in the category “hors échelle” (highest level).

2 – Which way the assembly commission provides clear and transparent information?

The accounts of the French Assemblée nationale are certified every year by the Court of auditors (Cour des comptes).

Those accounts are published and can be consulted on our website.
